Where Greatness Lives

testing

Grit

Timothy Smith says it isn't enough to have kids who act nice and don't get into trouble. Instead, Christian kids need to be equipped to become influencers who can challenge and change their culture. He targets nine key qualities children need but often lack and shows you how to build them into your children by modeling core values and biblical practices.

It Takes a Village

Parenting Teens is a full color laminated product containing 14 panels of valuable information for parents. Each panel contains valuable content for parents seeking to raise teens to live a life of faith and fellowship with God. Topics discussed include: real success, the role of parents, discipline, church involvement, facing tough issues, praying for your teen, and much more.

Parenting Teens

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among *Grit*’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

The Danger of Raising Nice Kids

From Dr. Bob Barnes comes this book showing how to discipline children with consistency and love without feeling guilty or causing anger and resentment.

How to Raise an American

The author has created a method for delivering energy from the heart of the parent directly into the heart of the child. The key to this is sincerity; the heart is not fooled by mechanical techniques or artificiality, but it immediately responds to truth. You're working with the energy of love.

Teach Your Children Well

The modern day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of 13, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O’Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes,

but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids.

Little House on the Freeway

A revealing biography of Dr. Benjamin Rush--fiery signer of the Declaration of Independence, prominent physician, ardent politician, zealous social reformer, passionate humanitarian, and dedicated educator Dr. Benjamin Rush was the Founding Father of an America that other Founding Fathers forgot or ignored--an America of women, African-Americans, Jews, Quakers, Roman Catholics, indentured workers, and the poor. Ninety percent of the people lived in that other America, but none could vote and none had rights to life, liberty, or the pursuit of happiness, either before or after independence from Britain. Alone among the Founding Fathers who signed the Declaration of Independence, Benjamin Rush heard their cries and stepped forth as the nation's first great humanitarian and social reformer. Known primarily as America's most influential and leading physician, Rush was also among the first to call for the abolition of slavery, equal rights for women, free education and health care for the poor, slum clearance, city-wide sanitation facilities, an end to child labor, universal public education, humane treatment and therapy for the insane, prison reform, an end to capital punishment, and improved medical care for injured troops. Using archival material found in Edinburgh, London, and Paris, as well as significant new materials from Rush's descendants recently made available, Harlow Giles Unger's startling biography of Benjamin Rush is an important biography of the Founding Father who never forgot America's forgotten people.

Made for Greatness

Surveys show that only 10% of all marriages are truly happy. The simple truth is the absence of grace leaves a gaping hole in the husband-wife relationship. An instant classic, Grace Filled Marriage shows grace to be the missing piece-and the only place to start building a happy marriage.

Raising Kids for True Greatness

Tim Kimmel gives a comprehensive strategy to churches for family ministry as well as a plan for parents seeking to pass their faith to the next generation. He shares valuable tools for the church to use to build a strong family ministry. A child who has seen grace lived out in front of him at church and at home is much more inclined toward staying committed to a relationship with God into adulthood. So Kimmel shares what a grace-based family ministry looks like in the local church. He

also teaches parents how to translate every part of ministry they are exposed to at church to translate into spiritual training at home. The Family Ministry Map, created by Kimmel, is explained in detail, and examples of the program put into practice are given. This book gives a vital message to church ministry leaders and parents equally, making this a must-read for all involved in sharing faith with the next generation.

Connecting Church & Home: A Grace-Based Partnership

More than 300,000 copies in print! Enjoy learning how to maintain true priorities and restore calmness to marriage, family life, your relationship with God, and the workplace. Includes individual/group study guide.

Raising Grateful Kids in an Entitled World

Sometimes greatness is measured by possessions or power and parents become preoccupied with raising "resume" and "pedigree" children. Yet true greatness is an internal evidence of attitudes and a heart known for humility, compassion, graciousness, and enthusiasm. Author and speaker Dr. Tim Kimmel identifies the three most critical and life-changing decisions that will make the difference. According to Kimmel, preparing your children to determine what they will do (their mission), who they will do it with (their mate), and who they will do it for (their master) is the greatest gift you could give them. Raising Kids for True Greatness will expose the shallow wisdom of the world, giving parents a road map to guide their children toward rich lives of eternal value and significance.

