The treacherous, hormone-soaked hallways of Franklin Middle School are the setting for this sharp, funny noir novel about tough guys and even tougher girls. "The Frank" is in the clutches of a crime syndicate run by seventh-grader Vinny "Mr. Biggs" Biggio, who deals in forged hall passes and blackmarket candy. Double-cross him and your number is punched by one of his deadly water gun-toting assassins. One hit in the pants and you are in "the Outs" forever. Matt Stevens is a proud loner with his own code of justice. He's avoided being pulled into Vinny's organization until now: Mr. Biggs has offered him a job he can't resist, even if it means bringing down one of his oldest friends. Nominated for an Edgar Award in 2009, *The Big Splash* revitalizes the noir novel while delivering a terrific, addictive mystery that crackles with wit and excitement. Awards and praise for *The Big Splash* 2009 Edgar Award nomination "Jack Ferraiolo shines a light on middle school and reveals what we've always suspected: It's a sinister place ruled by crime bosses and thugs. *The Big Splash* will make you laugh out loud." --Jeff Kinney, #1 New York Times bestselling author of *Diary of a Wimpy Kid* "Entertaining and thrilling." --New York Times Book Review "An ingenious premise: junior high noir. . . . Twists and curve balls keep readers guessing; extended jokes will keep them laughing." --Publishers Weekly, starred review "Well paced, funny, and suspenseful, with some real commentary on bullying and mob mentality." --School Library Journal "If middle school has an 'underworld,' this book is *The Godfather* and *The Maltese Falcon* all rolled into one. Better still, it's funny, and not just a little." --Gordon Korman, author of *Born to Rock*

## **Comes a Stranger**

Two women have gone missing in two weeks: the first, found dead, was slashed and dumped in a back alley in Boston. The second was discovered by a child in a Swan Boat Ride. As fear intensifies, Hunter, the head of the FBI Behavioral Unit, calls his star criminal profiler, Tracy Wrenn, to help on the case. Even though she had plans to become engaged that evening, Tracy quickly cancels her plans and rushes to Boston to help. A beautiful, young professor of criminal psychology, Tracy has become renowned for her success at cracking cases no one else can. With her unusual insights and unique point of view, she is relentless at probing the

inner minds of murderers. When a third woman goes missing, and when Tracy finds herself in danger, everything intensifies. In a shocking turn of events, Tracy finds out more not only about the killer, but about herself--and learns that nothing is what it seems. Book #2 in The Killing Game will be released soon.

“You see,” Miss Kayne said, “I committed a murder once myself.” Miss Kayne’s proud boast to Detective-Sergeant Bobby Owen is that she has committed the Perfect Murder - a crime with no clues. Bobby thinks at first it is a macabre joke, but before long a body is reportedly found, stabbed in the world-famous Kayne Library. When Bobby gets to the scene, the corpse has disappeared. But instead Miss Kayne’s cousin, Nat, is found in a nearby country lane - shot through the heart. Were the two murders connected - or were there even two? Bobby finds himself embroiled in one of the most ingenious and sinister cases of his career. Can he prove this was not a case of Perfect Murder? Comes a Stranger, originally published in 1938, is the eleventh novel in the Bobby Owen mystery series. This new edition features an introduction by crime fiction historian Curtis Evans. “What is distinction? The few who achieve it step - plot or no plot - unquestioned into the first rank in the works of Mr. E.R. Punshon we salute it every time.” Dorothy L. Sayers

### **The Great Portrait Mystery**

Austin Carr is a homeless stockbroker. Sort of. He's a salesman. Living on 100% commission during a recession and with child support payments can lead to getting kicked out of your apartment, having your car repossessed and living in a camper. Not even a real camper. A beat up old pickup with one of those camper toppers on it. Which he parks in the lot at Luis's Mexican Restaurant where he also takes advantage of the shower in the employee dressing room. His biggest client has health issues, the client's wife is coming on to him, another client is super pissed about an investment and wants to get revenge, and his supervisor is ready to take him down by any means necessary. Determined to make enough money to meet the child support payments and get to see his kids again, Austin gets mixed up with a redhead which leads to illegal bond and money transfers and in the course of less than two weeks is run down by a car, beat up, his manager tries to shoot him, is buried in sand at the water's edge with the tide coming in, then he's

kidnapped and finally becomes the victim of attempted murder by Bluefin (yes, the fish). And when he sneaks in to watch his daughter's swim meets, Austin wears nothing but a speedo.

