The Bridegroom ; With, Count Nulin ; And, The Tale of the Golden Cockerel

Russian Social Networks, Public Opinion, and Intelligentsia Identity in the First Half of the Nineteenth Century

“A rare and wonderfully written book of literary detection that is heartbreaking as well as thrilling.”
—Michael Ondaatje, author of *The English Patient* In the tradition of Simon Winchester’s *The Professor and the Madman* comes Proust’s *Overcoat* by Lorenza Foschini—the charming, endlessly intriguing story of a collector’s obsessive search for the personal effects of legendary author Marcel Proust. This fascinating true story introduces readers to a truly delightful character—Jacques Guérin, owner of a perfume company in France—and entralls them with his relentless lifelong pursuit of all things Proustian, even the author’s most mundane possessions.

Travels in Siberia

The New Yorker

Russia’s relationship with its neighbours and with the West has worsened dramatically in recent years. Under Vladimir Putin’s leadership, the country has annexed Crimea, begun a war in Eastern Ukraine, used chemical weapons on the streets of the UK and

Download Ebook Pushkins Button Translated From The Italian By Ann Goldstein And Jon Rothschild

created an army of Internet trolls to meddle in the US presidential elections. How should we understand this apparent relapse into aggressive imperialism and militarism? In this book, Sergei Medvedev argues that this new wave of Russian nationalism is the result of mentalities that have long been embedded within the Russian psyche. Whereas in the West, the turbulent social changes of the 1960s and a rising awareness of the legacy of colonialism have modernized attitudes, Russia has been stymied by an enduring sense of superiority over its neighbours alongside a painful nostalgia for empire. It is this infantilized and irrational worldview that Putin and others have exploited, as seen most clearly in Russia's recent foreign policy decisions, including the annexation of Crimea. This sharp and insightful book, full of irony and humour, shows how the archaic forces of imperial revanchism have been brought back to life, shaking Russian society and threatening the outside world. It will be of great interest to anyone trying to understand the forces shaping Russian politics and society today.

Author and Title Catalog

Exploring the character of a man who rose from slavery to become a general, a wealthy landowner, a distinguished military engineer, an intellectual and bibliophile, and who triumphed over his wife's unfaithfulness. It explains the mythical status within Russia of his Great Grandson Alexander Pushkin, and how his life was destroyed by jealousy.

The Moor of St Petersburg

"American quarterly of Soviet and East European studies" (varies).

Tender Buttons

Tynyanov's novel on Pushkin's formative years, written in the 1930s and early 1940s, is an entertaining panorama of the human, social and political forces that shaped Russia's greatest writer, from everyday home life to the wider St Petersburg scene and affairs of state in the Napoleonic era.

The Siege

Political History and Culture of Russia

- "The Archivist, Martha Cooley's first novel, was a national bestseller and a "New York Times Notable Book.- With the assurance, complexity, and depth of a work by Bulgakov, DeLillo, or Poe, Martha Cooley's extraordinary second novel is further evidence that she is one of the most gifted writers at work today.

The Economist

Set against the turbulent backdrop of Leningrad in 1941, an intricately woven tapestry of love and war follows the Levin family--twenty-two-year-old Anna, her young brother Kolya, and their father, Mikhail--as they struggle to survive during the German siege.

The Current Digest of the Post-Soviet Press

Shklovsky: Witness to an Era

A Dazzling Russian travelogue from the bestselling author of *Great Plains* In his astonishing new work, Ian Frazier, one of our greatest and most entertaining storytellers, trains his perceptive, generous eye on Siberia, the storied expanse of Asiatic Russia whose grim renown is but one explanation among hundreds for the region's fascinating, enduring appeal. In *Travels in Siberia*, Frazier reveals Siberia's role in history—its science, economics, and politics—with great passion and enthusiasm, ensuring that we'll never think about it in the same way again. With great empathy and epic sweep, Frazier tells the stories of Siberia's most famous exiles, from the well-known—Dostoyevsky, Lenin (twice), Stalin (numerous times)—to the lesser known (like Natalie Lopukhin, banished by the empress for copying her dresses) to those who experienced unimaginable suffering in Siberian camps under the Soviet regime, forever immortalized by Aleksandr Solzhenitsyn in *The Gulag Archipelago*. *Travels in Siberia* is also a unique chronicle of Russia since the end of the Soviet Union, a personal account of adventures among Russian friends and acquaintances, and, above all, a unique, captivating, totally Frazierian take on what he calls the "amazingness" of Russia—a country that, for all

Download Ebook Pushkins Button Translated From The Italian By Ann Goldstein And Jon Rothschild

its tragic history, somehow still manages to be funny. Travels in Siberia will undoubtedly take its place as one of the twenty-first century's indispensable contributions to the travel-writing genre.

