Ebbets Field

Carl Erskine of the Brooklyn Dodgers (and later of the Los Angeles Dodgers) eschews the pretense of a flowing narrative in favor of stand-alone anecdotes.

Three Finger

On October 8, 1908, Mordecai Brown clutched a half-dozen notes inside his coat pocket. The message of each was clear: We'll kill you if you pitch and beat the Giants. A black handprint marked each note, the signature of the Italian Mafia. Mordecai Brown—dubbed “Three Finger” because of a childhood farm injury—was the dominant pitcher for the great Chicago Cubs team of the early twentieth century, a team that from 1906 through 1910 was arguably the best in baseball history. Brown's handicap enabled him to throw pitches with an unconventional movement that left batters bewildered—the curve ball that Ty Cobb once called “the most devastating” he had ever faced. How Brown responded to the Mafia's threats in 1908 mirrored the way he took life in general: with unflappable courage and resolve. Telling his story for the first time, Cindy Thomson and Scott Brown trail Mordecai from the Indiana countryside to the coal mines, from semipro ball to the Majors, from the World Series mound back down to the Minors. Along the way they retrieve the lost lore of one of baseball's greatest pitchers—and chronicle one man's determination to reach a dream that most believed was unreachable.

My Bat Boy Days

Former Dodgers All-Star Tommy Davis spins little-known stories about the Golden Age of baseball in Los Angeles and the

team's 1963 and 1965 World Series championships.

What I Learned From Jackie Robinson

Generations after its demise, Ebbets Field remains the single most colorful and enduring image of a baseball park, with a treasured niche in the game's legacy and the American imagination. In this lively story of sports, politics, and the talented, hilarious, and charming characters associated with the Brooklyn Dodgers, Bob McGee chronicles the ballpark's vibrant history from the drawing board to the wrecking ball, beginning with Charley Ebbets and the heralded opening in 1913, on through the eras that followed. McGee weaves a story about how Ebbets Field's architectural details, notable flaws, and striking facade brought Brooklyn and its team together in ways that allowed each to define the other. Drawing on original interviews and letters, as well as published and archival sources, *The Greatest Ballpark Ever* explores the struggle of Charley Ebbets to build Ebbets Field, the days of Wilbert Robinson's early pennant winners, the eras of the Daffiness Boys, Larry MacPhail, and Branch Rickey, the tumultuous field leadership of Leo the Lip, the fiery triumph of Jackie Robinson, the golden days of the Boys of Summer, and Walter O'Malley's ignominious departure. With humor and passion, *The Greatest Ballpark Ever* lets readers relive a day in the raucous ballpark with its quirky angles and its bent right-field wall, with the characters and events that have become part of the nation's folklore.

The American Legion Magazine

Millions of America's youth dream of playing major league baseball or in a college bowl game on New Year's Day. Growing up in Arkansas during the Great Depression, Ransom Jackson had no idea that one day he would not only play in back-to-back Cotton Bowls for two different colleges—the first and only player to do so—but that he would also become known as “Handsome Ransom,” all-star third baseman for the Chicago Cubs. He was in Chicago in 1953 when Ernie Banks became the first African American to play for the Cubs. He was in Brooklyn in 1956, the year Jackie Robinson retired. In 1957, Jackson was the last Brooklyn player to hit a home run before the team moved to LA. Jackson's major league career spanned the entire decade of the 1950s, a time when the landscape of baseball changed dramatically as teams moved to new cities, built new stadiums, and integrated their rosters. *Handsome Ransom Jackson: Accidental Big Leaguer* is an

autobiographical account of Jackson's fascinating journey from his boyhood days in Arkansas to playing in the major leagues, where many of his teammates were future Hall of Famers. It's a fun and nostalgic visit to the past, with Jackson sharing such memories as spring training with the Cubs on Catalina Island, befriending a Mafia boss in Massachusetts, batting behind Hank Sauer and getting knocked down by pitchers retaliating for Sauer's home runs, rooming with Don Drysdale on an historic baseball tour of Japan, and sitting in the dugout in LA with Dodger teammates looking for movie stars in the stands. In addition, Jackson remembers being brought to Brooklyn to take over third base for the aging Jackie Robinson, and quickly discovering that nobody replaces a legend like Jackie. While many of the players from the 1950s are no longer with us, Jackson's invaluable and timeless stories celebrate the greatness of the game and preserve a sliver of history from the heart of the golden age of baseball. Featuring many never-before-published photographs from Ransom Jackson's personal collection, including photos of Dodger and Cub greats Jackie Robinson, Roy Campanella, Carl Erskine, Ralph Kiner, and Ernie Banks, Handsome Ransom Jackson will take the reader back to an era when baseball was truly the national pastime.

