Heist

A cold case reaches from Cape Town's shadowy past to bucolic Bordeaux, France, in this thriller by the Barry Award-winning author of Thirteen Hours. When a cold case dossier lands on Captain Benny Griessel's desk, he and his partner Vaughn Cupido, fellow member of the Hawks elite police unit in South Africa, reluctantly set to work reviewing the evidence. Did ex-cop Johnson Johnson simply disappear on

the world's most luxurious train line—or was he murdered? Two fellow travelers might have the answers Griessel and Cupido need, but they too seem to have disappeared, and the few clues that exist suggest a cover-up. Meanwhile, Daniel Darret has settled into a new, quiet life in Bordeaux, far from his revolutionary past in South Africa. But now a man from that past has reappeared. And he wants to commission Daniel's unique skills one more time. As the two storylines come crashing together, Griessel and Cupido are left uncertain of the truth—and of their own future. A top-notch addition to the acclaimed Benny Griessel series, *The Last Hunt* makes a brave and powerful statement about the pervasive corruption that has stolen so much from Deon Meyer's native country. Take a glimpse into deer hunting's past! White-tailed deer hunting has an incredibly rich heritage in America, and has played a vital role in the survival and expansion of this great nation. It's provided food, clothing, income, camaraderie and an unmistakable freedom to enjoy the country's magnificent wild lands. Take a glimpse back in time with the outstanding collection of photographs and historical information from the late 1800s to the mid-1900s that author Duncan Dobie has included inside Dawn of American Deer Hunting. You'll see the classic rifles hunters used, how they traveled to the remote deer camps, what kind of shelters they stayed in and more fascinating pieces of hunting history from the legendary deer regions around America. And admire the deer they took home--massive-bodied Northern bucks, trophy Texas antlers, buck poles filled with does and much-appreciated venison. As the old saying goes, "a picture is worth a thousand words." Just imagine the stories of the rugged folk in each photograph, and soon you'll connect with these deer hunters of yesteryear.
