### **Exploring Wild South Florida**

Before 1947, when Marjory Stoneman Douglas named The Everglades a "river of grass," most people considered the area worthless. She brought the world's attention to the need to preserve The Everglades. In the Afterword, Michael Grunwald tells us what has happened to them since then. Grunwald points out that in 1947 the government was in the midst of establishing the Everglades National Park and turning loose the Army Corps of Engineers to control floods--both of which seemed like saviors for the Glades. But neither turned out to be the answer. Working from the research he did for his book, *The Swamp*, Grunwald offers an account of what went wrong and the many attempts to fix it, beginning with *Save Our Everglades*, which Douglas declared was

"not nearly enough." Grunwald then lays out the intricacies (and inanities) of the more recent and ongoing CERP, the hugely expensive Comprehensive Everglades Restoration Plan.

## **50 Hikes in North Florida**

The definitive guide to more than 500 hiking trails in Florida that no enthusiast will want to be without. Hikers in the Sunshine State may find themselves less than elevationally challenged, but what Florida trails lack in altitude, they make up for in habitat diversity. More than 80 different natural communities range across the state, from tropical gumbo limbo forests to open prairies and sand dunes, and a single brief hike can encompass any number of these environments. Avid hiker and author Sandra Friend presents the complete guide to over 500 hiking trails spread across Florida. These trails cover 2,273 miles, including portions of the 1,400-mile Florida Trail, a designated National Scenic Trail that is the state's premier hiking destination. For each trail, a concise one-page listing describes trek highlights and provides pertinent information on trail length, logistics, sources of additional maps, and directions to the trailhead (with GPS coordinates for many). Organized by region for immediately accessible information, this guide is a user-friendly trail companion for beginners and advanced hikers alike.

## **Best Dog Hikes South Carolina**

The 1,300-mile Florida National Scenic Trail spans the state from Big Cypress National Preserve near the Everglades to its beachfront terminus at Gulf Islands National Seashore. This long-distance hiking trail encounters more than 80 distinct habitats along the way, including dwarf cypress forests, pine flatwoods, sawgrass prairie, and coastal dunes. Perfect for day-, section-, and thru-hikers, *The Florida Trail: The Official Hiking Guide* is the first comprehensive guidebook on the Florida Trail. Book jacket.

## **50 Hikes in South Florida**

This hiking guide to the region of Florida south of FL 60 includes hikes along the Gulf Coast and the

Atlantic Coast, and in Big Cypress Swamp, the Everglades, and the Florida Keys.

## **Exploring Everglades National Park and the Surrounding Area**

Using this comprehensive hiker's guide to travel services along Florida's National Scenic Trail, you can plan a weekend, a week, or an entire walk across Florida using the logistical details for hikers and backpackers presented in this book. Covering more than 1,400 miles of hiking on the Florida Trail and connected footpaths, The Florida Trail Guide offers you hundreds of starting points for a walk in the woods, Florida-style. Spanning from the edge of the Everglades to Gulf Islands National Seashore in Pensacola Beach, the Florida Trail is one of America's great National Scenic Trails. With statewide volunteer efforts coordinated by the Florida Trail Association since 1966, the route of the trail leads you through the most diverse landscapes you'll find along a trail in a single state. From tropical forests in South Florida to the deep ravines and Appalachian-like bluffs of Northwest Florida, hikers enjoy an extraordinary amount of scenery on a trail that is best enjoyed from October through April. The trail passes by and through many small towns and several cities and is within an hour's drive of most of Florida's major cities. Included in this guide are a full map of the trail, 36 regional overview maps, 63 town maps with service details for towns located along or close to the trail, GPS coordinates for several hundred trailheads and trail access points, at-a-glance services icons, section

# Bookmark File PDF Hiking South Florida And The Keys A Guide To 39 Great Walking And Hiking Adventures Regional Hiking Series

and thru-trail mileage, mileage charts with point-to-point details based on trail landmarks, calculated mileages between designated campsites, post office locations and hours, hotels and campgrounds near the trail, contact information for thousands of services, permit requirements, important precautions, and basics you should know about hiking in Florida. Links are included to let you expand on the details in this book with online resources.

## **Moon Canadian Rockies**

Molloy offers a quick, easy and breezy guide to day hikes in Southwest Florida.

