A witty and elegiac new collection from the author of "exhilarating, fierce [and] powerful" verse (Robert Pinsky, Washington Post). The speakers of Oracle occupy the outer-borough cityscape of New York's Staten Island, where they move through worlds glittering with refuse and peopled by ghosts—of a dead lover, of a friend lost to suicide, of a dog with glistening eyes. Marvin's haunting, passionate poems explore themes of loss, of the vulnerability of womanhood in a world hostile to it,

and of the fraught, strangely compelling landscape of adolescence.

Oracle Blockchain Quick Start Guide

Travel back in time to the days when dragons abounded. From the era just before Noah's ark, through the battles between dragons and mankind in the time of King Arthur and to the haunting presence of dragons in our day, this stunning prequel reveals the mysteries that led to the best-selling fantasy adventure that began with Raising Dragons. Eye of the Oracle will captivate young and old alike and will challenge every reader to search deep within for answers to the mysteries in their own hearts.

Oracle: Poems

Billy and Bonnie explore a multidimensional domain of evil. Using their dragon traits and the wisdom they gained through their earlier adventures, they navigate seven perilous worlds, each one manifested in a circular plane of existence that leads them deeper into the domain of a powerful enemy. The seventh circle holds a group of prisoners. Does Billy forsake Bonnie to rescue the prisoners?

Oracle's Haunt

Billy attempts to overcome the Dragon Slayer so he can help souls who have become trapped in a mysterious gem.

Starlighter

Billy's life takes a fantastic turn when he starts breathing fire and finds out that his father Jared neglected to tell him that he is half-dragon.

reputed to have wished for fifty more years of life to study it. The Book of Changes, as it is known in the Western world, dates back to before 1,000 B.C. and ranks among the most important works in the history of Chinese culture. The ancient text has provided inspiration to countless spiritual seekers of many persuasions. One of the few divination manuals to survive into modern times, I Ching is of enormous significance to the history of religions and philosophy. Its profound influence extends to the worlds of business, psychoanalysis, literature, and art. This volume is the standard English translation by the great Sinologist James Legge, prepared for the series Sacred Books of the East. It contains the basic text attributed to King Wan and his son, the Duke of Chou, Appendixes usually ascribed to Confucius, an informative Preface by Legge, and extensive footnotes.

New York Times and USA Today Best Seller! Discover the amazing secret of the ages and the mystery of your life! The Oracle will reveal the mystery behind everything—the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly

linked to this mystery-even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered-and now be altering-the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of The Stranger, The Lost City, The Man With the Measuring Line, The Land of Seven Wells, The Birds, The Number of the End, The Man in the Black Robe, The Prophet's Song, The Matrix of Years, The Day of the Lions, The Awakening of the Dragon, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a

stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors-the ancient secrets that lie behind the world-changing events of modern times-and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, The Oracle will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away. Things Fall Apart

Ian Wigby is about to find out that he is a very special boy. Along the southern coast of England, atop the White Cliffs of Dover, stands a castle. And at that castle's old keep is an orphanage. Delphi Keep has seen many youngsters come and go through its gates, and Ian Wigby and his sister, Theodosia, are happy to call it home. Life has always been simple at the Keep, and the orphanage safe, until one day, Ian and Theo find a silver treasure box. And within the box, a prophecy. Three thousand years ago a great Greek oracle wrote of a quest. A quest on which the fate of the world depends. A quest that names two children—Ian and Theodosia. Suddenly Delphi Keep is no longer safe. And Ian and Theo, along with a very special group of friends, realize they must unravel the meaning behind the scroll of Dover cavern before darkness falls on the world. And before an unfathomable evil catches up with them. From the Hardcover edition.

Dragon—Book One of the Dragon Eye series Ilsa has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return to the place she once called home—if only she knew where to find home. Truth is, Ilsa doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home. But it may never be safe, and their enemies are closing in. Ilsa and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Ilsa is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live? Mariuccia Umbellino is a young woman living in the remote mountain village of Montemonaco, Italy, in the early years of the 19th century. Nearby, the secret recesses of the Grotto of the Fates—home to an ancient oracle of Apollo—are about to be invaded and destroyed, on orders from the Pope. But the men sent to do the dirty work don't know who (or what) they're dealing with. This oracle and this girl won't be messed with. In the dark of night, Mariuccia and her mother set out to rescue their revered oracle. In the adventure that ensues, things are blown up, love spells are miscast then recast, a downtrodden housekeeper gets her revenge, and the mysterious fate of a jettatore—a person born with the Evil Eye—is finally revealed.

Oracle's Hunt

A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood's new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigeons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after

the last chapter.

All Althaia wants on her trip to Delphi is to fulfill her father's last wish. Finding the body of a woman in the Sacred Precinct is not in her plans. Neither is getting involved in the search for the killer, falling for the son of a famous priestess, or getting pulled into the ancient struggle for control of the two most powerful oracles in the world. But that's what happens when Theron, Althaia's tutor and a man with a reputation for finding the truth, is asked to investigate. When a priest hints that Theron himself may be involved, Althaia is certain the old man is crazy — until Nikos, son of a famous priestess, arrives with an urgent message. Theron's past, greedy priests, paranoid priestesses, prophecies, and stolen treasures complicate

the investigation, and as Althaia falls for Nikos, whose dangerous secrets hold the key to the young woman's death, she discovers that love often comes at a high price and that the true meaning of family is more than a bond of blood.

