The Enneagram system has been used for decades to help people understand their strengths and weaknesses, heal neuroses and inner conflicts, enhance creativity, strengthen workplace team-building, and aid in couples therapy. Literally thousands of workshops are held around the globe, from China to Miami. Enneagram counsellors are certified by the world Enneagram Institute, as well as by regional institutes around the world. The Complete Idiot's Guide to the Power of the Enneagram, by certified teacher and counsellor Herb Pearce, gives the reader a complete workshop course in this amazing self-enrichment program and includes proven applications for nearly every important aspect of our lives- relationships, work, and spiritual and psychological development. Written from over 16 years of instructional experience, The Complete Idiot's Guide to the Power of the Enneagram takes the mystery and complexity out of this rich system of analysis and allows anyone to benefit from its useful insights.

What's Your Tribe?

This is the best introductory book you will find on the Enneagram. Wagner's guide is a clear and concise introduction to the Enneagram, useful for personal exploration and as a teaching id for workshop presenters and counselors. This comprehensive book with charts, exercises, and bullet descriptions, yields an experiential understanding of basic Enneagram principles such as authentic values and their personality substitutes, resourceful and non-resourceful cognitive, emotional, and behavioral schemas and how they shift under stressful and flow condtions, developmental influences, and the three centers of sorting and deciding. Learn about the defense mechanisms, principles and paradigms, virtues, passions, and both healthy and maladaptive instincts of each of the nine Enneagram personality types. For centuries -- and now in the light of leading edge psychology -- the Enneagram has helped people to recognize their predispositions, motives, and talents. Its insights provide valuable information for those in communication, business, human resources, therapy, and personal growth. This book helps you to explore the nine different "hues" of the Enneagram, discover your own type, and understand the behaviors and attitudes that are uniquely yours. It is considered the most concise and easy to use introductory guide available.

The Enneagram and Spiritual Culture

What's Your Enneatype? An Essential Guide to the Enneagram describes the nine Enneagram types, how to identify your own type and the types of those close to you, and how to use this knowledge to better yourself, your relationships, and your greater goals.

Becoming Us

A groundbreaking guide centering around the Enneagramthe most popular system for personality typingpresents a vast array of insight for determining personality types, from recognizing each type's WakeUp Call and Red Flag to letting go of selfdefeating habits and reactions. Original.

Enneagram

Understanding your approach to dating, relationships, and sex through the lens of your Enneagram personality type • Explains the relationship and sexual differences in the 9 Enneagram personality types for both genders • Examines how we can create greater intimacy with our partners and what blocks our sexual enjoyment • Looks at each type's fantasies and investigates how our behavior in relationships alters according to how emotionally integrated or disintegrated we are • Explores the three types of love and their countertypes; each type's Enneagram Passions and Virtues in relation to intimacy; how to engage with each type; and whether some types make better lovers Sex can take us from the sacred

sublime to the darkest aspects of humanity. It can carry us on the wings of pure pleasure, or crush and potentially destroy us. No act in the human experience, barring the essential survival needs of food and water, can have more of an effect on us. In *Sex and the Enneagram*, Ann Gadd explores relationships and sex through the lens of the Enneagram, its nine personality types, and the subtypes of the wings and Instinctual Triads. The author introduces the Enneagram system and provides a full chapter devoted to each type. She examines each type's approach to sex, their fantasies, and levels of integration in relation to love and sex, as well as each type's approach to issues such as pornography, sexual problems, and dating sites and whether some types make better lovers. The author explains the Enneagram Passions and Virtues of each type in relation to sex, divorce, wing influences, and gender and explains how the 27 Sub or Instinctual types and the Hornebian Triads of the Enneagram system affect our sexuality. Most importantly, Gadd looks at how we can heal ourselves sexually so we can create more fulfilling, transforming intimacy for ourselves and our partners. Through understanding ourselves and our partners sexually, with the help of the Enneagram, Gadd hopes to bring us to deeper levels of compassion and understanding for each other. Sex then can be an expression enhancing our love for each other, rather than simply a physical act. By understanding your own and your lover's Enneagram type, intimate giving and receiving can be an empowering process to embody our love for ourselves and others.

