Abraham Lincoln's Extraordinary Era

Abraham Lincoln: The Boy and the Man is not a critical study, but a simple story. Its aim is to present in dramatic pictures the struggles and achievements of a common man, in whom the race of common men is exalted; who solved great problems by the plain rules of common sense and wrought great deeds by the exercise of the common qualities of honesty and courage, patience, justice, and kindness. -- Foreword.

The Biblical Aspect of Abraham's Life

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Book of Abraham

The Works of Abraham Lincoln

An inspirational biography of America's sixteenth president explores the spiritual legacy of Abraham Lincoln, discussing his spiritual beliefs and how they influenced both his life and political career. 50,000 first printing.

Abraham Lincoln's Extraordinary Era

Speaking of Abraham, the Bible says, "By faith Abraham obeyed when he was called to go out to the place which he would receive as an inheritance. And he went out, not knowing where he was going. By faith Abraham, when he was tested, offered up Isaac, and he who had received the promises offered up his only begotten son, of whom it was said, 'In Isaac your seed shall be called,' concluding that God was able to raise him up, even from the dead, from which he also received him in a figurative sense." In this book, you will learn about Abraham, who is the father of faith and from whom all the families of the earth are blessed.

The Pearl of Great Price

How Judaism, Christianity, and Islam have reimagined Abraham in their own images Jews, Christians, and Muslims supposedly share a common religious heritage in the patriarch Abraham, and the idea that he should serve only as a source of unity among the three traditions has become widespread in both scholarly and popular circles. But in *Inheriting Abraham*, Jon Levenson reveals how the increasingly conventional notion of the three equally "Abrahamic" religions derives from a dangerous misunderstanding of key biblical and Qur'anic texts, fails to do full justice to any of the traditions, and is often biased against Judaism in subtle and pernicious ways.

Abraham Lincoln

Abraham Lincoln, a Man of Faith and Courage

Speaking of Abraham, it is not the simple tale of a character of antiquity, who was famous Abraham that the Bible presents as the father of a people, that is the Jews. Because if this is true, in that it cannot be disputed, according to what the Bible says, it is also true that Abraham is not only the acknowledged father of the Jews, but it is also the father of faith, as the New Testament recognizes it as such. The purpose of our intervention, is not only to talk about this, but mainly highlight the characteristics that Abraham had that from the point of view of faith, made him famous, not only among the Jews, but also in the midst of Christianity. In fact, when Christianity speaks of Abraham and holds him up for example of faith, it does so primarily on the basis of the characteristics that showed in believing in God and in having faith in Him, in all that which God

said and the promises the he promised. These are the essential elements of antiquity proved that this man in his time, which made him famous in this area of life, Christianity, do not hesitate to call the Christian character, supported especially by the testimony that the same Jesus He made when talking about him, and pointed for example model to the religious Jews who constantly challenged.

The Story of Young Abraham Lincoln

Willie Nelson sang for Farm Aid and it didn't work: this won't either: yet this is a book: a book about farming and a family man and a familiar county--stung body; stung land--as told by a tweaked-to-warble farm machine that ate a human arm, and the chicken ate what's left, and the hawk ate what's left, and then the hawk died of old age.

The Narrow Path

More than just a comprehensive introduction to contemporary Judaism, BETWEEN GOD AND MAN is a theological tour-de-force by one of the great religious thinkers of the twentieth century. Through Biblical textual analysis, and with extensive references to the philosophy and literature of both the East and West, Abraham J. Heschel attempts to bridge the gap between the traditions of Eastern European Jewry and the scholarship of Western civilisation. Compiled by Professor Fritz A. Rothschild, BETWEEN GOD AND MAN is an invaluable guide to a deeper understanding of God and religion.

Abraham Lincoln

One of the world's most illustrious and influential theologians here confronts one of the crucial philosophical and religious questions of our time: the nature and role of man. In these three lectures, originally delivered in somewhat different form as The Raymond Fred West Memorial Lectures at Stanford University in May 1963, Dr. Heschel inquires into the logic of being human: What is meant by being human? What are the grounds on which to justify a human being's claim to being human? In the author's words, "We have never been as openmouthed and inquisitive, never as astonished and embarrassed at our ignorance about man. We know what he makes, but we do not know what he is or what to expect of him. Is it not conceivable that our entire civilization is built upon a misinterpretation of man? Or that the tragedy of man is due to the fact that he is a being who has forgotten the question: Who is Man? The failure to identify himself, to know what is authentic human existence, leads him to assume a false identity, to pretending to be what he is unable to be or to not accepting what is at the very root of his being. Ignorance about man is not lack of knowledge, but false knowledge."

