The Urban Sketching Handbook: Understanding Perspective

The next craze, after coloring books, is sketching.

The Art of Urban Sketching

Packed with creative exercises and practical tips, this book will help you breathe life and expression into your urban sketches. In a time when most people have a camera or smartphone to hand at all times, the question of why we sketch is ever more relevant. A sketch cannot capture a scene with perfect accuracy instead, it is about something more. We sketch to capture an impression, record a feeling, create a personal interpretation; sketching is an act of personal expression. Whether you want to sketch to capture fleeting moments, experiences or locations in time, or to record impressions that you can return to and build on later, this book will show you how. The aim of the book is to encourage you to create quick, animated drawings that are full of life and expression. Whether you are looking to discover your own sketching style, or to build on your existing knowledge, this book is packed with quick exercises to get you thinking, theory to build up your knowledge base, and beautiful artworks to inspire you. The book is divided into seven lessons: tools, colour, composition, bringing a sketch to life, urban life, landscapes and human subjects - each contains learning objectives and tips to hone your technique. Decide how strong or detailed to make your linework; when to use pencil or ink; how much colour to use, and where; how to successfully compose an image and use perspective to bring it to life; how to use contrast; how to incorporate detail; how to sketch landscapes, urban features and human subjects. It is when we bring together all these different elements of an urban

Read Online Sketching People An Urban Sketchers Guide To Drawing Figures And Faces

scene that our sketches come to life.

Dare to Sketch

In *The Urban Sketching Handbook: Drawing Expressive People*, urban sketcher and workshop instructor Róisín Curé shows how to make your figures more than just anonymous bystanders by sharing the basics of drawing people on the go as well as how to successfully render poses, faces, and expressions. Following an essential section on proportion, you'll find tips, tricks, and examples for surmounting the intimidating prospect of capturing ever-shifting subjects, plus techniques for portraying poses accurately and distilling details that convey personality and emotion, whether individually, in small groups, or in crowds. Bring figures and people to life on the page and tell an authentic visual story with *The Urban Sketching Handbook: Drawing Expressive People*. The *Urban Sketching Handbook* series offers location artists expert instruction on creative techniques, on-location tips and advice, and an abundance of visual inspiration. These handy references come in a compact, easy-to-carry format with an elastic band closure—perfect to toss in your backpack or artist's tote.

Sketch Your World

For the last ten years, urban sketcher Marc Taro Holmes has been on a mission to travel the world drawing and painting on location. Thousands of loyal readers worldwide have been following his award-winning blog at CitizenSketcher.com, learning from his freely shared articles featuring hundreds of sketchbook drawings and watercolor paintings, his first-hand experiments with field-sketching gear, free downloadable art-workshops, and numerous over-the-shoulder, step-by-step demonstrations. Along the way Marc wrote the instant classic: *The Urban Sketcher: Techniques for Seeing and Drawing on Location* (4.6 stars 180+ reviews). Marc is also the presenter of two online courses: *Travel Sketching in Mixed Media* and *Sketching People in Motion* (available from Craftsy.com). With his latest book, *Direct Watercolor* Marc brings you a retrospective collection of over eighty of his watercolor paintings, painted side-by-side with fellow urban sketchers in ten different countries. This is the work of a plein-air painter at the top of his game, seen for the first time as a single body of work, and accompanied with his latest thoughts on the medium of watercolor. Also included - six completely new step-by-step demonstrations, systematically explaining his deceptively simple approach to painting. Marc shows you how to paint rapidly, with little or no preparation and the minimum of supplies, unlocking the secrets of spontaneous, expressive watercolor, with a unique personal vision. Whether you're already one of Marc's readers or are about to discover his boldly expressive approach, *Direct Watercolor* offers you the keys to unlocking your own adventures as a sketchbook artist, traveling watercolorist, or unconventional studio painter. Please note: This ebook version of *Direct Watercolor* is only suitable for full-color displays such as the Kindle Fire, or the Kindle app for tablets, phones, laptops, and computers.

Creek to UBC, come discover the rich history, culture, and stunning beauty of Vancouver. Part travelogue, part guidebook and celebration, Ng's vibrant, colorful sketches and lively text are the perfect companion to appreciating Vancouver's spatial richness and cultural diversity. "Rather than creating an art book," says author T.K. Justin Ng, "I am much more interested in making a book that explores Vancouver's pictorial identity through a selective webbing of personal observations and history. Straddling between a guide and a journal, this book is for tourists and Vancouverites alike."

