Story-Based Inquiry: A Manual for Investigative Journalists

Written by and for nurse practitioners, this practical textbook focuses on what primary care providers need to learn and practice drug therapy. With an overall emphasis on patient teaching and health promotion, you will learn how to provide effective patient teaching about medications and how to gain patient compliance. Drug coverage focuses on “key drugs rather than “prototype drugs, so you can find important information about the most commonly used drugs rather than the first drug in each class. You will also find discussions on the legal and professional issues unique to nurse practitioners and other primary care providers. The 3rd edition also features an expanded emphasis on established clinical practice guidelines and evidence-based practice, plus two new chapters that cover drugs for ADHD and drugs for dementia. UNIQUE! Written specifically for nurse practitioners with an overall emphasis on patient teaching and health promotion. UNIQUE! Covers specific topics such as prescriptive authority, role implementation, and writing prescriptions. Presents comprehensive coverage of the drugs most commonly prescribed in – and the issues most relevant to – primary care practice. UNIQUE! Identifies the Top 200 drugs in chapter openers with a special icon and covers them in-depth to familiarize you with the most important, need-to-know drug information. Uses a consistent heading scheme for each prototype drug discussion to make it easier to learn and understand key concepts. Includes an introductory chapter on “Design and Implementation of Patient Education that highlights content on patient teaching and compliance. Includes specific “Patient Education sections in each drug chapter. Provides extensive coverage of drug therapy for special populations to alert you to special considerations based on age, pregnancy, race and other factors. A separate chapter on “Complementary and Alternative Therapies discusses the available complementary and alternative modalities, including detailed information on actions, uses, and interactions of commonly used herbs. Drug Overview tables at the beginning of each chapter outline the classifications of drugs discussed and provide a handy reference of drug classes and subclasses, generic names, and trade names. Clinical Alerts highlight essential information that primary care providers must remember in order to avoid serious problems, including cautions for prescribing, information about drug interactions, or warnings

about particularly ominous adverse effects. An entire unit covers drugs for health promotion to introduce you to drugs commonly seen in outpatient primary care settings and to prepare you for practice in a society increasingly focused on health promotion and disease prevention. Includes separate chapters on Immunizations and Biologicals, Weight Management, Smoking Cessation, Vitamins and Minerals, Over-the-Counter Medications, and Complementary and Alternative Therapies.

The Pathway of Roses

It is a short story by Mrs. Gaskell. In the novel she explores different kinds of love, and her observations about human nature are as acute here as in her longer works. In this particular attempt she especially identifies motherhood and mother's feelings for her children. An awakening attempt!

Karma

Kass Morgan, New York Times bestselling author of *The 100*, once again delivers pulse-pounding action and glittering romance in this thrilling sequel to *Light Years*. Tensions are rising between the Quatrans and the Specters, and the Quatra Fleet is gearing up for an epic fight. With a galaxy on the brink of war and loyalties divided, the friendship of four cadets will be tested. Orelia has been arrested for espionage, and her future is looking bleak . . . until the Quatrans make her a surprising offer that could save her life--and the lives of everyone in the galaxy. Reeling from his breakup, Arran finds comfort in a sympathetic boy from Loos, someone who understands how hard it can be to fit in. But is it enough for Arran to forget his heartbreak? Cormak's position at the Academy is finally secure. But when someone discovers his treasonous secret, it jeopardizes everything he's fought for, including his relationship with the person he cares about most. And Vesper is ready to become a superstar officer . . . until she uncovers a conspiracy that shakes her faith in the Quatra Fleet to its core. As secret machinations come to light, these cadets will be forced to overcome their differences and band together to restore peace to their worlds.

The Space Beyond

The third novel in this series. Sadly, Tom Swift has given up on the governments of the world. After fifty years of trying to help mankind and being instrumental in setting up colonies on Venus, Mars, and numerous moons throughout the outer solar system, he and ten thousand colonist, family and former employees have left the home system forever. Their destination has been to explore the Pleiades star constellation with hopes of locating a new, human-friendly home planet. Along with them are the remnants of the dinosaur race he once thought of as his "space friends." The uneasy peace between them is softened by the fact their Prime Leader is a human. The only problem is that his bride, Phyllis Newton, is the human who has become the Prime Leader of the dinosaurs. She and their asteroid ship start out for the same place as Tom and his more conventional ship, but they soon are separated by millions of light years, and even by the sum total of time itself. As each group encounters new beings and new challenges, they find the universe is a pretty hostile place to be.