Brooklyn Dodgers in Cuba

Tales from the Tribe Dugout is a colorful journey through the history of the Cleveland Indians. It includes memories, anecdotes, and stories in the player's and manager's own words. The Indians themselves tell about friendships and rivalries, wins and losses, home games and road stands, legends and heroes. Read, for example, about Max Alvis' most embarrassing moment on the field; find out why Mickey Cochrane ordered Harry Eisenstat to intentionally bean a batter; and groan about the time Doc Edwards figured out Cal Ripken's signals to the outfield, the Indians scored ten runs by knowing what pitch was coming and still managed to lose the game. Some of the featured players included the Alomar brothers, Lou Boudreau, Orel Hershiser, Ralph Kiner, Minnie Minoso, and Omar Vizquel. The latest offering from Indians expert Russell Schneider, Tales from the Tribe Dugout, will provide hours of entertainment for Indians fans and baseball fans alike.

Sleeping Murder

In The Pity of War, Niall Ferguson makes a simple and provocative argument: that the human atrocity known as the Great War was entirely England's fault. Britain, according to Ferguson, entered into war based on naïve assumptions of German aims—and England's entry into the war transformed a Continental conflict into a world war, which they then badly mishandled, necessitating American involvement. The war was not inevitable, Ferguson argues, but rather the result of the mistaken decisions of individuals who would later claim to have been in the grip of huge impersonal forces. That the war was wicked, horrific, inhuman, is memorialized in part by the poetry of men like Wilfred Owen and Siegfried Sassoon, but also by cold statistics. More British soldiers were killed in the first day of the Battle of the Somme than Americans in the Vietnam

War; indeed, the total British fatalities in that single battle—some 420,000—exceeds the entire American fatalities for both World Wars. And yet, as Ferguson writes, while the war itself was a disastrous folly, the great majority of men who fought it did so with enthusiasm. Ferguson vividly brings back to life this terrifying period, not through dry citation of chronological chapter and verse but through a series of brilliant chapters focusing on key ways in which we now view the First World War. For anyone wanting to understand why wars are fought, why men are willing to fight them, and why the world is as it is today, there is no sharper nor more stimulating guide than Niall Ferguson's *The Pity of War*.

More Tales from the Yankee Dugout

To baseball fans of today, the name “Dodgers” is synonymous with Hollywood, the warm California sun, and names like Tommy Lasorda, Kirk Gibson, Steve Garvey, and Orel Hershiser. The Dodgers mean much more than that to fans of baseball history, however. Namely, these fans remember the famed “Boys of Summer,” otherwise known as the Brooklyn Dodgers, a team that included some of the most storied players in baseball history, such as Hall of Famers Duke Snider, Roy Campanella, Gil Hodges, Pee Wee Reese, and Jackie Robinson. Although they eventually moved out west, the Brooklyn Dodgers provided some of the greatest moments the game has ever seen and some of the greatest personalities to ever take the field. Carl Erskine, another member of that legendary team, relates memories about his days with the Dodgers in a book full of true stories and revealing anecdotes. The result is *Tales from the Dodgers Dugout*, first published in 2004 and newly updated to provide a delightfully interesting trip through the world of baseball in the 1950s. Among Erskine’s many tales are his dealings with immortal team official Branch Rickey, his view from the Dodgers bench during Don Larsen’s perfect game in the 1956 World Series, and his firsthand experiences when Jackie Robinson broke the color barrier and became the first black player in Major League Baseball history. During his frequent speaking engagements, people often ask Erskine if all of his stories are true. His standard response has been, “Yes, I couldn’t possibly make them up the way they actually happened.” Now fans can read all of those great stories in *Tales from the Dodgers Dugout*.

What I Learned From Jackie Robinson

This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebbets Field, and who had the good fortune in the 1950s to cover the Dodgers for the *Herald Tribune*. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because

that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the New York Herald Tribune, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience.

