A fresh translation to touch the heart and mind.

The New English Bible

The English Bible: The Old Testament

New English Bible with the Apocrypha

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

A History of the English Bible as Literature

The New English Bible

Tyndale's Bible is credited with being the first English translation to work directly from Hebrew and Greek texts. Furthermore, it was the first English biblical translation that was mass-produced as a result of new advances in the art of

printing. The term Tyndale's Bible is not strictly correct, because Tyndale never published a complete Bible.

THE ENGLISH BIBLE KING JAMES VERSION: Volume Two The New Testament and the Apocrypha

The Complete Parallel Bible

New English Bible

The New Testament of the New English Bible was first published in 1961 with a complete text available from 1970. This translation was the first to render the scriptures into contemporary English and to depart from the traditional linguistic style of the Authorized Version. Over the years the translation has come to be regarded as a classic text and it became a best-seller in many countries around the world. In 1989 its successor, the Revised English Bible, was published to great acclaim but there remain a significant number of readers who favour the NEB. This stunning edition - featuring the well-known line drawings by Horace Knowles - reintroduces the much-loved NEB text back into the Oxford list after an absence of nearly two years.

The Cambridge Bible Commentary New English Bible

A Companion to the New Testament

Finally, an Accurate and Readable Modern Translation Free of Copyright! -- Received a perfect "accuracy score" of 100 from Compass Distributors. -- Used daily by pastors, missionaries and laypeople worldwide. -- Includes more footnotes than other translations, allowing for easy, in-depth study. What if Christians worldwide could read, copy and freely distribute a modern and accurate translation of God's Word -- without worrying about copyright laws? Thanks to the New Heart English Bible, they can! The New Heart English Bible balances a literal, word-for-word translation with easy-to-understand language. It avoids the pitfalls of translations that paraphrase God's Word, but it also seeks to avoid the rigid nature

of other word-for-word translations. Unlike other English translations that are protected by copyrights, the New Heart English Bible (NHEB) can be read, quoted, copied, translated and distributed for free without receiving permission from a publisher. And unlike the King James Version -- the most popular public domain Bible -- the NHEB can be understood easily by the modern reader. The result: a modern version of God's Word that can be spread across the globe freely. While other translations limit the number of verses that can be copied or reprinted, the NHEB encourages such distribution. Each printed copy includes a link to a free PDF. Examples of well-known verses from the NHEB: -- "For God so loved the world that he gave his only Son, so that whoever believes in him will not perish, but have everlasting life" (John 3:16). -- "We know that all things work together for good for those who love God, to those who are called according to his purpose" (Romans 8:28). -- "If we confess our sins, he is faithful and righteous to forgive us the sins, and to cleanse us from all unrighteousness" (1 John 1:9). The NHEB presents the most updated scholarship and best manuscripts to share the New Testament with complete accuracy. The NHEB includes more footnotes than other translations. The footnotes provide the reader with a quick glance at alternate translations, without interfering with normal reading. Don't be limited by other Bible translations. Grab your copy of the New Heart English Bible and enjoy the New Testament in a modern-yet-accurate format that's free of copyright.

The New English Bible

short description: A comprehensive study of translations of the Bible into English. Bruce traces the story from its beginnings to the publication of contemporary versions, and shows the impact of some of the translations on the development and use of the English language.

Publisher Description

The New English Bible

The New English Bible

Tyndale Bible

This book, first published in 2000, explores 500 years of religious and literary ideas contained in the King James Bible.

The New English Bible

The Oxford Study Bible: Revised English Bible with Apocrypha

The New English Bible, completed in 1970, was the culmination of more than twenty years' work by scholars and literary advisers representing the major Protestant churches of the British Isles. An authoritative translation made directly from the best Hebrew and Greek texts and founded on all the resources of contemporary scholarship, it aimed to present the full meaning of the original in clear and natural modern English. This approach marked a departure from the prevailing Bible translation philosophy and to this day the NEB has a significant place in the history of the Bible in English. The New English Bible is now reissued in this classic 'Library Edition' format to coincide with the reissue of the complete Cambridge Bible Commentaries series, which was itself based on the NEB text.

The Revised English Bible

The Septuagint (the ancient Greek translation of Jewish sacred writings) is of great importance in the history of both Judaism and Christianity. The first translation of the books of the Hebrew Bible (plus additions) into the common language of the ancient Mediterranean world made the Jewish scriptures accessible to many outside Judaism. Not only did the Septuagint become Holy Writ to Greek speaking Jews but it was also the Bible of the early Christian communities: the scripture they cited and the textual foundation of the early Christian movement. Translated from Hebrew (and Aramaic) originals in the two centuries before Jesus, the Septuagint provides important information about the history of the text of the Bible. For centuries, scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood. For students of the Bible, the New Testament in particular, the study of the Septuagint's influence is a vital part of the history of interpretation. But until now, the

Septuagint has not been available to English readers in a modern and accurate translation. The New English Translation of the Septuagint fills this gap.
