The Clique #4: Invasion of the Boy Snatchers

The compelling story of the life and death of a Salvadoran gangster As a boy, Miguel Ángel Tobar's small town in El Salvador was torn apart by guerrillas and US-backed death squads. Still a preteen, he joined a different kind of death squad—the Hollywood Locos Salvatrucha—a clique of the Mara Salvatruchas, better known as MS-13. This international criminal organization began on the streets of Los Angeles in the 1980s, as Salvadoran children, whose families had fled their country's civil war, banded together to defend themselves from LA gangs. Denied refugee status, the Salvadorans found themselves pushed into the shadows and besieged by violence, and MS-13 itself mutated into a gang. When large-scale US deportations began, violence was exported from the United States to El Salvador, helping make it one of the world's deadliest countries and in turn propelling new waves of refugees northward. The Salvadoran journalist Óscar Martínez and his anthropologist brother Juan José Martínez got to know the Hollywood Kid when he informed on MS-13. In his hideaway shack, he recounted a life of killing—a death toll of more than fifty rival gang members—until his own murder ended the story. Vivid and violent, The Hollywood Kid brings a brutal world to life, illustrating the geopolitical forces propelling a country toward ever more vicious extremes.

Massie Block: The Briarwood boys have invaded OCD and are taking over everything. Worse, the soccer boys have become so popular that the Pretty Committee's alpha status is in serious jeopardy. So Massie lays out a New Year-New Pretty Committee rule: Anyone caught crushing on a boy will be thrown out of the NPC-forever. But will she be able to follow her own decree when she sees that Derrington has ditched his shorts-obsession in favor of ah-dorable jeans? Alicia Rivera: Is the opposite of onboard with the boyfast. Her crush, the Ralph Lauren-uh-ving Josh Hotz, is more irresistible than crème brûlée fro-yo. But is he worth losing her spot in the NPC? And taking on the wrath of Massie? Dylan Marvil: Is so ready for the boyfast. She's straightened her unruly red hair and permanently pressed boys out of her life. If only she could do the same with curly fries and caramel popcorn. Kristen Gregory: Has traded her sporty-chic Pumas for Billabong board shorts and a shark tooth necklace. She claims she's sworn off boy-crushes, so what's with her Blue Crush makeover? Claire Lyons: Spent all summer thinking about Cam's one blue eye and one green eye. But now he's moved on to a new girl faster than you can say cuh-yutest couple. The Clique of Gold

From the author of the #1 New York Times bestselling series The Clique comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels

MASSIE

"During the decade of the 1850s, the Oregon Territory progressed toward statehood in an atmosphere of intense political passion and conflict. Editors of rival newspapers blamed a group of young men whom they named the 'Salem Clique' for the bitter party struggles of the time. Led by Asahel Bush, editor of the Oregon Statesman, the Salem Clique was accused of dictatorship, corruption, and the intention of imposing slavery on the Territory. The Clique, critics maintained, even conspired to establish a government separate from the United States, conceivably a 'bigamous Mormon republic.' While not in agreement with some of the more extreme contemporary accusations against the Clique, many historians have concluded that its members were vicious and unscrupulous men who were able, because of their command of the Democratic Party, to impose their hegemony on the Oregon Territory's inhabitants. Other scholars have seen them as merely another manifestation of the contentious politics of the period. Although the Salem Clique has been given considerable prominence in nearly every account of Oregon's Territorial period, there has not been a detailed study of its role until now. What sort of people were these men? What was their impact on the issues, events, and movements of the period? What role did they play in the years after Oregon became a state? Historian Barbara Mahoney sets out to answer these and many other questions in this comprehensive and deeply researched history"--Publisher description.

Dylan thought it was obvious that she was the one who danced all night with Derek at the OCD benefit last month, but says "Whatevs" when Kristen gets all weird about it. Fine, she can have him. He was a terrible dancer anyway and there will be tons of guys to choose from at the party.