The Oracle Betrayed

"This book centers on The Gospel of the Lots of Mary, a previously unknown text preserved in a fifth- or sixth-century Coptic miniature codex. It presents the first critical edition and translation of this new text. My book is also a project about religious praxis and authority, as I situate the manuscript within the context of practices of and debates around divination in the ancient Mediterranean world."--Preface, p. Synchronicity is when the universe gets personal. Through this book of games and enchanting stories, you'll learn how to monitor the play of coincidence and the symbolic resonance of incidents in daily life in order to tap into the deeper logic of

events, receive extraordinary counsel, and have wonderful fun. You will be invited to become a kairomancer: someone who is poised to catch the messages in special moments when synchronicity is in play — and to take action to seize the opportunities those moments present. To be a kairomancer, you need to trust your feelings as you walk the roads of this world, to develop your personal science of shivers, and to recognize in your gut and your skin that you know far more than you hold on the surface of consciousness. This is a way of real magic, which is the art of bringing gifts from a deeper world into this one. Follow it, and you will put a champagne fizz of enchantment into your everyday life.

The Oracle

For years, tales of DRAGONS from another world kidnapping and enslaving humans have been circulating in Jason Masters' world, while for a slave girl named Koren, the stories of a human world seem pure myth. Together, these two teens will need to bridge two planets in order to overthrow the draconic threat and bring the lost slaves home. What if the Legends Are True? Jason Masters doubted the myths that told of people taken through a portal to another realm and enslaved by dragons. But when he receives a cryptic message from his missing brother, he must uncover the truth and find the portal before it's too late. At the same time, Koren, a slave in the dragons' realm, discovers she has a gift that could either save or help doom her people. As Jason and Koren work to rescue the enslaved humans, a mystic

prophecy surrounding a black egg may make all their efforts futile.

This quick start guide systematically takes you through distributed ledger technology, blockchain, and Hyperledger Fabric while also helping you understand the significance of Blockchain-as-a-Service (BaaS). The book starts by explaining the blockchain and Hyperledger Fabric architectures. You'll then get to grips with the comprehensive five-step design strategy - explore, engage, experiment, experience, and influence. Next, you'll cover permissioned distributed autonomous organizations (pDAOs), along with the equation to quantify a blockchain solution for a given use case. As you progress, you'll learn how to model your blockchain business network by defining its assets, participants, transactions, and permissions with the help of examples. In the concluding chapters, you'll build on your knowledge as you explore Oracle Blockchain Platform (OBP) in depth and learn how to translate network topology on OBP. By the end of this book, you will be well-versed with OBP and have developed the skills required for infrastructure setup, access control, adding chaincode to a business network, and exposing chaincode to a DApp using REST configuration. What you will learn Model your blockchain-based business network by defining its components, transactions, integrations, and infrastructure through use cases Develop, deploy, and test chaincode using shim and REST, and integrate it with client apps using SDK, REST, and events Explore accounting, blockchain, hyperledger fabric, and its

Delphi Keep is awash in activity, and for Ian, Theo, and Carl, their safe haven might be nearing its end. The Royal Navy has taken the keep to use as a hospital and the tunnels running under the keep and the castle are ideal to set up a central communications outpost for the approaching war. The earl is happy to help the effort, but now the keep is no longer safe for the orphans and they must be evacuated to his winter residence. Ian, Theo, and Carl know that if they're sent away, they'll no longer be protected. But more important than their safety is deciphering the third prophecy. All clues point to a quest. The orphans don't know where they must go, but they know they must rescue the Secret Keeper. To do that, however, they need to work out who this Secret Keeper is. And what, exactly are the secrets he's keeping? From the Hardcover edition.

Oracles of Delphi

In Washington, D.C., a homeless man takes an assassin's bullet and dies in Commander Gray Pierce's arms. A bloody coin clutched in the dead man's hand—an ancient relic that can be traced back to the Greek Oracle of Delphi—is the key to a conspiracy that dates back to the Cold War and threatens the very foundation of humanity. For what if it were possible to bioengineer the next great prophet—a new Buddha, Muhammad, or even Jesus? Would this Second Coming be a boon . . . or would it initiate a chain reaction that would result in the extinction of humankind? Vital seconds are ticking rapidly away as Pierce races across the globe in search of answers, one step ahead of ruthless killers determined to reclaim the priceless artifact. Suddenly the future of all things is balanced on the brink

Hope is a four letter word. Yet, I can't help but hope that the Oracle will be the answer to what I seek. But getting to the Oracle is no small thing as she resides in the center of the Blasted lands--toxic waste, lava, and monsters. And as the alpha of our Pride, it's up to me to act responsibly and not get my people all killed. Driving us from behind comes the desert goddess whose rage is centered on me, and with her is a new ally, who still holds my heart in his hands. One whose voice calls to me still. Eyes on the prize, I will push forward, even though hope feels weak and pointless. Along the way, maybe my heart will heal, maybe I'll bring my brother back from the dead, maybe this will turn out okay after all.