The Danger of Raising Nice Kids

Nice is not enough. We are raising a generation of "nice" kids. Nice kids are well behaved and look good on the outside, but they often lack courageous character inside. Offering practical wisdom gleaned from his experience as a parent and family coach, Tim Smith helps you move your kids from simply polite to truly compassionate. He targets nine key qualities children need but often lack and shows you how to build them into your children by modeling core values and biblical practices. Your kids can be--and indeed, are meant to be--kingdom builders who help bring God's light and life to others through their decisions and influence. "Being nice won't help them stand apart," Tim says. "We need to strategically train our children to engage and challenge the popular views of our culture." Here is a clear, down-to-earth resource that will help you do just that. But be prepared for change--in you, in your kids and in the world.

Brave Moms, Brave Kids

What is the secret of talent? How do we unlock it? This groundbreaking work provides readers with tools they can use to maximize potential in themselves and others. Whether you're coaching soccer or teaching a child to play the piano, writing a novel or trying to improve your golf swing, this revolutionary book shows you how to grow talent by tapping into a newly discovered brain mechanism. Drawing on cutting-edge neurology and firsthand research gathered on journeys to nine of the world's talent hotbeds—from the baseball fields of the Caribbean to a classical-music academy in upstate New York—Coyle identifies the three key elements that will allow you to develop your gifts and optimize your performance in sports, art, music, math, or just about anything.

- **Deep Practice** Everyone knows that practice is a key to success. What everyone doesn't know is that specific kinds of practice can increase skill up to ten times faster than conventional practice.
- **Ignition** We all need a little motivation to get started. But what separates truly high achievers from the rest of the pack? A higher level of commitment—call it passion—born out of our deepest unconscious desires and triggered by certain primal cues. Understanding how these signals work can help you ignite passion and catalyze skill development.
- **Master Coaching** What are the secrets of the world's most effective teachers, trainers, and coaches? Discover the four virtues that enable these “talent whisperers” to fuel passion, inspire deep practice, and bring out the best in their students. These three elements work together within your brain to form myelin, a microscopic neural substance that adds vast amounts of speed and accuracy to your movements and thoughts. Scientists have discovered that myelin might just be the holy grail: the foundation of all forms of greatness, from Michelangelo's to Michael Jordan's. The good news about myelin is that it isn't fixed at birth; to the contrary, it grows, and like anything that grows, it can be cultivated and nourished. Combining revelatory analysis with illuminating examples of regular people who have achieved greatness, this book will not only change the way you think about talent, but equip you to reach your own highest potential.

The Talent Code

How to raise kids who can handle the real world Today's Generation iY (teens brought up with the Internet) and Homelanders (children born after 9/11) are overexposed to information at an earlier age than ever and paradoxically are underexposed to meaningful relationships and real-life experiences. Artificial Maturity addresses the problem of what to do when parents and teachers mistake children's superficial knowledge for real maturity. The book is filled with practical steps that adults can take to furnish the experiences kids need to balance their abilities with authentic maturity. Shows how to identify the problem of artificial maturity in Generation iY and Homelanders Reveals what to do to help children balance autonomy, responsibility, and information Includes a down-to-earth model for coaching and guiding youth to true maturity Artificial Maturity gives parents, teachers, and others who work with youth a manual for understanding and practicing the leadership kids so desperately need to mature in a healthy fashion.

Legacy of Love

Do you love America? Are you proud to call this country your home? Now, what about your kids? You want them to love America as much as you do, but when popular culture tells them it's cooler to bash this country than to love it, how can you teach them to be proud and loyal citizens? As mothers themselves, bestselling author Myrna Blyth and former presidential speechwriter Chriss Winston have struggled with the same dilemma. Shocked by the growing patriotism gap, they set out to create a real-world resource all parents can use to teach their kids about the greatness of America's past, the promise of its future, and the important role each of us plays in this democracy. How to Raise an American shows you how to make patriotism a priority without it becoming a chore for you or your kids. This practical guide offers tips, games, activities, quizzes, and information you can use to make patriotism part of your family's daily life, including: - 60-Minute Solutions that easily and seamlessly instill a love of this country - Dinner Table Debate topics that will have the whole family talking - Road trip ideas that bring America's history to life - Books and movies that exemplify our shared ideals - Inspiring stories of American courage, honor, and ingenuity - Fun and educational ways to celebrate American holidays like the Fourth of July and Veterans Day Blyth and Winston consulted prominent historians, academics, military leaders, politicians, authors, scholars, film critics, and parents around the country to bring you a truly useful guide. Part treatise on patriotism, part American history primer, part civics lesson, this book is the antidote to the virulent America bashing our children hear every day. Inspiring and practical, How to Raise an American is a must for every patriot—parent and child.