The Urban Sketching Handbook: Reportage and Documentary Drawing

Her Book of Shadows

Get great techniques, tips, and ideas from the Urban Sketching Handbook series in one place! With this thorough guide, discover how to sketch architecture and cityscapes, plus people and motion; learn drawing perspective; and see how easy it is to add color to artwork.

Designing Creatures and Characters

A retired Arizona cop, Scott Riker, lives with his wife and daughter in Quebec City where he heads a group of problem-solvers. Directed by Quebec business mogul and philanthropist, Luc Duchesne, the group uses their talents and resources to stand between people in trouble and the criminal elements who would do them harm. In Her Book of Shadows, Riker agrees to find a teenage girl, Jodie Burke, whose parents say ran away to Quebec City from Connecticut. When Jodie's friend turns up murdered on the Plains of Abraham, however, it becomes clear that Riker faces something more than just a runaway girl. He races to find Jodie and prevent whoever is trying to kill her from succeeding.

determining your composition, and balancing your light and shadow. This book collects many basic drawing techniques into one handy volume: How to draw a great line Using ellipses to draw arches How towers are like wedding cakes The importance of your eye level line in sketching and 97 things more! The book also features beautiful example illustrations from Urban Sketchers around the globe! Whether you are new to sketching or are an experienced artist, this book is chock-full of useful, practical, and clever tips to take your drawing to the next level. The Urban Sketching Handbook series offers location artists expert instruction on creative techniques, on-location tips and advice, and an abundance of visual inspiration. These handy references come in a compact, easy-to-carry format with an elastic band closure—perfect to toss in your backpack or artist's tote.

The Urban Sketching Handbook: 101 Sketching Tips

A comprehensive directory of sketching and drawing techniques for able and aspiring artists, *5-Minute Sketching: People* will help you to dust off your sketchbook and loosen up your creativity in a short amount of time. This bite-sized approach will help readers to make drawing a part of their everyday lives, and to look and deconstruct figures and faces quickly. *5-Minute Sketching* is the perfect way to focus your sketching energies - within five minutes it is perfectly possible to produce a great drawing. Short poses are a staple of traditional life drawing classes and the perfect way to warm up creatively. Every spread in the book features six expert tips and ideas, as well as examples of amazing 5-minute sketches to inspire your masterpieces! Urban Sketcher Pete Scully looks first at *Who to Draw*, with topics such as quick direct poses, drawing the verb, capturing motion, drawing people from a distance and capturing a conversation. Next comes *How to Look*, with easy expert tips on perspective, foreshortening and drawing difficult features such as arms, noses and hair. Next, *Useful Techniques* includes advice on having fun with mark-making, contour drawing, crosshatching, and scribbling, amongst others topics. Finally, explore the *Tools and Materials* section of the book, with easy-to-use advice on pencils, pens, color washes and digital techniques. Get set and sketch!

Urban Sketching: Capturing the Views Around Us

The Art of Urban Sketching is both a comprehensive guide and a showcase of location drawings by artists around the world who draw the cities where they live and travel. Authored by the founder of the nonprofit organization Urban Sketchers (www.urbansketchers.org), this beautiful, 320-page volume explains urban sketching within the context of a long historical tradition and how it is being practiced today. With profiles of leading practitioners and discussions of the benefits of working in this art form, this inspiring book shows how one can participate and experience this creative outlet through modern-day social networks and online activity. You'll find more than 600 beautiful, contemporary illustrations, as well as artists' profiles and extended captions where these urban sketchers share their stories, how they work, sketching tips, and the tools behind each drawing. With sketches and observations from more than 50 cities in more than 30 countries, *The Art of Urban Sketching* offers a visually arresting, storytelling take on urban life from different cultures and artistic styles, as well as insight into various drawing techniques and mediums.

5-Minute Sketching -- People

Galway artist Roisin Cure presents snapshots of life in the City of the Tribes in bold ink and vibrant watercolor. Her sketches show the beautiful details of Galway's pubs, the musicians and buskers, the exquisite medieval stonework, the marine environment, the vibrant nightlife culture, and the local colorful characters. These striking pictures are accompanied by recollections of conversations the artist had while sketching. This book is a unique souvenir of Galway, of a city that is famous for the arts and yet has so little in the way of visual art. It is a very timely book, released in advance of Galway 2020, when the city celebrates being European Capital of Culture.