Power and Marginality in the Abraham Narrative - Second Edition

When Lincoln reunited a country fractured by the Civil War – all the while enduring unceasing political criticism and tragic personal losses – he triumphed under conditions that would break most people. Determined to discover the source of this amazing strength and resilience, scholar Philip Ostergard has spent years uncovering the place of faith in Lincoln's life. The result is a fascinating look at the depth of Lincoln's knowledge and beliefs. For those who seek answers to the questions surrounding Lincoln's views, this book offers intriguing details into Lincoln's inner battle between doubt and faith, as well as the complex times in which he lived.

Abraham Lincoln

Abraham Lincoln as a Man of Ideas

In this book noted scholar Thomas L. Pangle brings back a lost and crucial dimension of political theory: the mutually illuminating encounter between skeptically rationalist political philosophy and faith-based political theology guided ultimately by the authority of the Bible. Focusing on the chapters of Genesis in which the foundation of the Bible is laid, Pangle provides an interpretive reading illuminated by the questions and concerns of the Socratic tradition and its medieval heirs in the Christian, Jewish, and Islamic worlds. He brings into contrast the rival interpretive framework set by the biblical criticism of the modern rationalists Hobbes and Spinoza, along with their heirs from Locke to Hegel. The full meaning of these diverse philosophic responses to the Bible is clarified through a dialogue with hermeneutic discussions by leading political theologians in the Judaic, Muslim, and Christian traditions, from Josephus and Augustine to our day. Profound and subtle in its argument, this book will be of interest not only to students and scholars of politics, philosophy, and religion but also to thoughtful readers in every walk of life who seek to deepen their understanding of the perplexing relationship between religious faith and philosophic reason. -- James V. Schall

Abraham Lincoln, the Man of Sorrow

Despite the most meager of formal educations, Lincoln had a tremendous intellectual curiosity that drove him into the circle of Enlightenment philosophy and democratic political ideology. And from these, Lincoln developed a set of political convictions that guided him throughout his life and his presidency. This compilation of ten essays from Lincoln scholar Allen C. Guelzo uncovers the hidden sources of Lincoln's ideas and examines the beliefs that directed his career and brought an end to slavery and the Civil War.

Abraham

Between God and Man

As Genesis chapter twelve opens, the narrative picks up on the story of Abram, the tenth generation of Shem's progeny. God directed Abram to move to a land that the Lord would show to him. Slowly, faithfully, generation after generation, the Lord directs, guides, and corrects Abram and his descendants through the annals of His redemption, fulfilling His promise of redemption in the birth of Jesus, Who directly descended from Abraham, through Whom all of the nations would be blest. Conceived by God's Spirit, Jesus was also God's Son, the Lamb of God sacrificed for the sins of the world, through Whom the creating, redeeming Lord of all creation would bring his wayward people back home to Him where they will praise His glorious Name for all eternity. The book of Genesis is not only the first book of the Bible detailing the beginnings of Creation and life as we know it, but also serves as the over-arching and pervasive sacred reference for the true understanding of the entire Bible as intended by the Author, God, the Spirit of Truth.

Abraham Lincoln, a Man of Faith and Courage

Based primarily on long-neglected manuscript and newspaper sources--and especially on reminiscences of people who knew him--this psychobiography casts new light on Lincoln. Burlingame uses a blend of Freudian and Jungian theory to interpret the psyche of the 16th president.

Destruction of Man

The Apocalypse of Abraham

Jewish and early Christian authors discussed Abraham in numerous and diverse ways, adapting his Old Testament narratives and using Abrahamic imagery in their works. However, while some areas of study in Abrahamic texts have received much scholarly attention, other areas remain nearly untouched. Beginning with a perspective on how Abraham was used within Jewish literature, this collection of essays follows the impact of Abraham across biblical texts--including Pseudigraphic and Apocryphal texts -- into early Greek, Latin and Gnostic literature. These essays build upon existing Abraham scholarship, by discussing Abraham in less explored areas such as rewritten scripture, Philo of Alexandria, Josephus, the Apostolic Fathers and contemporary Greek and Latin authors. Through the presentation of a more thorough outline of the impact of the figure and stories of Abraham, the contributors to this volume create a concise and complete idea of how his narrative was employed throughout the centuries, and how ancient authors adopted and adapted received

traditions.

Political Philosophy and the God of Abraham

Brings together essays, anecdotes, reflections, and never-before-published images and artifacts from the Abraham Lincoln Library and Museum in Springfield, Illinois, accompanied by factual sidebars, and biographical details.