Rickey & Robinson

On the evening of March 28, 1956, Steve Garvey's father, a Greyhound bus driver in the Tampa Bay area, asked his young son if he'd like to accompany him as he drove the Brooklyn Dodgers to a spring-training game with the New York Yankees. For Garvey, a baseball card collector and an aspiring Little Leaguer, the opportunity stretched beyond his wildest imagination and marked the beginning of a legendary career and life in baseball. Garvey spent five years (1956-1961) as a bat boy, mostly for the Brooklyn Dodgers and briefly for the New York Yankees and the Detroit Tigers. The fact that he would go on to become a first baseman with the Los Angeles Dodgers, and one of the most successful players of his era, is like something out of a Hollywood script. My Bat Boy Days is his moving collection of indelible memories, fascinating profiles, and lessons learned -- about the game and about life -- from heroes such as Jackie Robinson, Sandy Koufax, and Mickey Mantle. My Bat Boy Days is for the generation of fans who remember the Boys of Summer and for the generation who grew up watching Steve Garvey play for the love of the game. Garvey's story is perfect for sharing with children and grandchildren who are just now getting to know and love the game.

Carl Erskine's Tales from the Dodger Dugout

Offers the story of the Dodgers, true originals of the game of baseball, with the sort of crowd appeal commanded by no other American team. Among the players and memorabilia covered in the book are Jackie Robinson, Leo the Lip Durocher, an usher's cap, a snuff box and Sandy Koufax's bat.

Perfect

Tommy Davis's Tales from the Dodgers Dugout

Challenges fans to better understand the rules by presenting routine calls, basic situations, and obscure rules and

situations.

The Dutch Wife

It's been over 50 years since they moved to Los Angeles, but the Brooklyn Dodgers remain ingrained in the fabric of our national pastime. Golenbock's oral history of these "lovable losers" tells the team's tale through the words of Pee Wee Reese, Leo Durocher, Duke Snider, and other Brooklyn greats.

The Greatest Ballpark Ever

A sweeping story of survival during World War II Amsterdam, May 1943. As the tulips bloom and the Nazis tighten their grip across the city, the last signs of Dutch resistance are being swept away. Marijke de Graaf and her husband are arrested and deported to different concentration camps in Germany. Marijke is given a terrible choice: to suffer a slow death in the labor camp or—for a chance at survival—to join the camp brothel. On the other side of the barbed wire, SS officer Karl Mÿller arrives at the camp hoping to live up to his father's expectations of wartime glory. When he encounters the newly arrived Marijke, this meeting changes their lives forever. Woven into the narrative across space and time is Luciano Wagner's ordeal in 1977 Buenos Aires, during the heat of the Argentine Dirty War. In his struggle to endure military captivity, he searches for ways to resist from a prison cell he may never leave. From the Netherlands to Germany to Argentina, *The Dutch Wife* braids together the stories of three individuals who share a dark secret and are entangled in two of the most oppressive reigns of terror in modern history. This is a novel about the blurred lines between love and lust, abuse and resistance, and right and wrong, as well as the capacity for ordinary people to persevere and do the unthinkable in extraordinary circumstances.

City of Dreams

The Brooklyn Dodgers held spring training in Havana in 1947 so Jackie Robinson could practice safely. Yet that was hardly the beginning: the Bums played in Cuba over 60 seasons, from 1900 to 1959. Ballplayers drank hard with Hemingway. Some found themselves in Cuban jails. Pitcher Van Lingle Mungo, barricaded in the Hotel Nacional with two women, fended off an angry husband (and his machete). Leo Durocher got into a brawl with an umpire, after Lippy's translator correctly cursed him in Spanish. Vin Scully watched machine gun-toting barbudas enter the room. An outfielder leaped into the stands, with a loaded gun, to chase a fan. Several players encountered Castro, who once walked onto the field in his fatigues, patted his pistol, and said to Lefty Locklin, "Tonight, we win."

Forever Blue

A vivid history of the controversial building of Dodger Stadium and how it helped transform Los Angeles. When Walter O'Malley moved his Brooklyn Dodgers to Los Angeles in 1957 with plans to construct a new ballpark, he ignited a bitter half-decade dispute over the future of a rapidly changing city. For the first time, *City of Dreams* tells the full story of the controversial building of Dodger Stadium and how it helped create modern Los Angeles. In a vivid narrative, Jerald Podair tells how the city was convulsed over whether, where, and how to build the stadium. Eventually, it was built on publicly owned land from which the city had uprooted a Mexican American community, raising questions about the relationship between private profit and "public purpose." Indeed, the battle over Dodger Stadium crystallized issues with profound implications for all American cities. Filled with colorful stories, *City of Dreams* will fascinate anyone who is interested in the history of the Dodgers, baseball, Los Angeles, and the modern American city.

