Elementary Lectures on Electric Discharges, Waves and Impulses, and Other Transients

You don't need to be familiar with Demián, from *Cuentos para Demián*, in order to immerse yourself in the pages that vividly highlight some of life's common woes. In this book, Demián reunites with his former therapist to delve back into the intellectual and emotional rollercoaster they went on 27 years back. They seek to understand human nature, heal old wounds and discover the meaning of existence.

How to Improve Your Self-Esteem

A profound, thoughtful book about Down syndrome that at its heart is about what it means to truly love.

Delibros

An innovative self-help program draws on a multitude of sources--including folktales, the Bible, Eastern philosophy, and the Torah--to explain how to overcome unhealthy behavior patterns by emphasizing the concept of "self-dependence" to promote self-awareness, personal happiness, independence, and successful relationships with others. Reprint. 20,000 first printing.

Dirt for Art's Sake

It was bizarre and inexplicable, and after it happened, Ingrid Waverly was forced to leave her life in London behind. She had to trade a world full of fancy dresses and society events for exile in gothic Paris with her mother and her younger sister, Gabby. In Paris there are no grand balls or glittering parties, and disturbingly, the house rented by Ingrid's twin brother, Grayson, isn't a house at all. It's an abbey. A

creepy, old abbey with a roof lined in stone gargoyles that could almost be mistaken for living, breathing creatures. And to top it all off, Grayson is missing. Yet no one seems to be concerned about Grayson's whereabouts save for Luc, a devastatingly handsome servant who has some deep and dark secrets of his own. There's one secret about the city that even Luc can't keep hidden, though: there's a murderer on the loose. And every day that Grayson is missing means there's less chance he's still alive. Ingrid is sure her twin isn't dead--she can feel it deep in her soul--but she knows that he's in grave danger, and that it's up to her and Gabby to find him before all hope is lost. And yet the path to him is more dangerous than she could ever imagine.

When I Was Puerto Rican

"God does not play dice with the universe." So said Albert Einstein in response to the first discoveries that launched quantum physics, as they suggested a random universe that seemed to violate the laws of common sense. This 20th-century scientific revolution completely shattered Newtonian laws, inciting a crisis of thought that challenged scientists to think differently about matter and subatomic particles. *The Dreams That Stuff Is Made Of* compiles the essential works from the scientists who sparked the paradigm shift that changed the face of physics forever, pushing our understanding of the universe on to an entirely new level of comprehension. Gathered in this anthology is the scholarship that shocked and befuddled the scientific world, including works by Niels Bohr, Max Planck, Werner Heisenberg, Max Born, Erwin Schrodinger, J. Robert Oppenheimer, Richard Feynman, as well as an introduction by today's most celebrated scientist, Stephen Hawking.

Bibliografía española

No es necesario haber conocido al protagonista de *Cuentos para Demián* para adentrarse en estas hermosas páginas que recrean, de manera vívida y elocuente, algunas de las interrogantes y perplejidades que nos asaltan en el transcurso de nuestra vida. En este libro, Demián se reencuentra con su antiguo terapeuta para retomar la indagación intelectual y emocional que emprendieron juntos veinte años atrás, y cuyo objetivo, ahora como entonces, consistirá en entender la realidad humana, curar las heridas interiores y aprender a solucionar los conflictos e incertidumbres de la existencia. El escritor y terapeuta Jorge Bucay nos invita a sumarnos a este diálogo en el cual están presentes el humor, la filosofía y algunos cuentos tradicionales cuyas verdades ayudarán a iluminar nuestro camino.

El camino del encuentro

El camino del encuentro nos habla sobre el descubrimiento del otro, del amor, del sexo, llevándonos de la risa a la reflexión mientras nos muestra la ruta del encuentro verdadero. «El camino hacia la realización personal es difícil y continuo», nos dice Jorge Bucay en sus libros. En esta serie de caminos, el autor nos ofrece unos mapas de territorio para que cada uno de nosotros recorra el suyo propio, a su ritmo y eligiendo el trayecto. «Ser feliz -afirma- no es un derecho solamente; también es, de muchas maneras, una obligación contraída con la vida.»

