Accessing Divine Wisdom

Powerlessness is the bane of the modern day Church as well as believers. Without the power of God, doing exploits will be difficult, resisting the devil will be hard and reigning in life as well as manifesting the glory of God will be a mirage. This highly anointed book shows you how you can move from powerlessness to the realm of power explosion. It is loaded with winning principles that will terminate the activities of power blockers in your life and turn you to an unstoppable power generator. It is the book your destiny has been waiting for!

Praying by the Blood of Jesus

The Old Testament describes Deborah as a mighty combination of judge, intercessor, prophetess, mother

of Israel, and military strategist. Deborah broke outside of her culture—not out of rebellion, but in obedience to God to set her people free. As in biblical times God is calling today’s women to a purpose greater than themselves. The Deborah Anointing shows you that although you may have been trapped in tradition and locked into captivity by cultural and gender prejudices, God desires for you to break through these barriers. Now is the time to embrace the fullness of your purpose! Whatever your sphere of influence at work, at home, or at church—will you accept the challenge to be a modern-day Deborah, stand for God, and boldly lead others to Him?

Dealing with the rage of power blockers

A comprehensive examination of seventy-one forms of occult activity, their effect, and deliverance from them through victory in Christ.

Divine Favor

The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word “anointing”. Dozens of books have been written and countless messages preached on the subject of the ‘anointing’ yet for all the attention the subject is given, it is one of the least understood gifts God has freely bequeathed upon every believer in Christ. Although the anointing is the current church’s diet and a delicate recipe for living a naturally supernatural life, the masses are starving for the anointing of the Holy Spirit. Since it is divinely

ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing, the empty husks of humanism, intellectualism and religion have failed to launch the world into greater depths of the miraculous. In this book, Apostle Frequency Revelator presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits. With considerable depth, insight, revelation and wisdom, the author has provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ.. Presiding over a global network of apostolic and prophetic visions, in the capacity of the Director of the World renowned Global School of Signs and Wonders (GSSW), the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE) and the founder of Resurrection TV (The Dead-Raising Channel, Apostle Frequency Revelator hands us the lost keys to the Throne Room of Heaven and shows us the way back to the Heavenly realm as he calls the church back to her original mandate of demonstrating the supernatural power of God. Therefore, if you are a fire-starter and God-chaser who is willing to pioneer a revolution of signs and wonders in this world, continue to plunge into the depths of revelations encapsulated in this publication.

Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief.

Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. This book will help you pray effectively for your nation, for your families, and for yourself.

Smith Wigglesworth Devotional

Most believers understand that worship is not a compartmentalized aspect of the Christian experience, but rather it is the motivation--the driving force--behind all that we do and are. We exist to worship God. For years we have been basking in God's love and worshipping Him with uplifted hands and hearts. Now we need to go deeper and see that God is also an awesome, mysterious being who should engender our silent, even dumbstruck, reverence for His holiness, His "otherness." Until we are undone by the knowledge of who God is in all His glory, we will only touch the edges of true worship. Matt Redman says, "When we face up to the glory of God, we find ourselves face down in worship." This book shows the biblical record of those who found themselves prostrate before God.

Divine Messages and Inspirations

Compassion is defined as having the ability to "suffer with" someone; it goes beyond sympathy and empathy to a place where one can almost experience others' pain and, as such, can determine how best to

alleviate it. The Pinnacle of Compassion presents ten stories from the New Testament and how they zero in on the bottomless well of Christ's compassion, setting the example of how we, too, can tap into our own wells to help heal a world that sometimes seems to be drowning in anguish and sorrow. Through a careful analysis and discussion of each tale, the reader is reminded that every living being—regardless of faith, gender, race, political affiliation or orientation—deserves the kind of true compassion that Christ offered to all he encountered. Turning Hopeless Situations Around

101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war, both physical and spiritual, like this era. This is a tougher era of warfare. More people are under bondage now, more than in any other period of human history. There are cases of deep bondage, uncommon attacks against the family and horrendous occurrences in the lives of individuals. The devil has wreaked a lot of havoc upon humanity. The bible has described in vivid terms that God is aware of the high spate of demonic hostilities. Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times. This manual is the first of its kind. This is the apex of deliverance. We are the threshold of a revival of spiritual warfare. The sweeping and the far reaching effect shall be best described as awesome!

