New Outlook

The legendary travel writer drives the entire length of the US–Mexico border, then goes deep into the hinterland, on the back roads of Chiapas and Oaxaca, to uncover the rich, layered world behind today’s brutal headlines. Paul Theroux has spent his life crisscrossing the globe in search of the histories and peoples that give life to the places they call home. Now, as immigration debates boil around the world, Theroux has set out to explore a country key to understanding our current discourse: Mexico. Just south of the Arizona border, in the desert region of Sonora, he finds a place brimming with vitality, yet visibly marked by both the US Border Patrol to the north and mounting discord from within. With the same humanizing sensibility he employed in Deep South, Theroux stops to talk with residents, visits Zapotec mill workers in the highlands, and attends a Zapatista party meeting, communing with people of all stripes who remain south of the border even as family members brave the journey north. From the writer praised for his “curiosity and affection for humanity in all its forms” (New York Times Book Review), *On the Plain of Snakes* is an exploration of a region in conflict.

Twentieth-century Spanish Fiction Writers

Distinguished contributors draw on the latest research into the elites who have striven to dominate, exploit, or change the structures of power in modern Spain.

Siracusa

Cuba, Destiny as Choice

Explores the general concept of "Spanishness" as all things related to Spain, specifically as the multiple meanings of "Spanishness" and the different ways of being Spanish are depicted in 20th-21st century literary and cinematic fiction of Spain. This book also represents a call for a re-evaluation of what being Spanish means.

The Outlook

This collection explores a variety of major figures in Spanish culture including Antonio Machado, Rafael Alberti, Federico Garcia Lorca, Miguel de Unamuno and Antonio Buero Vallejo.

Elites and Power in Twentieth-century Spain

"An electrifying novel about marriage and deceit from bestselling author Delia Ephron that follows two couples on vacation in Siracusa, a town on the coast of Sicily, where the secrets they have hidden from each other are exposed and relationships are unraveled. New Yorkers Michael, a famous writer, and Lizzie, a journalist, travel to Italy with their friends from Maine--Finn, his wife Taylor, and their daughter Snow."From the beginning," says Taylor, "it was a conspiracy for Lizzie and Finn to be together." Told Rashomon-style in alternating points of view, the characters expose and stumble upon lies and infidelities past and present. Snow, ten years old and precociously drawn into a far more adult drama, becomes the catalyst for catastrophe as the novel explores collusion and betrayal in marriage. With her inimitable psychological astuteness, and uncanny understanding of the human heart, Ephron delivers a powerful meditation on marriage, friendship, and the meaning of travel. Set on the sun-drenched coast of the Ionian Sea, Siracusa unfolds with the pacing of a psychological thriller and

delivers an unexpected final act that none can see coming"--

Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.

Rereading the Spanish American Essay

A collection of articles and the influential inaugural lecture by the late Professor of

Spanish at Exeter, edited as a tribute by colleagues in America, Europe and his own Department in Exeter. The subjects range from sentimental romance, narrative religious verse and cancionero love lyric to the problem of the bestseller in Golden Age literature. Some of the articles are difficult to obtain or were badly translated when previously published. Professor Deyermond provides a detailed review of Keith Whinnom's contribution to Spanish literary scholarship and a revised bibliography.

Disability Studies and Spanish Culture is the first book to apply the tenets of disability studies—in particular the study of mental disabilities—to Spanish cultural contexts, offering an assessment of disability as it is engaged by Spanish films, novels, comics, and other artworks. Innovatively bringing disability theory into dialogue with film and literary analysis, Benjamin Fraser shows how formal aspects of art and media in Spain highlight, frame, inform, and are informed by contemporary disability legislation there, as well as by disability advocacy, cultural perception, and social integration. By using the specific context of Spanish culture, he outlines broader shifts in social attitudes and theoretical understandings of disability.

Selected Essays

Clark Blaise's Selected Essays brings together another aspect of his tremendous and courageous oeuvre: belle lettres, essays and occasional pieces which range over autobiography, his French-Canadian heritage, the craft of fiction, American fiction, Australian fiction, and the work of such individual writers and Jack Kerouac, V.S. Naipaul, Salmon Rushdie, Alice Munro, Leon Rooke, and Bernard Malamud, his friend and mentor.