## **Moon South Carolina**

A Florida hike for every interest and ability Florida's landscape is a marvel of diversity, and Central Florida is its pinnacle. Footpaths range through salt marshes, river floodplains, and along coastal dunes and beaches. Trails pass through desert- like scrub islands, jungle- like hydric hammocks, and deep, dark bayous. There's no better way to take in this natural world than by walking it. Ranging from 1 to 43 miles in length, each hike includes directions, a detailed map, and information on hike duration, difficulty, and trail conditions. Explore a new side of Florida, from hidden urban gems like the Circle Bar B Ranch in Lakeland and Ponce Preserve in Daytona Beach, to the quiet rural landscapes of Catfish Creek State Park and Chinsegut Hill.

## **Florida Trail Hikes**

Carrot Quinn fears that she's become addicted to the internet. The city makes her feel numb, and she's having trouble connecting with others. In a desperate move she breaks away from everything to walk 2,660 miles from Mexico to Canada on the Pacific Crest Trail. It will be her first long-distance hike. In the desert of Southern California Carrot faces many challenges, both physical and emotional: pain, injury, blisters, aching cold and searing heat, dehydration, exhaustion, loneliness. In the wilderness she happens upon and becomes close with an eclectic group of strangers- people she wouldn't have chanced to meet in the "regular world" but who are brought together, here on the trail, by their one common goal: make it to Canada before the snow flies.

## **From Here to Eternity**

Experience wild Florida with this guide to 100 off-the-grid hikes from every corner of the state. Florida's five water management districts encompass millions of acres of public property that include thousands of miles of public trails. In *Backcountry Trails of Florida*, Terri Mashour explains where to find these little-known routes, which ecosystems they feature, and how to plan your perfect outdoor adventure. Mashour describes the hidden wonders hikers will discover in each district. Northwest Florida offers views of sandhills, clear and cold springs, and river bluffs. The Suwannee River area is crisscrossed with meandering creeks. In the St. Johns River watershed, conservation

# Bookmark File PDF Hiking South Florida And The Keys A Guide To 39 Great Walking And Hiking Adventures Regional Hiking Series

lands include large cattle ranches, lakeshores, and levee restoration projects. In Southwest Florida, manatee swim up rivers from the Gulf of Mexico. And the South Florida district is home to water treatment areas, pine flatwoods, and the mangrove islands of the Everglades. As a former land manager who has taken care of many of the areas these trails cross, Mashour shares her experiences working with cowboys and ranchers and her love of the Florida backcountry. Whether you are a hiker, trail runner, off-road bicyclist, or equestrian, this guidebook will help you locate and enjoy wide expanses of pristine nature not far from your own backyard.

## **In the Land of Good Living**

The Florida Trail stretches the length and breadth of the Sunshine State, from Gulf Islands National Seashore in the panhandle to Big Cypress National Preserve less than an hour from suburban Miami. In 2006, veteran hiker and outdoorsman Johnny Molloy hiked the length of the trail in one three-month stretch. This engaging story of his journey, the first narrative account of a Florida Trail thru-hike, is peppered with outrageous and charming characters. Molloy's peanut butter thermometer and his "Five Foot Radius Theory of Camping" for tired hikers will make experienced backpackers smile knowingly. Novice hikers will find his insider tips priceless. Beginning at the southern end of the trail, less than an hour from suburban Miami, he was challenged by some of the roughest terrain he would face before making his way around Lake Okeechobee, the second

# Bookmark File PDF Hiking South Florida And The Keys A Guide To 39 Great Walking And Hiking Adventures Regional Hiking Series

largest freshwater lake in the continental United States. Traveling north and west traversing sand pine scrub forests, he made his way up the Suwannee River, around the Big Bend into the cathedral of palms in St. Marks Refuge, through the Apalachicola National Forest, and along white sand beaches to the Alabama state line. Many may never hike the entire course of the Florida Trail, but its convenient trailheads make it easily accessible to any resident or tourist. So, start the adventure; plan your own short hike, thru-hike, or simply join Molloy without leaving the comfort of your armchair.

## **Moon South Florida & the Keys Road Trip**

When you hike the Florida Trail, our 1,400 mile National Scenic Trail along the length of the state, you'll discover places of unusual natural features and unique botanical beauty. No matter whether you're a day hiker, a backpacker, a birder, or a photographer, these are special places in Florida that you won't want to miss. Florida Trail Hikes leads you to our favorites while also providing information about trail communities you can use as "base camps" while visiting an area. This book is designed to provide options for hikers of all abilities and interests. There are both short and long hikes, overnight trips, and even a few accessible sections that can also be biked. This book includes rich descriptive details, color maps, and color photos to inspire you. Grab this guide and go take a hike! Contains 48 detailed hikes plus 9 overviews of popular section hikes as well as dozens of optional routes.