All Children Flourishing

THERE'S GREATNESS INSIDE OF YOU ..".Even for this same purpose have I raised thee up, that I might shew My power in thee, and that My Name might be declared throughout all the earth." You were meant to be great. Regardless of color, culture, profession, gender, and background there are seeds of greatness in you that need to be cultivated. Understand that God has a purpose and a plan for your life. He Himself said, "'For I know the plans I have for you, ' declares the Lord, 'plans to prosper you and not to harm you, plans to give you hope and a future.'" In this book you will learn: [What true greatness means [Why greatness means nothing without service [The necessity of applying time-tested principles [Why great people tend not to fit it [Why desire is necessary before any great work can be accomplished [Why God is always focused on sound character first and promotion second [The principles great people apply to become great [Why greatness was never meant just for you And much more Know that it's God's desire to raise you up-and He's been preparing you for that purpose. He's been getting you ready through every test, every trial, every setback, every victoryand deep downyou always knew it yourself. The time to unlock your greatness is now! Michael Holmes lives in Queens, NY with his family. He can be reached at Michael_holmes@ymail.com.

How to Achieve True Greatness

Psychologist Madeline Levine, author of the New York Times bestseller *The Price of Privilege*, brings together cutting-edge research and thirty years of clinical experience to explode once and for all the myth that good grades, high test scores, and college acceptances should define the parenting endgame. *Teach Your Children Well* is a toolbox for parents, providing information, relevant research and a series of exercises to help parents clarify a definition of success that is in line with their own values as well as their children's interests and abilities. *Teach Your Children Well* is a must-read for parents, educators, and therapists looking for tangible tools to help kids thrive in today's high-stakes, competitive culture.

Dr. Benjamin Rush

On December 4, 1906, on Cornell University's campus, seven black men founded one of the greatest and most enduring organizations in American history. Alpha Phi Alpha Fraternity Inc. has brought together and shaped such esteemed men as Martin Luther King Jr., Cornel West, Thurgood Marshall, Wes Moore, W. E. B. DuBois, Roland Martin, and Paul Robeson. "Born in the shadow of slavery and on the lap of disenfranchisement," Alpha Phi Alpha -- like other black Greek-letter organizations -- was founded to instill a spirit of high academic achievement and intellectualism, foster meaningful and lifelong ties, and racially uplift those brothers who would be initiated into its ranks. In *Alpha Phi Alpha*, Gregory S. Parks, Stefan M. Bradley, and other contributing authors analyze the fraternity and its members' fidelity to the founding precepts set forth in 1906. They discuss the identity established by the fraternity at its inception, the challenges of protecting the image and brand, and how the organization can identify and train future Alpha men to uphold the standards of an outstanding African American fraternity. Drawing on organizational identity theory and a diverse array of methodologies, the authors raise and answer questions that are relevant not only to Alpha Phi Alpha but to all black Greek-letter organizations.

Why Christian Kids Rebel

Do You Know Where Greatness Is? We all want to do great things. But in order to be great, we need to find the place where Greatness lives. Follow along as Miles the Monkey searches all over the world looking for his Greatness. What he learns will leave you surprised, inspired, and ready to discover your own Greatness, too.

Extreme Grandparenting

Grandparents have a vital role in the lives of their grandchildren, not only as a mentor and loving family member, but as a spiritual rock during the hard times. *Extreme Grandparenting* helps readers understand how to make the most of the new role of grandparent and how to grow the next generation for greatness.

Give Them Grace

Ten years ago one of America's most important public figures, First Lady Hillary Rodham Clinton, chronicled her quest both deeply personal and, in the truest sense, public to help make our society into the kind of village that enables children to become able, caring resilient adults. *IT TAKES A VILLAGE* is a textbook for caring, filled with truths that are worth a read, and a reread. In her substantial new introduction, Senator Clinton reflects on how our village has changed over the last decade, from the internet to education, and on how her own understanding of children has deepened as she has watched Chelsea grow up and take on challenges new to her generation, from a first job to living through a terrorist attack. She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful, improvements in the foster care system and support for adoption, and where there is still work to be done, providing pre-school programmes and universal health care to all our children. This new edition elucidates how the choices we make about how we raise our children, and how we support families, will determine how all nations will face the challenges of this century.

