Studying Literature an Introduction to Fiction and Poem

One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, *Things Fall Apart* is the compelling story of one man's battle to protect his community against the forces of change Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele

Alternating Narratives in Fiction for Young Readers

Literature

This concise and highly accessible textbook outlines the principles and techniques of storytelling. It is intended as a high-school and college-level introduction to the central concepts of narrative theory – concepts that will aid students in developing their competence not only in analysing and interpreting short stories and novels, but also in writing them. This textbook prioritises clarity over intricacy of theory, equipping its readers with the necessary tools to embark on further study of literature, literary theory and creative writing. Building on a ‘semiotic model of narrative,’ it is structured around the key elements of narratological theory, with chapters on plot, setting, characterisation, and narration, as well as on language and theme – elements which are underrepresented in existing textbooks on narrative theory. The chapter on language constitutes essential reading for those students unfamiliar with rhetoric, while the chapter on theme draws together significant perspectives from contemporary critical theory (including feminism and postcolonialism). This textbook is engaging and easily navigable, with key concepts highlighted and clearly explained, both in the text and in a full glossary located at the end of the book. Throughout the textbook the reader is aided by diagrams, images, quotes from prominent theorists, and instructive examples from classical and popular short stories and novels (such as Jane Austen’s *Pride and Prejudice*, Franz Kafka’s ‘*The Metamorphosis*,’ J. K. Rowling’s *Harry Potter*, or

Dostoyevsky's *The Brothers Karamazov*, amongst many others). *Prose Fiction: An Introduction to the Semiotics of Narrative* can either be incorporated as the main textbook into a wider syllabus on narrative theory and creative writing, or it can be used as a supplementary reference book for readers interested in narrative fiction. The textbook is a must-read for beginning students of narratology, especially those with no or limited prior experience in this area. It is of especial relevance to English and Humanities major students in Asia, for whom it was conceived and written.

A Place I've Never Been

For students and scholars of historiography, the theory of history, and literary studies, Robert Doran (French and comparative literature, U. of Rochester) gathers together 23 previously uncollected essays written by theorist and historian Hayden White (comparative literature, Stanford U.) from 1957 to 2007, on his theories of historical writing and narrative. Essays are organized chronologically and reveal the evolution of White's thought and its relationship to theories of the time, as well as the impact on the way scholars think about historical representation, the discipline of history, and how historiography intersects with other areas, especially literary studies. They specifically address theory of tropes, theory of narrative, and figuralism.

An Introduction to Fiction

'Literature, Compact', fourth edition, is organized into three genres: fiction, poetry, and drama. As in past editions, the authors' collective poetic voice aims to bring personal warmth and a human perspective to the discussion of literature, adding to students' interest in the readings.

Literature

"Living Literature" focuses on literature as one part of a living, fluid conversation across cultures and time periods while encouraging readers to explore and interact with the literature. Each feature in this innovative anthology accentuates the study of literature as a continual dialogue, encouraging readers to explore, interact with, and respond to what they read. Organized by genre, "LIVING LITERATURE" lends context to a vibrant collection of stories, poems, and plays by highlighting several "moments" in which writers, painters, photographers, critics, filmmakers, and musicians all derive inspiration from one another. The book then shows students how to add their own voices to that ongoing conversation, and how to go from being passive readers to active participants and critical thinkers. As author John Brereton writes in the book's preface, the "cultural conversation in thinking, speaking, and writing about literature is a powerful means of participating in the world around us-of playing our parts as community and world citizens." Literature enthusiasts looking for a new perspective.

of such bestselling books as *Atlas Shrugged* and *The Fountainhead*, gave a private series of extemporaneous lectures in her own living room on the art of fiction. Tore Boeckmann and Leonard Peikoff for the first time now bring readers the edited transcript of these exciting personal statements. *The Art of Fiction* offers invaluable lessons, in which Rand analyzes the four essential elements of fiction: theme, plot, characterization, and style. She demonstrates her ideas by dissecting her best-known works, as well as those of other famous authors, such as Thomas Wolfe, Sinclair Lewis, and Victor Hugo. An historic accomplishment, this compendium will be a unique and fascinating resource for both writers and readers of fiction.

