Kid President's Guide to Being Awesome

Esperanza's Box of Saints is a magical, humorous, and passion-filled odyssey about a beautiful young widow's search for her missing child -- a mission that takes her from a humble Mexican village to the rowdy brothels of Tijuana and a rarely seen side of Los Angeles. Rescued from turmoil by her favorite saint, Esperanza embarks on a journey that tests her faith, teaches her the ways of the world, and transforms her from a fervently religious innocent to an independent, sexual, and passionately devout woman.

For fans of Gary Soto and Matt de la Peña comes a tale of a contemporary Mexican-American family with a "spunky and imaginative heroine" (Publishers Weekly). The skirt is gone. Miata Ramirez is scared and upset. She brought her forklorico skirt to show off at school and left it on the bus. It's not just any skirt. This skirt belonged to Miata's mother when she was a child in Mexico. On Sunday, Miata and her dance group are going to dance forklorico. It's Friday afternoon. Miata doesn't want her parents to know she's lost something again. Can she find a way to rescue the precious skirt in time? Includes an afterword from the author. "A light, engaging

narrative that successfully combines information on Hispanic culture with familiar and recognizable childhood themes. A fine read-aloud and discussion starter, this story blends cultural differences with human similarities to create both interest and understanding."-SLJ "Light, easy reading . . . offering readers a cast and situations with which to identify, whatever their own ethnic origins."—The Bulletin "Soto's light tale offers a pleasant blend of family ties, friendship and ethnic pride[and Miata is] a spunky and imaginative heroine."-Publishers Weekly From the Hardcover edition.

Exploring World History

Cesar Chavez is known as one of America's greatest civil rights leaders. When he led a 340-mile peaceful protest march through California, he ignited a cause and improved the lives of thousands of migrant farmworkers. But Cesar wasn't always a leader. As a boy, he was shy and teased at school. His family slaved in the fields for barely enough money to survive. Cesar knew things had to change, and he thought that--maybe--he could help change them. So he took charge. He spoke up. And an entire country listened. An author's note provides historical context for the story of Cesar Chavez's life.

Harvesting Hope

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.
