GuideFrom Buddy to BossPolice Sergeant Examination

Becoming New York's Finest

Many police departments report difficulties in creating a workforce that represents community demographics, is committed to providing its employees the opportunity for long-term police careers, and effectively implements community policing. This book summarizes lessons on recruiting and retaining effective workforces.

Law Enforcement Intelligence

In the aftermath of 9/11, many law enforcement agencies (LEAs) shifted more resources toward developing counterterrorism (CT) and homeland security (HS) capabilities. This volume examines the effects the focus on CT and HS has had on law enforcement since 9/11, including organizational changes, funding mechanisms, how the shift has affected traditional crime-prevention efforts, and an assessment of benefits, costs, and future challenges.

The Crime Numbers Game

On May 26, 1999, the U.S. Commission on Civil Rights conducted a hearing in New York City to examine current police practices & their impact on civil rights in the community at large. The Commission had a strong interest in studying the methods used by the

Access Free Nypd Sergeant Exam Study Guide 2013

city to balance crime fighting with the exercise of appropriate restraint, particularly following the highly publicized tragedies involving Abner Louima & Amadou Diallo. This report is intended to offer insights into some of the tensions that exist between the New York Police Dept. & the communities that it serves. Chapters: recruitment, selection, & training; police-community relations; & civilian complaints.

Supervisory Test Battery (Stb)

A thorough guide to understanding how to get into the field of criminal investigations and what to do when you get there to be a world-class investigator
Chapters include: The Legal Process: - Defining Criminal Investigation and positioning investigations in a democracy - issues related to arrest, detainment, search & seizure
The Investigative Process: - Traits of a good investigator - securing & documenting a crime scene - processing fingerprints, blood, semen, & gunpowder residue - analyzing stab and incise wounds, strangulations and gunshot wounds
Investigating Murder, Rape, Robbery, Burglary: - Locating, preserving and analyzing evidence of murder and rape - securing and evaluating robbery and burglary scenes - thoroughly documenting the crimes
Understanding the Testing Process
The road to becoming an Investigator: - Preparing for the written & oral tests - learning successful test-taking skills - appealing your test results.

The 9/11 Commission Report

Access Free Nypd Sergeant Exam Study Guide 2013

Provides the final report of the 9/11 Commission detailing their findings on the September 11 terrorist attacks.

Police Sergeant, Lieutenant, and Captain Promotion Exams

This book is the most comprehensive reference ever written for individuals interested in law enforcement selection. The chapters contain meta-analyses (statistical reviews of the literature) investigating the validity of methods used to predict police performance. These methods include education requirements, cognitive ability, background variables (e.g., military experience, arrest record, discipline problems at work), personality inventories, interest inventories, physical agility tests, assessment centers, and interviews. The first chapter in the book is a short primer on meta-analysis that informs the reader about the purpose of meta-analysis and how to interpret the meta-analysis tables contained in the book. Chapter 2 describes the methods used to conduct the meta-analyses for this project. Chapters 3-11 list the meta-analysis results for the various predictors of police performance. Chapter 12 describes a meta-analysis of the relationships among criteria (e.g., performance ratings, discipline problems, commendations), Chapter 13 describes a meta-analysis of the relationships among selection methods, and Chapter 14 describes a meta-analysis of the relationship between the various criteria and sex, race, age, and tenure. Chapter 15 summarizes the previous chapters and identifies future research

needs.

Police Sergeant Exam

The contents of this book are designed specifically for law enforcement officers, front-line supervisors, and managers who have reached the point in their careers where they are ready to advance their rank. The focus of this information is on the police promotional oral interview. In a majority of police agencies across the country the oral interview is both the most critical part of the promotion process and the most difficult. An officer's performance during the oral interview is paramount because the process is highly competitive. Officers must "out-score" others also vying for promotion. This is difficult in that candidates may be competing against dozens or even hundreds of other police personnel many of whom may have greater education or more experience. The goal of this book is to provide professional law enforcement officers with a highly effective and valuable preparatory edge. This "edge" translates into real-world techniques, easy-to-apply skills, and a wealth of information on how to be distinctive and perform in an exceptional manner during the oral interview. The police officer, deputy, supervisor, or manager who utilizes the content of this unique book correctly can stand out among the other candidates, be more competitive, achieve preparatory confidence, and up their performance toward higher interview scores.