Direct Watercolor

Urban sketching has become one of the biggest art trends of the last decade, with artists preferring to capture a scene on location rather than relying on a photograph. Featuring 20 step-by-step exercises, *Sketch Club: Urban Drawing* is your essential guide to putting your drawing skills into practice on location. You'll learn how to start, when to stop and how to fix common mistakes. Packed with all the energy and inspiration of a drawing group, this is the ideal book for anyone looking to take their urban drawing further. Perfect your urban drawing skills and develop your own unique style with professional urban sketcher, Phil Dean. Chapters include: - Loosening Up - Building a Scene - Adding Contrast - Taking it Further - Finishing Touches

The Urban Sketching Handbook: People and Motion

Urban Sketching

Discover a short history of sketching and the changing role of sketchers in our social media-impacted world. Also includes tips on how to choose materials, utilize different techniques, unlock an intimate personal style, and document their everyday environments in exquisite detail.

Urban Drawing

Everyday Sketching and Drawing offers an easy-to-follow, 5-step formula, which teaches beginner-friendly techniques for learning the skills necessary to make drawing and sketching an everyday habit. For those who have always wanted to or tried and failed to learn to draw it provides simple step-by-step instruction, plus easy-to-follow practice exercises, and provides the motivation and inspiration readers need to be successful. For those who already draw, *Everyday Sketching and Drawing* offers another technique to add to their drawing arsenal. Why do so many adults come to view drawing as difficult or fraught with anxiety? Traditional art instruction is often bogged down with jargon, rules, and admonishments that unintentionally stifle the joy of drawing for its own sake. Steven Reddy's new and easy approach to drawing instructs sketchers to document their unique and compelling lives in realistic yet playful sketches that record the places, spaces, and

Read Online Sketching People An Urban Sketchers Guide To Drawing Figures And Faces

objects that help define them as individuals. He reminds artists to slow down, notice, and attend to the sketch-worthy scenes and subjects that are unstaged and always there in our everyday lives. He offers a versatile technique that can lead to a skill that fills sketchbooks with the visual details that differentiate one life from another. This approach is a meditative, relaxing alternative to academic concerns about perspective, proportion, and accuracy. Reddy encourages artists to capture in whimsical but detail-specific illustrations their unique, subjective interpretation of their visual surroundings. Steven Reddy's drawing method produces extremely detailed and realistic scenes of objects and scenes in everyday life in a relatively short period of time (60 minutes to 3 hours or more, depending on the sketcher's preference). Modifying a technique utilized by Old Master oil painters, the drawings pass through 5 clearly articulated stages where each step focuses on one visual concept at a time.

The Urban Sketching Handbook: Working with Color

Presents advice for creating urban sketches, discussing the best pens, pencils, papers, and sketchbooks, various drawing techniques for urban subjects and landscapes, and detailed instructions for applying watercolor to a sketch.

The Vancouver Sketchbook

Now in a new format, the best-selling book series, Urban Sketching, is reconfigured into this portable package, which includes an informational book and companion sketchpad full of prompts and drawings. This guide tackles specific challenges of making sketches on location. You'll know what to do rain or shine, quickly or slowly, and the most suitable techniques for every situation. From houses and shopping malls to public buildings and places of worship to the humans that live and work there, these people and places for shelter, commerce, industry, transportation, or recreation are fascinating subjects to study and sketch. Drawing the places where we live, work, and play is a great way to show appreciation and creativity!

Urban Watercolor Sketching

Urban Sketching: Capturing the Views around Us offers the readers with wealth of information on becoming successful urban sketchers and at the same time gives them the encouragement and opportunities to experience the joy and fun of urban sketching. The book gives an overview on various artist tools and materials that urban sketchers will have to familiarize themselves with, aiming to develop and enhance their sketching skills. Readers, novice sketchers, and urban sketchers of various skill levels will find this book as an information source on topics such as line quality, tonal values, perspectives, shades, and shadows, including other elements of art as applied to urban sketching. Readers will find good information in the opening chapter on how urban sketching as an art movement is gaining popularity around the world through the Internet and various social media platforms. The section also highlights information on how urban sketching as a form of hobby is encouraging housewives, students, youths, and ordinary people into becoming urban sketchers themselves. The inclusion of important basic art