The Dodgers

To the baseball fans of today, the name 'Dodgers' is synonymous with Hollywood, the warm California sun, and names like Tommy Lasorda, Kirk Gibson, Steve Garvey, and Orel Hershiser. The Dodgers mean much more than that to the fans of baseball history, however. Namely, these fans remember the famed "Boys of Summer," otherwise known as the Brooklyn Dodgers, a team that included some of the most storied players in baseball history. The group included Hall of Famers Duke Snider, Roy Campanella, Gil Hodges, Pee Wee Reese, and Jackie Robinson. Although they eventually moved out West, the Brooklyn Dodgers provided some of the greatest moments the game has ever seen and some of the greatest personalities to ever take the field. Carl Erskine, another member of that legendary team, relates memories about his days with the Dodgers in a book full of true stories and revealing anecdotes. The result is the second edition of "Carl Erskine's Tales from the Dodger Dugout, a delightfully interesting trip through the world of baseball in the 1950s that includes several new stories added for this edition. Among Erskine's many tales are his dealings with immortal team official Branch Rickey, his view from the Dodgers' bench during Don Larsen's perfect game in the 1956 World Series, and his first-hand experiences when Jackie Robinson broke the color barrier and became the first black player in Major League Baseball history. During his frequent speaking engagements, people often ask Erskine if all of his stories are true. His standard response has been, "Yes, I couldn't possibly make them up the way they actually happened." Now fans can read all of those great true stories in "Carl Erskine's Tales from the Dodger Dugout: Second Edition.

The Duke of Flatbush

In the Book of Genesis, when Cain is confronted by God regarding the death of his brother, he replies, Am I my brothers

keeper? Within these pages, players respond affirmatively to this century's age old question. They took stands against prejudice during times in our country when it was not the norm. Their courage serves as a model for all of us today. These players lived the biblical challenge of loving your neighbor. This is the third book by the author of inspirational stories about players from our national pastime. Fifteen members of our National Baseball Hall of Fame are here as well as others of lesser fame. The examples include 19th century baseball, Babe Ruth and Pete Rose. Each player was special. Each story inspirational.

More Tales from Baseball's Golden Age

In 1957 the Dodgers broke the hearts of blue-collar Brooklyn for the embrace of booming Los Angeles. Thus began a new era for the fabled Bums, whose exploits inside -- and outside -- the white lines have intrigued generations of baseball fans. Based on scores of fresh and exuberant interviews, True Blue brings you into the dugout and the locker room, capturing the nearly half-century of clutch performances, World Series triumphs, blown pennant races, clubhouse brawls, contract disputes, stunning trades, and turbulent managerial changes -- all with a startling insider's perspective. In their own candid and provocative words, a who's who of Dodger legends and stars such as Duke Snider, Maury Wills, John Roseboro, Don Sutton, Steve Garvey, Ron Cey, Davey Lopes, Reggie Smith, Tommy Lasorda, Bill Russell, Dusty Baker, Kirk Gibson, Steve Sax, and Eric Karros recall their years with the Dodgers. Also providing their unique commentary are a number of noted opponents, writers, and broadcasters, including Willie Mays, Sparky Anderson, Pete Hamill, Roger Kahn, Tim McCarver, and Bob Costas. Their voices, woven into a rich and fast-paced narrative, bring to life the rise and shocking retirement of Sandy Koufax, Kirk Gibson's dramatic 1988 World Series home run, the controversial trade of Mike Piazza, and so much more. It is the vivid story of how the Dodgers became one of the great successes in major league history, winning nine National League pennants and five World Series championships. A fascinating and colorful history of a team, an era, and baseball itself, True Blue is must reading for any baseball fan.

You're the Umpire

The former Brooklyn Dodger recalls lessons learned from Jackie Robinson, sharing memories from Robinson's widow and his own recollections of Yogi Berra, Sandy Koufax, Pee Wee Reese, Whitey Ford, Billy Martin, and others. 30,000 first printing.

