Bloodchild

The only introduction to literature that s a Norton."

The Story Of An Hour

A collection of writings, including prose, fiction, poetry, essays, and non-fiction, from influential Western writers from the seventeenth century to the present.

The Norton Introduction to Literature Shorter + They Say / I Say

The most trusted guide for helping students read critically and write carefully.

The Norton Introduction to Literature Portable + They Say / I Say

Leaves rustle underfoot in a dark wood: two little girls, extracted from their homes in wartime London, encounter something terrifying in a forest. Later when they meet as grown women, they realise the experience has coloured their lives. A dark tale about the nature of stories themselves. Part of the Storycuts series, this short story was originally published in the collection Little Black Book of Stories.

The Norton Introduction to Literature

The Norton Introduction to Literature

A comprehensive collection of African-American literature features more than 120 writers with works covering more than two hundred years and encompassing the genres of fiction, poetry, short stories, drama, autobiography, journals, and letters.

The Norton Anthology of Theory and Criticism

The Norton Introduction to Literature Portable + the Little Seagull Handbook

A classic, reimagined.

The Norton Anthology of African American Literature

This gothic classic, “The Turn of the Screw” is one of the most famous ghost stories of all time. On Christmas Eve, Douglas reads a manuscript written by a former acquaintance, the governess, whom Douglas claims to have known and who is now dead. The manuscript tells the story of how the young governess is hired by a man who has become responsible for his young nephew and niece after the tragic deaths of their parents. He is uninterested in raising the children. The governess’s new employer gives her full responsibility for the young siblings and explicitly states that he is not to be bothered with communications of any sort. Set in a remote estate this critically acclaimed novella tells the tale of a governess who, looking after two children, becomes convinced that the grounds are haunted. This story has been adapted many times for film and television, most recently in *The Turning* (2020). Famed for its ability to create an intimate sense of confusion and suspense, this novella is a must-read for all horror and ghost story fans.

The King in Yellow

An anthology of Early American Literature, American Literature 1820-1865, American Literature 1865-1914, American Literature 1914-1945, Contemporary American Prose 1945-- , and Contemporary American Poetry 1945--

Ulysses

The Norton Introduction to Literature

The Norton Anthology of American Literature

The Norton Introduction to Literature

The Norton Anthology of American Literature

Contains a guide to designing and assembling an aquarium, with step-by-step instructions, including information on supporting the weight of the tank, equipment, fish, plants, decorations, and related topics.

The Norton Introduction to Literature

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb

state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

The Norton Introduction to Literature

The most wide-ranging collection of its kind, The Norton Introduction to Poetry offers a complete course in reading and writing about poetry that is designed to appeal to students of all backgrounds, abilities, and interests.

The Norton Introduction to Literature

The gold standard anthology for anyone who wants to understand the development and current state of literary theory. Offering 191 pieces by 157 authors, The Norton Anthology of Theory and Criticism, Third Edition, is more comprehensive and more varied in its selection than any other anthology. Forty-eight NEW selections—concentrated mostly on the twentieth and twenty-first centuries—make the book not only the best overview of the history of theory, but

also a remarkably up-to-date portrait of the state of theory today.

II Decameron

Offering 59 stories, 458 poems, and 15 plays, this anthology provides a wider range of classic and contemporary works than any other three-genre anthology. Three new "Critical Contexts" casebooks introduce readers to examples of professional literary criticism, and editorial commentary throughout encourages readers to read thoughtfully, analytically, and creatively.

The Norton Anthology of Western Literature

The most-trusted and most-respected text in its field is now brand-new in all the best ways.

The Norton Introduction to Poetry

Develop close readers and confident writers--at an affordable price.

The Norton Introduction to Poetry

This unparalleled collection offers the trusted writing guidance students need, along with the exciting mix of the stories, poems, and plays instructors want. The Thirteenth Edition adds more contemporary and diverse works to engage today's students, and new pedagogical tools--in print and online--help foster close reading and careful writing, making this book the best choice for helping students appreciate, analyze, and write about literature.

The Norton Anthology of World Literature

Mrs. Louise Mallard, afflicted with a heart condition, reflects on the death of her husband from the safety of her locked room. Originally published in Vogue magazine, "The Story of an Hour" was retitled as "The Dream of an Hour," when it was published amid much controversy under its new title a year later in St. Louis Life. "The Story of an Hour" was adapted to film in The Joy That Kills by director Tina Rathbone, which was part of a PBS anthology called American Playhouse. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

The Norton Introduction to Fiction

New Stories. Balanced attention to text and context. Substantive help with reading and writing.

The Norton Book of Classical Literature

The only introduction to literature that's a Norton."

The Norton Anthology of English Literature

The Norton Introduction to Philosophy

Literary Studies provides students with an accessible overview of everything they need to know to succeed in their English courses—literary terms, historical periods, theoretical approaches, and more. The guide helps students gain the analytical skills that will benefit them in college and as educated citizens after graduation.

The Norton Introduction to the Short Novel

"I hold this book to be the most important expression which the present age has found; it is a book to which we are all indebted, and from which none of us can escape." T.S. Eliot
Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922 Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, Ulysses displays a sense of humor that ranges from delicate to roguish as well as sequences of striking beauty and emotion. Chief among the latter must be the novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of Ulysses is both modern and readable.

The Norton Introduction to Literature

The Little Seagull Handbook offers the kind of succinct advice students need about grammar, punctuation, documentation, and the writing process--an in addition, it covers the kinds of writing they are most often assigned--reports, analyses, narratives, and more. The Norton Introduction to Literature offers teachers the finest, most diverse selections and the most carefully edited apparatus for analyzing texts and writing thoughtfully.

The Norton Introduction to Literature, Shorter 11th Ed

Set on a distant planet, Bloodchild is award-winning author Octavia E. Butler's shattering meditation on symbiosis, love, power and tough choices. It won the Hugo, Locus, Nebula and Science Fiction Chronicle awards and is widely regarded

as one of her greatest works. Perfect for fans of the thrilling *Arrival* and the works of Ursula Le Guin. 'Butler graces new mansions of thought with her eloquent, distinguished and poignant prose. Although this book is little in size, its ideas are splendidly large' Booklist 'One of the most significant literary artists of the 20th century' Junot Diaz Years ago, a group known as the Terrans left Earth in search of a life free of persecution. Now they live alongside the Tlic, an alien race who face extinction; their only chance of survival is to plant their larvae inside the bodies of the humans. When Gan, a young, boy, is chosen as a carrier of Tlic eggs, he faces an impossible dilemma: can he really help the species he has grown up with, even if it means sacrificing his own life? What readers are saying about *BLOODCHILD*: 'The best short story I've ever read. Utterly compelling, disturbing, intimate' 'Absolutely amazing. A must-read for Sci-Fi lovers' 'Wonderfully written, masterfully built and oh so thought-provoking, *Bloodchild* is everything you could wish for in a work of science fiction'