Supervision of Police Personnel

Access Free Nypd Sergeant Exam Study Guide 2013

Predictive policing is the use of analytical techniques to identify targets for police intervention with the goal of preventing crime, solving past crimes, or identifying potential offenders and victims. These tools are not a substitute for integrated approaches to policing, nor are they a crystal ball. This guide assesses some of the most promising technical tools and tactical approaches for acting on predictions in an effective way.

Police Officer Interview Questions & Answers

Research in Law Enforcement Selection

After excluding women and African Americans from its ranks for most of its history, the New York City Police Department undertook an aggressive campaign of integration following World War II. This is the first comprehensive account of how and why the NYPD came to see integration as a highly coveted political tool, indispensable to policing.

Norman Hall's Police Exam Preparation Book

Rated "Best of the Best" in Police Exam Prep Books by BestReviews, September 2018 This updated manual presents information, practice tests, and strategies for the different question types used by police departments throughout the country. It includes: Four full-length practice exams with all questions answered

Access Free Nypd Sergeant Exam Study Guide 2013

and explained Two official exams given by a large metropolitan police department Streamlining of chapters to more closely reflect the latest question types currently in use General strategies for dealing with multiple-choice questions and specific strategies for taking computer-based multiple-choice tests, as well as for taking the traditional paper/pencil multiple-choice exam All important time management strategies New reading comprehension question types, plus strategies for answering these questions An additional diagnostic exam presents questions like those that have appeared on recent entry-level exams used by police departments across the country. Also included are test-taking tips for all question types, suggested rules for effective study, and a detailed description of a police officer's duties. Updated chapters take into account the recent trend by police departments to rely on oral interviews and computerized testing when selecting police officers.

Long-term Effects of Law Enforcement's Post-9/11 Focus on Counterterrorism and Homeland Security

Known as the source for police supervision, this book offers complete coverage of leadership training of supervisors in law enforcement and allied fields. From proven leadership strategies to methods for maintaining high morale, this book discusses individual and group management techniques and how to carry out the various responsibilities of the supervisor. A variety of issues are explored, from hiring and training, to discipline and evaluation. This

Access Free Nypd Sergeant Exam Study Guide 2013

edition features the latest on leadership and decision making, more on handling critical incidents, contemporary personnel issues.

Stop and Frisk

Police have been stopping, questioning, and frisking pedestrians for decades in an effort to protect themselves and the public from harm. However, pedestrians may view the stop and frisk experience as unjustified and perceive that they are subject to unfair and overly aggressive treatment. These feelings are most pronounced for those residing in high-crime areas that are targets for intensive stop and frisk activities. Because citizens' views of the police contribute to their willingness to cooperate with and empower law enforcement, minimizing the negative effects of stop and frisk is crucial for overall police effectiveness and is especially important for improving relations with communities of color. This publication discusses the constitutionality and legal precedents of stop and frisk and the theory and practice behind these street stops. This background is followed by a discussion of stop and frisk's unintended consequences and a series of practical recommendations for the lawful and respectful use of pedestrian stops in the context of community policing.

Examining the links between organised crime and corruption

For courses in Multicultural Law Enforcement and

Access Free Nypd Sergeant Exam Study Guide 2013

Special Topics in Policing. From a diverse team of writers whose expertise spans law enforcement and cross-cultural relations, comes a text with comprehensive coverage of sensitive topics and issues related to diversity and multiculturalism facing police in the 21st century. It contains insightful as well as practical information and guidelines on how law enforcement professionals can work effectively with diverse cultural groups, both inside their organizations as well as in the community.

indispensable appendixes that give a comprehensive outline of what to expect once trainees are accepted into the police academy, along with a sample physical fitness course. Peterson's Master the Police Officer Exam helps readers navigate the police application and screening process. For more information see Peterson's Master the Police Officer Exam.