Tales from the Dodgers Dugout

Barney Stein was the Dodgers' official team photographer from 1937 until the team left for Los Angeles in 1957. With access that no other photographer had, his camera chronicled every aspect of the team's most vibrant and memorable

period. But his Brooklyn Dodger work has remained one of the sports world's "lost treasures," since--except for rare and scattered glimpses--it has not been published or otherwise seen since the team left New York. Now, to commemorate the 50th anniversary of the Dodgers' last season in Brooklyn, Barney Stein's Dodgers photographs live again. The book takes you to every corner of Ebbets Field - to the playing field, the dugout, the locker room, even to the fabled Marble Rotunda. You'll see the on-and-off-the-field legends who made the Brooklyn years so unforgettable, as well as never-before-seen photos of the final game at Ebbets Field and the legendary ballpark's demolition.

Handsome Ransom Jackson

The New York Yankees are the acknowledged king pin of Major League Baseball, and no one among the media is more of an authority about the Yankees than is Ed Randall. He's conducted personal interviews with virtually every current Yankee player and hundreds from past seasons. In *More Tales from the Yankee Dugout*, fans will gain insights about the famed Bronx Bombers that they've never read before. There will be anecdotes from not only veterans such as Derek Jeter and Bernie Williams, but also from brand-new Yankees like Jason Giambi and Robin Ventura. Also included within the pages of *More Tales* will be unique and often humorous stories from Yankee legends such as Mickey Mantle, Yogi Berra and Don Mattingly. Nearly 200 different tales are told in this new book. If you liked *Tales from the Yankee Dugout*, you'll absolutely love *More Tales from the Yankee Dugout*.

Baseball'S Brotherhood Team

The former Brooklyn Dodger recalls lessons learned from Jackie Robinson, sharing memories from Robinson's widow and his own recollections of Yogi Berra, Sandy Koufax, Pee Wee Reese, Whitey Ford, Billy Martin, and others. 30,000 first printing.

Through a Blue Lens

Neil Lanctot's biography of Hall of Fame catcher Roy Campanella—filled with surprises—is the first life of the Dodger great in decades and the most authoritative ever published. Born to a father of Italian descent and an African- American mother, Campanella wanted to be a ballplayer from childhood but was barred by color from the major leagues. He dropped out of school to play professional ball with the Negro Leagues' Washington (later Baltimore) Elite Giants, where he honed his skills under Hall of Fame catcher Biz Mackey. Campy played eight years in the Negro Leagues until the major leagues integrated. Ironically, he and not Jackie Robinson might have been the player to integrate baseball, as Lanctot reveals. An early recruit to Branch Rickey's "Great Experiment" with the Brooklyn Dodgers, Campy became the first African-American catcher in the twentieth century in the major leagues. As Lanctot discloses, Campanella and Robinson, pioneers of integration, had a

contentious relationship, largely as a result of a dispute over postseason barnstorming. Campanella was a mainstay of the great Dodger teams that consistently contended for pennants in the late 1940s and 1950s. He was a three-time MVP, an outstanding defensive catcher, and a powerful offensive threat. But on a rainy January night in 1958, all that changed. On his way home from his liquor store in Harlem, Campy lost control of his car, hit a utility pole, and was paralyzed below the neck. Lanctot reveals how Campanella's complicated personal life (he would marry three times) played a role in the accident. Campanella would now become another sort of pioneer, learning new techniques of physical therapy under the celebrated Dr. Howard Rusk at his Institute of Physical Medicine and Rehabilitation. As he gradually recovered some limited motion, Campanella inspired other athletes and physically handicapped people everywhere. Based on interviews with dozens of people who knew Roy Campanella and diligent research into contemporary sources, Campy offers a three-dimensional portrait of this gifted athlete and remarkable man whose second life after baseball would prove as illustrious and courageous as his first.

Tales from the Dodger Dugout

Baseball fans may know the story of the Brooklyn Dodgers, but they don't know the whole story. With a foreword by Branch Barrett Rickey (grandson of Branch Rickey), this book fills the void in Dodgers scholarship, exploring their impact on popular culture and revealing lesser-known details of the team's history. Personal stories are included from the fans who embraced Jackie Robinson, Pee Wee Reese, Carl Erskine, Roy Campanella and other icons of Ebbets Field. Drawing on archival documents, contemporary press accounts and fan interviews, the author brings to life the magic of the Dodgers, chronicling in detail the genesis, glory and demise of the team that changed baseball—and America.