Young Pushkin

Presents alphabetized profiles of nearly seven hundred significant poets from around the world, providing biographies, primary and secondary bibliographies, and analysis of their works.

Strolls with Pushkin

Allusive, ironic, and elegiac, Joycean in scope, Walaschek's *Dream* is an encyclopedic portrait of European culture under Nazism and a singular meditation on the ephemerality of sport and the immortalizing power of art.

Encyclopedia Americana

Thirty-three Swoons

Russian composer Alexander Skryabin's life spanned the late romantic era and the early years of the twentieth century, but was cut short before the end of the first world war. In a predominantly conservative era in the Russian musical scene, he drew inspiration from poets, philosophers, and dramatists of the Silver Age, a period of radical artistic renewal in Russia. Possessed by an apocalyptic vision of transformation,

Download Ebook Pushkins Button Translated From The Italian By Ann Goldstein And Jon Rothschild

aspects of which he shared with other Russian thinkers and artists of the period, Skryabin transformed his musical language from a ripe Romantic style into a far-reaching, radical instrument for the expression of his ideas. This collection of the composer's writings and letters shows Skryabin's worldview and personality. The book also dispels misconceptions about his life and reveals the philosophies that comprised his world of ideas, from Ancient Greek and German Idealist philosophy to the writings of Nietzsche, and Indian culture to the Theosophical writings of H. P. Blavatsky.

Slavic Review

Pushkin

The Virginia Quarterly Review

Pushkin, a Biography

New translations of three contrasting verse narratives by Russia's supreme poet: ballad (title-work, little-known in English); satirical narrative poem ('Count Nulin'); 'fairy tale' ('The Tale of the Golden Cockerel'); with translator's afterword and end notes, 3 drawings by modern Russian artists, and 4 sketches by Pushkin.

This is a story of texts being lost in translation, including the story of Juliet Herbert, the English governess responsible for translating 'Madame Bovary'. It comes complete with maps, illustrations, diagrams, and 'Mademoiselle O', a story by Vladimir Nabokov about his governess, written in French and translated into English."

New Zealand Slavonic Journal

Pushkin's status as Russia's national poet rests as much on the breadth of his cultural influence as on the intrinsic quality of his works. Pushkin's Legacy reflects in various ways the areas in which this influence has been felt. Part I considers some of the key factors in defining Pushkin for posterity, in particular the crucial role played by the critic Belinskii and the problematics of periodising Pushkin. Part II examines the richness of Pushkin's poetics, including the ways in which his work challenged the established boundaries between poetry and prose. Part III examines Russian music's debt to Pushkin and vice versa: Russian music's role in popularising his works. Part IV examines Pushkin's influence abroad via studies of his influence on Mérimée and Henry James and, on a more personal level, through his descendants in England. Pushkin's Legacy offers a variety of approaches to Pushkin and his oeuvre and to the nature of his complex impact on Russian and European culture. Pushkin's Legacy is the third volume devoted to Pushkin to be published in the SSLP series, under the general title Two Hundred Years of Pushkin. It follows volume I, Pushkin's Secret:

Russian Writers Reread and Rewrite Pushkin, and
volume II, Alexander Pushkin: Myth and Monument.

Encyclopedia Americana: Pumps to Russell

Alexander Pushkin is Russia's most beloved poet. Pushkin is a decedent of a noble family on his father's side and on his mother's side the great-grandson of Peter the Great's Blackamoor slave, who was presented with his freedom and became a general in the tsar's Navy. Pushkin's poem "Ode to Liberty" brought hope to the Russian people during a time when other countries were defining their democracy. He is considered to be the Shakespeare of Russian literature having inspired many other writers to follow him. He was revered for his masterpiece Eugene Onegin, and like the hero in his masterpiece became changed by the woman he loved. As a poet, he was also known as the patron saint of dueling having fought many duels during his short life, often over a matter of words or women. His last duel was surrounded with mystery involving an anonymous letter accusing his wife of being unfaithful. He fought this duel to defend his wife's honor and the mystery of the anonymous letter was never solved, until now! Explore the poetry and letters of Pushkin and read about his fascination with dueling, issues with religion, his struggles with censorship, the years he spent in exile while still serving the autocracy, his tribute to his comrades who fought in the Decembrist Uprising and his search for happiness as he finds and marries the most beautiful woman in all of Russia.

