Tour of Duty: Preparing Our Hearts for Deployment - Member Book is a Bible study for Military Wives. Participants will join together with others who have a common thread--husbands who are being or have been deployed. This study helps wives deal with the emotional twists and turns they may not be ready to face. It will point them to God, and participants will learn how to lean on God and not carry so much of the weight that is so often placed on them. These women will learn to practically

find their hope in Christ alone. Military families like to be prepared--they plan, they strategize, they organize. But whether they're active, National Guard, or Reserve, when deployment comes, all the planning in the world can still fail when it comes to their hearts. Women facing deployment can learn how to lean on God and come out of it confident in the knowledge that God is with them, He loves them, and He has not abandoned them. Tour of Duty

Were human beings created by powers from outer space? Did extraterrestrial giants build the megaliths of Malta and the menhirs of Brittany? Was the Ark of the Covenant a machine built by the astronaut gods? In Signs of the Gods? Erich von Däniken travels far and wide around the globe to study the many strange phenomena that all point to one conclusion---that many thousands of years ago, Earth was visited by a race of superhuman powers and intelligence. The questions he addresses along the way include: Why are the religious sites in Greece all laid

out in the same geometrical pattern---a pattern which is repeated throughout the world? Does the extraordinary longevity of the ancient Sumerian kings mean that the Land of the Two Rivers was ruled by a race of supermen? Could the first men have been produced by cloning? Do the great ruins of Zimbabwe point to an impossibly detailed knowledge of astronomy? Erich von Däniken's Chariots of the Gods provoked a worldwide storm of controversy. In Signs of the Gods? he produces powerful arguments to support his theory of astronaut gods, with evidence that is difficult to explain any other way. Hear what he has to say with an open mind---and you may find yourself agreeing with him.

A Woman's Place is in the House

In Facing Your Giants, Max Lucado uses the story of David to help you learn how to allow God to work with and for you, and to remind you of whom you are to and in Him. You are seen, loved, and cared for by the God who still does the impossible. You know your Goliath. You recognize his walk, the thunder of his voice. He taunts you with bills you can't pay, people you can't please, habits you can't break, failures you can't forget, and a future you can't face. But just like David, you can face your giant, even if you aren't the strongest, the smartest, the best equipped, of the holiest. Focus on giants--you stumble; focus on God--your giants tumble. If you're ready to face your giants, let his story inspire you. The same God who helped him will help you.

Facing Your Giants

Ours is an age of anxiety. We worry about our children, jobs, homes, health, and finances. News and social media feed our fears. Even the fear of missing out leads to anxiety. The solution isn't to rid ourselves of the sources of anxiety but to recognize that anxiety originates from a spiritual influence--and then use the

weapons of power, love, and a sound mind to fight back and live in God's peace. Sharing her own story of emerging from the battle with anxiety as well as the stories of others, Dr. Michelle Bengtson reminds you of your identity as a follower of Christ and of the peace he promises you in spite of everything. She provides tools to cope with the crushing emotional burden of anxiety now, and, more importantly, shows you how to reclaim God's peace as a way of life so that you can break anxiety's grip.

Facing Lions, Giants & Other Big Dudes

You'll get through this. It won't be painless. It won't be quick. But God will use this mess for good. Don't be foolish or naïve. But don't despair either. With God's help, you'll get through this. You fear you won't make it through. We all do. We fear that the depression will never lift, the yelling will never stop, the pain will never leave. In the pits, surrounded by steep walls and aching reminders, we wonder: Will this gray sky ever brighten? This load ever lighten? In *You'll Get Through This*, pastor and New York Times best-selling author, Max Lucado offers sweet assurance. "Deliverance is to the Bible what jazz music is to Mardi Gras: bold, brassy, and everywhere." Max reminds readers God doesn't promise that getting through trials will be quick or painless. It wasn't for Joseph--tossed in a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed--but his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good.

The Love Dare Bible Study

Probably one of the most well-known characters in the Bible is David. He grew up a shepherd boy and defeated a giant named Goliath and then went on to be King of Israel. While king, David made some serious mistakes. However, David didn't try to place the blame on other people. He took responsibility and shouldered the blame himself. By doing this, he was described by God as a "man after His own heart." In this book, you will learn that God has a good plan for every individual. But sometimes you can thwart that plan by your own desire to fulfill certain desires and dreams but God's grace can bring you back to the plan that God has for you. Even though David made some mistakes and even cost people their lives, he repented and was able to turn the direction of those mistakes to want to serve the Lord. God's grace is evident through the entire life of David. Rather than having to go through your own hard knocks, the author encourages the reader to learn from these life lessons from David

Honor Begins at Home

Who was Jesus —really? For centuries, the Christian church has taught that Jesus is the divine Son of God, crucified for sinners and raised from the dead. In recent years, however, that picture of Jesus has come under widely publicized attack from sources ranging from critical scholars to Internet pundits to popular historians and others. The new portraits of Jesus seem persuasive. You can't help but wonder Did Christianity merely copy its beliefs from earlier mythology? Did the church suppress alternate gospels? Did Jesus never die on the cross or rise from the dead for sinners? Is the New Testament hopelessly riddled with errors? New York Times bestselling author Lee Strobel helps you separate truth from media hype, sound scholarship from bias, and fact from speculation. Digging below the surface, this book provides credible, informed answers to today's most pressing questions about Jesus.

