Trailer Life's RV Repair & Maintenance Manual

DIV Your one-stop manual for every aspect of DIY motorcycle electrical repair and modification. /div DIV/div DIV Weâ€™ve all stood at the front desk of a repair shop at some point, staring at an invoice, gritting our teeth and nursing our injured

wallets. All vehicles will inevitably need maintenance—and we pay a premium in labor fees every time we take them in—but unlike an automobile, which has its electrical components hermetically sealed within its bodywork, the electrical components on a motorcycle are on display for all the world to see. Out in the open, they are constantly subjected to destructive elements like rain, sand, salt, dust, and ultraviolet rays . . . virtually everyone who owns a motorcycle will eventually have to deal with electrical problems. In *How to Troubleshoot, Repair, and Modify Motorcycle Electrical Systems*, motorcycle expert Tracy Martin provides crystal-clear, fully illustrated, step-by-step instructions for every electrical repair imaginable on a bike—from the nuts-and-bolts basics to fuel-injection systems, onboard computers, repair and installation of factory and aftermarket accessories, and everything else in between. Complete with 600 full-color, how-to photos and 20 helpful diagrams, *How to Troubleshoot, Repair, and Modify Motorcycle Electrical Systems* will keep your bike on the road and your wallet in your pocket./div

Just a Spoon Full of Laughter is a great read for anyone that's been to a doctor's office and made it out alive. Written by an actual physician, it will keep you in stitches (no pun intended) from one story to the next. See for yourself what could be so funny about the physician office visit. Whether it's recalling his first sigmoidoscopy or performing an autopsy, you'll keep this riveting series of short humorous stories right there in the bathroom for pleasurable reading. You may even find yourself somewhere between the pages. From an author who will never be a New York Times Best Seller, it's a great book for young or old, male or female, professional or not. It's especially ideal for that person in your life who has everything except a sense of humor. It's ideal as a stocking stuffer, white elephant gift or for future yard sales.
