can flip the book over and read the sweet, simple retelling of the classic Frosty the Snowman story in Snow Day. A fun, festive pullout poster adds to the fun! For more than 45 years, Frosty the Snowman has been a delight for children everywhere with its magical story about a snowman that comes to life.

### **Germs Make Me Sick!**

This clever arrangement of every child's favorite holiday song is sure to delight even adult students! Late Elementary (HLSPL Level 3); piano solo; 4/4 meter; C Major; eighths and dotted-quarter note notation; mainly 5-finger positions with some hand-position shifts up and down the keyboard. Lyrics included. 44 measures.

### **Frosty the Snowman**

Stranded in an Alaskan snowstorm, strangers Hali and Terry are forced to rely on each other for survival. Due to a freak snowstorm that forces him to land his small Cessna, strangers, Hali and Terry, and a cute but mischievous Samoyed puppy are stranded in the Alaskan bush. From the beginning, she's never known a man so independent and rigid in his need to have things done his way. And he's never known a woman so willing to help, stepping on his pride in such a lovable way that he can't take offense. The frigid temperatures are brutal and when he falls through the ice to save a puppy, the stakes for survival become enormous. Can their blossoming mutual attraction withstand their multiple challenges?

### **Snow Wonder! (Frosty the Snowman)**

A razor-sharp collection from the acclaimed New Yorker cartoonist and Instagram sensation whom Vulture recently called "a remarkable young talent" With her trademark, scratchy style and keen eye for the absurd, Liana Finck has amassed a large, devoted following who love the deeply insightful, delightfully odd way she describes how we all experience the world. Excuse Me assembles more than 500 of her most loved cartoons from Instagram and The New Yorker over the past few years, in such distinctive chapters as: Love & Dating; Gender & Other Politics; Animals; Art & Myth-Making; Humanity; Time, Space, and How to Navigate Them; Strangeness, Shyness, Sadness; and Notes to Self. Melancholy and hilarious, relatable and surreal, intensely personal yet surprisingly universal, Excuse Me brings together the best work so far by one of the most talented young comics artists working today.

### **The Gingerbread Man**

Share this book with children to help them, in a safe and calm way, understand how germs work. In addition to straightforward, helpful information told in a warm and approachable way, the book contains a chart of rules for good health that reinforces healthful living. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 5 to 7 who are ready to read independently. It's a fun way to keep your child engaged and as a supplement for activity books for children. Germs are all around us, but they're too small to

see. Many germs are harmless, but two kinds, viruses and bacteria, can make you sick. How? Read and find out! This Level 2 Let's-Read-and-Find-Out picture book is all about germs, how they can make you sick, and how your body works to fight them off. This book features rich vocabulary and simple diagrams to explain why you feel poorly when you're sick and how your body keeps you healthy by producing antibodies. Both text and artwork were vetted for accuracy by Dr. Melanie Marin. An excellent resource in this time of COVID-19. This is a Level 2 Let's-Read-and-Find-Out Science book, which means the book explores more challenging concepts perfect for children in the primary grades and supports the Common Core Learning Standards and Next Generation Science Standards. Let's-Read-and-Find-Out is the winner of the American Association for the Advancement of Science/Subaru Science Books & Films Prize for Outstanding Science Series.

## **Frosty the Snowman**

Frosty the Snowman is a name synonymous with Christmas since the popular Christmas song written by Walter "Jack" Rollins and Steve Nelson was first recorded by Gene Autry and the Cass County Boys in 1950, and later recorded by Jimmy Durante. Since his inception, Frosty has gone on to star in dozens of books, TV specials, and even comic books. Frosty has been a familiar and wonderful part of Christmas for multiple generations of children around the world. Throughout the 1950s, Dell Comics produced an amazing Frosty the Snowman comic book series published annually and featuring the incredible talents of artists such as John Stanley (of Little Lulu fame), Don Gunn and Dan Gormley. Artimorean Art & Media is proud to present those gorgeously illustrated works of Frosty fantasy in our digitally remastered series of Frosty the Snowman Classic Comics - produced in comic digest size (perfect for little readers). In addition to all of those incredible, remastered comics, we will also release coloring and activity books featuring the same amazing art from the Classic Dell Comic series. The Frosty the Snowman Christmas Comic Coloring & Activity Book is our first coloring and activity book in the Frosty the Snowman series and it features 23 pages of comics to read and color, and fun Frosty-themed activities for children to complete. If you and your children love Frosty the Snowman, you will love the Frosty the Snowman Christmas Comic Coloring & Activity Book by Artimorean Art & Media.