The drugs are missing and four lives are about to collide. Clyde just wanted to make a little extra cash on the side to raise his new baby. Now his life and the lives of his wife and newborn daughter are in jeopardy. Brent just wanted to do his job and be left alone. Now he's in a race against time for his life. Sean just wanted to escape the crime he committed in Detroit. Now he's stumbled into another. The money he embezzled is nothing compared the load of narcotics that fell into his lap. And Skeeter? Well, Skeeter wants the drugs back, and he'll use any means necessary to get them. When these four are let loose on a mad scramble to locate the drugs, they cut a path of mayhem and bloodshed across Virginia. Inept would-be criminals clash with ruthless drug dealers in a violent weekend where no one is safe. The only certainty: Everyone is in over their heads. "Hard boiled pulp, hot off the press. The writing team of JB Kohl and Eric Beetner give the middle finger to polite crime writing and splatter the pages of *Over Their Heads* with foul mouthed, two-fisted action delivered in a hail of bullets. Neo-noir, transgressive fans will cheer. Drawing room mystery readers may need smelling salts. Don't say you weren't warned." -Anonymous-9, author of *Hard Bite* and *Bite Harder* "Over Their

Heads is a stripped down hot-rod of a novel. JB Kohl and Eric Beetner keep things fast and tight, with a gasp or a laugh on pretty much every page as an assortment of would-be badasses try to track down some missing drugs. It's a comedy of errors, scored with the sound of gunfire." -Jake Hinkson, author of The Big Ugly

As she doggedly tracks down and interviews surviving witnesses, involving a former senator with powerful ties, she stumbles on a twisted cover-up. One of Meg's suspects is intent on keeping the Boyle case cold—even if that means icing a meddlesome Jersey girl along with it.

### **Big Mojo**

As if things aren't bad enough in Penns River, development and funding of a new religious-themed mall grinds to a halt when heavily-armed assassins cut down five leaders of the town's fledgling drug trade while eating lunch in the food court. The television minister behind the mall has associates not normally associated with a ministry, outside drug gangs may be muscling into town, and the local mob boss could have an angle of his own. The cops have this and all the usual local activity to contend with in a story that extends beyond the borders of Penns River. Praise for RESURRECTION MALL "Dana King's Resurrection Mall is a patchwork of desperation from a depressed river town written with genuine style and grit."  
—Reed Farrel Coleman, New York Times bestselling author of What You Break  
"Another thoughtful, taut, suspense filled novel from one of America's best new writers, the great Dana King." —Adrian McKinty, author of the Sean Duffy trilogies  
"Resurrection Mall is a brilliant crime novel that deserves to win every award in

sight. One of the best of the year.” —Tim Hallinan, author of the Poke Rafferty, Junior Bender, and Simeon Grist mystery series. “Dana King’s Resurrection Mall draws you in from the beginning, like sipping a fine single malt that opens wonderfully in the glass and you have to keep sipping until the end. King has a skillful grasp on character and dialogue, and that, along with his rock-solid police procedure, makes for a gripping, authentic read. I am a big fan of the Penns River series, and I want more.” —David Swinson, author of The Second Girl. “Along with Worst Enemies and Grind Joint, Resurrection Mall elevates Dana King’s masterful Penns River crime series into the best hard-nosed police procedural since TV’s The Wire. Fun, gripping and thought-provoking, this third entry firmly plants ace Detective Ben ‘Doc’ Dougherty in the ring with heavyweight crime-stoppers Elvis Cole, Alex Cross and Jack Reacher. All of King’s characters burst with no-nonsense, rural Pennsylvania life, but the author dives deepest into the most realistic and engaging crew of municipal cops I’ve encountered since Joseph Wambaugh. Don’t miss it!” —Jack Getze, author and Fiction Editor for Spinetigler Magazine. “Complex characters, smooth dialogue and a hell of a plot make this one a winner. Rest easy, Ross Macdonald. The torch has been passed.” —Terrence McCauley, author of Sympathy for the Devil and A Murder of Crows.

