From the creators of the original ketogenic, low-carb diet, comes the most accessible and flexible approach to the Atkins diet ever: a simplified lower carb and sugar approach based on solid science. The latest science continues to support the many health benefits of a low-carb approach to eating, far beyond just weight loss. Simply reducing your carb and sugar intake by two-thirds over the “Standard American Diet” helps avoid the development of obesity, metabolic syndrome, and type 2 diabetes. While many diet trends can be vague in their approach, The Atkins 100 Eating Solution’s fan-favorite program provides a clear-cut way to control your carb intake with 100 grams of net carbs a day and shows you how to make delicious and satisfying food choices that lessen their impact on your blood sugar. This personalized approach is a way of eating you can follow for life. With cutting-edge research and delicious recipes—all of which feature fifteen to twenty net carbs—The Atkins 100 Eating Solution provides an exciting and delicious variety of food. You’ll also discover how the plan can be easily modified to fit in with most ways of eating, including vegetarian, Paleo, Mediterranean and more. For the first time ever, you’ll even learn how to modify each recipe for the Atkins 40 and Atkins 20 program. This guide is easy to use regardless of food preferences, lifestyle, or cooking abilities. This book is not about following fads or suffering for results; it is a sustainable, delicious program for everyday wellness.

Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Activity Book 4 provides additional practice activities to consolidate language skills and content material introduced in Learner's Book 4. Nine units correspond with the topics, texts and language input of Learner's Book 4 with each lesson of the Learner's Book supported by two pages in the Activity Book. Learning is reinforced through activities clearly framed within the 'I can' objectives of the course, opportunities for personalisation and creative work and a higher level of challenge to support differentiation. Each unit in the Activity Book ends with revision and opportunity for self-assessment. CEFR Level: towards A2.

## **The Artist's Guide to Human Anatomy**

Naina Kashyap's to-do List: Change career. Next time the guy at McDonald's acts stupid--be polite. Don't get him arrested again. Stupidity is not a crime. Unfortunately. Change society's notion towards child labour. Dad wants me to get married. What the\_\_\_? Also remember to change family. Some people always take the right decisions and some people take decisions and then make them right. Naina Kashyap was so sure that she fell in the second category. A sharp-tongued, career-oriented girl of today, she had an opinion about everything--from the local underprivileged children forced to work as labourers to her parents' if-I-am-Jesus-Christ-then-you-are-Paris-Hilton marriage. So when her father ordered her to find a decent groom for herself, she responded in the only way she knew how--rebellion. From crazy accidents in Delhi's streets to near drowning in kiddie pools, she rained her wrath on every man she came across. She thought that things could never get worse. Little did she know that the drama had only just begun.