The Force

In the mid-1990s, the NYPD created a performance management strategy known as Compstat. It consisted of computerized data, crime analysis, and advanced crime mapping coupled with middle management accountability and crime strategy meetings with high-ranking decision makers. While initially credited with a dramatic reduction in crime, questions quic

MASTERING THE ASSESSMENT CENTER PROCESS

Learn how to pass the NYPD Officer Candidate exam and join the ranks of New York's Finest. The number of candidates taking the exam has increased dramatically in recent years, reflecting the desirability of the profession. In order to succeed against this increased competition, the candidate must be prepared to tackle the unique question types found on the exam. This book contains the most up to date and accurate information to help you prepare for the NYPD Officer Candidate Exam. Written using lessons learned from the latest exam updates, this manual

squarely prepares the reader for all of the exam sub-areas including Memory, Visualization, Deductive Reasoning, Inductive Reasoning, Reading Comprehension, and Written Expression.

Police Promotion Super Course

The San Diego Police Department (SDPD) has been operating below its authorized size in recent years. To bridge its personnel gap, the department needs to maximize its recruiting while minimizing officer attrition. To accomplish this goal, the department sought assistance from RAND to improve its recruiting efforts and suggest ways to improve the diversity of its recruits. This monograph describes RAND's effort to assist SDPD's recruiting program.

Police Practices and Civil Rights in New York City

This intelligence guide was prepared in response to requests from law enforcement executives for guidance in intelligence functions in a post-September 11 world. It will help law enforcement agencies develop or enhance their intelligence capacity and enable them to fight terrorism and other crimes while preserving community policing relationships. The world of law enforcement intelligence has changed dramatically since September 11, 2001. State, local, and tribal law enforcement agencies have been tasked with a variety of new responsibilities; intelligence is just one. In addition, the intelligence discipline has evolved significantly in recent years. As

Access Free Nypd Sergeant Exam Study Guide 2013

these various trends have merged, increasing numbers of American law enforcement agencies have begun to explore, and sometimes embrace, the intelligence function. This guide is intended to help them in this process. The guide is directed primarily toward state, local, and tribal law enforcement agencies of all sizes that need to develop or reinvigorate their intelligence function. Rather than being a manual to teach a person how to be an intelligence analyst, it is directed toward that manager, supervisor, or officer who is assigned to create an intelligence function. It is intended to provide ideas, definitions, concepts, policies, and resources. It is a primera place to start on a new managerial journey. Every law enforcement agency in the United States, regardless of agency size, must have the capacity to understand the implications of information collection, analysis, and intelligence sharing. Each agency must have an organized mechanism to receive and manage intelligence as well as a mechanism to report and share critical information with other law enforcement agencies. In addition, it is essential that law enforcement agencies develop lines of communication and information-sharing protocols with the private sector, particularly those related to the critical infrastructure, as well as with those private entities that are potential targets of terrorists and criminal enterprises. Not every agency has the staff or resources to create a formal intelligence unit, nor is it necessary in smaller agencies. This document will provide common language and processes to develop and employ an intelligence capacity in SLTLE agencies across the United States as well as articulate a uniform

