The Nurse Educators Guide to Assessing Learning Outcomes

Assure your mastery of medical-surgical nursing knowledge while honing your critical thinking and test-taking skills. The 3rd Edition of this popular resource features over 2,300 questions (including 550 alternate-format questions) that reflect the latest advances in medical-surgical nursing and the latest NCLEX-RN® test plan. They organize the seemingly huge volume of information you must master into manageable sections divided by body systems and specific diseases

Lippincott's Review for NCLEX-RN

Text Full-color illustrations compare normal anatomy and physiology to pathophysiology. X-rays, CT scans, MRIs, ultrasound pictures, nuclear studies, ECGs, pathology samples, anatomical diagrams, tables, figures, and algorithms illustrate key concepts. Unique "Making the Connections" boxes link symptom, assessment finding, pathophysiologic mechanism, diagnostic test result, treatment, and nursing interventions. "Clinical Concept" boxes throughout explain how key concepts apply to clinical practice. Concise summaries at the end of each chapter cover the most important concepts of disease processes. Flowcharts make it easy to follow pathophysiologic processes. A special emphasis on the clinical applicability of pathophysiology develops the critical-thinking skills essential to

selecting appropriate interventions. Content on pathophysiologic mechanisms on a molecular level and genetic concepts in relevant disorders help students to understand common disease processes, diagnostic tests, and treatments based on altering cell mechanisms. ONLINE Davis Advantage--Personalized Learning and Quizzing Personalized Learning Creates personalized learning plans tailored to each student's individual needs to help them build a strong foundation and connect pathophysiologic processes to the conditions they'll encounter in clinical settings. Reinforces learning and engages students through videos and interactive activities to drive mastery. Tracks students' progress every step of the way; students know exactly how they're doing and where they need to focus their studies. Davis Edge Personalized Quizzing Features over 1,800 NCLEX®-style questions that align with the Pathophysiology, 2nd Edition and Personalized Learning. Includes self-grading that provides immediate feedback as each quiz is completed. Promotes in-depth understanding and comprehension with comprehensive rationales for both correct and incorrect responses. Builds students' confidence for the difficult alternate-format questions, including "select all that apply" and "ordered response". Prepares students for course exams, ATI, HESI, and NCLEX® exams with test-taking strategies and tips.

HESI Comprehensive Review for the NCLEX-RN® Examination E-Book

Test Success

Pamphlet is a succinct statement of the ethical obligations and duties of individuals who enter the nursing profession, the profession's nonnegotiable ethical standard, and an expression of nursing's own understanding of its commitment to society. Provides a framework for nurses to use in ethical analysis and decision-making.

Nursing Fundamentals

Incorporating the latest test plan, HESI/Saunders Online Review for the NCLEX-RN? Examination, 3rd Edition provides a unique comprehensive review experience with the convenience and interactivity of an online format. Perfect for students looking for a self-paced study tool, it features key nursing content organized by NCLEX Client Needs to prepare you for the NCLEX examination. A diagnostic pre-test taken at the beginning of the course provides you with a study calendar to guide you through the content modules. Each module is followed by a quiz to determine your mastery of the content. A comprehensive exam at the end of the course gives you a breakdown of your strengths and weaknesses. Plus, videos simulate a live review experience and help to clarify difficult concepts.

Eye of the Albatross

McGraw-Hill's 3 Evolve Reach (HESI) A2 Practice Tests

Second edition titled: Evolve Reach comprehensive review for the NCLEX-RN examination.

NCLEX-RN Review

Ace the NCLEX-PN-with the help of nursing review pioneer Marlene Hurst! Use Marlene's unique "no cram, pass with what you already know" system and slash your study time in half Based on Marlene Hurst's phenomenally popular nursing seminars that train over 30,000 students annually, this innovative review is loaded with the author's time-tested strategies-all designed to help you pass the NCLEX certification and course exams the first time around! NCLEX-PN Review breaks the mold of other review books by explaining how to apply critical thinking and test-taking skills, rather than how to re-learn course content. Marlene shows you how to effectively work with the "think-on-your-feet" philosophy of the NCLEX-PN, not against it. Features: A complete NCLEX-PN toolkit-from the world's most sought-after speaker on passing the NCLEX Over 1,000 skill-building NCLEX-style questions, complete with answers and rationales Full of concise, easy-to-remember strategies that cut study time in half! An eye-catching four-color format "Marlene Moments"-Marlene's humorous anecdotes of common student mistakes that offer a light-hearted look at how new nurses learn to succeed "What the NCLEX Lady Thinks"-valuable tips that reveal the motivation behind certain types of NCLEX questions and how to adjust your strategy accordingly Chapter-ending NCLEX practice questions that solidify important information and show you how it will be

tested on the NCLEX examination Companion download with 300 additional NCLEX-style questions, plus audio tips from Marlene Hurst's award-winning NCLEX reviews

