A godly deacon is a great asset to the work of God. His servant leadership benefits the entire church family, and his support and care for the pastor is invaluable. The Ministry of a Baptist Deacon is written for local church deacons who desire to invest themselves in the work of God and give themselves to the service of God's people. It is designed as a handbook to equip deacons as servant leaders. This two-part manual scripturally defines the office and responsibilities of a deacon as well as providing practical helps for local church ministry. This book also includes several appendices with sample forms, financial procedures, and a sample church constitution.

life, nature of leadership, and responsibility for ministry among all believers . . . As we have prepared this edition, we have sought to address five primary needs. 1. Leadership skills and administrative tools that can be adapted for use in a variety of contexts from traditional to contemporary, from rural to urban, and from unicultural to multicultural settings; 2. Spiritual formation that relates to all of life (from birth to death); 3. Mission consciousness (in community, regionally, nationally, and globally); 4. Ministry of all believers (particularly calling out and equipping vocational, bivocational, and lay ministers); and 5. Leadership competence (the ability to inspire, motivate, and equip the saints for the work of ministry).”

appear on wide-screen projectors; from Jerry Falwell, Jesse Helms, and Tim LaHaye to Martin Luther King Jr., Jesse Jackson, Bill Clinton, and Maya Angelou, Baptist churches and their members have encompassed a range of theological interpretations and held a variety of social and political viewpoints. At first glance, Baptist theology seems classically Protestant in its emphasis on the Trinity, the incarnation of Jesus Christ, the authority of Scripture, salvation by faith alone, and baptism by immersion. Yet the interpretation and implementation of these beliefs have made Baptists one of the most fragmented denominations in the United States. Not surprisingly, they are often characterized as a people who "multiply by dividing." Baptists in America introduces readers to this fascinating and diverse denomination, offering a historical and sociological portrait of a group numbering some thirty million members. Bill J. Leonard traces the history of Baptists, beginning with their origins in seventeenth-century Holland and England. He examines the development of Baptist beliefs and practices, offering an overview of the various denominations and fellowships within Baptism. Leonard also considers the disputes surrounding the question of biblical authority, the ordinances (baptism and the Lord's Supper), congregational forms of church governance, and religious liberty. The social and political divisions among Baptists are often as dramatic, if not more so, than the theological divides. Leonard examines the role of Baptists in the Fundamentalist and Social Gospel movements of the early twentieth century. The Civil Rights movement began in African American Baptist churches. More recently, Baptists have been

key figures in the growth of the Religious Right, criticizing the depravity of American popular culture, supporting school prayer, and championing other conservative social causes. Leonard also explores the social and religious issues currently dividing Baptists, including race, the ordination of women, the separation of church and state, and sexuality. In the final chapter Leonard discusses the future of Baptist identity in America.

The Minister's Manual

Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book distinguishes between the power of narrative in biblical theology and the power of application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

need, starting right where they live. “Grippingly vulnerable and unforgettable. I could not put this book down.”—Ann Voskamp, author of *One Thousand Gifts* While leading a team on a week-long trek of the Himalayas, bestselling author and pastor David Platt was stunned by the human needs he encountered, an experience so dramatic that it “changed the trajectory of my life.” Meeting a man who'd lost his eye from a simple infection and seeing the faces of girls stolen from their families and trafficked in the cities, along with other unforgettable encounters, opened his eyes to the people behind the statistics and compelled him to wrestle with his assumptions about faith. In *Something Needs to Change*, Platt invites readers to come along on both the adventure of the trek, as well as the adventure of seeking answers to tough questions like, “Where is God in the middle of suffering?” “What makes my religion any better than someone else's religion?” and “What do I believe about eternal suffering?” Platt has crafted an irresistible message about what it means to give your life for the gospel—to finally stop talking about faith and truly start living it. Advance praise for *Something Needs to Change* “Rugged. Authentic. Gritty. Real. Worshipful. There are no other books like this one. I always pick up David’s books with a sense of excitement and, quite honestly, apprehension—because I know that areas of compromise and complacency in my life are going to be exposed. But this book exceeded even my high expectations, for which I am grateful. And so will you be. As David writes, it’s time to run, not walk. Let’s go.”—J. D. never read a book like this before. I am so moved. Bring your full heart to this story and watch how God opens your eyes, changes your mind, and broadens the dreams you have for your life.”—Annie F. Downs, best-selling author of *100 Days to Brave* and *Remember God* “If you dare to read this book, you might just have an unexpected encounter with Jesus that leaves you weeping on the floor, as David’s experience did. Something changes within us when the seemingly overwhelming needs of the world present themselves simply in the life of a single person. Ultimately, I pray your compassion will be transformed to action.”—Santiago “Jimmy” Mellado, president and CEO of Compassion International

Church Administration Handbook

The Mission of Today’s Church is a compelling collection of twelve essays from current Baptist leaders addressing three major questions: (1) What does it mean to be a Christian today on individual, group, and societal levels? (2) How can Southern Baptists best work together? and (3) What is next for the Southern Baptist denomination? Those addressing these key topics in-depth include Stan Norman (“Together We Grow: Congregational Polity as a Form of Corporate Sanctification”), Ed Stetzer (“The Missional Nature of the Church”), and Daniel Akin (“Ten Mandates for Southern Baptists”). Among the many other contributors are Chad Brand, Charles Kelley, and Jim Richards.
