A guide to refocusing your business on those who matter most: customers and employees. Technology and social media tools have made it easier than ever for companies to communicate with consumers. They can listen and join in on conversations, solve problems, get instant feedback about their products and services, and more. So why, then, are most companies not doing this? Leap Tries Again

This imaginative tale from R. C. Sproul, based on a true story, begins one evening

with Mr. McFarland leading family devotions. When his daughter asks him how she should pray, Mr. McFarland shares a 500-year-old story about a barber and his famous customer. Master Peter is a barber well-known to all in his village. One day, when Martin Luther the Reformer walks into his shop, the barber musters up the courage to ask the outlawed monk how to pray. Luther responds by writing a letter to the barber. The barber's life and many others' are changed as they encounter a model for prayer by using the Lord's Prayer, the Ten Commandments, and the Apostles' Creed. Sproul's beautifully illustrated story will delight children and help them learn to pray according to the Bible. The full text of the Lord's Prayer, the Ten Commandments, and the Apostles' Creed will make this a treasured book to be returned to time after time.

Gary Chapman and Rick Osborne help children learn about the importance of love in this wonderfully imaginative and classically illustrated children's hardcover book featuring four-color illustrations (with hidden details!) by Wilson Williams, Jr., and based on Gary's bestselling *The 5 Love Languages*. Each child in this entertaining and playful story learns that they have a primary love language that when "spoken" by others, makes them feel loved. As the five children in the story interact with Mr. Chapman and the unique animals at his special zoo/museum/theme park/birthday party palace, they come to understand their own love language! Readers, especially children ages 5-8, are sure to recognize their own love language as the story develops, and at the end of the book is a fun quiz that will help parents and children identify their own love language. The cast of child characters in this whimsical story include: Penny, Peyton's twin sister, who receives love best when others spend quality time with her. Mr. Chapman introduces Penny to Horace, a Ragdoll Cat who just wants to be with Penny. Jayla, one of Penny's close friends, is always saying nice things about people. Her love language is words of affirmation. Jayla's perfect pet pal is Pamela, an African Grey Parrot, who repeats the nice things Jayla says about others. Kevin, one of Peyton's close friends, enjoys giving things to people. So does his special pet Chip, a Capuchin Monkey! Sofia loves to pet the animals, and to show her love for others with special hugs. Physical touch is Sofia's love language. Snuggles