Want to discover your true self, but lack a roadmap? Curious about the Enneagram, but don't know where to start? The *Enneagram Beginner's Guide* is a concise starter book for utilizing the Enneagram of Personality to find true authenticity and develop a better understanding of others around you. Inside, you will learn how the Enneagram works and uncover the process to determine your personality type. Due to its effectiveness in self-discovery, the popularity of the Enneagram of Personality has grown in recent years. Through interpreting the structure of the Enneagram, this book shows you what it takes to become the healthy, confident and effective person you were meant to be. During my tenure as a couple's therapist, I stumbled upon the Enneagram with the sole intention of helping my clients. However, as issues within my own marriage began to emerge, I decided to delve into the Enneagram for myself. After months of careful study and application, I was able to discover the intricacies of my authentic self and repair the fractured relationships in my own life. As I learned the Enneagram's true power, I decided to write a book to make it easier for beginners to understand and speed up the process of applying its principles. In this book, you will discover *A Comprehensive Overview of How The Enneagram Works* *How The Enneagram Improves Self Awareness and Increases Intelligence* *The 9 Personality Types and Their Distinct Characteristics* *Crucial Strategies to Accurately Determine Your Type* *How To Improve Your Life and Avoid Self-Destructive Patterns* *How To "Awaken" Your Unique Gifts* *The Best Kept Secrets To Improve Your Relationships By Understanding Others Around You* *And So Much More!* With this guide, you will finally be able to peel back the mask you have worn for most of your life to reveal your truest and most authentic self. Enneagram Types Working from Home

"No other personality system offers the gift of revealing the fears and longings that help us cope in this uncertain world, encouraging each other and pointing one another to Jesus, each in our unique way." --from The Enneagram for Beginners Recognized as a valuable tool for identifying recurring patterns of unhealthy behavior and the ways we try to earn God's favor, the Enneagram is used by churches, ministries, and families to grow more like Jesus and be closer to one another. While its wisdom is highly sought after, the Enneagram system can be complicated to navigate for first-time users. In this highly accessible spiritual guide, Certified Enneagram Coach Kim Eddy breaks down the essentials to help beginners discover their type and break free from fear and shame by knowing and experiencing the unconditional love, forgiveness and freedom in Christ. The Enneagram for Beginners features:

- Enneagram 101: that includes everything you need to know about the Enneagram, such as the triads, subtypes, wings, levels of health, ongoing struggles, and more
- Easy and supportive steps to find your true type
- Deep explorations into each of the nine personality types to understand the ways in which you experience the world and how you can find Jesus everyday
- Type-focused scripture that reveals what God says about you
- A special prayer for each type

This book is an essential tool for beginners who want to learn their type and find their own transformative path, all while keeping their faith and relationship with Jesus at the center.