Abraham The Man The Myth The Legend

Abraham The Man The Myth The Legend - Abraham Notebook Journal 6x9 Personalized Customized Gift For Someones Surname Or First Name is Abraham, 6x9 Blank Lined Journal

Men of the Bible

Who will speak for Hagar or Isaac or Sarah or the daughters of Lot? With an interpretive trajectory that moves from the margin to the center, this book gives voice to the marginalized and voiceless in the Abraham Narratives. Further, this approach is based on the premise that there is a continuum of power in the various characters in these narratives and that the most powerful are those who are lodged at the center while those with the least power are on the margin or beyond. The intent of this study is to direct and perhaps re-direct our attention to the text and with fresh eyes seek a sometimes radical realignment of roles and power. It is true that many of the characters focused on in this book are women. This is not, however, only a book about women, though clearly women are the principal characters on the margin.

Abraham Lincoln - Man Of God

Brings together essays, anecdotes, reflections, and never-before-published images and artifacts from the Abraham Lincoln Library and Museum in Springfield, Illinois, accompanied by factual sidebars, and biographical details.

Inheriting Abraham

One of the most important works on Abraham Lincoln from the era when he was passing out of living memory and into history, this 1917 classic is a rich, evocative portrait of the man and how actions as a leader were shaped by his character and ideals. From its British perspective, offering a fresh angle on an American legend, to its charming readability, Charnwood's treatise-which was called, in 1947, "the best one-volume life of Lincoln ever written" by historian Benjamin

Thomas-today remains one of the most intriguing examinations of the great president, and a keystone for understanding the evolution of Lincoln scholarship. British author and academic GODFREY RATHBONE BENSON, 1st Baron Charnwood (1864-1945) also wrote the biography *Theodore Roosevelt* (1923).

Genesis: Abraham, The Friend of God Volume 2, Chapters 12-25:10

Abraham, the Father of Faith

God in Search of Man

Some of the most celebrated civil and criminal trials in American history were argued under the shadow of the Abraham Man. Readers will delight in the detailed stories of long forgotten legal cases which bring the antics of the Abraham Man to life. Through the process, readers will follow the careers of notable Civil War surgeons whose post-war professional development shaped the future of modern mental health care. In addition, the book describes the promise of the asylum movement, prominent practitioners of the era, the politics, and eventual decline of institutional mental health care. Both readers and libraries will find The Abraham Man a refreshing, authoritative text replete with primary source documentation. The engaging narrative deftly weaves the history of science in the 19th century with evolving trends in legal practice. Throughout this period, the budding relationship between doctors and lawyers fashioned the foundation of modern medical legal practice. At every step along the path the Abraham Man sowed confusion and controversy, paradoxically contributing to more rigorous medical practice. The book will clearly tap into the public's modern fascination with forensic medicine. Professional readers, such as lawyers, doctors, and psychologists, will find The Abraham Man a valuable historical reference which still rings true after 150 years. Civil War aficionados will discover a fresh perspective and 'the rest of the story' about some famous soldiers. Medical history buffs will be enlightened by the devices and stratagems doctors employed to uncover malingering, in many cases the forerunners of modern diagnostic technologies.

Abraham in Jewish and Early Christian Literature

No other narrative account of Abraham Lincoln's life has inspired such widespread and lasting acclaim as Charnwood's Abraham Lincoln: A Biography. Written by a native of England and originally published in 1916, the biography is a rare blend of beautiful prose and profound historical insight. Charnwood's study of Lincoln's statesmanship introduced generations of Americans to the life and politics of Lincoln and the author's observations are so comprehensive and well-

supported that any serious study of Lincoln must respond to his conclusions.

Abraham - the father of faith

How Lincoln's Faith Shaped His Leadership Undoubtedly the most revered leader in American history, Abraham Lincoln has had more books written about him than all our nation's presidents put together. But for all that's been written, little has focused on his faith and how this quality shaped the man who led our country during its most tumultuous years. Author Joe Wheeler, historian and scholar, brings to the pages of this insightful book the knowledge gleaned from over ten years of study and more than sixty books on the life and times of Abraham Lincoln. Skillfully weaving his own narrative with direct quotes from Lincoln and poignant excerpts from other Lincoln biographers, Wheeler brings a refreshingly friendly rendition of Lincoln's life, faith, and courage. The stories, historical details, and powerful quotes on the pages of this book will leave a lasting impression on your heart, your mind, and your life.