Health as Expanding Consciousness

Get ready to pass both the HESI exit exam and the NCLEX-RN® exam! HESI Comprehensive Review for the NCLEX-RN® Examination, 6th Edition provides a complete, all-in-one review of the information you need to know. Written in an easy-to-read outline format, this study guide reviews content by concepts and clinical areas. Along the way, valuable tips from HESI help you apply principles of clinical decision-making and critical thinking. With more than 900 practice questions in both study and exam formats, the Evolve companion website lets you practice test-taking in the same electronic format you will experience on your nursing school exit exam and on the NCLEX-RN exam. Over 900 NCLEX practice questions on the Evolve website include alternate item formats, simulating the experience of taking the nursing school exit exam and the NCLEX-RN exam. HESI Hint boxes highlight important clinical information and concepts commonly tested on the NCLEX-RN exam. Critical thinking study questions include answers and rationales, reinforcing your understanding of key concepts and content. Fill-in-the-blank and prioritizing questions mirror the alternate item format item types included on the NCLEX-RN exam. Chapters organized by clinical area make it easier to search for review topics. Consistent chapter format makes it easy to find the topics within each chapter. Pharmacology tables summarize the need-to-know drug therapy content emphasized on the NCLEX-RN exam. NEW! UPDATED content includes clinical updates and reflects the latest NCLEX-RN test plan. NEW! Additional 300 NCLEX practice questions on the Evolve companion website help you prepare more effectively for the HESI exit exam and for the NCLEX-RN exam. NEW! Clinical Judgment Scenario includes practice Next Generation NCLEX question types.

Hurst Reviews NCLEX-PN Review

Hesi A2 Study Guide 2019 & 2020

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

Mosby's Comprehensive Review of Radiography

Rev. ed. of: Evolve Reach comprehensive review for the NCLEX-RN examination / HESI; editors Donna Boyd [et al.]. 2nd ed. c2008.

Saunders Comprehensive Review for NCLEX-RN

Essential for NCLEX, course and competency review, this resource is a complete, concentrated outline of nursing fundamentals. Each chapter contains objectives, pre- and post chapter tests with comprehensive rationales, vocabulary review,

practice to pass exercises, critical thinking case studies, as well as NCLEX alerts and new test-taking strategies. Content includes all of the "need-to-know" facts covering the nursing process, physical assessment, communication, professional standards, health promotion through the lifespan, and more.

Code of Ethics for Nurses with Interpretive Statements

This volume deals with universal processes of therapeutic communication, a term which covers whatever exchange goes on between people who have a therapeutic intent, with an emphasis upon the empirical observation of the communicative process. -- Preface.

Medical-Surgical Nursing

Furthermore, a pre-assessment test creates a personalized study calendar that is tailored to your individual review needs and guides you through 10 interactive modules of nursing content, review, and 2,500 NCLEX® exam-style practice questions. With a cost that's a fraction of similar NCLEX® exam prep resources, HESI/Saunders offer the best, most effective review bang for your buck! Completely up-to-date content reflects the newest NCLEX-RN® test plan A Test-Taking Strategies Overview provides reliable and innovative insights into the NCLEX exam and its various question types Ten self-paced review modules are organized by Client Needs, the blueprint of the NCLEX test plan, featuring: 50 Lessons that provide a complete review of nursing content Quizzes and Self-Check Questions that strengthen your understanding Case Studies that help you apply your knowledge to real-world scenarios Animations, illustrations, audio, and video that enhance key content by demonstrating skills and procedures Strategic HESI Videos simulate an actual HESI Live Review course, with an experienced nursing instructor explaining challenging topics and walking you through difficult questions 2,500 high-quality practice questions, including: A 75-question Pre-Test that assesses your individual strengths and weaknesses and generates a personalized study calendar A 75-question Post-Test that measures your growth from the start of the course Ten 100-question Module Exams that evaluate your mastery of core nursing content Five 100-question Crossing the Finish Line: Practice Exams that reinforce your readiness for the big test A 265-question Comprehensive Exam that makes sure you're completely prepared for the NCLEX exam Additional questions and quizzes in the modules Rationales and Test-Taking Strategies are provided with every question Alternate Item Formats are fully supported, including: Multiple Response Prioritization/Ordered Response Fill-in-the-Blank Figure/Hot Spot Graphic Option Chart Audio Video Exam Reports demonstrate your performance on measures of Content Area, Client Needs category, Integrated Process, Level of Cognitive Ability, and overall score. Learning system functionality available for classroom use, including an announcements page, discussion board, online grade

book, and more.

