Eon

The New York Times–bestselling author of Eon continues the interstellar saga of the Way. A devastating war has left Earth a nuclear wasteland. Orbiting the planet is the asteroid-starship containing the civilization of Thistledown, humanity’s future descendants. For decades, they have worked to heal their world and its survivors, but their resources are finite. They need to reopen the Way. An interdimensional gateway to a multiverse of realities, the Way was severed from Thistledown to stop an alien invasion and now exists as its own universe. Reopening the gate would not only benefit Earth but would also help the asteroid’s residents return home. But on the alternate world of Gaia, Rhita Vaskayza, daughter of mathematician Patricia Vasquez, has taken up her mother’s cause to find her own Earth, one that was never touched by nuclear war. There is a gateway on Gaia that could lead Rhita there—or unleash an even greater apocalypse across the multiverse . . . “Whether he’s tinkering with human genetic material or prying apart planets, Bear goes about the task with intelligence and a powerful imagination. Eternity offers many delights” (Locus).

She is obsessed with the Antarctic and the brave, romantic figure of Captain Oates from Scott's doomed expedition to the South Pole. In fact, Oates is the secret confidant to whom she spills all her hopes and fears. But Sym's uncle Victor is even more obsessed—and when he takes her on a dream trip into the bleak Antarctic wilderness, it turns into a nightmarish struggle for survival that will challenge everything she knows and loves. In her first contemporary young adult novel, Carnegie Medalist and three-time Whitbread Award winner Geraldine McCaughrean delivers a spellbinding journey into the frozen heart of darkness.

Dragon's Keep

“Every pastor should read this. . . . Every believer who has ever despaired of church, been tempted to quit, or struggled with guilt over leaving should, too” (Rod Dreher). Americans still believe in God, but they are leaving the church in record numbers. Why are the faithful fleeing? Julia Duin, a veteran journalist and a Christian, has collected the research and added insights from interviews with disillusioned followers, as well as from her own story. In this engrossing account of churches in decline, Duin visits numerous churches and explores a number of factors underlying the social shift away from church: irrelevant teaching, the neglect of singles, the marginalization of women, and a lack of authentic spiritual power. She also journeys into house churches and emergent congregations. Duin’s careful analysis is sure to help church leaders and churchgoers examine how they might better serve their communities and create inviting spiritual homes for people of all kinds. “Engaging . . . as religion editor for the Washington Times, [Duin] is in her element marshaling statistics, interviewing authors and clergy, and commenting on the trend of faithful evangelicals who increasingly vote with their

feet by leaving their churches.” —Publishers Weekly

Bottled Up

A teen lawyer stars in a novel that “portrays a girl possessing power in the actual world, trusting her own mind and conscience and sense of justice” (Los Angeles Times). When she was not yet a teenager, Kate Hope started “reading law” in the office of “Judge” Hope, her half-blind grandfather, a grumpy eighty-nine-year-old lawyer with problems. One big problem is that he believes in justice for all, not just those who can afford it. He also needs a partner. Together they find a loophole in Colorado law, and Kate becomes a lawyer—technically. She has a law license hanging on the wall in her office, but she has no idea how to practice law. In a courtroom. With a judge and jury and defendants. It doesn't help that things don't start out so well for Kate's legal career. The firm of Hope and Hope has an unusual first case, and if they lose it, a dog named Herman—the only friend an old woman has—will be destroyed. But Kate's grandfather falls ill, leaving her to try the case on her own. Will Kate be able to save Herman from doggy death row? Will Grandfather Hope recover in time to make it to the courtroom? Will life ever be normal again for Kate Hope? Will justice be served? “The social issues of the day flavor the narrative, which is also laden with legal detail and discussions of justice that will appeal to aficionados of courtroom dramas . . . a unique premise.” —School Library Journal “Entertaining . . . Educational.” —Kliatt