Read Online Sketching People An Urban Sketchers Guide To Drawing Figures And Faces

principles in one chapter will greatly benefit readers, beginners and urban sketchers alike, with ideas and knowledge on how certain objects are being drawn with the intention of gaining unique and personal sketching style. The author's sketching style and techniques using various media will encourage readers to explore the use of other media. Sketches from other international urban sketchers, with their unique and notable sketching styles, are featured in this book to provide readers and sketchers with an array of great and interesting sketches from which to learn and appreciate.

The Urban Sketching Handbook: Techniques for Beginners

Develop your own creative approach, no matter what your skill level with The Urban Sketching Handbook: Reportage and Documentary Drawing. The third volume in The Urban Sketching Handbook series, Reportage and Documentary Drawing, is about drawing as a form of journalism or documenting life. This includes drawings events such as parades, music performances, sporting events, speeches, and can include everything from newsworthy political events to simply documenting a day's adventures. It's about being attentive to your surroundings, and telling that story through your sketches. Artist Veronica Lawlor explains how to use art to find and tell the stories around you. From visual journalism to simply sharing your emotional experience of a place, a reportage illustrator has something to say to their audience. Just as there are all types of written stories to be told, mystery, horror, romance - this volume of The Urban Sketching Handbook series reminds artists, sketchers, doodlers, and illustrators that there are all types of visual stories waiting to be told. And the next step is to go out and tell them! Some of the key concepts explored in this volume are: - Observation - Context - History - Ritual - Understanding - Storytelling - Drama - Documentation

The Urban Sketching Handbook: Architecture and Cityscapes

Charlie O'Shields is the creator of Doodlewash®, founder of World Watercolor Month in July, and host of the Sketching Stuff podcast. Every single day, for over three years, he created a watercolor illustration and wrote a short essay about whatever came to mind that day and posted it on his blog. These are some of the collected favorites along with some brand new musings. With over 180 illustrations, this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit. Written to take on the impossible task of inspiring creativity, unleashing your inner child, and instilling hope, it will, at the very least, make you smile and touch your heart.

Freehand Drawing and Discovery, Enhanced Edition

Provides keys to help make the experience of drawing architecture and cityscapes fun and rewarding, using composition, depth, scale, contrast, line and creativity.

The Urban Sketching Handbook: Drawing with a Tablet

"A comprehensive guide to quick sketching of landscapes. 5 Minute Sketching-Landscapes is about drawing what you see, mostly in settings away from the "modern world." It's especially appropriate for travelers. There are 60 exercises for new and aspiring artists which can be done in any number of locations and as often as desired. All will help to hone skills, increase speed, and help to promote a daily drawing routine. Sketchers will learn how look at a scene and deconstruct its elements quickly - for example, see natural features as colored geometric shapes; locate the source of light; divide the scene into planes (e.g., close, mid, far) for accurate perspective and color values; and note landmarks that support their observations. Readers will build an instinctive focus that pays off in speed and

5-Minute Sketching -- Architecture

Provides the keys to help make the experience of drawing human forms and their movements fun and rewarding, using composition, depth, scale, contrast, line and creativity.

How to Draw What You See

The next craze, after coloring books, is sketching.

Tate: Sketch Club Urban Drawing

When it was originally published in 1970, How to Draw What You See zoomed to the top of Watson-Guption's best-seller list—and it has remained there ever since. "I believe that you must be able to draw things as you see them—realistically," wrote Rudy de Reyna in his introduction. Today, generations of artists have learned to draw what they see, to truly capture the world around them, using de Reyna's methods. How to Draw What You See shows artists how to recognize the basic shape of an object—cube, cylinder, cone, or sphere—and use that shape to draw the object, no matter how much detail it contains. From the Trade Paperback edition.

The Urban Sketching Handbook: Drawing Expressive People

An inspirational, instructional, and visually stimulating guide to sketching and drawing. Dare to Sketch is filled with practical tips about which materials to use, a variety of subject matter ranging from easy to more challenging, and wisdom about overcoming creative blocks and fear of making mistakes. A whimsical beginner's guide to sketching, covering all of the important basics: what kind of notebook to buy, what drawing materials to use, ideas for subject matter, and daily exercises. Includes inviting, inspirational, and idiosyncratic tips (don't start on the first page of your sketchbook!), Dare to Sketch is gorgeously illustrated with the author's unique and contemporary art style.

