History of the Apostolic Church

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1883 edition. Excerpt: must be due to the exceeding compression in the language of St. Matthew, and to this, that Christ would purposely leave indefinite the interval between ' the desolation of the house' and His own Return. Another point of considerable importance remains to be noticed. When the Lord, on quitting the Temple, said: 'Ye shall not see Me henceforth, ' He must have referred to Israel in their national capacity--to the Jewish polity in Church and State. If so, the promise in the text of visible reappearance must also apply to the Jewish Commonwealth, to Israel in their national capacity. Accordingly, it is suggested that in the present passage Christ refers to His Advent, not from the general cosmic viewpoint of universal, but from the Jewish standpoint of Jewish, history, in which the destruction of Jerusalem and

the appearance of false Christs are the last events of national history, to be followed by the dreary blank and silence of the many centuries of the 'Gentile dispensation, ' broken at last by the events that usher in His Coming.11 st. Luke, ..., ! xi. 21 ic. Keeping m mind, then, that the disciples could not have conjoined the desolation of the Temple with the immediate Advent of Christ into His Kingdom and the end of the world, their question to Christ was twofold: When would these things be? and, What would be the signs of His Royal Advent and the consummation of the 'Age'? On the former the Lord gave no information; to the latter His Discourse on the Mount of Olives was directed. On one point the statement of the Lord had been so novel as almost to account for their question. Jewish writings speak very frequently of the so-called 'sorrows of the Messiah' (Chevlej shel Meshiachbl). hsh..ii. These were partly thos.e of the Messiah, an

The Legend of Morris Cerullo

This study is the first comprehensive analysis of its kind. It examines the Communist Party's evolving religious controls and citizens' responses to them, focusing on seven religious groups that account for 350 million believers: Chinese Buddhism, Taoism, Catholicism, Protestantism, Islam, Tibetan Buddhism, and Falun Gong.

The Publishers Circular

They insist they are just a group of friends, yet they funnel millions of dollars through tax-free corporations. They claim to disdain politics, but congressmen of both parties describe them as the most influential religious organization in Washington. They say they are not Christians, but simply believers. Behind the scenes at every National Prayer Breakfast since 1953 has been the Family, an elite network dedicated to a religion of power for the powerful. Their goal is "Jesus plus nothing." Their method is backroom diplomacy. The Family is the startling story of how their faith—part free-market fundamentalism, part imperial ambition—has come to be interwoven with the affairs of nations around the world.

Praying the Right Way

The Black Panther Party represents Black Panther Party members' coordinated

responses over the last four decades to the failure of city, state, and federal bureaucrats to address the basic needs of their respective communities. The Party pioneered free social service programs that are now in the mainstream of American life. The Party's Sickle Cell Anemia Research Foundation, operated with Oakland's Children's Hospital, was among the nation's first such testing programs. Its Free Breakfast Program served as a model for national programs. Other initiatives included free clinics, grocery giveaways, school and education programs, senior programs, and legal aid programs. Published here for the first time in book form, The Black Panther Party makes the case that the programs' methods are viable models for addressing the persistent, basic social injustices and economic problems of today's American cities and suburbs.

Passport to Mission

Morris Cerullo grew up a tough, troubled, rebellious bully. Before he was 13, life had broken him inside so badly that he devised a plan to kill himself. He might have done it, but as he lingered on the window ledge outside his bedroom, he was divinely, supernaturally rescued.

Simple Church

Here for the first time in print is the story of a small group who dared to confront Adolf Hitler and the Third Reich with the love of Jesus Christ. Avoiding covert resistance on the one hand and complicity and compromise on the other, the Rhon Bruderhof, under the courageous leadership of Eberhard Arnold, boldly witnessed to the politics of the Kingdom of God in Nazi Germany. Although "less than a gnat to an elephant," in Arnold's words, they believed that as God's ambassadors love could overcome hatred-even of Adolf Hitler himself. This is an amazing account of a community who stayed true to the nonviolent way of the Cross, and how, despite relentless Nazi opposition, God protected and victoriously led them along the way.

The Statesman's Manual, Or, The Bible the Best Guide to Political Skill and Foresight

A Nazareth Manifesto is an eloquent and impassioned ecumenical proposal for re-envisioning Christianity's approach to social engagement away from working "for" the people to being "with" them. Questions the effectiveness of the current trend of intervention as a means of fixing the problems of people in distressed and disadvantaged circumstances. Argues that Jesus spent 90% of his life simply being among the people of Nazareth, sharing their hopes and struggles, therefore Christians should place a similar emphasis on being alongside people in need rather than hastening to impose solutions. Written by a respected priest and broadcaster and renowned Christian ethicist and preacher. Supported by historical, contemporary, exegetical and anecdotal illustrations.