En El camino del encuentro Jorge Bucay nos invita al compromiso, al contacto y a compartir con los demás. A lo largo de sus inteligentes y provocadores comentarios, nos lleva de la risa a la reflexión mientras nos muestra la ruta del encuentro verdadero en la amistad, en la familia, en el amor y en el sexo. Siendo como es un libro de entretenida lectura, nos atrevemos a asegurar que nadie después de leerlo seguirá pensando igual que antes de hacerlo.

The Pillars of the Earth

Un libro con propiedades curativas para quien desea reparar una relación lastimada o iniciar una nueva. Se dice que el amor es ciego. Sin embargo, como muestran Jorge Bucay y Silvia Salinas en este revelador libro, el verdadero vínculo amoroso, el más profundo y duradero, solamente surge cuando estamos dispuestos a abrir los ojos y ver al otro tal cual es y no como quisiéramos que fuera o como nos imaginamos que debería ser. Es necesario reconocer verdades que contradicen muchas de nuestras creencias, fantasías y lugares comunes. Aceptar, por ejemplo, que no existen las parejas sin conflictos. Más aún, que los conflictos dentro de la pareja son los que vuelven atractivo estar con el otro. Amarse con los ojos abiertos es un valioso instrumento que nos inspirará a crear una relación afectiva más duradera, madura y satisfactoria, y que desafía el mito en torno a la llamada "crisis de la pareja".

The Dead Ex

Cuenta conmigo

“Activating your self-love is the first step towards any type of psychological growth and personal improvement. Of course I am not talking about the dark side of self-esteem, which leads to narcissism and fascination with the ego, but rather about having a genuine ability to, fearless and unashamedly, recognize your strengths and virtues, integrate them into the development of your own life" In this guide, Dr. Walter Riso teaches us about the tools we need to help bolster our self-esteem; he teaches us to feed our self-love, freeing us from dependencies and stripping away all those things that weigh heavily on us. This, in turn, enables us to build our own happiness.

Sisters Red

A New York Times Bestseller From the author of the New York Times bestseller All the Bright Places comes a heart-wrenching story about what it means to see someone—and love someone—for who they truly are. Everyone thinks they know Libby Strout, the girl once dubbed “America’s Fattest Teen.” But no one’s taken the time to look past her weight to get to know who she really is. Following her mom’s death, she’s been picking up the pieces in the privacy of her home, dealing with her heartbroken father and her own grief. Now, Libby’s ready: for high school, for new friends, for love, and for EVERY POSSIBILITY LIFE HAS TO OFFER. In that moment, I know the part I want to play here at MVB High. I want to be the girl who can do anything. Everyone thinks they know Jack Masselin, too. Yes, he’s got

swagger, but he's also mastered the impossible art of giving people what they want, of fitting in. What no one knows is that Jack has a newly acquired secret: he can't recognize faces. Even his own brothers are strangers to him. He's the guy who can re-engineer and rebuild anything in new and bad-ass ways, but he can't understand what's going on with the inner workings of his brain. So he tells himself to play it cool: Be charming. Be hilarious. Don't get too close to anyone. Until he meets Libby. When the two get tangled up in a cruel high school game—which lands them in group counseling and community service—Libby and Jack are both pissed, and then surprised. Because the more time they spend together, the less alone they feel. . . . Because sometimes when you meet someone, it changes the world, theirs and yours. Jennifer Niven delivers another poignant, exhilarating love story about finding that person who sees you for who you are—and seeing them right back. "Niven is adept at creating characters. . . . [Libby's] courage and body-positivity make for a joyful reading experience." --The New York Times "Holding Up the Universe . . . taps into the universal need to be understood. To be wanted. And that's what makes it such a remarkable read." —TeenVogue.com, "Why New Book Holding Up the Universe Is the Next The Fault in Our Stars" "Want a love story that will give you all the feels? . . . You'll seriously melt!"—Seventeen Magazine

Leer

The Power of Self-Dependence

When he runs out of toilet paper, Leon must find something else to use. With that, his troubles begin.

