Australian life has never had a chronicler quite like the Vagabond. Renowned as journalist and 'eminently unconventional character', he suffered extremes of poverty and prosperity. These enabled him to record first-hand experiences revealing the degradation of life in the festering slums of the Victorian era. They also enabled him to write convincingly about the emergence of a well-off middle class in the fast-developing colonies. The Vagabond repeatedly shocked newly respectable citizens with his lively reporting of scandalous situations - baby farming, harsh conditions in prisons and asylums, savage sporting events, the life of the demi-monde, and pathetic pauper funerals. This selection of the Vagabond's

best work includes a lengthy introduction to the 1969 edition, which attempted to explain the mysteries of his origins and adventures, and the reasons he always used pseudonyms after fleeing from the USA to Australia. Additional material in this edition reveals for the first time the details of his earlier life in Virginia, USA. Here he married the widow of a rich planter, used her money to build a delightful Southern mansion, became a leading light in society, took control of the local bank, and absconded when things went wrong. The rascal managed to redeem himself with his unique work for Australian newspapers, where no-one realised his true identity. A further addition to this volume is a scholarly examination of the Vagabond's pioneering technique of 'immersion journalism', where the reporter becomes part of the story and gives his own observations and opinions.

Underwater wedding bells are ringing as Mr. Fangtooth gets ready to marry his sweetheart in this sparkling Mermaid Tales adventure. Pearl can't believe that grumpy cafeteria worker Mr. Fangtooth is marrying Lillian the librarian. She doesn't understand why Lillian would want to marry someone who is always so grouchy. And she's even more shell-shocked to discover that Echo, Shelly, and Kiki are going to be flower girls at the wedding! Pearl is tail-flipping mad—why wouldn't Mr. Fangtooth and Lillian invite her to be a part of the ceremony too?! Pearl makes up her mind: One way or another, she is going to be in that wedding too. She decides she will prove that she's the perfect flower girl by taking over the wedding planning—with disastrous, expensive results! Can Pearl clean up her mess and make sure that Lillian and Mr. Fangtooth have a happily ever after after all?

This volume delves into the study of the world's emerging middle class. With essays on Europe, the United States, Africa, Latin America, and Asia, the book studies recent trends and developments in middle class evolution at the global, regional, national, and local levels. It reconsiders the conceptualization of the middle class, with a focus on the diversity of middle class formation in different regions and zones of world society. It also explores middle class lifestyles and everyday experiences, including experiences of social mobility, feelings of insecurity and anxiety, and even middle class engagement with social activism. Drawing on extensive fieldwork and in-depth interviews, the book provides a sophisticated analysis of this new and rapidly expanding socioeconomic group and puts forth some provocative ideas for intellectual and policy debates. It will be of importance to students and researchers of sociology, economics, development studies, political studies, Latin American studies, and Asian Studies.

Set on the rugged island of Newfoundland, "OF SEA AND SEED "takes the reader on a tragic journey through the 1920s as one family strives to hold onto life in the face of secrets, betrayal, and tsunami. Chronicling this journey is the family matriarch, Kathleen Kerrigan, who is condemned to an afterlife of atonement for the depth of her crimes in life. But what possible mortal sin could cause heaven to banish this loving mother, grandmother, and storyteller? A poetic, literary masterpiece, this first book of The Kerrigan Chronicles illuminates the depths of the human heart as it follows three generations suffering from toxic family secrets, shocking betrayals, and the harsh everyday reality that accompanies a life entangled with the sea. This suspenseful account of life in early twentieth century Newfoundland is as stunningly lovely as it is devastatingly heartbreaking. "OF SEA AND SEED" is a gripping family saga-an unforgettable must read.

This book discusses heritage stones which were used in the making of the architectonic heritage of Delhi and Agra, encompassing UNESCO world heritage sites and heritage sites designated as prominent by the Indian government. The most famous monument of the two cities is the 'Taj Mahal' of Agra. The book focuses on the geological characteristics of the famous Makrana marble, red sandstone and other sandstone variants of the Vindhyan basin and Delhi quartzite, the most widely used stones in almost all the monuments, as well as on their quarries. The work also aims to sensitise the public to protecting and preserving the architectonic heritage of these two densely populated cities in India as repositories of our past cultures and traditions. Identifying the nature and provenance of stones/rocks used in construction will lead to better restoration for

## **My Years With General Motors**

The Inside Story of America's Ultimate Warriors When Osama bin Laden was assassinated, the entire world was fascinated by the men who had completed the seemingly impossible mission that had dogged the U.S. government for over a decade. SEAL Team 6 became synonymous with heroism, duty, and justice. Only a handful of the elite men who make up the SEALs, the US Navy's best and bravest, survive the legendary and grueling selection process that leads to becoming a member of Team 6, a group so classified it technically does not even exist. There

are no better warriors on Earth. Don Mann knows what it takes to be a brother in this ultra-selective fraternity. As a member of Seal Team Six for over eight years and a SEAL for over seventeen years, he worked in countless covert operations, operating from land, sea, and air, and facing shootings, decapitations, and stabbings. He was captured by the enemy and lived to tell the tale, and he participated in highly classified missions all over the globe, including Somalia, Panama, El Salvador, Colombia, Afghanistan, and Iraq. As a coordinator for several civilian SEAL training programs, and as a former Training Officer of SEAL Team Six, he was directly responsible for shaping the bodies and minds of SEALs who carried out the assassination of Osama bin Laden. But to become a SEAL, Mann had to overcome his own troubled childhood and push his body to its breaking point--and beyond. **INSIDE SEAL TEAM 6** is a high octane narrative of physical and mental toughness, giving unprecedented insight to the inner workings of the training and secret missions of the world's most respected and feared combat unit.