Five Stones

When it comes to anxiety, depression, and stress-related illnesses, America is the frontrunner. Thankfully, there's a practical prescription for dealing with them. *Anxious for Nothing*, from New York Times bestselling author, Max Lucado, provides a roadmap for battling with and healing from anxiety. Does the uncertainty and chaos of life keep you up at night? Is irrational worry your constant companion? Could you use some calm? If the answer is yes, you are not alone. According to one research program, anxiety-related issues are the number one mental health problem among women and are second only to alcohol and drug abuse among men. Stress-related ailments cost the nation \$300 billion every year in medical bills and lost productivity. And use of sedative drugs like Xanax and Valium have skyrocketed in the last 15 years. Even students are feeling it. One psychologist reports that the average high school kid today has the same level of anxiety as the average psychiatric patient in the early 1950s. Chances are, you or someone you know seriously struggles with anxiety. Max writes, "The news about our anxiety is enough to make us anxious." He knows what it feels like to be overcome by the worries and fear of life, which is why he is dedicated to helping millions of readers take back control of their minds and, as a result, their lives. *Anxious for Nothing* invites readers to delve into Philippians 4:6-7. After all, it is the most highlighted passage of any book on the planet, according to Amazon: Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. In the characteristic tone of his previous books like *You'll Get Through This* and *Fearless*, Max guides readers through this Scripture passage and explains the key concepts of celebration, asking for help, leaving our concerns, and meditating. Stop letting anxiety rule the day. Join Max on the journey to true freedom and experience more joy, clarity, physical renewal, and contentment by the power of the Holy Spirit. Anxiety comes with life. But it doesn't have to dominate your life.

Facing Your Giants

Our most important battles are not always with the 'giants out there'--those external challenges which we all face. The greatest battles are often within ourselves. Too often, we diminish our own potential in ministry, business, and in life. Shane Stanford and Brad Martin frame their powerful book on one of the most well-known and well-loved stories in history: David and Goliath. We all feel like the seemingly powerless, scrawny boy David sometimes. And we all must face "giants"—those challenges that threaten to overwhelm us in ministry, work-life, and in our personal lives. *Five Stones* is a series of clear and compelling lessons. Each lesson arms the reader with practical and powerful tools of self-discovery, so that the reader's own liabilities, opportunities, convictions, and capabilities are revealed. Like modern-day Davids, readers will leave this book empowered to conquer challenges, in ministry and in life, with clear-eyed confidence and well-grounded hope.

Finding the Real Jesus

If you could spend a few minutes with the giants of faith in the Old Testament in person, what lessons would they share with you? In *LEARNING FROM THE GIANTS* John C. Maxwell draws on fifty years of studying the Bible to share the stories of

Elijah, Elisha, Job, Jacob, Deborah, Isaiah, Jonah, Joshua and Daniel. These people fought and won epic battles, served kings, and endured great hardships for God to come out on the other side transformed through His grace. Through them Maxwell explores timeless lessons we can learn about leadership, ourselves, and our relationship with God.

Giants plague today's church and while they may not wield spears and shields, they are fearsome, causing far too many of God's children to stumble in their walks. In *Slaying the Giants in Your Life*, Dr. David Jeremiah challenges us to stand valiantly against the giants that seek to terrorize today's believers. Dr. Jeremiah weaves gripping real-life stories of contemporary giant slayers who came face-to-

face with their own Goliaths: temptation, doubt, procrastination, and jealousy. In each, you will discover afresh the eternal unwavering promise of God to overcome those giants.

Facing the Giants

Archaeological discoveries have increasingly brought to light evidence of women's involvement in the royal houses of the ancient Near East, yet such evidence has not fundamentally altered the perception of monarchy as an exclusively male-gendered theological, political, and social institution. Solvang's study assembles the evidence in search of an integrated view of royal women's position and power in critical functions of monarchy, challenging customary assumptions about women's place in the royal harem. The historical information serves as a backdrop for a literary reading of biblical texts describing the royal house of Judah. Attention is given to three women representing different royal positions: Michal (daughter), Bathsheba (queen mother), and Athaliah (queen and monarch).
