ESP. Divination. Psychometry. Telekinesis. Astral vision. You've heard of all these talents. The amazing truth is that you can have all of these abilities when you practice the simple, but powerfully effective, exercises in Melita Denning and Osborne Phillips' Practical Guide to Psychic Powers. World-famous experts Denning and Phillips explain exactly what you need to develop your own innate abilities, including advice on diet, rest, and exercise. They advise you to meditate daily, and give instructions how you can bring this wonderful skill into your life. They also reveal how you can make your own tools for psychic development, such as a pendulum, ESP cards, and a Vision Mirror. Practical Guide to Psychic Powers explains that your attitude is important in establishing these abilities in your life. You'll discover how to eliminate boredom and stress, practice mental concentration for long periods, and have foreknowledge of the future. Many of the exercises to help you to develop psychic abilities are in the form of games, making them fun, preventing boredom, and creating faster success. For example, you'll learn a game of guessing dice, one with ESP cards, and another that uses the vision mirror to predict your future. The book teaches you how to become aware of the impressions a material object has gathered, the art of psychometry. You'll learn about contacting spiritual entities the way Spiritualists do. You'll also discover the secrets of dowsing and how to develop and use this ability. Denning and Phillips are known for their clarity of thought and for having effective techniques, as demonstrated in Practical Guide to Psychic Powers. Get your copy today.

Your Personal Guide to Psychic Development

In *A Still, Small Voice*, famed psychic Echo Bodine turns to a subject she knows deeply and is passionate about: intuition. Using humorous anecdotes and a positive, readable style, this sequel to *Echoes of the Soul* explores what intuition is, where

it's located, what it sounds like, and how to cultivate it. The author, who comes from a family of psychics, exposes the various internalized voices that can mask one's intuition. These include the voices of parents, grandparents, peers, therapists, significant others, religious figures, and society, along with emotions such as anger, fear, guilt, and despair. The book challenges the cliché that psychic abilities and intuition are the same, or that they are evil. One chapter is devoted to the many practical benefits that come from listening to intuition; another looks at the "faith-building times" in life and how to cope with others' negative reactions to setting off on the spiritual path.

The Psychic Bible

From the Far East to the Mid-East to East L.A., love is the deepest desire of the human heart, yet often the most elusive. Throughout the centuries sages have sought a path to true love, but the host of SiriusXM Stars 109 Psychic Connection with Deborah Graham actually knows how to harness and hold onto it. Graham has shown many perpetual wayward daters how to navigate text messages and emojis to truly connect with their perfect match on a soul to soul level, and here she reveals how you can, too. As a gifted psychic, Graham is able to read auras: she doesn't look at you, she looks in you. She has spent decades helping people find true and lasting love, and through this book she will coach you to do the same--to look past the outward façades that people project to the world, and to look inward, starting with yourself. By stepping you through a "spiritual cleansing," she will teach you how to purge past issues and baggage so that you are open and ready for real love. Psychic Deborah Graham's Guide to Attracting and Keeping Your True Love includes her no-holds-barred advice and her tried-and-true relationship rules, including: How to tell a psychic match from a physical one How to expand your awareness to what you need energetically in a life partner How to use the 3s dating rule to see if there is a match How to avoid the biggest first date saboteurs How to listen to your intuition and stop missing the glaring red flags And how to know when it's time to say good-bye (not every person is "the one")

I Saw Your Future and He's Not It

My Purpose in writing this Book: It is a gift to the countless children and young people who have lived with the fear of threatening ghosts they could not tell anyone about. Ghosts are frustrated souls terrified of the Judgment Day. They avoid the Light because of unresolved Karma and are drawn to the innocence of children for help. This is the story of my personal life guided by paranormal experiences. My childhood development was interrupted by sexual abuse when I was 6 years old. I was confused and desperate until "the Watcher" came to my rescue. I experienced fear and self-doubt growing up, but whenever evil cast a dark shadow across my path, he showed me many psychic gifts that served to protect me. Once I understood my paranormal experiences were gifts I could use, I was able to overcome my fear. I want to share this blessing with all who have suffered in silence. In The Psychic's Guide to the Universe, you will find the answers you need. With all my
