Bible and Church history

Provides the first full-length analysis of Gregory Nazianzen's multifaceted account of the image of God against the backdrop of biblical themes.

Vishudha Qurbana Kramam

The Orthodox Church

Annotation. The first comprehensive introduction to the Orthodox Church in the United States from 1794 to the present, this book includes a succinct picture of the distinctive history of Orthodoxy and its particular perspectives on the Christian faith. Attention is given to the contacts between the Orthodox Church and other Christian churches, as well as its contributions to the ecumenical movement. Over 80 biographies of major Orthodox leaders in America also are included along with an annotated bibliography of the writings of the major Orthodox theologians.

The Orthodox Church

The Reaction of the Malabar Orthodox Church of St. Thomas to Roman Catholicism in the 16th and 17th Centuries

The FIRST EVER Orthodox Study Bible presents the Bible of the early church and the church of the early Bible. Orthodox Christianity is the face of ancient Christianity to the modern world and embraces the second largest body of Christians in the world. In this first-of-its-kind study Bible, the Bible is presented with commentary from the ancient Christian perspective that speaks to those Christians who seek a deeper experience of the roots of their faith. Features Include: Old Testament newly translated from the Greek text of the Septuagint, including the Deuterocanon New Testament from the New King James Version Commentary drawn from the early Church Christians Easy-to-Locate liturgical readings Book Introductions and Outlines Subject Index Full-color Maps

The Encyclopedia of Eastern Orthodox Christianity, 2 Volume Set

The History of the Christian Church Until the Great Schism of 1054

The Indian Orthodox Church of St. Thomas, AD 52-2009

This book is the first exploration of the remarkable odyssey of Thomas Aquinas in the Orthodox Christian world, from the Byzantine to the modern era. Aquinas was received with astonishing enthusiasm across the Byzantine theological spectrum. By contrast, modern Orthodox readings of Aquinas have been resoundingly negative, routinely presenting Aquinas as the archetype of as a specifically Western form of theology against which the Orthodox East must set its face. Basing itself primarily on a close study of the Byzantine reception of Thomas, this study rejects such hackneyed dichotomies, arguing instead for a properly catholic or universal construal of Orthodoxy - one in which Thomas might once again find a place. In its probing of the East-West dichotomy, this book questions the widespread juxtaposition of Gregory Palamas and Thomas Aquinas as archetypes of opposing Greek and Latin theological traditions. The long period between the Fall of Constantinople and the Russian Revolution, conventionally written off as an era of sterility and malformation for Orthodox theology, is also viewed with a fresh perspective. Study of the reception of Thomas in this period reveals a theological sophistication and a generosity of vision that is rarely accounted for. In short, this is a book which radically re-thinks the history of Orthodox theology through the prism of the fascinating and largely untold story of Orthodox engagement with Aquinas.

The Orthodox Faith: Doctrine

A popularly-written study of the biblical roots of the Eastern Orthodox Church's mystical understanding of the knowledge of God. This unique study brings together the best of contemporary exegesis with the tradition of Eastern Christianity and

illustrates the biblical roots of the Eastern Church's understanding of grace as the energy of God. The book presents, in lay terms, the shape for an Orthodox biblical theology for the 21st century and will be of interest to all Christians for whom the Bible is divine revelation and for whom tradition continues to be creative.

A History of Christianity in Kerala, from the Mission of St. Thomas to the Arrival of Vasco Da Gama (A.D. 52-1498)

With a combination of essay-length and short entries written by a team of leading religious experts, the two-volume Encyclopedia of Eastern Orthodoxy offers the most comprehensive guide to the cultural and intellectual world of Eastern Orthodox Christianity available in English today. An outstanding reference work providing the first English language multi-volume account of the key historical, liturgical, doctrinal features of Eastern Orthodoxy, including the Non-Chalcedonian churches Explores of the major traditions of Eastern Orthodoxy in detail, including the Armenian, Byzantine, Coptic, Ethiopic, Slavic, Romanian, Syriac churches Uniquely comprehensive, it is edited by one of the leading scholars in the field and provides authoritative but accessible articles by a range of top international academics and Orthodox figures Spans the period from Late Antiquity to the present, encompassing subjects including history, theology, liturgy, monasticism, sacramentology, canon law, philosophy, folk culture, architecture, archaeology, martyrology, hagiography, all alongside a large and generously detailed prosopography Structured alphabetically and topically cross-indexed, with entries ranging from 100 to 6,000 words