The Distance Between Us

Thinking of getting a Japanese-style tattoo? Want to avoid a permanent mistake? Japanese Tattoos is an insider's look at the world of Japanese irezumi (tattoos). Japanese Tattoos explains the imagery featured in Japanese tattoos so that readers can avoid getting ink they don't understand or, worse, that they'll regret. This photo-heavy book will also trace the history of Japanese tattooing, putting the iconography and kanji symbols in their proper context so readers will be better informed as to what they mean and have a deeper understanding of irezumi. Tattoos featured will range from traditional tebori (hand-poked) and kanji tattoos to anime-inspired and modern works—as well as everything in between. For the first time, Japanese tattooing will be put together in a visually attractive, informative, and authoritative way. Along with the 350+ photos of tattoos, Japanese Tattoos will also feature interviews with Japanese tattoo artists on a variety of topics. What's more, there will be interviews with clients, who are typically overlooked in similar books, allowing them to discuss what their Japanese tattoos mean to them. Those who read this informative tattoo guide will be more knowledgeable about Japanese tattoos should they want to get inked or if they are simply interested in Japanese art and culture.

The A to Z of Correct English

One snowy night in New York City, a successful but solitary goldsmith reflects on his life, and his unreliable memories intertwine and collide. Returning to the village where he grew up, he hopes with some trepidation that he will encounter Celia, "the Black Widow," a beautiful and mysterious friend of his mother with whom he had a short and passionate affair when he was a teenager, before she rejected him. But instead he meets a young woman who opens doors onto a strange world, and takes him back in time. *The Goldsmith's Secret* is a remarkable story with a magical twist, of a love trapped between two parallel times, set Spain in the fifties, seventies, and in the last year of the twentieth century. In beautifully economical language, and with a structure as intricate and refined as a bevelled jewel, *The Goldsmith's Secret* is filled with intense nostalgia, memories and desires. Elia Barcelo has come to be known across Europe as a truly original voice, and her books as poetic works of great subtlety.

Manifiesto humanitario ecologista

WIVES WANTED ? Seemed all of Temptation, Texas, was wife-hungry - except for Harley Kerr! The rugged rancher had done the wedded bliss thing before, and he'd rather wrestle a rattler than get tied up with another woman, even one as pretty as his new neighbor.

Freedom from Illusion

'Compulsive, edgy and fabulous twists!' B A Paris 'Few writers can match Jane Corry' Cara Hunter HE CHEATED. HE LIED HE DIED. Vicki's husband David once promised to love her in sickness and in health. But after a brutal attack left her suffering with epilepsy, he ran away with his mistress. So when Vicki gets a call one day to say that he's missing, her first thought is 'good riddance'. But then the police find evidence suggesting that David is dead. And they think Vicki had something to do with it. What really happened on the night of David's disappearance? And how can Vicki prove her innocence, when she's not even sure of it herself? For anyone who loved *The Couple Next Door*, Lisa Jewell's *Then She Was Gone* and Cara Hunter's *Close To Home*, this book has everything you need for the perfect summer read - gripping twists and turns, brilliant characters and a story you can't put down. What people are saying about Jane Corry: 'A fearsomely good thriller' Nicci French 'Few writers can match Jane Corry in her compelling portrayals of damaged women and their dangerous liaisons' Cara Hunter, author of *Close To Home* 'Compulsive, edgy and with some fabulous twists that I didn't see coming!' B A Paris, author of *Behind Closed Doors* 'Beautifully written' The Dead Ex totally hooked me' Peter James 'The Dead Ex is compelling, twisty and utterly gripping. I couldn't put it down' Emma Curtis 'Suspense, thrills and intelligent storytelling. I highly recommend it!' LJ Ross 'A compelling and deftly plotted thriller, with echoes of *Apple Tree Yard*, *The Dead Ex* kept me guessing right until the (shocking) end' Nuala Ellwood 'Fans of psychological thrillers will be hooked after the first page' Closer 'Psychological thriller writing at its very best' SD Sykes 'A powerful and addictive read' Kate Furnivall 'This twisty tale of love and revenge is a compulsive read' Kate Hamer 'I loved *The Dead Ex*! Full of twists & turns that come together in the most unexpected fashion.' Louise Jensen, author of *The Sister* Jane Corry takes you to places you'd never want to go and marshals her plot lines expertly - by the time I finished I had twisted blood' T.A Cotterell 'Jane Corry's

writing grabs you at the first page and doesn't let go' Sue Fortin 'Jane Corry explores the dark underbelly of the prisonan intricately plotted thriller with a surprising twist' Sanjida Kay 'Jane Corry hooks us from page one' Jane Holland 'Jane Corry's experiences working with prisoners adds a unique authenticity to this twisty thriller' Emily Elgar 'A complex thriller with so many twists that you will be desperate to get to the end to find out the truth! A great summer read' Katerina Diamond

