An annotated bibliography organized by language-arts areas lists books for each area that cover environmental awareness and related activities

### **Fun-n-games**

The easy way to transition to the raw food lifestyle Celebrities like Demi Moore, Sting, Madonna, and Woody Harrelson as well as experts in diet and nutrition have drawn attention to the newest trend in eating: raw foods. As the demand for raw foods increases, so does the demand for informative and supportive facts about this way of life. Raw Food For Dummies shares reasons for incorporating raw food into your diet and life, tips on how to do it, and includes nearly 100 recipes. Whether you're interested in incorporating raw foods into an existing meal plan, or transitioning to a raw foods-only diet, Raw Food For Dummies will help. Main areas of coverage include the benefits of eating raw foods, tips for avoiding undernourishment and hunger, information on transitioning to the raw food lifestyle (including where to buy and how to store raw foods), along with coverage of the popular methods of preparing meals, including sprouting, dehydrating, juicing, and greening. Features nearly 100 recipes covering breakfast, lunch, dinner, appetizers, and snacks Includes advice on transitioning to the raw food lifestyle Written by a veteran vegan chef and culinary arts teacher Raw Food For Dummies is for anyone interested in incorporating raw foods into an existing meal plan, as well as people interested in transitioning to a raw foods-only diet.

### **52 Scavenger Hunt Ideas**

This book shows church leaders how to work smarter and not have to reinvent the wheel. These ideas--over 200--will stimulate thought and encourage creativity so that the Gospel may be proclaimed in new and different ways. Appropriate for any denomination, these practical ideas are designed for a broad audience and can be used by pastors, church council members, teachers, youth workers, committees, and staff.

### **Learning**

Meet students where they are. With Small Group Strategies, you can effectively guide students in your small group toward the most important relationship they will ever have—a lifelong relationship with Christ. Respected authors Laurie Polich and Charley Scandlyn offer 30-plus years of collective youth ministry experience to these proven ideas, which offer: • a strategic approach to small group ministry • hundreds of ideas to reach students at every level • practical applications that foster spiritual growth Meet your students where they are in life. You have the heart. You have the vision. Here are the ideas you need to make it happen.

## **Community Nutrition Action Kit**

Here are creative, fun ways to help your church's families grow stronger, spend time together, and get closer to each other and God!

## **Best Friends**

## **The ESL / ELL Teacher's Survival Guide**

A holistic health counselor and co-star of the award-winning documentary Super Size Me explores women's cravings—for food, sleep, sex, movement, companionship, inspiration—and teaches them to listen to their bodies for a healthier, fuller life. "Desire is the basis for new conception, new growth, new life. We're born with it. And often talked out of it. When you tap it, you have access to your inner guidance. Women, Food, and Desire will show you how. Sweet." (Dr. Christiane Northrup, author of New York Times bestsellers Women's Bodies, Women's Wisdom and The Wisdom Of Menopause)

Transformational health expert Alexandra Jamieson is a woman on a mission. Having overcome her own food addictions and the weight and health problems these habits caused, she learned something life-altering: when we listen to our cravings, they will lead us onto the path of deep healing. Since her own personal breakthrough more than a decade ago, Alexandra has dedicated her life to helping other women learn to listen to the wisdom of their cravings and make food their greatest ally as they step into their lives with authentic passion. With love, deep compassion, and fearless honesty, she calls upon all of us to boldly use food as a tool to cleanse ourselves of the nutritional, emotional, physical, and mental blocks that limit our ability to live full, meaningful, and joyful lives. In this book she'll show us how our cravings are the gatekeepers of our

## Download Free Food Scavenger Hunt List

deepest longings and desires; how transforming habits set us free; and how detoxing unclutters our bodies and minds so we may engage in our lives with more power and authenticity. She also helps us embrace our sexual selves, trust our instincts, and form a nurturing community that is essential for a vital, healthy, hot life.

### **Creative Forecasting**

With the help of his Dairy Godmother, Chuck is taken--poof!--on a memorable and delicious adventure to a dairy farm. He finds out exactly where ice cream comes from and gains an even deeper love and appreciation for his favorite food.