The Image of God in the Theology of Gregory of Nazianzus

An insider's account of the Eastern Orthodox Church, from its beginning in the era of Jesus and the Apostles to the modern age In this short, accessible account of the Eastern Orthodox Church, John McGuckin begins by tackling the question "What is the Church?" His answer is a clear, historically and theologically rooted portrait of what the Church is for Orthodox Christianity and how it differs from Western Christians' expectations. McGuckin explores the lived faith of generations, including sketches of some of the most important theological themes and individual personalities of the ancient and modern Church. He interweaves a personal approach throughout, offering to readers the experience of what it is like to enter an Orthodox church and witness its liturgy. In this astute and insightful book, he grapples with the reasons why many Western historians and societies have overlooked Orthodox Christianity and provides an important introduction to the Orthodox Church and the Eastern Christian World.

The Ecumenical Movement

Deification in the Eastern Orthodox Tradition

Russian political history and Russian church history are tied together very tightly. One cannot properly understand the overall history of Russia without considering the role of the Orthodox Church in Russia. Cross and Kremlin uniquely surveys both

the history and the contemporary situation of the Russian Orthodox Church. The first chapter gives a concise chronology from the tenth century through the present day. The following chapters highlight several important issues and aspects of Russian Orthodoxy -- church-state relations, theology, ecclesiastical structure, monasticism, spirituality, the relation of Russian Orthodoxy to the West, dissidence as a frequent phenomenon in Russian church history, and more.

The Orthodox Study Bible, eBook

Combining theological and pastoral insights with a humble and loving spirit, this small gem will aid pastors, those who experience same-sex desires, and anyone seeking a deeper understanding of the nature of our identity and our sexuality. This 2015 edition includes a redesigned cover, a new foreword, and other minor revisions.

Eastern Orthodox Encounters of Identity and Otherness

Since its first publication thirty years ago, Timothy Ware's book has become established throughout the English-speaking world as the standard introduction to the Orthodox Church. Orthodoxy continues to be a subject of enormous interest among Western Christians, and the author believes that an understanding of its standpoint is necessary before the Roman Catholic and Protestant churches can be reunited. He explains the Orthodox views on such widely ranging matters as ecumenical councils, sacraments, free will, purgatory, the papacy and the relation between the different Orthodox churches.

The Eastern Orthodox Church

This book is one of the first research studies on Western Rite Orthodox communities of Oriental Orthodox Churches, with emphasis and special reference

to the Syriac Orthodox Church of Antioch and the Indian Orthodox Malankara Church. Two Western Rites, the Independent Catholic Church of Ceylon, Goa and India and the Christian (Old Orthodox) Catholic Rite Church of America was constituted with the blessings and permission of Moran Mor Ignatius Peter IV (III) - Patriarch of Antioch and All East. These communities came into existence as a result of the great missionary vision of Patriarch Ignatius Peter IV (III) and the Prelates of Malankara. The book is a journey through the great missionary efforts of Patriarch Ignatius Peter IV (III), Malankara Metropolitan Pulikkottil Mar Joseph Dionysius II, Metropolitan Alvares Mar Julius, Archbishop Rene Vilatte Mar Timotheus I, Dr. Lisboa Pinto, St. Gregorious of Parumala and other great leaders of Syriac and Malankara Churches.