The Holy Bible

It has been observed that some people have faltered in their Christian walk because of failure to understand how the anointing of the Holy Spirit operates. Many men of God have tried to move in the anointing with little results because they ever in the first place sought to understand the anatomy and physiology of the anointing. In order to be effective in ministry especially in the demonstration of the power of God, it is important that you understand the character of manifestation, nature of operation and genetic make-up of the anointing. Having a deeper understanding of the anointing to that level will usher you into streams of practical demonstrations that will change your ministry fever. This publication focuses on the anatomy and physiology of the anointing. This implies dissecting the subject of the anointing in order

to gasp a deeper revelation of the character, composition, ingredients and genetic make-up of the anointing. When we speak of the anatomy and physiology of the anointing, we connote to the chemical, physical and mechanical composition of the anointing. In other words, we are closely examining the ingredients, components and forensic details of the substance of the anointing. A forensic understanding of its character will enable you as a believer to flow easily in the demonstration of the anointing. It is important that since Christianity is a journey into the dimension of the spirit, we ought to understand holistically how the anointing operates so that we can effectively move, function and operate in that realm. Presiding over a Global Network of Apostolic and Prophetic Visions, in the capacity of the C.E.O of Global Destiny Publishing House (Pty) Ltd, Director of the Global Apostolic & Prophetic Network (GAP), Founder of Resurrection Embassy (The Global Church), the Pioneer of Resurrection TV (The Dead-Raising Channel) and the Principal of the renowned Global School of Signs and Wonders (GSSW), in this publication, Apostle Frequency Revelator has endeavored to unveil and unpack divine revelation that so many believers are acclimatised with practical demonstrations of the anointing yet they hardly get to understand the chemistry and physics behind these manifestations of the anointing.

Why the Anointing?

I believe that we're in the beginning stages of the greatest revival this world has ever known. In order

for us to carry out the plan of God, we must realize that divine intervention and not human effort will usher in this end-time revival. Christians must know that their lives with God can be full of new experiences every day. Instead of merely enduring our salvation, we can enjoy the fullness that God has provided in the Holy Ghost. You need to realize that these gifts and callings were not placed in your life to lie dormant. Only by the power of the Holy Ghost will you see them fulfilled. This book will show you how to meet challenges and realize your full potential. If you apply these practical truths in your life, you will begin to experience a new freshness in God. The plans that you have hoped to fulfill all your life will become reality. Do you long for certain things in God? Does your sanctified soul stir at the thought of doing exploits for God? A sense of destiny causes you to determine, No matter what I must go through, I can and will make it! These truths on the Holy Ghost will take you to higher heights and deeper depths of God. Get ready to experience a new joy and power that will change your life- and the lives of others.

Anointing For Fruitfulness

Praying by the blood of Jesus is highly crucial in spiritual warfare. The power in the blood of the Lamb is the ultimate. No power supersedes it. The blood has been shed. But it must be appropriated and applied. You have the checkbook but you must write the check, This book will teach you how to apply this principle and technique.

The Mystery of the Anointing Oil

The 'Dictionary of the Old Testament: Historical Books' is the second volume in IVP's Old Testament dictionary series. This volume picks up where the 'Dictionary of the Old Testament: Pentateuch' left off - with Joshua and Israel poised to enter the land - and carries us through the postexilic period. Following in the tradition of the four award-winning IVP dictionaries focused on the New Testament, this encyclopedic work is characterized by in-depth articles focused on key topics, many of them written by noted experts. The history of Israel forms the skeletal structure of the Old Testament.

Understanding this history and the biblical books that trace it is essential to comprehending the Bible. The 'Dictionary of the Old Testament: Historical Books' is the only reference book focused exclusively on these biblical books and the history of Israel.
