Combining Chinese Taoist astrology, Western zodiac astrology, and birth destiny cards to develop your innate talents and transform your negative traits • Includes charts to discover your Chinese animal year, your Western zodiac sun sign, your moon sign, and your birth destiny card as well as those of your friends, lovers, relatives, and colleagues • Provides insightful and accurate descriptions for each animal year, zodiac sun sign, and birth card as well as each year and sun sign combination and each sun and moon sign combination • Offers career suggestions based on your innate gifts and relationship advice on which animals, sign combos, and birth cards to seek out and which to avoid With your first breath of life, you take in the energy pattern radiated by the sun, moon, and stars at that moment in time and space. This internal energy pattern underlies your persona--your behavioral patterns, personality traits, and life's path. Understanding these underlying patterns enables you to balance and transform your negative traits and highlight and develop your innate talents. Blending Eastern and Western astrological methods, Master Mantak Chia and William Wei explain how to identify the five key patterns of your internal energy persona based on the year, month, and day of your birth. Including charts to discover your Chinese animal year, your Western zodiac sun sign, your moon sign, and your birth destiny card, they explore how each of these astrological profiles interact to build your unique persona and provide profoundly accurate descriptions for each year and sun sign combination, each sun and moon sign combination, and each birth card. Each description also includes career recommendations to best utilize your innate gifts and relationship advice on which animals, sign combinations, and birth cards to seek out and which to avoid. Not only useful for personal insight and self-development, this new astrological approach can also be used to understand the underlying energetic personality patterns of your lovers, friends, relatives, and colleagues.

144 Astrological Archetypes that reveal more about you than you knew about yourself. Secrets of the Combined Astrology is a comprehensive work focusing on the 144 combinations created when the 12 Chinese signs (Rat, Ox, Tiger, Rabbit, Dragon, Snake, Horse, Sheep, Monkey, Rooster, Dog and Boar) meet the 12 Western Zodiac signs (Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricorn, Aquarius and Pisces). Starting with the traditional four BAZI pillars i.e. day, month, year and time of birth, this information is converted into Astrological language the Western world understands, making what is otherwise a very complicated process easily accessible by the mainstream. Celebrities and public figures are used as references to illustrate each individual combination.

### **LEO - Your Zodiac Horoscope 2018**

Will Israel and the U.S. be destroyed or partially destroyed in 2012-2019 or 2026-2030 and beyond and Muslims, Catholics and communism take over most of the world? Were there strange things going around the sun, the moon changing degrees and phases, stars that aren't where there suppose to be and the magnetic poles changing mostly reported secretly in 2001-2011? Did NASA or scientists and astronomers brush the pictures of them away so not to scare people? Did the Bible Code predict strange behavior of the moon in 2011? Will a great tidal wave hit the U.S. East Coast in 2012-2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026-2030 and utterly destroy the entire United States if it still around after the war of 2012-2019? Will the Muslims, communism and Catholics persecute Christians, Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don't deny Christ and convert to Islam? Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U.S. are destroyed and no Rapture or end or Second Coming of Christ happened? Several of the Bible prophecies predict God will not make a full end of the U.S., Israel and the world at this time and pockets of people and nations may or may not survive. God may save the U.S., Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers. But if they don't then these events may start to happen. This book was written by June 12, 2012.

### **DIAMOND HOROSCOPE SCORPIO 2019**

This guide brings Chinese astrology back to its ancient roots, providing all the information you need for understanding one of the world's oldest systems of divination. The ancient Chinese people developed a sophisticated science of astrology that continues to have profound influence in China today. Rooted in the fundamentals of Taoism, it evolved into a system vastly different from Western astrology. Rather than determining personality by the time of the year in which you are born, in Taoist astrology it is the year itself that determines your character. The years form a twelve-year cycle of signs, each named after an animal. Additionally, your personality depends on which of the five traditional Taoist elements you are born under--water, wood, fire, earth, or metal. This makes for a cycle of sixty unique signs. Taoist Astrology includes information for each sign's personality, compatibility, child-parent relations, and rising and falling fortunes during the twelve-year cycle. Discussions of yin and yang, Confucianism and Buddhism, Taoist alchemy, and the connection between Taoist astrology and Western astrology give you all the background you need for understanding one of the oldest systems of divination known to humanity. Taoist Astrology differs from other books on the subject by grounding its concepts in the ancient traditions from which it originated.
