The New Wigmore

"Neigh!" said a horse. "Quack!" said a duck. "Beep!" said the friendly Little Blue Truck. Little Blue Truck is a joyful cacophony of animal and truck sounds that will have youngsters beeping and quacking—and begging for one more go-round! Along the way, readers see that it pays to be kind to our animal friends . . . if we show a friendly respect to others, we're more likely to get help when we're, say, stuck in the muck in a truck. Jill McElmurry's gouache illustrations of wild-eyed farm animals and country roads are warm and wonderful, suiting the cheerfully rhyming text to a T. Beep!

Marketing Strategy, Loose-Leaf Version

This is a groundbreaking study of our culture's obsession with weddings. By examining popular films, commercials, magazines, advertising, television sitcoms and even children's toys, this book shows the pervasive influence of weddings in our culture and the important role they play in maintaining the romance of heterosexuality, the myth of white supremacy and the insatiable appetite of consumer capitalism. It examines how the economics and marketing of weddings

have replaced the religious and moral view of marriage. This second edition includes many new and updated features including: full coverage of the wedding industrial complex; gay marriage and its relationship to white weddings and heterosexuality and demographics shifts as to who is marrying whom and why, nationally and internationally.