Hesi Comprehensive Review for the Nclex-pn Examination

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

Illustrated Study Guide for the NCLEX-RN® Exam E-Book

An easy-to-read text focusing on all areas of nursing to aid in successful preparation for the NCLEX-RN. A unique feature of this book is the test-taking strategies included in each chapter. Additionally, students will find content review, practice tests at the end of each chapter with answers and rationales for right and wrong answers and a free CD-ROM that includes the 2,700 practice questions from the text plus 600 additional practice questions.

Lippincott's NCLEX-RN PassPoint Powered by PrepU Access Code

This book and companion CD offer 500 questions to help readers practice the skills they are learning and gain realistic test-taking experience for the NCLEX examination. Key topics are covered including tips to help readers tackle any nursing test.

Fundamentals Success

Learn how to expand your interpretation and application of statistical methods used in nursing and health sciences research articles with *Statistics for Nursing Research: A Workbook for Evidence-Based Practice*, 3rd Edition. Perfect for those seeking to more effectively build an evidence-based practice, this collection of practical exercises guides you in how to critically appraise sampling and measurement techniques, evaluate results, and conduct a power analysis for a study. Written by nursing research and statistics experts Drs. Susan K. Grove and Daisha Cipher, this is the only statistics workbook for nurses to include research examples from both nursing and the broader health sciences literature. This new third edition features new research article excerpts and examples, an enhanced focused on statistical methods commonly used in DNP projects, new examples from quality improvement projects, new content on paired samples analysis, expanded coverage of calculating descriptive statistics, an online Research Article Library, and more! Whether used in undergraduate, master's, or doctoral education or in clinical practice, this workbook is an indispensable resource for any nursing student or practicing nurse needing to interpret or apply statistical data. Comprehensive coverage and extensive exercise practice address all common techniques of sampling, measurement, and statistical analysis that you are likely to see in nursing and health sciences literature. Literature-based approach uses key excerpts from published studies to reinforce learning through practical application. 36 sampling, measurement, and statistical analysis exercises provide a practical review of both basic and advanced statistical techniques. Study Questions in each chapter help you apply concepts to an actual literature appraisal. Questions to Be Graded sections in each chapter help assess your mastery of key statistical techniques. Consistent format for all chapters enhances learning and enables quick review. NEW! Updated research articles and examples are incorporated throughout to ensure currency and relevance to practice. NEW! Enhanced focus on statistical methods commonly used in DNP projects and expanded coverage on calculating descriptive statistics broadens your exposure to the statistical methods you will encounter in evidence-based practice projects and in the literature. NEW! Examples from quality improvement projects provide a solid foundation for meaningful, high-quality evidence-based practice projects. NEW! Research Article Library on Evolve provides full-text access to key articles used in the book. NEW! Content on paired samples analysis familiarizes you with this type of research analysis. NEW! Many figures added to several exercises to help you understand statistical concepts.

Family Nurse Practitioner Certification Intensive Review

For the author of this book, disease is not an "enemy" that strikes a "victim." Rather, health and disease comprise a unitary whole of individual and environment. Health as Expanding Consciousness is an inspiration to those seeking a full experience of personal health.

Gerontologic Nursing - E-Book

Healthcare is evolving at an incredible pace and with it, the roles and responsibilities of the medical-surgical nurse. Ensure you are fully equipped to thrive and adapt in this ever-changing nursing environment with Ignatavicius, Workman, and Rebar's Medical-Surgical Nursing: Concepts for Interprofessional Collaborative Care, 9th Edition. This text not only covers all essential adult health knowledge, but also reinforces the application, conceptual thinking, and clinical judgment skills that today's nurses need to stay one step ahead in delivering exceptional patient care, no matter the environment. As with previous editions, you'll find a unique collaborative care approach to adult health nursing, a thorough integration of QSEN competencies, extensive NCLEX® Exam preparation, and a direct, reader-friendly tone throughout the text. This ninth edition incorporates two emerging and complementary trends -- the Core Competencies for Interprofessional Collaborative Practice and a more conceptual approach teaching and learning -- areas that will ground you in how to think like a nurse and how to apply the knowledge you gain from the text to clinical practice.