Author M. A. DuVernet tells a captivating story of a black poet in Russia during the 1800's, a man who believed in himself and became a legend in spite of the powerful few who hated him.

Extravagances

The Encyclopedia Americana

Shklovsky: Witness to an Era is a blend of riotous anecdote, personal history, and literary reflection, collecting interviews with Viktor Shklovsky conducted by scholar Serena Vitale in the '70s, toward the end of the great critic's life, and in the face of interference and even veiled threats of violence from the Soviet government. Bearing witness to a vanished age whose promise ended in despair, Shklovsky is in great form throughout, summing up a century of triumphs and disappointments, personal and historical.

Shklovsky: Witness to an Era is a blend of riotous anecdote, personal history, and literary reflection, collecting interviews with Viktor Shklovsky conducted by scholar Serena Vitale in the '70s, toward the end of the great critic's life, and in the face of interference and even veiled threats of violence from the Soviet government. Shklovsky's answers are wonderfully intimate, focusing particularly on the years of the early Soviet avant-garde, and his relationships with such figures as Eisenstein and Mayakovsky. Bearing witness to a vanished age whose promise ended in despair, Shklovsky is in great form throughout, summing up a century of triumphs and

disappointments, personal and historical.

Pushkin's Ode to Liberty

Miss Herbert

This 1915 work exhibits the distinct prose style and thought-provoking experimental techniques for which its author is famous. One of Stein's most accessible and influential works.

The Return of the Russian Leviathan

Walaschek's Dream

This final volume in the four-volume series *Habits of Being* shows how the dialectic between everyday appearance and outrageous acts is mediated through clothing and accessories. It considers how clothing and accessories can move quickly from the ordinary to the extravagant. Employing many different approaches, these essays explore how wearing an object—a crown, a flower, an earring, a corsage, a veil, even a length of material—can stray beyond the bounds of the body on which it is placed into the discrepant territory of flagrantly excessive public signs of love, status, honor, prestige, power, desire, and display. The varied contributions of scholars (historians, ethnographers, literary and film critics) and artists (photographers, sculptors, writers, weavers, and embroiderers) take up the threads of

Download Ebook Pushkins Button Translated From The Italian By Ann Goldstein And Jon Rothschild

these forays into history, psyche, and aesthetics in surprising and useful ways. With examples from around the world, contributors address how the simple action of ornamenting the body, even with something as common as a button, are open to elaborate interpretations—which themselves offer new understandings of human behavior and artistic endeavor. When our “habits of being” receive close scrutiny, they seem anything but habitual.

Two Hundred Years of Pushkin

Andrei Sinyavsky wrote Strolls with Pushkin while confined to Dubrovlag, a Soviet labor camp, smuggling the pages out a few at a time to his wife.

Download Ebook Pushkins Button Translated From The Italian By Ann Goldstein And Jon Rothschild

His irreverent portrait of Pushkin outraged émigrés and Soviet scholars alike, yet his "disrespect" was meant only to rescue Pushkin from the stifling cult of personality that had risen up around him. Anglophone readers who question the longstanding adoration for Pushkin felt by generations of Russians will enjoy tagging along on Sinyavsky's strolls with the great poet, discussing his life, fiction, and famously untranslatable poems. This new edition of *Strolls with Pushkin* also includes a later essay Sinyavsky wrote on the artist, "Journey to the River Black."

American Book Publishing Record

Pushkin's Button

"In 1940 Edmund Wilson was the undisputed big dog of American letters. Vladimir Nabokov was a near-penniless Russian exile seeking asylum in the States. Wilson became a mentor to Nabokov, introducing him to every editor of note, assigning reviews for *The New Republic*, engineering a Guggenheim. Their intimate friendship blossomed over a shared interest in all things Russian, ruffled a bit by political disagreements. But then came *Lolita*, and suddenly Nabokov was the big (and very rich) dog. Finally the feud erupted in full when Nabokov published his hugely footnoted and virtually unreadable literal translation of Pushkin's famously untranslatable verse novel *Eugene Onegin*. Wilson attacked his friend's translation with hammer and tong in the *New York Review of Books*. Nabokov counterattacked in the