Wicked Lies

Now a major TV series on E4. In this pulse-pounding sequel to Kass Morgan's The 100, secrets are revealed, beliefs are challenged, and relationships are tested. And the hundred will struggle to survive the only way they can - together. It's been 21 days since The 100 landed on Earth. They're the only humans to set foot on the planet in centuries or so they thought. Facing an unknown enemy, Wells attempts to keep the group together. Clarke strikes out for Mount Weather, in search of other Colonists, while Bellamy is determined to rescue his sister, no matter the cost. And back on the ship, Glass faces an unthinkable choice between the love of her life and life itself.

Morton Hall

Their passionate affair ended in heartbreak when he left without warning. When he returns unexpectedly, can their heat melt away the hurt of the past? Kashif Shadid has always craved adventure. With one last chance to win the Iditarod dog sled race before assuming his role as Sheikh, he's returned to the Alaskan wilderness to train at a legendary sled dog farm. But returning means coming face to face with Kristy Cohen, the woman who captured his attention years ago. He's thrilled once again by her icy beauty, but her farm is facing financial ruin. Kashif's eager to take control, however, getting her to agree with his plans may be a challenge. Kristy Cohen works hard to keep her sled dog farm afloat while raising her young

daughter. Faced with declining revenues and a changing climate, Kristy's struggling, but she's not willing to turn her back on her business model. When Kashif Shadid shows up out of the blue pushing her to make changes, Kristy's response is as cold as the Alaskan snow. She fell for tall, handsome Kashif once before. After four years without a word from him, she won't be making that mistake again. This time, Kristy's guarding more than just her heart. With her farm and her daughter to consider, can she ever risk taking a chance on Kashif again?

Taurus Rendition

Book four in the New York Times bestselling series The 100. Now a hit TV show on the CW! It's been a month since the new dropships landed and the rest of the Colonists joined the hundred on the ground. The teens, once branded juvenile delinquents, are now leaders among their people. It should be a time for celebration and togetherness, but a new threat appears before long: a fanatical cult determined to grow its ranks and "heal" the war-ravaged planet by eliminating everyone else on it. After scores of their friends are captured, CLARKE sets off to retrieve them, certain that she can come to an understanding with these strangers. BELLAMY has a different plan; he won't let anything--or anyone--get in the way of saving the people he loves. Meanwhile, in captivity and scared for their lives, GLASS falls under the spell of the cult's magnetic message, and WELLS has to learn how to lead again. Unless the rescue party arrives soon, the teen captives will face a fate more terrifying than anything they could imagine. If the hundred ever want to call this dangerous planet home, they'll need to put aside their differences and fight to protect themselves and their world.

United States Congressional Serial Set

For seventeen-year-old Lena, living in the trailer park with the rest of town's throwaways isn't exactly paradise. Dealing with a drunken father who can't keep his fists to himself doesn't help matters either. The only good thing in her life, other than track, is the mysterious man who visits her dreams, promising to find her. When a chair burns her arms, Lena chalks it up to stress-induced crazy. Yet as bizarre incidents escalate, even being crazy can't explain it all away until one day dream guy does find her. Tarek lost Lena seventeen years ago after she was accused of treason and marked Tainted. He finally discovers her reborn on Earth into a life of suffering as punishment for her crime. However, someone else has already found her and wants her dead. Willing to sacrifice everything, he fights to keep her safe so she can live the only life she's ever known-even if that life doesn't include him.

2020 Everything feels off—especially me. I've returned to Katmere Academy, but I'm haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don't know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. The Circle is caught in a power play and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else's is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I'm able to give. The Crave series is best enjoyed in order. Reading Order: Book #1 Crave Book #2 Crush Book #3 Covet Book #4 Court

Eight Days

Cursed. Callobus Swordstar only wants a normal life, but a curse that threatens to consume him has assured the rest of his days will be filled with chaos. Although a powerful weapon, does he dare use the curse to help those around him, or does he fight for control as his family and friends are destroyed? When things go from bad to worse, Callobus must turn to unlikely allies and depend on friends that he puts in danger just by being close to them. When a dragon shatters all he holds dear and threatens to obliterate his world, the true test begins. Will he accept help or go it alone on his quest to kill the creature? The dragon must die before he can save his family. He wants to become a warrior. He needs to become a hero. He must become a slayer.