The Pity of War

After the runaway success of his *Tales from Baseball's Golden Age*, Gene Fehler presents his second installation, *More Tales from Baseball's Golden Age*. It is a collection of anecdotes, memories, and stories from the men who played baseball during its heyday, in the '40s and '50s. Stories include reminiscences about playing with or against baseball legends such as Hank Aaron, Mickey Mantle, Satchel Paige, and Ted Williams and interviews with nearly two dozen players who were not heard from in *Tales from Baseball's Golden Age*. Fehler combines lifetime statistics and personal interviews from over 50 Hall of Famers, All-Stars, and ordinary players to create a memorable book sure to delight any baseball fan, young or old.

Tales from the Tribe Dugout

“Perfect captures our hearts as it carries us back to the golden age of baseball and the more innocent world of the

1950s.”—Doris Kearns Goodwin, Pulitzer Prize-winning Author of *The Bully Pulpit* On October 8, 1956, New York Yankees pitcher Don Larsen took the mound for game five of the World Series against the rival Brooklyn Dodgers. In an improbable performance that the New York Times called "the greatest moment in the history of the Fall Classic," Larsen, an otherwise mediocre journeyman pitcher, retired twenty-seven straight Dodger batters to clinch a perfect game and, to date, the only World Series no-hitter ever witnessed in major league baseball. Here, Lew Paper delivers a masterful pitch-by-pitch account of that fateful day and the extraordinary lives of the players on the field—seven of whom would later be inducted into the Hall of Fame. Meticulously researched and relying on dozens of interviews, Paper's gripping narrative recreates Larsen's feat in a pitching duel that featured legendary figures such as Mickey Mantle, Jackie Robinson, Yogi Berra, and Roy Campanella. More than just the story of a single game, *Perfect* is a window into baseball's glorious past. From the Trade Paperback edition.

äóìOur Bumsäóí

True Blue

If there was ever a place in America where a city and its baseball team were as close as family, it was Brooklyn. The legacy of this relationship comes down to us in stories of childhoods spent at Ebbets Field and in the stories of Jackie Robinson and Branch Rickey, whose courage changed the face of America. Baseball in Brooklyn goes back to the beginning of the sport, when a young city embraced a new game and, like missionaries, carried it to the nation. This book tells the story of that beginning and concludes with the heart-wrenching move of the franchise to the West Coast after the 1957 season. Brooklyn Dodgers carries us from the birth of baseball in the streets of Brooklyn through the decades in Flatbush when Ebbets Field was the center of the Brooklyn community. That was a time when the players lived in the neighborhoods not far from the ballpark, side by side with their followers. Duke Snider, Pee Wee Reese, Jackie Robinson, Gil Hodges, and Johnny Podres all make appearances in this exciting selection of photographs. A large part of Brooklyn Dodgers is dedicated to those teams of the 1950s and their irrepressible fans.

Campy

Discusses the lengthy career of the famous sportscaster, including his early life, his move with the Dodgers to Los Angeles, and his numerous awards for outstanding work in his field.

The Devil All the Time

Read Michael D'Antonio's posts on the Penguin Blog From the Pulitzer Prize-winning journalist comes a revealing biography of "one of the most polarizing figures in baseball history" (The New York Times). If ever there was a figure who changed the game of baseball, it was Walter O'Malley, owner of the Dodgers. O'Malley was one of the most controversial owners in the history of American sports, altering the course of history when he uprooted the Dodgers and transplanted them from Brooklyn to Los Angeles. While many critics attacked him, O'Malley looked to the future, declining to defend his stance. As a result, fans across the nation have never been able to stop arguing about him and his strategy—until now. Michael D'Antonio's *Forever Blue* is a uniquely intimate portrait of a man who changed America's pastime forever, a fascinating story fundamental to the history of sports, business, and the American West. Michael D'Antonio's newest book, *A Full Cup: Sir Thomas Lipton's Extraordinary Life and His Quest for America's Cup*, is now available from Riverhead Books.

Roger Sherman and the Creation of the American Republic

Roger Sherman was the only founder to sign the Declaration and Resolves (1774), Articles of Association (1774), Declaration of Independence (1776), Articles of Confederation (1777, 1778), and Constitution (1787). *Roger Sherman and the Creation of the American Republic* explores Sherman's political theory and shows how it informed his many contributions to America's founding. Contrary to oft-repeated assertions by jurists and scholars that the founders advocated a strictly secular polity, Mark David Hall argues persuasively that most founders believed Christianity should play an important role in the new American republic.