Therapeutic Communication

Offers an outline of all the major subject areas covered on the American Registry of Radiologic Technology exam in radiography. This book contains revision questions and answers and an employment preparation section.

HESI Comprehensive Review for the NCLEX-RN Examination

The Nurse Educator's Guide to Assessing Learning Outcomes, Fourth Edition is a widely-used resource for both faculty and nursing education students that covers the assessment of critical thinking, the development of learning objectives, and the creation of tests, including detailed tips for writing many kinds of individual test items. The book also covers the analysis of test reliability. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

Davis Advantage for Pathophysiology

Gerontologic Nursing, 5th Edition offers comprehensive disorder and wellness coverage to equip you with the essential information you need to provide the best

nursing care to older adults. A body-system organization makes information easy to find, and includes discussions on health promotion, psychologic and sociocultural issues, and the common medical-surgical problems associated with aging adults. Written by expert educator and clinician Sue Meiner, EdD, APRN, BC, GNP, this book also emphasizes topics such as nutrition, chronic illness, emergency treatment, patient teaching, home care, and end-of-life care. Case Studies specialty boxes provide realistic situations to expand your knowledge and understanding. UNIQUE! Nursing care plans supply guidance on selecting appropriate nursing activities and interventions for specific conditions. Evidence-Based Practice specialty boxes pull the critical evidence-based information contained in the text into boxes for easy access and identification. UNIQUE! Client/Family Teaching specialty boxes emphasize key aspects of practice and teaching for self-care. UNIQUE! Home Care specialty boxes highlight tips to promote practical, effective home care for the older adult. UNIQUE! Emergency Treatment specialty boxes highlight critical treatment needed in emergency situations. UNIQUE! Nutritional Considerations specialty boxes demonstrate special nutritional needs and concerns facing the aging population. NEW! Completely revised Pharmacologic Management chapter covering substance abuse. NEW! Completely revised Cognitive and Neurologic Function chapter covering mental health. NEW! Up-to-date content equips you with the most current information as the basis of the best possible care for problems affecting the older adult population. Streamlined focus presents the essential "need to know" information for the most common conditions in older adults in a format that you can easily and quickly grasp. UNIQUE! Disorder index on the inside cover supplies a handy reference to guide students to the information they need quickly and easily. Complex aspects of aging offers detailed and comprehensive coverage of pain, infection, cancer, chronic illness, loss, death, and dying, and substance abuse. Thorough assessment coverage recaps normal, deviations from normal, and abnormal findings of vitals for the older adult for students and practitioners.

Essentials of Psychiatric Mental Health Nursing - Revised Reprint - E-Book

Build confidence and improve test scores. Success in nursing school starts here. A complete review of core concepts, plus 900 questions based on the latest NCLEX© test plan build confidence and improve test scores from the beginning of nursing school. Master tricky alternate-format questions, even SATA (select all that apply), and develop efficient studying skills with test-taking tips and rationales for correct and incorrect responses.

Varcaris' Foundations of Psychiatric Mental Health Nursing

Passing the HESI Admission Assessment Exam is the first step on the journey to becoming a successful healthcare professional. Be prepared to pass the exam with the most up-to-date HESI Admission Assessment Exam Review, 5th Edition! From the testing experts at HESI, this user-friendly guide walks you through the topics and question types found on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions as well

as step-by-step explanations, illustrations, and comprehensive practice exams to help you review various subject areas and improve test-taking skills. Plus, the pre-test and post-test help identify your specific weak areas so study time can be focused where it's needed most. HESI Hints boxes offer valuable test-taking tips, as well as rationales, suggestions, examples, and reminders for specific topics. Step-by-step explanations and sample problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions.

Saunders Strategies for Test Success

Rev. ed. of: Foundations of psychiatric mental health nursing / [edited by] Elizabeth M. Varcarolis, Margaret Jordan Halter. 6th ed. c2010.