Midnight Bloom

While hiking on a lonely mountain in Arkansas, Jacob Barclay finds a cabin with a terrible secret. Sheriff Billy Joe Shoemaker discovers that his small, backwoods town may hold more danger than he ever imagined. Molly Carothers, lost in a sea of woods, starving and scared, believes she has found a guardian angel to free her. Brian Carothers, haunted by his family's

heritage, struggles with his sanity. Victor Carothers sees his power increase. As his appetites are sated, he oils his guns and plots his next victim. The lives of the town of Bexton, Arkansas depend upon Jacob, the strange Yankee seeking adventure and solace. Jacob finds he is faced with a struggling faith, and the realization that sometimes evil runs in the family.

A Christmas Homecoming

The first book in the New York Times bestselling series that inspired the hit CW television show. No one has set foot on Earth in centuries -- until now. Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life or it could be a suicide mission. CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth. Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.

Light Years

A RUNAWAY BRIDE Grace Marshall fled the church moments before her ceremony, leaving her twin sister buttoned into the wedding dress. A risky move for a good reason, and now she has to deal with the fallout. She expects the town and her family to be angry, but not this cowboy she just met. Who is he to judge? WITH SECRETS TO HIDE Horse trainer Mike Torres Thompson fabricated new identities for his siblings in order to keep them together after their parents died. Different location, different names, different lives. Once these last two kids are on their feet-and those feet moving out his door, he can pursue his own dream of a ranch for abused horses. Then he meets Grace, and all his carefully-formed plans run away like a mustang. Or a bride. Neither denies their physical attraction, but love? Can the runaway bride and the responsible family man overcome their pasts and learn to trust? Will they be able to take a leap of faith toward a future together?

Runaway Bride

Sadie Sanders believed her life couldn't get any worse when her parents moved her from sunny California, to gloomy Salem, Massachusetts. Of course Sadie was wrong-dead wrong. After a dangerous and almost deadly first year in Salem, Sadie's parents decide to send her away for the summer to visit her Aunt Morgan in the small town of Nicholasville, Kentucky. Seeking normalcy from her twisted life as a messenger for the dead, Sadie hopes her stay in the small Kentucky town will be the break she needs from her paranormal obligations and a way for her to escape the demons that haunt her. Unfortunately for Sadie, the dead don't take a break, not even for summer vacation. Soon after arriving in Nicholasville, Sadie discovers a murder that's been haunting the town for centuries. Refusing to ignore the injustice she uncovers, Sadie

sets off on another wild adventure. In *Wicked Lies*, book two of the *Wicked Cries* series, Sadie's quest for justice just may be the thing that finally ends her career as a messenger to the dead, and her life

The Sheikh's Christmas Baby

Rebellion

A prominent area activist and his wife are murdered in a grizzly and horrific manner. A white supremacist named Jacob Shepherd, also known as Bull, is accused of committing this race based killing. Now RJ must race against clock to prove that Bull is being framed, when the primary rule of any assassination conspiracy is, kill the assassin and his lawyer. From the RJ Davis case files. Houston area Attorney RJ Davis becomes embroiled in a struggle between Scylla and Charybdis and the two shades of gray. The War on Terror is in full rage, and the policies of Extraordinary Rendition, Enhanced Interrogation and Domestic Surveillance have become the preferred method for U.S. intelligence gathering. The ugly scab of the spy business reveals itself as RJ's investigator, his Aunt Peaches, confronts an old C.I.A. contact from her time in U.S. Army C.I.D. A web of lies and intrigue engulfs both RJ and Peaches as they battle the full weight of the intelligence apparatus gathered against them. The streets become explosive as an intelligence war is fought in the shadow of Houston's skyline and in the courtrooms. As the body count rises, RJ's family becomes a direct casualty. Now the War on Terror will be waged in the streets of Texas.

The Diary of a Nobody

Omnibus Edition of All Six Books in the Mutation Z Series Ebola, one of the most feared of the hemorrhagic diseases, begins spreading across the borders of countries in West Africa. Soon after, the disease mutates into the "Z" or Zombie Virus. Journalist Hunter Morgan uncovers a disturbing connection between Chen-Zamora Pharmaceuticals and this mutation. Further investigation reveals a web of sinister intrigue connecting the pharmaceutical company to a treatment and research camp in West Africa, U.S. government officials, the CDC and the World Health Organization. Racing against time to find a cure, Hunter and several scientists go underground in order to hide from powerful forces trying to silence them forever.

Stormcall

New Adult Paranormal Romance ** Mature Content ** Recommended for ages 16+ due to sexual situations and language
This book includes realistic scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive

readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? If they don't learn to trust themselves and each other quickly, Darkness will claim them all along with the rest of Earth's souls.