Grace-Based Parenting

Grandparents have a vital role in the lives of their grandchildren, not only as a mentor and loving family member, but as a spiritual rock during the hard times. *Extreme Grandparenting* helps readers understand how to make the most of the new role of grandparent and how to grow the next generation for greatness.

Embracing Greatness

How are parents to raise children so they don't become Pharisees (legalists) or prodigals (rebels)? It's all about grace-filled, gospel-driven parenting, says the mother/daughter team of Elyse Fitzpatrick and Jessica Thompson. Christian parents, in their desire to raise godly children, can drift toward rule-centered discipline. There is, however, a far more effective method—a grace-motivated approach that begins with the glorious truth of God's love for sinners. In *Give Them Grace*, parents will learn how to connect the benefits of the cross—especially regeneration, adoption, and justification—to their children's daily lives. Chapters address topics such as our inability to follow the law perfectly, God's forgiveness and love displayed at the cross, and what true heart obedience looks like. Fitzpatrick and Thompson also discuss discipline, dealing with popular culture, and evangelism as a way of life. Parents will find this book a great resource for raising grace-filled, Jesus-loving kids.

Greatness

Parents in our post-modern world tend to be committed to but anxious about their child-rearing responsibilities. They've tried the countless parenting books on the market, but many of these are strident, fear-based books that loving parents instinctively reject, while still searching for direction. Now Dr. Tim Kimmel, founder of Family Matters ministries, offers a refreshing new look at parenting. Rejecting rigid rules and checklists that don't work, Dr. Kimmel recommends a parenting style that mirrors God's love, reflects His forgiveness, and displaces fear as a motivator for behavior. As we embrace the grace God offers, we begin to give it-creating a solid foundation for growing morally strong and spiritually motivated children. Releasing in an affordable trade paper edition, this revolutionary book presents a whole new way to nurture a healthy family.

Grace Filled Marriage

Evans equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. He begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then provides specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more.

Raising Kingdom Kids

You want only the best for your kids. And you want them to be successful. Sure, there's nothing wrong with that. But what if there was something more? Could your definition of success be leaving out the most important part? What about greatness? Where does it fit in? "If you aim your children at anything less than greatness, you'll set them up to miss the whole point of their lives," says author Tim Kimmel. In *Raising Kids for True Greatness*, Kimmel turns the definition of success on its head and guides you in preparing your child for a life that will easily eclipse the goals of those who are merely successful. Learn how to prepare your kids for rich lives of true greatness by helping them find answers to life's three most crucial, life-changing questions regarding their mission, mate, and master: What are they going to do with their potential? Who will they spend their lives with? Who will they live it for?

I Shall Raise Thee Up

With the seemingly insurmountable pressures placed on families today, many parents lack the spiritual foundation and practical knowledge to chart a clear-cut course in child-rearing. Parents question whether nurturing their children's souls is even possible in the fast-paced materialistic culture in which we live. Utilizing the insight that springs from her knowledge of

Torah wisdom, her personal experiences and the experiences of those she has counseled, Slovie Jungreis-Wolff, a longtime parenting coach and advisor to young couples and families teaches in detail how to approach the entire gamut of issues, with a special emphasis on strengthening the child's morality and character. Parents will learn how to:

- Instill simchas hachayim, "true joy," in their children
- Value chessed, kindness, in a self-absorbed world
- Create a mikdash me'at, a home filled with calm and reflection
- Teach children gratitude and appreciation
- And much more

From discipline to sibling rivalry to effective communication skills, Raising a Child with Soul offers unique concepts and pragmatic ideas that can be understood and applied to both Jewish and non-Jewish households.

Who's in Charge Here?