2016-2017 HESI Live Review Workbook for the NCLEX-RN Exam

An all-inclusive guide to fundamentals and medical-surgical nursing for the LPN/LVN, Foundations and Adult Health Nursing, 7th Edition covers the skills you need for clinical practice, from anatomy and physiology to nursing interventions and maternity, neonatal, pediatric, geriatric, mental health, and community health care. Guidelines for patient care are presented within the framework of the five-step nursing process; Nursing Care Plans are described within a case-study format to help you develop skills in clinical decision-making. Written by Kim Cooper and Kelly Gosnell, this text includes all of the content from their Foundations of Nursing and Adult Health Nursing books, including review questions to help you prepare for the NCLEX-PN® examination! Full-color, step-by-step instructions for over 100

skills show nursing techniques and procedures along with rationales for each. The 5-step Nursing Process connects specific disorders to patient care - with a summary at the end of each chapter. Nursing Care Plans emphasize patient goals and outcomes within a case-study format, and promotes clinical decision-making with critical thinking questions at the end of each care plan. Clear coverage of essential A&P is provided by an Introduction to Anatomy and Physiology chapter along with an overview of A&P in all body systems chapters. Student-friendly features enhance the learning of nursing skills with summary boxes for Patient Teaching, Health Promotion Considerations, Complementary and Alternative Therapy, Cultural Considerations, Older Adult Considerations, Home Care Considerations, Safety Alert, and Prioritization, Assignment, and Supervision. UNIQUE! Mathematics review in Dosage Calculation and Medication Administration chapter covers basic arithmetic skills prior to the discussion of medication administration. A focus on preparing for the NCLEX examination includes review questions and Get Ready for the NCLEX Examination! sections with key points organized by NCLEX Client Needs Categories. Evidence-Based Practice boxes provide synopses of nursing research articles and other scientific articles applicable to nursing, along with nursing implications for the LPN/LVN. Nursing Diagnosis boxes summarize nursing diagnoses for specific disorders along with the appropriate nursing interventions. UNIQUE! Delegation Considerations boxes provide parameters for delegation to nurse assistants, patient care technicians, and unlicensed assistive personnel. Medication Therapy tables provide quick access to actions, dosages, precautions, and nursing considerations for commonly used drugs. NEW! Reorganized chapters make it easier to follow and understand the material. NEW! Icons in page margins indicate videos, audios, and animations on the Evolve companion website that may be accessed for enhanced learning. UPDATED illustrations include photographs of common nursing skills.

Hesi/Saunders Online Review for the NCLEX-RN Examination 2 Year Access Code

Colorful illustrations and mnemonic cartoons make this a fun and engaging review resource for the NCLEX-RN exam. This guide also features a concise outline format and 2,020 review questions along with answers and rationales for every practice question.

Med-Surg Success

Master the fundamentals of nursing while developing your critical-thinking and test-taking skills. More than 1,200 classroom-tested, NCLEX-style questions—including more than 440 alternate-item-format questions—reflect the latest advances in medical technology as well as the most recent guidelines and standards of care for nursing practice.

Illustrated Study Guide for the NCLEX-PN Examination

Prepare for success on your HESI exit exam and the NCLEX-PN! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN Examination, 5th Edition breaks down chapters by

clinical areas and topics emphasized on the exam. Rationales are provided for incorrect answers to help you address any areas of weakness. The companion Evolve website offers 550 practice questions, giving you valuable practice in the same electronic testing format you will experience on your nursing school exit exam and on the NCLEX-PN exam. HESI Hint boxes highlight important clinical information and concepts commonly tested on the NCLEX-PN exam. Evolve companion website with 550 NCLEX practice questions, including alternate item formats, gives you a testing experience similar to the exit and NCLEX exams. Critical thinking study questions reinforce key concepts and critical content, and include answer guidelines. Chapters organized by clinical area for easy reference. Pharmacology tables summarize the need-to-know drug therapy content emphasized on the NCLEX-PN exam. Consistent chapter organization and format facilitate learning. NEW! Updated content reflects the latest NCLEX-PN test plan. UPDATED! Psychiatric Nursing chapter includes the latest DSM-5 material. UPDATED! Revised HESI Hint boxes align with content updates throughout the text. NEW! Updated review questions correspond with new content.

Hesi/Saunders Online Review for the NCLEX-RN Examination (1 Year)

This guide offers 5 full-length A2 practice tests just like the real exam, with answers and complete explanations for every question. The tests simulate the real exam in content, question format, and level of difficulty. Students get intensive practice with A2-style questions in English language, mathematics, and science. Features · 5 full-length sample tests that match the actual A2 exam in content, format, and level of difficulty · The only full-length A2 sample tests available outside of the official Admission Assessment Exam Review from the test-makers · The only reasonably-priced alternative to the \$39.95 official guide. · Thousands of test-takers every year

Foundations and Adult Health Nursing

Interwoven with recollections of whalers and famous explorers, "Eye of the Albatross" probes the unmistakable environmental impact of the encounters between man and marine life. Safina's portrait results in an eye-opening look at the health of our oceans. 15 illustrations, 13 maps.