Access Free Nypd Sergeant Exam Study Guide 2013

understanding of concepts, issues, and terminology for law enforcement intelligence (LEI). While terrorism issues are currently most pervasive in the current discussion of LEI, the principles of intelligence discussed in this document apply beyond terrorism and include organized crime and entrepreneurial crime of all forms. Drug trafficking and the associated crime of money laundering, for example, continue to be a significant challenge for law enforcement. Transnational computer crime, particularly Internet fraud, identity theft cartels, and global black marketeering of stolen and counterfeit goods, are entrepreneurial crime problems that are increasingly being relegated to SLTLE agencies to investigate simply because of the volume of criminal incidents. Similarly, local law enforcement is being increasingly drawn into human trafficking and illegal immigration enterprises and the often associated crimes related to counterfeiting of official documents, such as passports, visas, driver's licenses, Social Security cards, and credit cards. All require an intelligence capacity for SLTLE, as does the continuation of historical organized crime activities such as auto theft, cargo theft, and virtually any other scheme that can produce profit for an organized criminal entity. To be effective, the law enforcement community must interpret intelligence-related language in a consistent manner. In addition, common standards, policies, and practices will help expedite intelligence sharing while at the same time protecting the privacy of citizens and preserving hard-won community policing relationships.~

Evaluation of the New York City Police Department Firearm Training and Firearm-discharge Review Process

Born in a rough-and-tumble neighborhood of Dublin, John F. Timoney moved to New York with his family in 1961. Not long after graduating from high school in the Bronx, he entered the New York City Police Department, quickly rising through the ranks to become the youngest four-star chief in the history of that department. Timoney and the rest of the command assembled under Police Commissioner Bill Bratton implemented a number of radical strategies, protocols, and management systems, including CompStat, that led to historic declines in nearly every category of crime. In 1998, Mayor Ed Rendell of Philadelphia hired Timoney as police commissioner to tackle the city's seemingly intractable violent crime rate. Philadelphia became the great laboratory experiment: Could the systems and policies employed in New York work elsewhere? Under Timoney's leadership, crime declined in every major category, especially homicide. A similar decrease not only in crime but also in corruption marked Timoney's tenure in his next position as police chief of Miami, a post he held from 2003 to January 2010. *Beat Cop to Top Cop: A Tale of Three Cities* documents Timoney's rise, from his days as a tough street cop in the South Bronx to his role as police chief of Miami. This fast-moving narrative by the man *Esquire* magazine named "America's Top Cop" offers a blueprint for crime prevention through first-person accounts from the street, detailing how big-city chiefs and their teams

Access Free Nypd Sergeant Exam Study Guide 2013

can tame even the most unruly cities. Policy makers and academicians have long embraced the view that the police could do little to affect crime in the long term. John Timoney has devoted his career to dispelling this notion. Beat Cop to Top Cop tells us how.

Master the Police Officer Exam: Police Officer Exam Review

In this extremely thorough prep guide Larry Jetmore reveals every element of the Sergeant Exam and shares priceless insights into things you can do to prepare yourself for top performance. An Introduction to Policing

Whether youre a new officer or in need of a mentor, From Buddy to Boss: Effective Fire Service Leadership, is a must-have management book youll turn to over and over again. Fire service veteran Chase Sargent has taken his popular course and written a no-holds barred leadership book for the fire

Access Free Nypd Sergeant Exam Study Guide 2013

service in a conversational and easy-to-read style. He tells you how to accept and survive politics, deal with the fringe employees, and keep your cool -- tricks of the trade that usually takes years to acquire. In this book you'll learn: ***Your credibility is a valuable currency that takes time to build up. What you do, not what you say, is the ultimate test of your credibility, reinforcing your expectations*** ***That leadership requires individuals and organizations to create an environment where people and their ideas can thrive*** ***How to use stories to impress upon our new members the necessity of doing certain things*** ***That the quickest ways to lose trust are to inconsistently apply and enforce rules and to allow your personal feelings to dictate what you will and won't enforce*** ***Why leading by example and from the front, doing not saying, is critical to your success*** Reading From Buddy to Boss is like turning to a trusted friend for wisdom and advice you can count on to improve your job performance. Use this book to master your leadership as well as your management skills and successfully make the transition to boss.

