Wayne Cordeiro found himself paralyzed by burnout. He had been in ministry for 30 years, and 10 years after founding what is now the largest church in Hawaii, he found himself depleted. Wayne took a season out of his growing ministry to recharge and refocus on the truly important. He was able to get back in touch with his life, get back in proper balance, and re-energize his spirit through Christ in a way that propelled him forward to greater levels of service. Wayne first gave this message at a recent Willow Creek Leadership Summit, where it was the highest-rated presentation by those in attendance. Pulling no punches, Wayne talks about the walls leaders must break through and how to move on with integrity. Included are ways to care for oneself physically and emotionally as well as spiritually.

When Bush came to office in 2001, the 10-year budget balance was officially projected to be at a surplus of \$5.6 trillion. But after three big tax cuts, the bursting of the stock-market bubble, and the devastating effects of 9/11 on the economy, the surplus has evaporated, and the deficit is expected to grow to \$ 5-trillion over the next decade. The domestic deficit is only the half of it. Given our \$500 billion trade deficit and our anemic savings rate, we depend on an unprecedented \$2 billion of foreign capital every working day. If foreign confidence were to wane, this could lead to the dreaded hard landing. Peter G. Peterson--a lifelong Republican, chairman of the Blackstone Group, and former secretary of commerce under Nixon--shatters the myths with hard facts and a harrowing view of the twin deficit's real impact. Republicans and Democrats alike have mortgaged America's future through reckless tax cuts, out-of-control spending and Enron-style accounting in Congress. And the situation will only get worse as the Baby Boom generation begins to retire, making unprecedented demands on entitlement programs like Social Security and Medicare. Despite what Bush says, we are on a path that could end in economic meltdown, and we simply cannot grow out of the deficit. In *Running On Empty*, Peterson sounds the warning bell and prescribes a set of detailed solutions which, if implemented early, will prevent the need for draconian measures later. He takes us behind the politicians' smoke-and-mirror games, and forcefully explains what we must do to rescue the future of our country.

You Are Not Fueled by Coffee, Sleep, or Approval As women, ministry pushes us to moments of insufficiency, exposes our weaknesses, and tests our patience. Some days it feels like a little more sleep, a lot more coffee, and a pat on the back might sustain us. But down deep, we know these things can never fuel our ministries. Positive without being cliché, Running on Empty presents the realities of vocational ministry with humor and hope. Author Barbara Bancroft draws from her experience as a missionary woman and pastor's wife to demonstrate how the gospel must be our message to ourselves as well as others. Along the way, she confronts the "mythic ministry model of Proverbs 31" and other stereotypes and expectations that hinder women from enjoying and displaying the gospel each day. Running on Empty's down-to-earth, humorous writing style reaches out to weary women reluctant to read another book on ministry. Offering more than crisis management tips or how-tos, Running on Empty reorients women's hearts and minds to the joy of belonging to Christ and being a part of his kingdom work. Ideal for small group discussion or personal reflection, Running on Empty stretches beyond burnout prevention strategies all the way to joy and purpose in ministry.

The fall of Saigon in April 1975 resulted in the largest and most ambitious refugee resettlement effort in Canada's history. Running on Empty presents the challenges and successes of this bold refugee resettlement program. It traces the actions of a few dozen men and women who travelled to seventy remote refugee camps, worked long days in humid conditions, subsisted on dried noodles and green tea, and sometimes slept on their worktables while rats scurried around them - all in order to resettle thousands of people displaced by war and oppression. After initially accepting 7,000 refugees from camps in Guam, Hong Kong, and military bases in the US in 1975, Canada passed the 1976 Immigration Act to establish new refugee procedures and introduce private refugee sponsorship. In July of 1979, the

federal government under Prime Minister Joe Clark announced that Canada would accept an unprecedented 50,000 refugees – later increased to 60,000 – more than half of whom would be sponsored by ordinary Canadians. *Running on Empty* presents gripping first-hand accounts of the government officials tasked with selecting refugees from eight different countries, receiving and matching them with sponsors, and helping churches, civic organizations, and groups of neighbours to receive and integrate the newcomers in cities, towns, and rural communities across Canada. Timely and inspiring, *Running on Empty* offers essential lessons for governments, organizations, and individuals trying to come to grips with refugee crises in the twenty-first century.

Learn to live with God instead of for God. In this candid and achingly authentic book, Fil Anderson shares the healing insights that restored his spiritual compass

and guided him back to God--the God who specializes in filling empty souls. Fil Anderson had accomplished more for God than most of his contemporaries, but his worn-out body housed an empty soul. His frenetic pace of ministry had earned him just one thing: greater pressure to do even more. He had fallen for the soul-killing lie that doing more for God would give his life meaning. Then the godly admonition of a spiritual director set this burned-out believer on a life-saving spiritual path. Sometimes the only way to get a new life is by running your old one completely into the ground. This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty. It's the story of reclaiming your soul and finding a home in the center of God's relentless love. It's the journey from self-importance to God-importance. "To the harried and the unharried, I pray that this book will minister to your heart in the profound way that it has blessed mine." —Brennan Manning