The King and the Magician

For fans of the Royal Diaries series and Gail Carson Levine, Newbery Honor-winning author Kathryn Lasky delivers the first enchanting adventure in a compelling new middle grade series about a newly orphaned girl who finds herself time-travelling between the present day and the court of the two most memorable English princesses in history. Life used to be great for Rose: full of friends, a loving mom, and a growing fashion blog. But when her mother dies in a car crash, Rose is sent away to live with a strange grandmother she hardly knows and forced to attend a new school where mean girls ridicule her at every turn. The only place Rose finds refuge is in her grandmother's greenhouse. But one night she sees a strange light glowing from within it. She goes to investigate and finds herself transported back five hundred years to Hatfield Palace, where she becomes servant and confidant of the banished princess Elizabeth, daughter of King Henry VIII. Rose soon discovers something else amazing—a locket with two mysterious images inside it, both clues to her own past. Could the greenhouse portal offer answers to the mysteries of her family and their secrets? "A convincing, compelling time-travel series rife with Tudor drama." —Kirkus

The Book of Saints and Friendly Beasts

In *Dirt for Art's Sake*, Elisabeth Ladenson recounts the most visible of modern obscenity trials involving scandalous books and their authors. What, she asks, do these often-colorful legal histories have to tell us about the works themselves and about a changing cultural climate that first treated them as filth and later celebrated them as masterpieces? Ladenson's narrative starts with *Madame Bovary* (Flaubert was tried in France in 1857) and finishes with *Fanny Hill* (written in the eighteenth century, put on trial in the United States in 1966); she considers, along the way, *Les Fleurs du Mal*, *Ulysses*, *The Well of Loneliness*, *Lady Chatterley's Lover*, *Tropic of Cancer*, *Lolita*, and the works of the Marquis de Sade. Over the course of roughly a century, Ladenson finds, two ideas that had been circulating in the form of avant-garde heresy gradually became accepted as truisms, and eventually as grounds for legal defense. The first is captured in the formula 'art for art's sake'—the notion that a work of art exists in a realm independent of conventional morality. The second is realism, vilified by its critics as 'dirt for dirt's sake.' In Ladenson's view, the truth of the matter is closer to 'dirt for art's sake'—the idea that the work of art may legitimately include the representation of all aspects of life, including the unpleasant and the sordid. Ladenson also considers cinematic adaptations of these novels, among them Vincente Minnelli's *Madame Bovary*, Stanley Kubrick's *Lolita* and the 1997 remake directed by Adrian Lyne, and various attempts to translate de Sade's works and life into film, which faced similar censorship travails. Written with a keen awareness of

ongoing debates about free speech, *Dirt for Art's Sake* traces the legal and social acceptance of controversial works with critical acumen and delightful wit.

Tangled in Time: The Portal

A collection of twenty legends of saints and friendly beasts.

Amarse con los ojos abiertos

Why do literary theorists see reading as an act of dispassionate textual analysis and meaning production, when historical evidence shows that readers have often read excessively, obsessively, and for sensory stimulation? Posing these and other questions, this is the first major work to bring insights from book history to bear on literary history and theory. In so doing, the book charts a compelling and innovative history of theories of reading. While literary theorists have greatly contributed to our understanding of the text-reader relation, they have rarely taken into account that the relation between a book and a reader is also a relation between two bodies: one made of paper and ink, the other flesh and blood. This is why, Karin Littau argues, we need to look beyond the words on the page, and pay attention to the technical innovations in the physical format of the book. Only then is it possible to understand more fully how media technology has changed our experience of reading, and why media history presents a challenge to our conceptions of what reading is. Each chapter places the reader in specific disciplinary and historical contexts: literature, criticism, philosophy, cultural history, bibliography, film, new media. Overall, the history recounted in this book points to a split between modern literary study which regards reading as a reducibly mental activity, and a tradition reaching back to antiquity which assumed that reading was not only about sense-making but also about sensation. *Theories of Reading: Books, Bodies and Bibliomania* will be essential reading for all students and scholars of literary theory and history as well as of great interest to students of the history of the book and new media.