Hey, Mama This world feels like it's spinning faster every day. As the darkness has crept in, your brave prayers may have given way to fearful pleas that your kids would experience God's kingdom—in a safe and comfortable way. This generation needs heroes of the faith and your child can be one of them, but that will require you to be strong and BRAVE. You and I must call out the bold Christ followers within our children and help them face the unknown future with divine confidence. Brave Moms, Brave Kids is an equipping tool that will help you identify the qualities present in true greatness reject "mommy fears" and replace them with immovable truth learn strategies for praying for and training your children more effectively develop seven key lessons we must teach our children to live for Jesus Courage starts with you, Mama. If you're going to raise a hero, you must become a hero—because brave kids need brave moms. Let's do this, together. Love, Lee

Basic Training for a Few Good Men

Author of Grace-Based Parenting and the best-selling Little House on the Freeway, Dr. Tim Kimmel helps Christian parents avoid the potential problems their well-meaning parenting styles could create. This book offers a new way to look at the "ideal" Christian home and shows why "cocoon-style" Christian homes don't always work. Many parents have "done it all" when it comes to the checklist of good Christian parenting, only to see their son or daughter step away from their belief system and embrace other lifestyle choices. Dr. Kimmel helps to increase the chances that your children will develop a vibrant faith early in life and stick with it on into adulthood. It will also provide help and hope for those already dealing with a rebellious teen and teach them how to lead the child back into a walk of faith.

Raising a Child with Soul

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. "Good Omens . . . is something like what would have happened if Thomas

Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick."—Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

Artificial Maturity

From a Christian perspective, Welch "shares the ups and downs in her own family's journey of discovering why it's healthiest not to give their kids everything. Teaching them the difference between want and need is the first step in the right direction. With tips and anecdotes, she shares how to help kids become hardworking, fulfilled, and successful adults"--Amazon.com.

Good Omens

From the 100-part Penguin Great Ideas series comes an excerpt from the famous Book of the Courtier. In his witty and perceptive discourses on the ideal virtues of a Renaissance courtier, Baldesar Castiglione sets out values that continue to offer illumination in questions of leadership and government—espousing such qualities as prudence, courage, loyalty, affability, and style, and even encouraging the playing of sport as one of the best ways to gain influence and power. Penguin Great Ideas: Throughout history, some books have changed the world. They have transformed the way we see ourselves—and each other. They have inspired debate, dissent, war, and revolution. They have enlightened, outraged, provoked, and comforted. They have enriched lives—and destroyed them. Now Penguin Great Ideas brings you the works of the great thinkers, pioneers, radicals, and visionaries whose ideas shook civilization and helped make us who we are. Other titles in the series include Niccolò Machiavelli's The Prince, Thomas Paine's Common Sense, and Charles Darwin's On Natural Selection.

Alpha Phi Alpha

GREATNESS is a motivational book whose target audience is found in business and self-help. It is a life book, aimed at inspiring others to achieve their personal and professional best. Opening with an in-depth discussion of the nature of

Greatness-what it is, what it is not, and why it is worth pursuing-each subsequent chapter of the book consists of a detailed story illustrating one aspect of Greatness with examples from the sports greats that Don has interviewed over the years. This will be followed by a discussion and other related examples. There are also practical tips and plans for assisting the reader in implementing new habits, routines, practices, and philosophies of Greatness into his or her daily life. As each characteristic is outlined, the reader is challenged to look for areas in his or her professional and personal lives that can be improved by embracing these lessons. As Don often says during his speeches, "Though these characteristics are culled from some of the greatest winners in sports, not a single one requires you to be able to touch your toes! These iconic figures in sports have provided a classroom for us to learn about their pursuit of Greatness. You don't have to be good at sports - heck, you don't even have to like sports - to benefit from their lessons." It is the strong belief of those who Don has talked to over the years that greatness is available to all of us. Not in the same way or on the same field, mind you. But we all have the capacity to achieve greatness if we'll give the same dedication to these characteristics as do the winners presented and interviewed in GREATNESS.

Raising Kids for True Greatness

A workable strategy for parenting on purpose with building blocks for a godly heritage that will span generations. Learn how to imprint your child's character with traits such a conviction, courage, integrity, and honor--a legacy more valuable than a monetary inheritance. (Multnomah)

Changing the Game

This fun, rhyming read for parents and children teaches how to ignite a child's greatness, no matter how challenging the child.

"Mom, I Hate My Life!"