Abraham Lincoln

Abraham Lincoln

An associate of Abraham Lincoln offers an intimate view of the president's relations with military men and top politicians, placing particular emphasis on the election campaigns of 1860 and 1864. A. K. McClure, a Republican powerbroker and later editor of the Philadelphia Times, reveals how Lincoln replaced Vice President Hannibal Hamlin with the southern Democrat Andrew Johnson on the 1864 ticket. According to McClure, Lincoln kept his hand hidden in order not to offend Hamlin and his New England supporters. In 1892, the publication of Abraham Lincoln and Men of War-Times caused an angry exchange of letters (included in this edition) between McClure and the late president's secretary, John G. Nicolay. For all his nobility, Lincoln was a shrewd and cautious politician, running scared for reelection until major Union army victories in September 1864. McClure writes candidly about William T. Sherman, Ulysses S. Grant, and George B. McClellan. Among the politicians discussed are Lincoln's predecessor, James Buchanan, who fixed the Southern policy that Lincoln followed until war came; Salmon P. Chase, the annoyingly ambitious secretary of the treasury; Edwin M. Stanton, the moody secretary of war; and Thaddeus Stevens, the ferocious congressman whose relations with Lincoln were uneasy at best. James A. Rawley is Carl Adolph Happold Professor Emeritus of history at the University of Nebraska-Lincoln and author of Turning Points of the Civil War, also available as a Bison Book.

Abraham Lincoln

The Inner World of Abraham Lincoln

The Abraham Man

ALL THESE THINGS WERE WRITTEN DOWN FOR OUR LEARNING AND FOR OUR ADMONITION.” Romans 15:4; 1 Corinthians 10:6, 11 _____ The Biblical Aspect of Abraham’s Life is a detailed study of the life of a wealthy and powerful Old Testament believer who is just like today Christians in many aspects, but was used by God to accomplish His plan and purpose. Written by pastors Ike and Queen Ozuome, this book offers some helpful insights into Abraham’s wise and unwise actions within the biblical context and in terms of a contemporary understanding of Christian life. „« It is designed to help the Christian who is struggling in his or her walk with Christ to have a better understanding of how God interacts with His people. „« It is also a useful resource material for understanding your strengths and weaknesses and for identifying both the opportunities open to you and threats you face in your Christian walk with Christ. „« It can serve as a flashlight for anyone who is walking a dark path or who wants to learn from the mistakes of someone in the past as to avoid the same mistakes or pitfalls. „« It is a book that will help you link the things that have happened in the past with experiences that you have in the present.

Abraham Lincoln and Men of War-times

Abraham Lincoln, the Man of the People

The story begins in Jerusalem in 70 AD as Abraham the Temple scribe flees the destruction of his home. Two thousand years and a hundred generations later, another Abraham perishes, immolated in the fires of the Warsaw Ghetto.

Abraham Lincoln

Men of the Bible takes a close-up look at fifty-two men in Scripture—complex flesh-and-blood characters whose strengths and weaknesses often seem strangely similar to our own. Heroes and villains, sinners and prophets, commoners and kings . . . their dramatic life stories provide us with fresh perspective on the unfolding story of redemption. Though our culture differs vastly from theirs, the fundamental issues we face in relation to God and the world remain the same. We still reach

for great dreams and selfish ambitions. We wrestle with fear and indecision, struggle with sexual temptation, and experience the ache of loneliness and the devastation of betrayal. And, like many of these men, we long to walk more closely with the God who calls us into an intimate relationship with himself and who enables us to fulfill his purpose for our lives. Men of the Bible offers men and women today a unique devotional experience that combines five elements. Each week becomes a personal retreat focused on the life of a particular man: Monday: His Story—a narrative retelling of the biblical story Tuesday: A Look at the Man—focusing on the heart of the man and how his story connects with your own life Wednesday: His Legacy in Scripture—a Bible study on principles revealed through the life of the man Thursday: His Legacy of Promise—Bible promises that apply to his life and yours Friday: His Legacy of Prayer—praying in light of his story Designed for personal prayer and study or for use in small groups, Men of the Bible will help you make Bible reading a daily habit. Whether you dip into portions or read every page, this book will help you grow in character, wisdom, and obedience as a person after God's own heart.

Abraham Lincoln as a Man of Ideas

Despite the most meager of formal educations, Lincoln had a tremendous intellectual curiosity that drove him into the circle of Enlightenment philosophy and democratic political ideology. And from these, Lincoln developed a set of political convictions that guided him throughout his life and his presidency. This compilation of ten essays from Lincoln scholar Allen C. Guelzo uncovers the hidden sources of Lincoln's ideas and examines the beliefs that directed his career and brought an end to slavery and the Civil War.

Who is Man?

Abraham Joshua Heschel was one of the most revered religious leaders of the 20th century, and *God in Search of Man* and its companion volume, *Man Is Not Alone*, two of his most important books, are classics of modern Jewish theology. *God in Search of Man* combines scholarship with lucidity, reverence, and compassion as Dr. Heschel discusses not man's search for God but God's for man--the notion of a Chosen People, an idea which, he writes, "signifies not a quality inherent in the people but a relationship between the people and God." It is an extraordinary description of the nature of Biblical thought, and how that thought becomes faith.
