Created by the Legal Education Group in the tradition of the worlds widely cited and best-selling legal reference, "Blacks Law Dictionary." The second book in a new series, this handbook includes accurate, clear definitions to more than 3,000 business law key words and phrases.

Somalia Business Law Handbook Volume 1 Strategic Information and Basic Laws

Understanding the corporation means understanding its legal framework, but until recently the origins and evolution of corporate law have received relatively little attention. The topical chapters featured in this Research Handbook, contributed by leading scholars from around the world, examine the historical development of corporation and business organization law in the Americas, Europe, and Asia from the ancient world to modern times, providing an invaluable resource for both further historical research and scholars seeking the origins of present-day issues.

Titles in Barron's Business Review series are widely used as classroom supplements to college textbooks and often serve as a main textbook in business brush-up programs. Business Law focuses on the importance of legal theory in the everyday business world, explaining such subjects as tort responsibility, government regulations, contracts, environmental law, product liability, consumer protection, and international law, among many other topics. Also discussed in detail are the legal aspects of partnerships, franchises, and corporations, as well as special topics that include business crimes, property as a legal concept, intellectual property, and similar pertinent topics. A study aid labeled Key Terms appears at the beginning of each chapter, and You Should Remember summaries are strategically interspersed throughout the text.

Students of various courses like law, commerce, business and management must study Indian companies Act, 2013 as part of their curriculum and to prepare themselves appropriately for the professional world. The typical language citing the intricate provisions in the bare Act makes this subject appear difficult. The sole purpose of bringing out this book is to present the provisions of companies Act in the lucid language and bulleted format so that the text is easier to comprehend and absorb. We have made every possible effort to improve the comprehension of the Act and its provisions. The key points of the book are- ● The presentation of the Chapter content, at several locations, is in the bulleted format instead of long paragraphs. ● The intricate provisions have been explained with the help of illustrations and relevant case laws. These case laws have been highlighted in the box format for easy differentiation. ● a special effort has been made to include amendments up till February 2019. ● Sample examination Question papers along with solution hints have been attached at the end of the book. ● Relevant flow-charts and diagrams have been included summarizing the provisions in a more eloquent manner. ● Syllabus of Company Law Paper as per CBCS is also attached in the book for ready reference.

Business Insider calls The ENTREPRENEUR'S GUIDE "perhaps the most useful business book you can ever read" and lists it among twenty-five must-read books for entrepreneurs. THE ENTREPRENEUR'S GUIDE TO LAW AND STRATEGY, 5E

Bookmark File PDF A Handbook Of Business Law Terms Blacks Law Dictionary

examines stages of starting a business -- from start-up and growth to public offering, while highlighting legal preparations and pitfalls. Cutting-edge examples show how legally astute entrepreneurs can strategically increase realizable value, deploy resources, and manage risk. The book discusses leaving a job, hiring former coworkers, competing with a former employer, workplace legislation, product liability, and bankruptcy. You examine current issues including today's workforce in the "gig" economy, "crowdsourcing" capital and social media, computer hacking and identity theft. Legal discussion integrates with core strategic concepts, such as Porter's Five Forces, the resource-based view of the firm, the value proposition, activities in the value chain and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