Wall Street's miasmal garbage washes up on the Jersey Shore when a small time broker falls in love: Is he attracted to the beautiful lady — or her brother's inside information? Held spellbound by a steamy, auburn-haired woman with a dubious past and a get-rich-quick, insider trading scheme, Austin Carr knocks down a beehive of bad-acting Bonacellis, including the ill-tempered "Mr. Vic" Bonacelli, who wants his redhead back, and local mob lieutenant Angelina "Mama Bones" Bonacelli, architect of a strange and excruciating death trap for the fast-talking stockbroker she calls smarty pants. To survive, Austin must unravel threads of

jealousy, revenge and new affections, discover the fate of a pseudo ruby called the Big Mojo and slam the lid on a pending United States of America vs. Austin Carr insider trading case. Can Austin and his Jersey Shore mouthpiece possibly out maneuver the savvy U.S. District Attorney from Manhattan? Will anything matter for Austin ever again if Mama Bones flips that switch? Praise for BIG MOJO ...

“Darkly comic and always entertaining — with an outrageous cast of characters including a scheming grandmother and a mysterious redhead. Our engaging hero, fueled by honor and passion, does the best he can in a world where the bad guys seem determined to do him in. Gordon Gekko meets Janet Evanovich in this wry and winning caper — Jack Getze does it again!” — Hank Phillippi Ryan, Agatha, Anthony and Mary Higgins Clark Award winning author of Truth Be Told “If Jack Getze’s Austin Carr novels aren’t on your must-read list, you don’t know what you’re missing. Austin Carr’s that buddy your wife doesn’t like you to hang out with. Fast-talking, wisecracking, and hard-living, he’s the type of guy who swears he’s only ever looking for a good time, and yet every night out with him seems to end in a fight. But you can’t deny he’s got heart — and BIG MOJO is Carr’s most epic adventure yet. It’s got frame-ups. Insider trading. Stolen jewels. Double-crosses. Triple-crosses. Love potions. Gunplay. And enough outsized characters it could only take place in the great state of New Jersey. So pick it up. Give it a read. But maybe tell the missus you’re hanging out with someone else.” — Chris F. Holm, author of the Collector Series “There’s no way you can lose with an Austin Carr novel with a gorgeous redhead, a character with the moniker of “Mama

Bones”, a double-crossing business partner, more bad guys than can be seen in one place outside of the White House, and Austin’s smart mouth that surely he learned by reading lots of Robert B. Parker’s character Spenser ... A truly rollicking, fun, action-filled read with more twists than a fevered revival of Hula Hoop fanatics at a Jersey Shore ballroom ... And then, there’s that redhead. Always that redhead ... ” — Les Edgerton, author of *The Genuine, Imitation, Plastic Kidnapping* and others “The irrepressible Austin Carr is back, and he’s sly and sardonic as ever. When a top-secret weapon goes missing on Colonel Maggie Black's watch, her honor and her career are on the line. There were airmen who said the Air Force's best female combat pilot would never be the same after losing her arm in Iraq, but state-of-the-art prosthetics have made Maggie better than new, and she's not about to lose what she battled so hard to regain. But finding her experimental missile won't be easy—thanks to the revenge-fueled ambitions of Asdrubal Torres, whose hallucinatory encounter with the Great Spirit challenges him to refill Lake Cahuilla, the ancient inland sea that once covered much of Southern California. To fulfill his blessed mission, Torres needs wizardry and weaponry, and the Great Spirit provides both: Magic, in the form of a celebrated shaman's basket returned

to the tribal museum by San Diego reporter Jordan Scott; *Might*, in the form of Maggie Black's top-secret weapon that falls from the sky. From that moment, it's a race against time for Maggie and Jordan, who together must stop Torres from destroying Hoover Dam—and turning the Colorado River into a tsunami that would kill hundreds of thousands and wipe out the Southwest's water supply. In the final showdown, it's Maggie who must disarm the stolen missile's trigger—one-handed or not—and save the day.

Meet Detective Sergeant Alicia Friend. She's nice. Too nice to be a police officer, if she's honest. Now assigned to DI Donald Murphy's team, the annoyingly-perky detective finds herself in the grip of a northern British winter, investigating the