Tyrant's Blood

The irresistible second installment in the beloved series that has sold millions of copies worldwide. Since his first captivating adventure in *Hector and the Search for Happiness*, Hector the young French psychiatrist has continued to explore the mysteries of the human soul. Having found that love seems virtually inseparable from happiness, he begins taking notes on this powerful emotion. But unbeknownst to him, Clara, the doctor's beloved, is making her own investigations into love. As much a love story as a novel about love, *Hector and the Secrets of Love* is a feel-good life manual wrapped in a globe-trotting adventure, told with the blend of a fairy tale's naïve wisdom and a satirist's dry wit that has won Hector fans around the world.

Cuenta Conmigo: Cuentos Para Demián 20 Años Después

Bachelor Collection.

Success is No Accident

Let Me Tell You a Story is a tender and delicate book about the search for happiness. Demián is highly strung young man, curious about the world and himself, but he has difficulty facing some of life's everyday problems, those concerning work, his love life, and relationships with friends and family. He is eager to know more about himself and to learn how to confront life with gusto and serenity. In short, he wants what all of us want: to be happy and fulfilled. Demián finds Jorge, an unconventional psychoanalyst who approaches Demián's dilemma in an unconventional way. Every day, Jorge tells Demián a story. At times they are classic fables, others modern stories, or folk tales, stories that have been revisited and reshaped by the analyst to help his young friend overcome his doubts and find happiness. They are, in short, stories that can help every one of us better understand ourselves, our relationships, and our fears.

The Dreams That Stuff Is Made Of

Thorn, an outlaw's son, wasn't supposed to be a slave. He's been sold to Tyburn, an executioner, and they're headed to Castle Gloom in Gehenna, the land of undead, where Thorn will probably be fed to a vampire. Lilith Shadow wasn't supposed to be ruler of Gehenna. But following the murder of her family, young Lily became the last surviving member of House Shadow, a long line of dark sorcerers. Her country is surrounded by enemies and the only way she can save it is by embracing her heritage and practicing the magic of the undead. But how can she when, as a girl, magic is forbidden to her? Just when it looks like Lily will have to leave her home forever, Thorn arrives at Castle Gloom. A sudden death brings them together, inspires them to break the rules, and leads them to soar to new heights in this fantasy with all the sparkle and luster of a starry night sky

Brief Thief

Designed to help resolve most common English language problems and queries, this book has an accessible reference format with examples and explanations of mistakes regarding sentence construction, spelling, punctuation and grammar.

Mallko and Dad

Draws on the teachings of Kabbalah to counsel spiritually minded women on how to understand relationships in accordance with the differences between the sexes, sharing advice on how to date, engage in mutually beneficial intimacy, and embark on a long-term commitment.

Marry Me, Cowboy (Mills & Boon Vintage Desire)

#1 New York Times Bestseller Oprah's Book Club Selection The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career. Look out for the prequel, *The Evening and the Morning*, coming from Viking in September 2020. "Follett risks all and comes out a clear winner," extolled Publishers Weekly on the release of *The Pillars of the Earth*.

A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece.

The Bride's House

Holding Up the Universe

Offers advice on achieving success by realizing dreams, thinking productively, improving one's self-esteem, and discovering previously unnoticed opportunities

Let Me Tell You a Story

Japanese Tattoos

An anthology of the complex issues of the ego, ambition, power and destructiveness from the perspective of a contemporary mystic. Osho shows the way to liberation from the illusions of the personality through an internal revolution - the psychology of the Buddhas. The ego is just the opposite of your real self. The ego is not you. It never allows you even a glimpse of your real authentic self, and your life is there, in your authenticity. Hence, this ego only produces misery, suffering, fighting, frustration, madness, suicide, murder -- all kinds of crime.

