Legend of the Candy Cane

What would it be like for modern readers to sit down beside Jesus as he explained the Bible to them? What life-changing insights might emerge from such a transformative encounter? Lois Tverberg knows the treasures that await readers willing to learn how to read the Bible through Jewish eyes. By helping them understand the Bible as Jesus and his first-century listeners would have, she bridges the gaps of time and culture in order to open the Bible to readers today. Combining careful research with engaging prose, Tverberg leads us on a journey back in time to shed light on how this Middle Eastern people approached life, God, and each other. She explains age-old imagery that we often misinterpret, allowing us to approach God and the stories and teachings of Scripture with new eyes. By helping readers grasp the perspective of its original audience, she equips them to read the Bible in ways that will enrich their lives and deepen their understanding.