**Moon Colorado**

A wickedly smart, funny, and irresistibly off-kilter account of an improbable thousand-mile journey on foot into the heart of modern Florida, the state that Russell calls "America Concentrate." In the summer of 2016, Kent Russell--broke, at loose ends, hungry for adventure--set off to walk across Florida. Mythic, superficial, soaked in contradictions, maligned by cultural elites, segregated from the South, and literally vanishing into the sea, Florida (or, as he calls it: "America Concentrate") seemed to Russell to embody America's divided soul. The journey, with two friends intent on filming the ensuing mayhem, quickly reduces the trio to filthy drifters pushing a shopping cart of camera equipment. They get waylaid by a concerned citizen bearing a rifle; buy cocaine from an ex-wrestler; visit a spiritual medium; attend a cuckold party. The narrative overflows with historical detail about how modern Florida came into being after World War II, and how it came to be a petri dish for life in a suddenly, increasingly diverse new land of minority-majority cities and of unrivaled ethnic and religious variety. Russell has taken it all in with his incomparably focused lens and delivered a book that is both an inspired travelogue and a profound rumination on the nation's soul--and his own. It is a book that is wildly vivid, encyclopedic, erudite, and ferociously irreverent--a deeply ambivalent love letter to his sprawling, brazenly varied home state.

"A Star is Bored is an absolute knockout. Riotously funny and wickedly tender." — Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and the Six People Magazine Best Book of Summer 2020 - Named a Must-Read Summer book by Town & Country - Named One of the 14 Best Books of Summer 2020 by Harper's Bazaar - One of Library Journal's 2020 "Titles to Watch" - One of the 30 Best Beach Reads According to Parade Magazine The Devil Wears Prada meets Postcards From the Edge in a hilariously heartfelt novel influenced in part by the author's time assisting Carrie Fisher. Charlie Besson is tense and sweating as he prepares for an insane job interview. His car is idling, like his life, outside the Hollywood mansion of Kathi Kannon, star of stage and screen and People magazine's worst dressed list. She needs an assistant. He needs a hero. Kathi is an icon, bestselling author, and an award winning actress, most known for her role as Priestess Talara in a blockbuster sci-fi film. She's also known in another role: crazy. Admittedly so. Famously so. Fabulously so, as Charlie quickly discovers. Their three year odyssey is filled with late night shopping sprees, last minute trips to see the aurora borealis, and an initiation to that most sacred of Hollywood tribes: the personal assistant. But Kathi becomes much more than a boss, and as their friendship grows, Charlie must make a choice. Will he always be on the sidelines of life, assisting the great forces that be, or can he step into his own leading role? Laugh-out-loud funny, and searingly poignant, Byron Lane's A Star is Bored is a novel that, like the star at its center, is enchanting and joyous, heartbreaking and hopeful.

## **Explorer's Guide South Florida**

This edition includes an afterword by George Hendrick, who discusses the novel's origin and eventual censorship at the hands of its first publisher. The original language has been restored.

## Bookmark File PDF Hiking South Florida And The Keys A Guide To 39 Great Walking And Hiking Adventures Regional Hiking Series

"South Florida is a unique and spectacular environment for both birding and gardening, and this is a thorough and enjoyable guide."--Carl Lewis, director, Fairchild Tropical Gardens "A step-by-step guide on how to create a garden that not only benefits birds but increases your enjoyment of your yard, patio, or balconies. No space is too small for helping birds, and this book tells you how to do it."--Stephen D. Pearson, director, University of Miami's John G. Gifford Arboretum "For all South Floridians concerned about vanishing stopover habitat and hoping to contribute to the re-greening of Florida in their own backyards, *Attracting Birds to South Florida Gardens* is essential reading."--Brian Rapoza, author of *Birding Florida Lush and warm, South Florida is a gardener's dream and a birder's delight.* James Kushlan and Kirsten Hines draw on their years of experience to provide practical, ecologically sound advice for creating landscapes that will appeal to the many birds that can be found in the region. Aimed primarily at backyard gardeners and birders, but applicable for commercial landscapers as well, their precepts can be applied to a broad range of outdoor spaces, from balconies to suburban yards to rural estates. The authors identify plants that provide food or shelter and explain how each can attract specific bird species. They also explain what plants work well together, offer advice on simplifying garden maintenance, and provide tips on how other elements can make an area avian-friendly. Filled with brilliant photographs, *Attracting Birds to South Florida Gardens* addresses a conspicuous void in the literature on two of America's most popular activities.