Day 21

Escaping Fate

Ender's Game meets The 100 at an interstellar military boarding school in a romantic new series from New York Times bestselling author Kass Morgan! Reeling from a devastating attack by a mysterious enemy, the Quatra Fleet Academy is opening its doors to a new class of cadets from every planet in the solar system. Hotshot pilot Vesper dreams of becoming a captain, but when she loses her spot to a wisecracking boy from the wrong side of the asteroid belt, she begins to question everything she thought she knew. Trapped on the toxic planet Deva, Cormak will take any chance he can to join the Academy--even if he has to steal someone's identity to get there. Arran was always an outcast on icy Chetire and is looking for a place to belong. He just never thought it would be in the arms of the hottest guy in the galaxy. And Orelia has infiltrated the fleet to complete a mission, one that threatens the security of everyone around her. But if anyone finds out who she really is, it'll be her life on the line. As worlds collide at the Academy, these four cadets will have to learn to work together if they want to survive. But how do you begin to trust the very people you've spent a lifetime learning to hate?

Crush

When twenty-two year old Mark Prior jumped at the opportunity of joining his friends on a backpacking holiday around the Aegean islands, he never imagined that they'd come across a forgotten relic that would change their lives forever. The mysterious island of Samothrace is the group's first stop and the epicenter of secrets, where the blue lightning is harbored,

hidden deep within its ancient mountain. Who are the enigmatic Order of Knights, known as the Clergy, that are sworn to protect the world from this primeval and forgotten power? What is their connection to their adversaries, a vagabond group of misfits calling themselves the Organization? Join the adventures of Mark, Alice, Telemachus and Jose, as they unleash an ancient power, designed to bestow the wielders of the blue lightning with extraordinary abilities. Witness their story as they realize the consequences of their discovery, with half of the world's secret services hot on their heels. Stormcall is the first installment of the E.M.F. Chronicles, a five-part series of suspenseful action adventures with a strong science fiction edge. Follow the life of each character in a tale of friendship, camaraderie, and conflict, from the green slopes of mount Saos to the magical circle of stones in Glastonbury. T.A. Marks' remarkable book will keep you guessing, from start to finish.

From the Farm to the Table Olives

Suicide. That's what being with Kate Browdy is. She's sick. And now my father has knocked her out because her immune system can't deal with this virus. Seven years of fighting leukemia is destroying her. I can't deal with this. I'm not strong like her. Survival instinct kicks in, so I do what I know-I call Ellie. Numb the pain. But there shouldn't even be pain. What is it about this girl? She's not good for me, and I'm not good for her. I'm a freaking disaster, and Kate deserves better. Maybe it's time to cut my losses.

Dragons Plight

Humanity is coming home. Weeks after landing on Earth, the Hundred have managed to create a sense of order amidst their wild, chaotic surroundings. But their delicate balance comes crashing down with the arrival of new dropships from space. These new arrivals are the lucky ones-back on the Colony, the oxygen is almost gone-but after making it safely to Earth, GLASS's luck seems to be running out. CLARKE leads a rescue party to the crash site, ready to treat the wounded, but she can't stop thinking about her parents who may still be alive. Meanwhile, WELLS struggles to maintain his authority despite the presence of the Vice Chancellor and his armed guards, and BELLAMY must decide whether to face or flee the crimes he thought he'd left behind. It's time for the Hundred to come together and fight for the freedom they've found on Earth, or risk losing everything--and everyone--they love.

Annual Report of the Commissioner of Labor

Sammy, a 14-year-old fugitive, accidentally discovers he has the powers of a Psion. Plucked off the streets, he is thrust into the rigorously-disciplined environment of Psion Beta headquarters. As a new Beta, Sammy must hone his newfound abilities using holographic fighting simulations, stealth training missions, and complex war games. His fellow trainees are other kids competing to prove their worth so they can graduate and contribute to the war effort. But the stifling competition at

headquarters isolates Sammy from his peers. Learning to use his incredible abilities powers is difficult enough, but when things go horribly wrong on a routine training mission, he must rely on the other Betas to stay alive. The Silent War is at a tipping point; even one boy can be the difference. But to do so, he must survive.

Homecoming

"Fast-paced and thrilling. ECHOES is a heart-pounding and addictive love story." —Mia Siegert, author of Jerkbait They wake on a deserted island. Fiona and Miles, high school enemies now stranded together. No memory of how they got there. No plan to follow, no hope to hold on to. Each step forward reveals the mystery behind the forces that brought them here. And soon, the most chilling discovery: something else is on the island with them. Something that won't let them leave alive. Echoes is a thrilling adventure about confronting the impossible, discovering love in the most unexpected places, and, above all, finding hope in the face of the unknown.