The Boys of Summer

'A gripping, wonderfully understated book that oozes humanity, emotion and humour.' Guardian Winner of the 2020 Butler Literary Award Shortlisted for the Edge Hill Prize 2019 Shortlisted for the Republic of Consciousness Prize 2019 Longlisted for the Gordon Burn Prize and the Sunday Times Audible Short Story Award 2019 'Wendy Erskine's first collection, *Sweet Home* . . . is every bit as good as her early stories in the always astute *Stinging Fly* magazine promised.' Jon McGregor, *New Statesman* Set in the author's native Belfast, the ten stories in *Sweet Home* lay bare the heartbreak and quiet tragedies that run under the surface of everyday lives. A lonely woman is fascinated by her niqab-wearing neighbours; a middle-aged teacher becomes obsessed with a young Gaelic football player; and an employer covers for his two employees caught having sex in a public toilet. Wendy Erskine offers perfectly formed, brilliantly observed portraits of people trying to carve out a life for themselves, all the while being buffeted by the loss, grief and regret that come their way. Warm, compassionate and funny, *Sweet Home* captures life in contemporary East Belfast, in all of its forms. A Book of the Year in the *Guardian*, *The White Review*, *Observer*, *New Statesman*, *TLS*.

Sweet Home

Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

Wolverine Vs. The Punisher

It is commonplace for most people to experience doubt, resistance, or criticism after he or she has shared their earnest conviction, ambition, or intent. But why would anyone want to get in the way of your success? Why do we limit ourselves, as well as place limits on others? People who do such things are referred to as naysayers. A naysayer is a person who habitually expresses negative or pessimistic views. Their goal is to de-motivate, discourage, impede, and destroy your hopes and dreams. What course of action would you take if the odds were stacked against you? What dream did you once conceive in your heart but because of fear, unbelief, and cynicism you allowed the dream to die? In *Silence the Naysayers*, Kirby Jones challenges you to dream again and re-kindle the fire which at one time profusely burned on the inside of you. Few people are willing to release their security blanket and launch out into uncharted waters, yet he reveals the process involved to unearth the unlimited potential in all of us. Through applicable principles that are established upon the Word of God, Kirby adds his methodology, compelling exercises, and heart warming stories to help guide you to the discovery of your purpose in life. He provides encouragement for those who need to find the strength to go on when no one else has confidence in their ability to succeed. *Silence the Naysayers* is required reading, and is the 21st century expression for entrepreneurs and aspiring entrepreneurs. It is not an expression that should be used negatively against those who would refute your hope, dreams, or potential undertaking. However, it is an expression to be used to motivate you, inspire you, and thus illuminate your creative genius in the face of antagonism. This book belongs in the hands of the reader who is seeking meaning for his or her life. The person who undoubtedly desires change and a better quality of life for themselves

and others. If you are ready to make the rest of your life the best of your life go on and Silence the Naysayers!

Brooklyn Dodgers

In Rickey & Robinson, legendary sportswriter Roger Kahn reveals the true, unsanitized account of the integration of baseball--a story that for decades has relied largely on inaccurate, secondhand reports. Focusing on Branch Rickey and Jackie Robinson, Kahn's account is based on exclusive reporting and his personal reminiscences, including revelatory material he buried in his notebooks in the '40s and '50s. Rickey and Robinson were chiefly responsible for making integration happen. Through in-depth examinations of both men, Kahn separates fact from myth to present a truthful portrait of baseball and its participants at a critical juncture in American history.

Pull Up a Chair

Soon after Gwenda moved into her new home, odd things started to happen. Despite her best efforts to modernize the house, she only succeeded in dredging up its past. Worse, she felt an irrational sense of terror every time she climbed the stairs. In fear, Gwenda turned to Miss Marple to exorcise her ghosts. Between them, they were to solve a "perfect" crime committed many years before.

Brothers in Arms

The Los Angeles Dodgers are one of the most storied franchises in all of sports, with enduring legacies both on and off the diamond. Chief among the hallmarks of the organization is an unparalleled pitching dominance; Dodger blue and white brings to mind brilliance on the mound and the Cy Young Awards that followed. In Brothers in Arms: Koufax, Kershaw, and the Dodgers' Extraordinary Pitching Tradition, acclaimed Dodgers writer Jon Weisman explores the organization's rich pitching history, from Koufax and Drysdale to Valenzuela and Hershiser, to the sublime Clayton Kershaw. Weisman delves deep into this lineage of excellence, interviewing both the legends that toed the rubber and the teammates, coaches, and personalities that witnessed their genius.