Basic Training For a Few Good Men presents scriptural principles to empower men to 'stand in the gap' and be 'watchmen on the wall' before the Lord for their families. The challenges that men are facing in our culture today are staggering. Many men feel lost, without a solid moral compass. They feel helpless as to what position they are to play in a society that is constantly changing. Basic Training is a crash course in character. It's a no-holds barred study of the things that turn men of faith into men of God. In each session, Tim Kimmel shows men how they can flourish at work, draw the best out of their wives, make it easy for their kids to look up to them and find it a joy to serve in God's army. SEVEN LESSONS ARE STIMULATING AND PRACTICAL 1. A FEW GOOD MEN: PART I The importance of family leadership God's plans for using men

How to grow in convictions Four convictions worth dying for 2. A FEW GOOD MEN: PART II How to grow as a man of character Learn how to honor your commitments How to anticipate your family's needs in advance Grow in courage by having 'healthy fears' 3. A FEW GOOD HUSBANDS: PART I Five traits that bring spiritual endurance Respond better to problems and challenges How to harness the power of humility Five ways to be a considerate husband 4. A FEW GOOD HUSBANDS: PART II How to enthusiastically love your wife Avoiding the poison of comparison Encouraging your wife's uniqueness Extremes to avoid in your sexual relationship 5. A FEW GOOD DADS: PART I Bringing out the best in your children How to keep your kids under control, without being controlling God's desire to give dads wisdom, understanding and knowledge Learn how to direct, develop and delegate to your children 6. A FEW GOOD DADS: PART II Being the kind of model your children will follow How to advance your children's spiritual life Let your children know they are a priority Leaving a legacy for your children 7. A FEW FAITHFUL MEN Five traits that bring spiritual endurance Rediscovering prayer The importance of purity The power of praise BASIC TRAINING WORKBOOK IMPACTS LEARNING! The workbook plays a critical role in this study! When you have finished viewing Dr. Kimmel's video lesson and begin the workbook session, you will see the group start opening up, getting better acquainted, and sharing thoughts and insights together. This is the key to a dynamic learning experience. Raising Kids Who Turn Out Right

Every parent hopes their kids will turn out right. They pray that when their children leave the nest, they will be ready to face the world. And they hope that their kids will be equipped to stand strong in life's battles. There are no shortcuts to successful parenting-no secret formulas to raising kids of strength and character. However, there are steps you can take to prepare your children for the challenges ahead. But you'll need an effective game plan. With warmth and conviction, Tim Kimmel outlines a strategy for positive parenting - a plan that gives you reachable goals, while allowing for your personal parenting style. You have only a few short years with your child make the most of the time you have. Dr. Kimmel has two other parenting books that just came out, Grace Based Parenting and Why Christian Kids Rebel. Both of which are nominated for the Gold Medallion. Raising Kids would be the perfect addition to these books.

Extreme Grandparenting

Embracing Greatness: A Guide for Living the Life You Love takes the lid off previously held beliefs you have about yourself and the world around you. In this book, you'll learn how to shine a conscious light of inquiry and understanding on those

beliefs. The process revealed in Embracing Greatness helps you uncover the special contributions you're meant to make in the world and action steps toward them. Get ready to transform your life - your relationships; your physical, emotional, and spiritual health; your financial freedom; your joy in life; your business and creative expression; and the ability to do what you want, when you want, where you want, and with whom you want. Find out more at www.EmbracingGreatness.com. Even before its publication, here's what people who received advance copies said about Embracing Greatness: A Guide for Living the Life You Love. "Sophia Falke has nailed it! In her own inimitable way Sophia helps you discover the beauty and purpose in your uniqueness Please read this book!" Mike Rayburn, CSP, CPAE, Hall of Fame Keynote Artist. "If you're ready to live the life you would love, You will forever thank yourself for reading and applying this wonderful book." Mary Morrissey, International Speaker, Best-Selling Author, CEO Consultant. "Embracing Greatness is for anyone who wants to discover and cast aside long-held barriers to personal success." Kathleen Quinlan, MSW, LCSW, Author/Producer of The Land of Love. "As a business owner who left corporate life to start my own business, I was inspired by Sophia's message" Deborah Armstrong, Small Business Owner. "Embracing Greatness is like taking a walk on a warm spring day with a much respected mentor while getting the pep-talk of a lifetime. Filled with inspiration, doable exercises, and heartwarming stories of real people making tremendous positive changes, this personal-growth handbook is a true gem!" Cate Montana, MA, Author of The E Word: Ego, Enlightenment & Other Essentials.

Nurture My Heart: Igniting the Greatness of Every Child

An invaluable guide for mothers of teenage girls offers aid on dealing with the tempestuous emotional ups and downs that comes with adolescence, including advice on parenting with love and the path to true growth for both mothers and daughters. Original.
