Toys and Prices, 2001

Do your homework to determine the best value with this annually updated buying guide from "Consumer Reports." Includes information on what's new in home entertainment, vehicles, appliances, and home office equipment. Ratings, charts and index.

Code of Federal Regulations, Title 49, Transportation, Pt. 400-599, Revised as of October 1 2005

Launched 35 years ago, the 2007 edition of the New Cars and Minivans has been restyled to present more current information in a user-friendly manner. This guide tells you when to buy, sell, or hold onto a vehicle and why price rarely guarantees reliability (beware of 'luxury lemons'). Hard-nosed ratings, true fuel-consumption figures, and which safety features are unsafe, are all found in this year's guide, as well as: Dealer markups for each model; cutting the freight fee
The best and worst options; whose warranty is the best
Which 2006s are butter buys than a 2007
Sample compliant letters that work

Standard Catalog of Imported Cars 1946-2002

Beginning with a look at the SL model's heritage, this book describes the full development and production history of a modern classic. Covering available models in all the major markets, year-by-year, and including limited editions, the data is supported by contemporary illustrations, sourced from the factory, plus in-depth appendices.

Lemon-Aid Used Cars 2001

Features recommendations and ratings on hundreds of small, medium, and large-sized cars based on quality, economy, performance, and comfort standards, with judgments on crash protection, and assessments of available options

Pocket Mechanic

With reviews of 200 new cars, pickups, minivans, and SUVs, "Consumer Reports" cuts through the hype with solid information based on comprehensive testing and reliability data. 240 photos.

Used Car and Truck Prices

Buying Guide 2002

New Cars Prices and Reviews, 2001

This is the only book that completely lists accurate technical data for all cars imported into the U.S. market from 1946-2000. With many imports approaching the antique status, this book will be a big seller across all generations of car enthusiasts. From the grandiose European carriages of the late Forties to the hot, little Asian imports of the Nineties, every car to grace American roadways from across the Atlantic and Pacific is carefully referenced in this book.

Foreign car devotees will appreciate the attention given to capturing precise data on Appearance and Equipment, Vehicle I.D. Numbers, Specification Charts, Engine Data, Chassis, Technical Data, Options and Historical Information.

Collectors, restorers and car buffs will love this key book from noted automotive authors, James Flammang and Mike Covello.
