Betty Halbreich, the director of Solutions at world-famous specialty store Bergdorf Goodman, brings her shopping and dressing expertise to readers in this bestselling classic. Getting dressed every morning probably causes more trauma than anything else we do on a daily basis. No one understands this better than Betty Halbreich. She's seen firsthand that putting on clothes is as much—if not more—about the mind as it is about the body. Each day, her dressing room at Bergdorf Goodman is filled with women searching for something. They may think they're merely shopping for a new dress, but, as Betty knows, sometimes they're really shopping for a whole new life. Whatever these women are seeking, Betty is sure to help them find it. With simple instructions and witty asides, Betty takes her experience out of the dressing room and puts it into readers' hands. Follow her through the years and through the stores as she sheds light on such fashion conundrums as how to break up with the color black, what to wear on "Casual Fridays," what "black-tie" really means, and how to wear just about any accessory. Betty elevates shopping and dressing to an art form, yet she makes you realize how simple it really is to look fabulous. She is truly a fashion therapist, dispensing wisdom, wit, and advice on how to enhance your natural beauty, build a more confident self-image, and, most of all, have a little fun while doing it. With more than 200 black-and-white illustrations

Selling is getting tougher for one key reason. Many customers have invested in their procurement function in order to be smarter buyers of goods and services. Ever since the great recession, organizations of all sizes and types have learned to use procurement as a strategic profit lever. Unfortunately, many sales teams haven't figured out how to keep up with this new threat. Often the result is lost sales, margin erosion, and frustrated salespeople. It doesn't have to be this way. Based on direct experience working in procurement leadership for a Fortune 50 business, as well as teaching global procurement, working in key account management, and research, the author provides perspectives for how sales professionals can better understand the modern procurement organization. Originally published as a short booklet in e-book format only, it has

now been converted to print form based on many requests (about 65 pages in printed form).It is intended to compliment your existing sales and negotiation methodologies. Get beyond the procurement tactics you see to understand what drives procurement's behaviors. Learn how to spot emerging threats from procurement that could cost you the next deal. Find hidden sales opportunities by understanding procurement's goals. Exploit their fears and needs in your next negotiation. Gain confidence in using your value in selling to procurement. This is a field guide to empower sales professionals to better handle procurement to achieve sales success in an increasingly challenging environment.
