One-Minute Prayers® for Young Women

When life throws us curve balls, prayer is often our greatest consolation. In *A Cup of Comfort Book of Prayer*, ordinary people just like you share the prayers that have brought them closest to God. From Psalm 23 and the Sermon on the Mount to the inspiring words of Anne Bradstreet and St. Francis of Assisi, these are the prayers that people turn to when they most need God's help, people such as: Paula, who finds confidence in the Breton's Fisherman Prayer when she feels overwhelmed by her role as single mom Susan, whose chance encounter in a customer service line allows her to share the grace of An Old Irish Blessing with a heartbroken stranger Clement, who during Operation Desert Storm shared the hope of John Cosin's Lord, Be Thou a Light to My Eyes with a war-torn Kuwaiti family In this blessed little volume, bestselling authors James Stuart Bell and Susan B. Townsend have collected fifty heartwarming stories of the power of prayer in our lives—a power upon which you can draw to strengthen your resolve, lift your spirits, and sustain your faith, through good times and bad.

Prayers for Hope and Comfort

Prayer is our vehicle for co-creating with the Divine who bestowed upon us the power to create through our thoughts. We are natural born miracle workers; however, this human experience has taught us otherwise. "A Course in Miracles" states, "Miracles occur naturally as expressions of love. They are performed by those who temporarily have more for those who temporarily have less." That teaching is the premise of this prayer book. Prayer is intentional thought. Miracles are the outcome. Lao Tzu, the father of Taoism, taught, "Watch your thoughts; they become words. Watch your words; they become actions. Watch your actions; they become habits. Watch your habits; they become your character. Watch your character; it becomes your destiny." Use this book to create your destiny and perform miracles. Peace is possible, and it will take a miracle.