Police Practices and Civil Rights in New York City

INTRODUCTION TO INVESTIGATIONS, Second Edition is a basic introductory text for college students who are interested in learning who investigators are, what they do, and how they do it. Dempsey has designed a text that gives students a general overview of investigations so they can understand why and how

Access Free Nypd Sergeant Exam Study Guide 2013

investigations are conducted. This text also introduces students to what types of jobs are available in the investigating industry and what skills are needed to obtain these jobs.

Beat Cop to Top Cop

This resource guide (November 2000) is organized into four main sections: Chapter 1: Introduction Chapter 2: An introduction to the nature of the problem of racial profiling. Chapter 3: A general description of data collection and its limitations. Chapter 4: Study-site descriptions and analysis. Chapter 5: Recommendations and future goals. Chapter 6: Conclusions and Recommendations The "selected site" approach of this resource guide is intended to encourage and guide police and communities as they begin to take action to evaluate allegations of racial profiling and to help police and communities learn from one another's experiences and successes. To facilitate this exchange of ideas, contact information is provided for each site described in this guide. To promote the continued exchange of facts, forms, and new data collection systems, one recommendation of this guide is to create a Web site for sharing information about racial profiling and data collection. (NCJ 184768)

Police Management Examinations Preparation Guide

Strangler, Patty Hearst, and the Rodney King case

Path of the Hunter

In January 2007, New York City Police Commissioner Raymond Kelly asked the RAND Corporation to assess whether his department was doing everything it could to minimize the unnecessary discharge of firearms. In particular, he asked RAND to examine the quality and completeness of the New York City Police Department firearm-training program and identify potential improvements in the design and delivery of the curriculum, the technology used, the frequency and duration of training sessions, the tactics and procedures on which the training is based, and the Department's firearm-discharge-review process. This monograph reports the observations, findings, and recommendations of that study.

Introduction to Investigations

The Assessment Center process is the best method for identifying management potential in candidates and whether they can demonstrate a talent for planning and organizing, and possess the necessary judgment, communication skills and decision-making ability to move up the ranks. Many candidates do possess these abilities, but they have not learned how to apply them. This book will teach you how to use all your potential. Law enforcement officers are often confused, afraid, nervous or just plain curious about what they will experience when they go through the process. Most books on the assessment center

Access Free Nypd Sergeant Exam Study Guide 2013

process cover primarily its history, the skill dimensions, a description of the process and provide a few sample exercises. What makes this book different is that it provides an experiential approach to preparing for an assessment center by including numerous practice exercises, experiential learning, role player scripts, sample detailed Assessor Guides, and information from an experienced professional who has a 360-degree view of assessment center processes. By practicing these exercises, the reader will learn a great deal about their potential and abilities. The organization of this book starts with the notorious, challenging, perplexing, incorrectly defined and life-changing in-basket exercise. The author has many years of experience with in-baskets, which has included providing feedback to candidates and training assessors. Many of the essential sample exercises and components of the in-basket exercise are included in this book and have been used in past assessment center processes or in customized exercises. After reading the sample exercises and commentary contained herein, you will be convinced that your time and money have been well spent. Why? Because you will have practiced the exercises herein and, beyond just reading about the assessment center process, you will have learned about many of the most important components of the process.

Barron's Police Officer Exam

Systematically examines, across all 27 EU Member States, how organised crime uses corruption as a tool.

Access Free Nypd Sergeant Exam Study Guide 2013

The study is based on more than 150 interviews with corruption specialists and more than 120 statistical and survey indicators on corruption and organised crime. The study focuses on how organised and white collar criminals use corruption to target public institutions (politicians, police, judiciary, and customs), as well as how it is used for the operation of key criminal markets (cigarettes, drugs, prostitution, car-theft, and extortion-racketeering). The study also examines how private sector company employees are corrupted by organised criminals. Although the study does not map the specifics of how corruption is used in each EU Member State, six in-depth studies (on Bulgaria, France, Greece, Italy, Netherlands, and Spain) provide a more in-depth look in the situation in these countries.