Enneagram

Buckle up, folks. It's time to jump in, embrace your inner self, and release the things that are holding you back from wholeness. Enter the Millenneagram. The Enneagram is an ancient personality typing system that has a sneaky way of revealing who we are and why we do the things we do. Using nine types, it gets to the root of our fears and motivations, unveiling our inner-most selves. Millenneagram reinvigorates the Enneagram by putting a modern spin on the classic nine types. Hannah Paasch, creator of the popular #millenneagram threads on Twitter, reveals how this system acts as a map toward our authentic selves. For Hannah, the Enneagram is not about changing who we are, but rather nurturing and loving our whole selves, even the pain in the ass qualities. "Only from this position of wholeness, rootedness in who we are, what we believe, and what kind of story we are writing, will we be able to act bravely for the sake of justice and humanity – to approach our f*cked-up world with the grounded courage it asks of us." With her trademark irreverent humor and empowering affirmations, Millenneagram reframes the classic Enneagram types with a fresh perspective and new names that cut right to the chase: #1 The Machine "I'm an Enneagram 1 and I Can Fix This!" #2 The Parent "I'm an Enneagram 2 and Can I Get You a Refill?" #3 The Winner "I'm an Enneagram 3 and All I Do Is Win." #4 The Tortured Artist "I'm an Enneagram 4 and I'm Deeper Than You." #5 The Detective "I'm an Enneagram 5 and I Read an Article About That." #6 The Oracle "I'm an Enneagram 6 and I'm Loyal as Fuck." #7 The Party "I'm an Enneagram 7 so This Might Be Vodka In My Mug." #8 The Dragon "I'm an Enneagram 8 so Nice Try, Bitch." #9 The Wallflower "I'm an Enneagram 9 so Let's Just All Chill Out, Dude." A powerful tool for self-discovery (that doesn't take itself too seriously), Millenneagram is an invitation for introspection and growth. Hannah's revamped Enneagram goes beyond simply identifying with a type: it gives us permission to be our truest, enough-as-is, bad-ass selves.

The Enneagram and Spiritual Direction brings together the best insights of present enneagram studies and mature work done in the area of adult psychological development and spiritual direction. James Empereur develops the nine enneagram points in such a way that he provides guidelines for the director and student, offers insight for those (especially Christians) who are pursuing the spiritual path, and presents a way of doing interdisciplinary studies in personality development, psychology of adults, and the discipline of spiritual practice.

Enneagram of Personality

How Christian couples can understand their personality types—and build a more powerful bond of love. He doesn't listen to me . . . I don't understand her . . . Why do we keep having the same fight? If you've ever felt baffled by the person you married, join Enneagram Coach Beth McCord and her husband, Pastor Jeff McCord, as they pull back the curtain to reveal why you and your spouse behave in different ways. Applying the Enneagram through the lens of the gospel, they provide practical steps, insights, and tools to better understand yourself and each other. This book will help you: Answer the question, "Why do they do that?" Stop committing "assumicide" about each other's motives and dramatically improve your communication. Relate to your spouse in ways they actually understand. Awaken a tired marriage that feels like it's on cruise control. Defuse conflict before it starts, especially the same old "dance." Enjoy your spouse again, even if you've loved each other for years! Whether you're preparing for marriage or celebrating a fiftieth anniversary, *Becoming Us* will revolutionize the way you understand yourself and your spouse, and transform your marriage into the powerful, loving, and satisfying relationship that God intended. "An insightful resource for those who want to understand themselves, their spouse, and their marriage through the lens of faith and the tool of the Enneagram." —Ian Morgan Cron, Enneagram expert and author of *The Road Back to You*

The Wisdom of the Enneagram

Break free and deepen your transformation to live your true self
ABOUT THE ORIGINAL BOOK: Many have discovered the Enneagram to be a powerful tool for self-understanding, yet knowing ourselves doesn't necessarily mean we accept ourselves. Most of us tend to curate the personality of our type: leading with the traits we perceive as positive, and sidelining the traits that cause us shame. Rather than get stuck on stereotypes or curated personality, Heuertz proposes we develop an honest relationship with our type, confronting our "inner dragons," practicing self-compassion, and thereby coming to fully belong to ourselves--and, ultimately, to love itself. In this in-depth examination of the Enneagram of Personality, you will discover: A fresh, compassionate way of understanding your childhood wound, which Heuertz reframes as your Kidlife Crisis Your unique subtype and how this colors your dominant type, plus how to work with your Enneagram instinct Practical insight to help you find freedom from your type's Passions and Fixations Your personalized path back to belonging, as you come home to your true self . . . and much more.
ABOUT THIS BOOK: Without a conscious effort and dedication, achieving the goals from the original book is impossible. This book provides a good self-assessment guide with penetrating insights for you and is designed to help provoke your thought and opens up deeper insight into the original text.
