The Complete Idiot's Guide to Homeopathy

The Family Guide to Homeopathy

The American Institute of Homeopathy (AIH) is the oldest medical organization in the United States,

founded three years before the American Medical Association. The American Institute of Homeopathy Handbook for Parents is the first AIH publication that offers another option for parents who are reluctant to participate in the widespread extreme measures of conventional medicine such as stimulants, antidepressants, and overuse of antibiotics. Step-by-step Edward Shalts, a medical doctor who practices homeopathic medicine, explains what homeopathy is and how it works. He presents a user-friendly overview of acute and chronic issues and shows how parents can deal with them, either on their own for some problems, or in many cases, with a qualified practitioner. This important resource explains the principles of homeopathy, the nature of remedies, and the appropriate time to use homeopathy.

Beginners Guide to Homoeopathy

"Focuses on some of the most famous and respected people and cultural heroes of the last two centuries--literary greats, sports stars, scientists, film and TV stars, artists, and politicians--and how they have chosen homeopathy to treat themselves and/or

Homeopathy A-Z

You will gain the knowledge and confidence to treat your family with homeopathy to restore vitality, health and

wellness, while avoiding or limiting use of costly drugs. This comprehensive reference book explains how homeopathy works, its history and how to choose and take the right remedy in acute situations. Dr. Fry includes helpful case studies from clients who've successfully treated their everyday ailments.

Illustrated Guide to the Homeopathic Treatment

Presenting the philosophy as well as the basic techniques and principles of homeopathic medicine, this definitive handbook shows how it can be used to heal both acute and chronic illness. 25,000 first printing.

Homeopathic Remedies

Developed by Dr. Samuel Hahnemann almost two hundred years ago as a safer alternative to orthodox medical care, homeopathy is now used by millions of people worldwide. In fact, in England, it is the royal family's first choice in treating common health disorders. Homeopathic Remedies begins by explaining what homeopathy is - its underlying principles, its view of disease, and its emphasis on symptom observation. It then discusses how homeopathic preparations should be used - how they are made, how their potency is measured, and how they should be taken. This is followed by a unique section called the A-to-Z Prescriber. Here you will find over one hundred different ailments listed in alphabetical order - from abscess to memory loss to

wrist conditions. If you've never used homeopathy because you simply don't know how it works or how the remedies should be used, let Homeopathic remedies be your guide to this gentle art of healing.

What's The Remedy For That?

Want to ease sickness and pain without drugs or invasive procedures? Homeopathy, which uses flowers and herbs to create natural remedies, could be the answer. People are turning to this form of alternative medicine to alleviate conditions ranging from insomnia to arthritis to poor digestion.
