readers inside the world of outlaw motorcycle clubs and pulls back the secretive curtain on the biker lifestyle. He explores the concept of brotherhood, ultimately arriving at a new definition of family and community in the process. Being a member of a one percenter motorcycle club requires extreme discipline; in this book, Nichols shows us what that life offers in return. Nichols delves into the one percenter code of conduct and honor and finds something that is sorely lacking in modern society. In this book, he shows us how we can apply those values in our own lives. The world of the outlaw biker has its own rough-hewn rules of order, and The One Percenter Code acts as a guidebook to that truth-, honor-, and brotherhood-based world.

This is book 3 and the finale of the Satan's Riders MC series! I bought her to break her. She was the prize of the auction. And now she's bare in my bed. But what starts as another night of sating my hunger... Turns into an adventure that might kill us both. BRANDON Being part of an outlaw motorcycle club comes with its perks. The law of the land is merely a suggestion to be ignored. And out here, beyond its reach, anything goes. Anything at all. That means girls, guns, and drugs flow back and forth from man to man like an endless river. Just reach in and quench your thirst. Again, and again, and again. That's how Hannah ended up at my mercy. Just another club rat, purchased to satisfy a man's desires. Any other night, with any other girl, I would have used her until I had my fill, then kick her out the door. But this wasn't any other night. And Hannah isn't any other girl. There is something different about this one. And when my enemies try to claw her back from me, she becomes more than just a woman in my possession. She becomes the spark that starts a wildfire. Bring on the war, the carnage. I've staked my claim on Hannah. And if they want to lay their hands on her again... They'll have to go through me. HANNAH I knew from the beginning that I might not survive this ride. But I never had a choice. They called me a club girl, but I know what I really am: A disposable toy. They use me when they want, and hurt me when they don't. I'm less than human to them. I'm a receptacle, a rag, a piece of trash. And Brandon looks just as vicious as the rest of them. When I'm handed to him, I don't feel

anything. Years of abuse have washed those emotions away. So when the door shuts and we're finally alone, I do what I've been taught: Strip down and get ready to please. The sooner he's happy, the sooner my suffering will end. But the biker surprised me. He might look like the monsters who've spent years hurting me, but underneath, he's a different man entirely. Somewhere beneath the leather and the tattoos, there's a heart. And maybe, just maybe, he'll be the one to save me. That is, if my owners don't come to steal me back first. \*\*\* RIDE WITH THE DEVIL is the motorcycle club romance series you've been waiting for. NEW YORK TIMES BESTSELLER • The longtime Republican strategist and bestselling author of *Everything Trump Touches Dies* is back with a guidebook for beating Trump's tricks, traps, and tweets in 2020. "If you believe America's future depends on Donald Trump's political machine being crushed at the polls next year, then Rick Wilson's *Running Against the Devil* is a must-read."—Joe Scarborough, MSNBC

Donald Trump is exactly the disaster we feared for America. Hated by a majority of Americans, Trump's administration is rocked by daily scandals, and he's embarrassed us at home and abroad. Trump can't win in 2020, right? Wrong. As 2016 proved, Trump can't win, but the Democrats can sure as hell lose. Only one thing can save Trump, and that's a Democratic candidate who runs the race Trump wants them to run instead of the campaign they must run to win in 2020. Wilson combines decades of national political experience and insight in his take-no-prisoners analysis, hammering Trump's destructive and dangerous first term in a case-by-case takedown of the worst president in history and describing the terrifying prospect of four more years of Trump. Like no one else can, Wilson blows the lid off Trump's 2020 Republican war machine, showing the exact strategies and tactics they'll use against the Democratic nominee . . . and how the Democrats can avoid the catastrophe waiting for them if they fall into Trump's trap. *Running Against the Devil* is sharply

funny, brutally honest, and infused with Wilson's biting commentary. It's a vital indictment of Trump, a no-nonsense, no-holds-barred road map to saving America, and the guide to making Donald Trump a one-term president. The stakes are too high to do anything less.

In the start of a sizzling new series, bestselling author Megan Crane takes readers deep into bayou country, where the sultry swamp has nothing on the heat of Louisiana's fiercest bikers: the Devil's Keepers. Merritt Broussard grew up knowing she had two choices if she stayed in Lagrange: run with the outlaws or get left in their dust. So she got the hell out, leaving behind a bad-boy biker and scorching memories of their summer fling. Now Merritt's back, with trouble on her tail, and the sergeant-at-arms of the Devil's Keepers is the one person she can still trust. But Greeley isn't the boy she remembers. He's harder now, more dangerous—and even more alluring. Joseph "Greeley" Shaw loves two things: his bike and his club. At eighteen, he escaped a rough life, found the Devil's Keepers on the wrong side of a bad weekend, and never looked back. Greeley swore to live and die by their code: Devil's Keepers first, Devil's Keepers forever. No one comes between him and his brothers—except for the tantalizing woman who touched his soul. year-old. Sure she's attracted to the Reapers' president, but she's not stupid. Reese Hayes is a criminal and a thug. ## **Channeling Biker Bob**

A gripping history of outlaw motorcycle club culture from its beginnings to the present day. In a world where most of us roll over when confronted by the power of authority, the antihero figure of the outlaw biker stands beyond the crowd, a beacon of social freedom. By choosing to live outside of society's conventions, the one-percenter has the inner strength to act on his own convictions. Though most of us are too timid to venture into these outer margins of society, the one-percenter not only enters those margins—he stomps on them. In *Hell on Wheels*, avid motorcyclist Bill Hayes dives deep into the world of the outlaw motorcyclist, exploring legendary clubs like the Hells Angels, the Bandidos, the Outlaws, the Vagos, the Pagans, the Mongols, and many others, allowing the reader to peer into motorcycle club culture. Featuring both modern and historical photos, as well as a rare collection of club memorabilia found in no other publication, *Hell on Wheels* traces the roots and development of motorcycle club culture: its origins in the years following World War II; the turbulent 1960s and the disco era; the transition of clubs from loose groups of hooligans to highly

organized machines; and, more recently, the copious clashes with law enforcement amid the post-9/11 world of the Patriot Act. The one-percenter has become one of the most popular figures in outlaw culture, and Hell on Wheels is his story.