An Introduction to Fiction

Diamond lives in a hay-loft, which is just right for him, since his father named him after a horse. One night Diamond has a visitor. She's a beautiful woman with long black hair. She calls herself the North Wind, and--holding tight to her long braids--she whisks Diamond over London and shows him many wonderful sights. But the best thing of all is when she takes him to the country at "the back" of the North Wind, a dream-like land where the cold wind never blows. Copyright © Libri GmbH. All rights reserved.

This book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters. It asks: if you make sense of fiction by identifying with one main character, how do you handle two or more of them? Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers? If not, how do these novels manage to operate within the parameters of those conventions? This book considers answers to these questions by means of a series of close readings that explore the structural, educational and ideological implications of a variety of American, British, Canadian and Australian novels for children and for young adults.

An Introduction to Literature

An enriching introduction to the diverse and exciting world of literature, this anthology offers a broad collection of short fiction, poetry, drama and nonfiction selections written by a diverse group of writers who represent different social classes, races, genders, cultures, and sexual orientations. Organizes selections around five socially relevant themes—Growing Up and Growing Older; Women and Men; Money and Work; Peace and War; and Varieties of Protest. Shows how literary technique serves larger purposes—the recreation of experience, the exploration of ideas, the analysis of social issues—and how these larger purposes themselves shape literary form. Explains the ways in which literary form creates meaning, and provides a strong emphasis on writing about literature throughout, with a full chapter on all stages of the writing process—generating ideas, developing a thesis, discovering a form, drafting,

At the Back of the North Wind

Ever since Ezra Pound's exhortation to 'make it new', experimentation has been a hallmark of contemporary literature. Ranging from the modernists, through the Beats to postmodernism and contemporary 'hyperfiction', this is a unique introduction to experimental fiction. Creative exercises throughout the book help students grapple with the many varieties of experimental fiction for themselves, deepening their understanding of these many forms and developing their own writing skills. In addition, the book examines the historical contexts and major themes of 20th-century experimental fiction and new directions for the novel offered by writers such as David Shields and Zadie Smith. Making often difficult works accessible for the first time reader and with extensive further reading guides, *Experimental Fiction* is an essential practical guidebook for students of creative writing and contemporary fiction. Writers covered include: James Joyce, Virginia Woolf, Franz Kafka, Marcel Proust, Ralph Ellison, Allen Ginsberg, Jack Kerouac, William Gibson, Italo Calvino, Jeanette Winterson, Don DeLillo, Caitlin Fisher, Geoff Ryman, Xiaolu Guo, Tom McCarthy, James Frey and David Mitchell.

From the Arthur C. Clarke Award-winning Adrian Tchaikovsky, *The Doors of Eden* is an extraordinary feat of the imagination and a page-turning adventure about parallel universes and the monsters that they hide. They thought we were safe. They were wrong. Four years ago, two girls went looking for monsters on Bodmin Moor. Only one came back. Lee thought she'd lost Mal, but now she's miraculously returned. But what happened that day on the moors? And where has she been all this time? Mal's reappearance hasn't gone unnoticed by MI5 officers either, and Lee isn't the only one with questions. Julian Sabreur is investigating an attack on top physicist Kay Amal Khan. This leads Julian to clash with agents of an unknown power - and they may or may not be human. His only clue is grainy footage, showing a woman who supposedly died on Bodmin Moor. Dr Khan's research was theoretical; then she found cracks between our world and parallel Earths. Now these cracks are widening, revealing extraordinary creatures. And as the doors crash open, anything could come through. "Tchaikovsky weaves a masterful tale a suspenseful joyride through the multiverse." (Booklist)

uncertain -- a barrier or under threat. A real estate agent happily married to a woman finds himself in love with another man in "Houses." A man entering a bold new world of gay hookups feels sheltered from the most intimidating attentions by his more attractive, charismatic friend. And Leavitt moves from the familiar American suburbs to Italy, where he's also spent time, to create a contrast with European concepts of loyalty and fidelity that transcends the usual stereotypes. A Place I've Never Been is clever and pleasurable, but also revelatory and wise.

"I hold this book to be the most important expression which the present age has found; it is a book to which we are all indebted, and from which none of us can escape." T.S. Eliot Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922

Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, *Ulysses* displays a sense of humor that ranges from delicate to roguish as well as sequences of striking beauty and emotion. Chief among the latter must be the novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of *Ulysses* is both modern and readable.