## **Frosty The Snowman' Trivia**

In 1969, the Rankin/Bass team introduced yet another holiday-themed special based on a song, Frosty the Snowman. The special premiered on Sunday, December 7, following the network's annual revival of 1965's A Charlie Brown Christmas. The film is about a snowman that comes alive after a hat gets placed on his head by some children with whom he shares playful adventures before he has to hurry on his way. The children become sad as Frosty leaves, though Frosty tells them he will return. Some versions of the song say Christmas Day in the final lines. This book 'Fun Questions about Frosty The Snowman for Kids' has a few things you might not have known about the legendary animated special and questions and answers around Frosty the snowman.

## **Frosty the Snowman**

## Online Library Frosty The Snowman Frosty The Snowman Little Golden Book

An enchanting interpretation of the magical wintertime song, including a special recording by Kenny Loggins. Featuring spectacular art by Wade Zahares, and the CD, with the title song and two others, the picture book will captivate young readers.

### **Snow Day! (Frosty the Snowman)**

Arthur Rankin, Jr. and Jules Bass are best-known for producing some of the most popular animated holiday TV specials ever aired, including the long-running Rudolph The Red-Nosed Reindeer, Frosty The Snowman, The Year Without a Santa Claus and The Hobbit. They have also brought us animated feature films including Mad Monster Party and The Last Unicorn, and cartoon series such as ThunderCats, The Jackson Five, and SilverHawks. This definitive, authorized history and celebration of Rankin/Bass animation documents every one of their productions with rare photographs, production stills, concept drawings and memorabilia, along with extensive commentary by Arthur Rankin, Jr. and dozens of the artists, actors and animators he worked with. The 20th Anniversary Edition contains pages of New and Rare Content.

### **Frosty the Snowman**

Who made the first snowman? Who first came up with the idea of placing snowballs on top of each other, and who decided they would use a carrot for a nose? Most puzzling of all: How can this mystery ever be solved, with all the evidence long since melted? The snowman appears everywhere on practically everything -- from knickknacks to greeting cards to seasonal sweaters we plan to return. Whenever we see big snowballs our first impulse is to deck them out with a top hat. Humorist and writer Bob Eckstein has long been fascinated by this ubiquitous symbol of wintertime fun -- and finally, for the first time, one of the world's most popular icons gets his due. A thoroughly entertaining exploration, *The History of the Snowman* travels back in time to shed light on the snowman's enigmatic past -- from the present day, in which the snowman reigns as the King of Kitsch, to the Dark Ages, with the creation of the very first snowman. Eckstein's curiosity began playfully enough, but soon snowballed into a (mostly) earnest quest of chasing Frosty around the world, into museums and libraries, and seeking out the advice of leading historians and scholars. The result is a riveting history that reaches back through centuries and across cultures -- sweeping from fifteenth-century Italian snowballs to eighteenth-century Russian ice sculptures to the regrettable "white-trash years" (1975-2000). The snowman is not just part of our childhood memories, but is an integral part of our world culture, appearing -- much like a frozen Forrest Gump -- alongside dignitaries and celebrities during momentous events. Again and again, the snowman pops up in rare prints, paintings, early movies, advertising and, over the past century, in every art form imaginable. And the jolly snowman -- ostensibly as pure as the driven snow -- also harbors a dark past full of political intrigue, sex, and violence. With more than two hundred illustrations and a special section of the best snowman cartoons, *The History of the Snowman* is a truly original winter classic -- smart, surprisingly enlightening, and quite simply the coolest book ever.

## **Frosty the Snowman**

Boys and girls ages 3 to 7 will feel the magic of the holiday season with this full-color storybook retelling the tale of the most famous snowman of all, Frosty the Snowman!