The NYPD Tapes

On May 26, 1999, the U.S. Commission on Civil Rights conducted a hearing in New York City to examine current police practices & their impact on civil rights in the community at large. The Commission had a strong interest in studying the methods used by the city to balance crime fighting with the exercise of appropriate restraint, particularly following the highly publicized tragedies involving Abner Louima & Amadou Diallo. This report is intended to offer insights into some of the tensions that exist between the New York Police Dept. & the communities that it serves. Chapters: recruitment, selection, & training; police-community relations; & civilian complaints.

Multicultural Law Enforcement

Financial Times (UK) and the Daily Mail (UK) “The Force is mesmerizing, a triumph. Think The Godfather, only with cops. It’s that good.” — Stephen King The acclaimed, award-winning, bestselling author of The Cartel—voted one of the Best Books of the Year by more than sixty publications, including the New York Times—makes his William Morrow debut with a cinematic epic as explosive, powerful, and unforgettable as Mystic River and The Wire. Our ends know our beginnings, but the reverse isn’t true . . . All Denny Malone wants is to be a good cop. He is “the King of Manhattan North,” a, highly decorated NYPD detective sergeant and the real leader of “Da Force.” Malone and his crew are the smartest, the toughest, the quickest, the bravest, and the baddest, an elite special unit given unrestricted authority to wage war on gangs, drugs and guns. Every day and every night for the eighteen years he’s spent on the Job, Malone has served on the front lines, witnessing the hurt, the dead, the victims, the perps. He’s done whatever it takes to serve and protect in a city built by ambition and corruption, where no one is clean—including Malone himself. What only a few know is that Denny Malone is dirty: he and his partners have stolen millions of dollars in drugs and cash in the wake of the biggest heroin bust in the city’s history. Now Malone is caught in a trap and being squeezed by the Feds, and he must walk the thin line between betraying his brothers and partners, the Job, his family, and the woman he loves, trying to survive, body and soul, while the city teeters on the brink of a racial conflagration that could destroy them all. Based on years of research inside the NYPD, this is the great cop novel of our time and a book only Don Winslow

Access Free Nypd Sergeant Exam Study Guide 2013

could write: a haunting and heartbreaking story of greed and violence, inequality and race, crime and injustice, retribution and redemption that reveals the seemingly insurmountable tensions between the police and the diverse citizens they serve. A searing portrait of a city and a courageous, heroic, and deeply flawed man who stands at the edge of its abyss, *The Force* is a masterpiece of urban living full of shocking and surprising twists, leavened by flashes of dark humor, a morally complex and utterly riveting dissection of modern American society and the controversial issues confronting and dividing us today.

Police Sergeant Examination

In May 2010, NYPD officer Adrian Schoolcraft made national headlines when he released a series of secretly recorded audio tapes exposing corruption and abuse at the highest levels of the police department. But, according to a lawsuit filed by Schoolcraft against the City of New York, instead of admitting mistakes and pledging reform Schoolcraft's superiors forced him into a mental hospital in an

Access Free Nypd Sergeant Exam Study Guide 2013

effort to discredit the evidence. In *The NYPD Tapes*, the reporter who first broke the Schoolcraft story brings his ongoing saga up to date, revealing the rampant abuses that continue in the NYPD today, including warrantless surveillance and systemic harassment. Through this lens, he tells the broader tale of how American law enforcement has for the past thirty years been distorted by a ruthless quest for numbers, in the form of CompStat, the vaunted data-driven accountability system first championed by New York police chief William Bratton and since implemented in police departments across the country. Forced to produce certain crime stats each quarter or face discipline, cops in New York and everywhere else fudged the numbers, robbing actual crime victims of justice and sweeping countless innocents into the police net. Rayman paints a terrifying picture of a system gone wild, and the pitiless fate of the whistleblower who tried to stop it.