Theories of Reading

How to behave politely in a library is discussed.

Shadow Magic

The Denova Empire is flourishing under Loethar's rule. But Loethar is bored - as is Leo, the self-proclaimed true king, living in hiding, but eager to claim the Valisar throne. Freath keeps his own secrets while working as sage counsel. But when he risks all to contact the rebel, Kilt Faris, his life may be forfeit. A new evil is stirring"

Manners in the Library

From the New York Times bestselling author of *Whiter Than Snow* and *Prayers for Sale* comes a novel about the secrets and passions of three generations of women who have all lived in the same Victorian home called the *Bride's House*. It's 1880,

and for unassuming seventeen-year-old Nealie Bent, the Bride's House is a fairy tale come to life. It seems as if it is being built precisely for her and Will Spaulding, the man she is convinced she will marry. But life doesn't go according to plan, and Nealie finds herself in the Bride's House pregnant---and married to another. For Pearl, growing up in the Bride's House is akin to being raised in a mausoleum. Her father has fashioned the house into a shrine to the woman he loved, resisting all forms of change. When the enterprising young Frank Curry comes along and asks for Pearl's hand in marriage, her father sabotages the union. But he underestimates the lengths to which the women in the Bride's House will go for love. Susan is the latest in the line of strong and willful women in the Bride's House. She's proud of the women who came before her, but the Bride's House hides secrets that will force her to question what she wants and who she loves. Sandra Dallas has once again written a novel rich in storytelling and history, peopled by living, breathing characters that will grab hold of you and not let you go.

Hector and the Secrets of Love

This is a 2 color book about creativity techniques, creatively illustrated to match the techniques. First edition was a huge success. This second edition is aimed at both the trade and text book markets.

The Spiritual Rules of Engagement

Money can't buy a good first impression. Seventeen-year-old Caymen Meyers learned early that the rich are not to be trusted. And after years of studying them from behind the cash register of her mom's porcelain-doll shop, she has seen nothing to prove otherwise. Enter Xander Spence—he's tall, handsome, and oozing rich. Despite his charming ways and the fact that he seems to be one of the first people who actually gets her, she's smart enough to know his interest won't last. Because if there's one thing she's learned from her mother's warnings, it's that the rich have a short attention span. But just when Xander's loyalty and attentiveness are about to convince Caymen that being rich isn't a character flaw, she finds out that money is a much bigger part of their relationship than she'd ever realized. With so many obstacles standing in their way, can she close the distance between them?

The Beautiful and the Cursed

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic

landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

The Goldsmith's Secret

Scarlett March lives to hunt the Fenris--the werewolves that took her eye when she was defending her sister Rosie from a brutal attack. Armed with a razor-sharp hatchet and blood-red cloak, Scarlett is an expert at luring and slaying the wolves. She's determined to protect other young girls from a grisly death, and her raging heart will not rest until every single wolf is dead. Rosie March once felt her bond with her sister was unbreakable. Owing Scarlett her life, Rosie hunts ferociously alongside her. But even as more girls' bodies pile up in the city and the Fenris seem to be gaining power, Rosie dreams of a life beyond the wolves. She finds herself drawn to Silas, a young woodsman who is deadly with an ax and Scarlett's only friend--but does loving him mean betraying her sister and all that they've worked for?

101 Creative Problem Solving Techniques

A mighty ruler discovers someone in his kingdom has more power than himself. But when the king sets out to destroy this fearsome enemy, a humble magician, the tables are turned, and an unexpected journey begins. In this beautifully illustrated story with a timeless message, a feared and cruel king learns of a wise magician in his kingdom who is rumored to be even more powerful than himself. The magician can predict the future, and even worse, he is more popular than the fearsome king. Jealous and insecure, the enraged king plots to destroy this "enemy." But, being a magician, he has a trick up his sleeve that saves his own life and the king's. With help from an unexpected friend, the king transforms from a feared and brutal monarch to a beloved leader. Enduring messages about the power of wisdom and compassion are conveyed in a classic storytelling style and outstanding, original artwork.