Everyday Sketching and Drawing

Read Online Sketching People An Urban Sketchers Guide To Drawing Figures And Faces

A guide that shows painters, drawers, doodlers, and urban sketchers how to bring their drawings to life with colorful, bold, yet accessible painting methods. Watercolor sketching is a rapidly emerging technique that enlivens sketches done in pen or pencil with the expressive washes, glazes, and luminous hues of watercolor. This lushly illustrated resource teaches artists on the go how to sketch with watercolor, rendering subjects efficiently and without inhibitions. Readers are guided through all aspects of the medium, from fundamental techniques including wet-on-wet, glazing, and washes; materials and supplies; and little known tips and tricks for getting the most out of watercolor (for example, just sprinkling a little salt on your painting creates a texture that's impossible to achieve with a brush.) A strong focus color theory provides a solid foundation for enhancing drawings with vibrant hues.

The Complete Urban Sketching Companion

Combining a winning formula of practical instruction and creative inspiration, Sketch your World examines a range of techniques for capturing great sketches on the go, covering topics such as how to improve observation skills, sketch moving subjects and c

5-Minute Sketching -- Landscapes

This is the Proceedings of the International Congress of Graphic Design in Architecture, EGA 2018, held in Alicante, Spain, May 30-June 1, 2018. About 200 professionals and researchers from 18 different countries attended the Congress. This book will be of interest to researchers in the field of architecture and Engineering. Topics discussed are Innovations in Architecture, graphic design and architecture, history and heritage among others.

Urban Sketching for Beginners

Hone your illustration skills with this book featuring 20 step-by-step exercises. Published in collaboration with London's Tate Museum and featuring 20 step-by-step exercises, this book is your essential guide to putting your drawing skills into practice on location. Learn how to bring dynamism and energy to your cityscapes, discover how to capture people in busy scenes, and experiment with different media and materials. You'll also find out how to fix common mistakes that many illustrators encounter as they hone their skills.

An Urban Sketcher's Galway

A good sketch starts with good bones. The fourth book in the Urban Sketching Handbook series uses drawings and simple steps to explain the often challenging and overwhelming concepts of perspective in practical and useful ways for on-site sketching. Most books are either too abstract or don't provide enough information that relates to what you actually do when you're out in the busy, wide world about to start a drawing. Where do you start? How do you edit what you see to flatten and shrink it onto your paper? How does perspective work? The Urban Sketching Handbook: Understanding Perspective helps you learn to think like an architect, to

Read Online Sketching People An Urban Sketchers Guide To Drawing Figures And Faces

draw buildings and spaces by reducing what you see to simple, basic shapes, then adding layers in simple steps, and finally finishing your sketch with detail, tone, and color--in accurate perspective. Full of helpful tips, architect and illustrator, Stephanie Bower even de-constructs sketches to show you how to create them! Once you understand perspective, it will change the way you see the world--you'll see perspective everywhere. Some of the key concepts explored in this volume are: - Basic Terms - Basic Spatial Principles - Types of Perspective - Building a Sketch in Layers - Special Conditions

Graphic Imprints

Learn to express yourself through color while painting on location with the in-depth tips and techniques of *Working with Color*, the fifth volume in the Urban Sketching Handbook series. Expert watercolorist, illustrator, instructor, and co-founder of Urban Sketchers Montreal Shari Blaukopf shares her essential color tips about color-water ratio, achieving bold color, avoiding muddy washes, painting in layers, and using wet-in-wet techniques. This essential handbook covers: supplies and materials sample color palettes color mixing using limited palettes monochrome sketches the power of complementary colors using evocative, expressive color With a focus on using watercolor with greater confidence and knowledge, the book also delves into pencil and ink and watersoluble pencils. The instructional text is enhanced with stunning watercolor illustrations by the author and other expert urban sketchers from beautiful locations around the globe. The illustrations include examples of color swatches showing value; mixing; illustrations of complementary, analogous, and neutral color schemes; and sample galleries. *Working with Color* is an indispensable guide for on-location artists looking to expand and strengthen their expressive use of color.
