Hindu Widow Marriage

Where To Download Hindu Law Book Hindi

Before the passage of the Hindu Widow's Re-marriage Act of 1856, Hindu tradition required a woman to live as a virtual outcast after her husband's death. Widows were expected to shave their heads, discard their jewelry, live in seclusion, and undergo regular acts of penance. Ishvarchandra Vidyasagar was the first Indian intellectual to successfully argue against these strictures. A Sanskrit scholar and passionate social reformer, Vidyasagar was a leading proponent of widow marriage in colonial India, urging his contemporaries to reject a ban that caused countless women to suffer needlessly. Vidyasagar's brilliant strategy paired a rereading of Hindu scripture with an emotional plea on behalf of the widow, resulting in an organic reimaging of Hindu law and custom. Vidyasagar made his case through the two-part publication *Hindu Widow Marriage*, a tour de force of logic, erudition, and humanitarian rhetoric. In this new translation, Brian A. Hatcher makes available in English for the first time the entire text of one of the most important nineteenth-century treatises on Indian social reform. An expert on Vidyasagar, Hinduism, and colonial Bengal, Hatcher enhances the original treatise with a substantial introduction describing Vidyasagar's multifaceted career, as well as the history of colonial debates on widow marriage. He innovatively interprets the significance of *Hindu Widow Marriage* within modern Indian intellectual history by situating the text in relation to indigenous commentarial practices. Finally, Hatcher increases the accessibility of the text by providing an overview of basic Hindu categories for first-time readers, a glossary of technical vocabulary, and an

extensive bibliography.

Hindu Vidhi Par Pramukh Nirnaya

The book encompasses in its broad parameter all aspects of Indian Civilization and Culture for which we feel proud. The work supplies the readers with necessary, useful and up-to-date information on the subject. Treatment on the topic like economy, trade and commerce, medicine, law, philosophy, education, art, architecture and science prevailing in ancient India have been knuckled down in detail to suit the needs of the advanced students and scholars.

Urdu/Hindi: An Artificial Divide

In This Book A Well-Known Historian Offers A Critical Study Of A New Aspect Of Modern Indian History: The Gradual Introduction Of English Law Into India From The Advent Of The East India Company Till The Culmination Of The Period Of Codification In The Closing Years Of The Nineteenth Century. Special Stress Has Been Laid On The Impact Of English Law On Administration, Economy, Society And Constitutional Development. New Light Has Been Thrown Not Only On The Development Of Legal, Judicial And Constitutional Systems But Also On The Complex Historical Process Of The Emergence Of Modern India.

Law Relating to Cruelty to Husband: Divorce and Maintenance to Wife

Where To Download Hindu Law Book Hindi

Though a directive principle of the constitution, a uniform civil code of law has never been written or instituted in India. As a result, in matters of personal law -- the segment of law concerning marriage, dowry, divorce, parentage, legitimacy, wills, and inheritance -- individuals of different backgrounds must appeal to their respective religious laws for guidance or rulings. But balancing the claims of religious communities with those of a modern secular state has caused some intractable problems for India as a nation. Religion and Personal Law in Secular India provides a comprehensive look into the issues and challenges that India faces as it tries to put a uniform civil code into practice. Contributors include Granville Austin, Robert D. Baird, Srimati Basu, Kevin Brown, Paul Courtright, Rajeev Dhavan, Marc Galanter, Namita Goswami, Laura Dudley Jenkins, Jayanth Krishnan, Gerald James Larson, John H. Mansfield, Ruma Pal, Kunal M. Parker, William D. Popkin, Lloyd I. Rudolph, Susanne Hoeber Rudolph, Sylvia Vatuk, and Arvind Verma.

This book provides an ethnography of love-marriages in the late 1990s in Delhi, identifying the ways in which marriage is ever more a pitch of intense political contestation. It bears upon anthropological understandings of marriageability, urban morality, gender, kinship and the study of the individual and the couple in contemporary India.

Dharma and Halacha

The main sources for an understanding of classical Hindu law are the Sanskrit treatises on religious and legal duties, known as the Dharmaśāstras. In this collection of his major studies in the field, Ludo Rocher presents essays on a wide range of topics, from general themes such as the nature of Hindu law to technical matters including word studies and text criticism. Rocher's deep engagement with the language and worldview of the authors in the Dharmaśāstra tradition yields distinctive and corrective contributions to the field. This collection serves as an invaluable introduction to a leading authority in the field of Indology.