kidnap-murders of two young women - both strikingly similar in appearance. When a third is taken, they have less than a week to chip away the secrets of a high-society family, and uncover the killer's objective. But Richard - the father of the latest victim - believes the police are not moving quickly enough, so launches a parallel investigation, utilising skills honed in a dark past that is about to catch up with him. As Richard's secret actions hinder the police, Alicia remains in contact with him, and even starts to fall for his charms, forcing her into choices that will impact the rest of her life. For a chilling serial killer thriller with a quirky main character, pick up *His First His Second* today! >>> Reviews CrimeFictionLover.com "An intriguing mix of police procedural and serial killer thriller, that will tease, involve and unnerve you. An entertaining and intriguing debut." Undercover Book Reviews: "Want a book with twists and turns? This is the one. It will not disappoint." AUTHOR Q&A Q: Alicia Friend is kind of an oddball, isn't she? A: I'd say she's unique. She knows who she wants to be and she doesn't compromise, but most police officers she meets are dour and grumpy, and she sees how that impacts their personal lives. She doesn't want to be as hard-nosed as many women sleuths in fiction, so radiates the sort of perkiness that sometimes grates on her fellow officers. But it's who she is. Q: Despite having a quirky woman sleuth as main character, the novel goes to some dark places. A: Yes. I found that at one point I was trying to include ALL my research, and I'm really aiming for a thrill ride as much a straight police procedural. I originally included the sort of forensic details you get with Patricia Cornwell or Kathy Reichs, but it wasn't right for this

book. I keep it as accurate as possible, but it's about the characters and how they uncover secrets, both externally and within the police. Q: So who is your ideal reader? A: Fans of serial killer books in general. If you like James Patterson, PJ Tracy or Steven James, Mark Billingham or Ian Rankin, Alicia Friend's series could be worth checking out. Q: What levels of violence and bad language are there? A: Some of the violence is graphic, but the language that goes as strong as references to one's posterior and some faecal synonyms, if you get my meaning. No "F" or "C" words, as I don't think Alicia's audience appreciates that. Q: And how, exactly, do you come up with a character like Alicia? A: She is based on a real person. But very loosely. The essence is there, although I had to invent certain aspects for dramatic effect. The parts from real life are: a ditzy, perky outer shell, yet possesses a fierce intelligence, true dedication, and being brilliant at her job. Q: So the real Alicia Friend isn't a serving police officer? A: No, she isn't. And if she was, I certainly wouldn't say so here. Bartter surveys 250 American science-fiction stories, and American SF novels--with occasional overlaps of stories made into episodic novels--that have some relationship, often direct, sometimes marginal, to atomic weapons and their effects. . . . Highly recommended for popular literature collections. Choice Divided into three principal parts, *The Way to Ground Zero* begins by exploring *The Way to Hiroshima*. Through a detailed analysis of the works included, Bartter reveals the sociopolitical assumptions that authors took for granted and develops a method by

which these assumptions can be disclosed. She shows that encoded in these fictions we can find the patterns that led us to create and use the atomic bomb. In the second section, Bartter looks at the deeper assumptions on which these sociopolitical assumptions rest, focusing particularly on those which perpetuate considerations of nuclear war--both in science fiction and in actual policy making. Finally, Bartter explores alternative assumptions proposed by innovative science fiction writers. Throughout, an attempt is made to forge a deeper understanding of the ways in which science fiction both reflects and influences human and international relations. Students of science fiction and of literature and politics will find Bartter's work enlightening, provocative reading. Bartter argues that a close examination of American fiction, particularly science fiction, can offer important new insights into the events surrounding the bombing of Hiroshima in 1945. The use of an atomic bomb to end the war followed a scenario long established in science fiction--defeating our enemy with a super-weapon developed by native technological genius. By examining the interrelationship between this persistent plot-device and the development and use of a real super-weapon, Bartter sheds new light on the transactional role of literature and real life. Her analysis is based on a comprehensive theory of human nature, substantiated by exhaustive research in science fiction archives and libraries and covers a large number of stories--both well-known and relatively obscure--featuring super weapons or super war and published by American authors.

Just a Spoon Full of Laughter is a great read for anyone that's been to a doctor's office and made it out alive. Written by an actual physician, it will keep you in stitches (no pun intended) from one story to the next. See for yourself what could be so funny about the physician office visit. Whether it's recalling his first sigmoidoscopy or performing an autopsy, you'll keep this riveting series of short humorous stories right there in the bathroom for pleasurable reading. You may even find yourself somewhere between the pages. From an author who will never be a New York Times Best Seller, it's a great book for young or old, male or female, professional or not. It's especially ideal for that person in your life who has everything except a sense of humor. It's ideal as a stocking stuffer, white elephant gift or for future yard sales. "The funniest book I ever read." Says Dr. Zhivago  
"Yes! Yes! Yes!" Says Dr. No
