Dr. Jekyll and Mr. Hyde

Strange Case of Dr Jekyll and Mr Hyde is a novella written by the Scottish author Robert Louis Stevenson and first published in 1886. It is about a London lawyer who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the misanthropic Edward Hyde. The work is known for its vivid portrayal of a split personality, split in the sense that within the same person there is both an apparently good and an evil personality each being quite distinct from each other; in mainstream culture the very phrase "Jekyll and Hyde" has come to mean a person who is vastly different in moral character from one situation to the next. This is different from multiple personality disorder where the different personalities do not necessarily differ in any moral sense. Strange Case of Dr Jekyll and Mr Hyde was an immediate success and

one of Stevenson's best-selling works. Stage adaptations began in Boston and London within a year of its publication and it has gone on to inspire scores of major film and stage performances.

The Strange Case of Dr. Jekyll and Mr. Hyde

Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as The Strange Case of Jekyll Hyde, Dr Jekyll and Mr Hyde, or simply Jekyll & Hyde. It is about a London legal practitioner named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the vernacular phrase "Jekyll and Hyde" referring to persons with an unpredictably dual nature: outwardly good, but sometimes shockingly evil.

Dr Jekyll and Mr Hyde - With Audio Level 4 Oxford Bookworms Library

Dr. Henry Jekyll is a well-known gentleman living in London. He seems perfectly normal—that is, until he wills his estate to Mr. Edward Hyde, a wicked figure who had assaulted a young girl. Dr. Jekyll's lawyer and friend, Mr. Utterson finds this decision alarming,

Online Library Dr Jekyll And Mr Hyde Study Guide Timeless Timeless Classics

but Dr. Jekyll calms his fears. For a while, all is well, but then a witness sees Mr. Hyde commit a murder, and soon after Dr. Jekyll begins to act strangely. When Dr. Jekyll suddenly refuses to leave his laboratory, Mr. Utterson is left to uncover the truth, discovering that the respected Dr. Jekyll and the crude Mr. Hyde are not so different after all. This unabridged version of Robert Louis Stevenson's Gothic novella, first published in England in 1886, takes on the classic struggle between good and evil.

Strange Case of Dr. Jekyll and Mr. Hyde ; And, the Merry Men and Other Tales and Fables

This story of a double-life in which the protagonist by day worked as a respectable doctor and by night roamed the back alleys of old-town London, was first published as a "shilling shocker" in 1886 and became an instant classic. In the first six months of publication 40,000 copies were sold, and it remains one of the best tales ever written about the divided self. The story opens with Mr Utterson the lawyer learning of an inexplicable attack on a young girl by a certain Mr Hyde, who he knows to be a protege of his old friend Henry Jekyll. Deciding to discover more about the matter, he questions those who might know something and finally manages to speak to Hyde himself. Though it sounds like the beginning of a detective story, the reader is already aware that things are deeper than they might appear: those who meet Hyde feel an irrational hatred and are unable to describe him in any detail. And the language of the

Online Library Dr Jekyll And Mr Hyde Study Guide Timeless Timeless Classics

text itself seems to be hiding something: vague, ambiguous, at times opaque and full of repetitions. Something is going on here, but we're not sure what it is. In the end, after Hyde has committed a murder, a distressed Jekyll locks himself in his study; but when Utterson breaks down the door, he finds not Jekyll but the dead body of Hyde. He also discovers a document which, along with another already acquired from the last two chapters, explains many things - but not all. This new edition contains a substantial introduction, with the story of composition (amid difficulties), first publication and early reception, followed by a survey of the main critical interpretations of this much-discussed work, a brief study of its language, and an overview of the most important derivative works: stage plays, films, comic books, graphic novels, and retellings of various kinds.

The Strange Case of Dr. Jekyll and Mr. Hyde 1886

An abridged version of the tale of a kind and well-respected doctor who can turn himself into a murderous madman by taking a secret drug he has created.

EngLits-Dr. Jekyll and Mr. Hyde (pdf)

THE STORY: A new and shocking version of Robert Louis Stevenson's classic tale of depravity, lust, love and horror. On the fog-bound streets of Victorian-era London, Henry Jekyll's experiments with exotic powders and tinctures have brought forth

Dr. Jekyll and Mr. Hyde

Strange Case of Dr Jekyll and Mr Hyde is the original title of a novella written by the Scottish author Robert Louis Stevenson that was first published in 1886. The work is commonly known today as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often spuriously called "split personality", referred to in psychiatry as dissociative identity disorder, where within the same body there exists more than one distinct personality. In this case, there are two personalities within Dr Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next.

Dr. Jekyll & Mr. Hyde

Dr Jekyll is a well-respected, curious scientist who tries to separate his good characteristics from his evil impulses. Dr Jekyll uses science to explore his alter ego Mr Hyde and attempts to control Mr Hyde's evil urges, even as they grow in intensity.

Dr Jekyll and Mr Hyde

Dr Jekyll and Mr Hyde and Other Stories

This volume includes Stevenson's famous spine-chilling thriller Dr. Jekyll and Mr. Hyde as well as Weir of Hermiston, an unfinished novel, whom many consider to be Stevenson's masterpiece. It was cut short by his sudden death in 1894 from a cerebral hemorrhage. THE STRANGE CASE OF DR JEKYLLI AND MR HYDE: Dr. Jekyll invented a drug that would change him into the ominous Mr. Hyde. His evil nature, however, became the stronger part of him and to his horror, he no longer needed the formula to transform his appearance. -- WEIR OF HERIMSTON: Set in the time of the Napoleonic Wars, it tells the story of Archie Weir, a youth born into an upper-class Edinburgh family. Because of his Romantic sensibilities and sensitivity, Archie is estranged from his father, who is depicted as the coarse and cruel judge of a criminal court. By mutual consent, Archie is banished from his family of origin and sent to live as the local laird on a family property in the vicinity of the Borders hamlet Hermiston. While serving as the laird, Archie meets and falls in love with Kirstie (Christina). As the two are deepening their relationship, the book breaks off. Confusingly, there

are two characters in the novel called Christina, the younger of whom is Archie's sweetheart.