Women and Ordination in the Orthodox Church

With a combination of essay-length and short entries written by a team of leading religious experts, the two-volume Encyclopedia of Eastern Orthodoxy offers the most comprehensive guide to the cultural and intellectual world of Eastern Orthodox Christianity available in English today. An outstanding reference work providing the first English language multi-volume account of the key historical, liturgical, doctrinal features of Eastern Orthodoxy, including the Non-Chalcedonian churches Explores of the major traditions of Eastern Orthodoxy in detail, including the Armenian, Byzantine, Coptic, Ethiopic, Slavic, Romanian, Syriac churches Uniquely comprehensive, it is edited by one of the leading scholars in the field and provides authoritative but accessible articles by a range of top international academics and Orthodox figures Spans the period from Late Antiquity to the present, encompassing subjects including history, theology, liturgy, monasticism, sacramentology, canon law, philosophy, folk culture, architecture, archaeology, martyrology, hagiography, all alongside a large and generously detailed prosopography Structured alphabetically and topically cross-indexed, with entries ranging from 100 to 6,000 words

Orthodox Faith

In this volume, Jason Radcliff offers an introduction, critical appreciation, and constructive extension of the Orthodox-Reformed Theological Dialogue spearheaded by Thomas F. Torrance in the late 1980s and early 1990s. Focusing upon the Greek Patristic foundations of the Dialogue, as seen particularly in the “shared rapport” between Torrance and Archbishop Methodios Fouyas as well as the monumental theological outcome of the Dialogue, “The Agreed Statement on the Holy Trinity,” a document that claims to cut behind the issue of the filioque, this book also highlights some of the notable conversations that went on “behind the scenes” of the Dialogue as seen in the photos, the unpublished Official Minutes, and correspondence between Torrance and other major figures, namely George Dragas, Methodios Fouyas, and The Patriarch of Constantinople himself, about such topics such as the Athanasian doctrine of the Trinity, Barthian Christocentrism, and John Zizioulas’ existentialism. The book includes selections from unpublished minutes and photographs as well as out-of-print documents—such as Torrance’s “Memoranda on Orthodox/Reformed Relations” and “Common Reflection” as well as “The Agreed Statement on the Holy Trinity.” Radcliff argues that the Dialogue’s ecumenical use and creative interpretation of

the Trinitarian and Christocentric theology of the Greek Fathers is profoundly relevant for contemporary Trinitarian theology.

The Indian Churches of Saint Thomas

Thomas F. Torrance and the Orthodox-Reformed Theological Dialogue

St. Thomas Orthodox Church of India, Inc., Dover, New Jersey

In this volume, Jason Radcliff offers an introduction, critical appreciation, and constructive extension of the Orthodox-Reformed Theological Dialogue spearheaded by Thomas F. Torrance in the late 1980s and early 1990s. Focusing upon the Greek Patristic foundations of the Dialogue, as seen particularly in the "shared rapport" between Torrance and Archbishop Methodios Fouyas as well as the monumental theological outcome of the Dialogue, "The Agreed Statement on the Holy Trinity," a document that claims to cut behind the issue of the filioque, this book also highlights some of the notable conversations that went on "behind the scenes" of the Dialogue as seen in the photos, the unpublished Official Minutes, and correspondence between Torrance and other major figures, namely George Dragas, Methodios Fouyas, and The Patriarch of Constantinople himself, about such topics such as the Athanasian doctrine of the Trinity, Barthian Christocentrism, and John Zizioulas' existentialism. The book includes selections from unpublished minutes and photographs as well as out-of-print documents--such as Torrance's "Memoranda on Orthodox/Reformed Relations" and "Common Reflection" as well as "The Agreed Statement on the Holy Trinity." Radcliff argues that the Dialogue's ecumenical use and creative interpretation of the Trinitarian and Christocentric theology of the Greek Fathers is profoundly relevant for contemporary Trinitarian theology.

The Christians of St. Thomas and Their Liturgies

In this volume, Jason Radcliff examines T. F. Torrance's reading of the church fathers. Radcliff explores how Torrance reconstructs the patristic tradition, producing a Reformed, evangelical, and ecumenical version of the Consensus Patrum ("Consensus of the Fathers"). This book investigates how Torrance uniquely understands the Fathers and the Reformers to be mutually informing and how, as such, his approach involves significant changes to both standard readings of the Fathers and Torrance's own Reformed evangelical tradition. Torrance's approach is distinctive in its Christocentric rootedness in the primary theme of the Nicene homoousion ("of one essence [with the Father]") and its champion Athanasius of Alexandria. The book explores Torrance's inherently broad ecclesiology and constructive achievements, both of which contribute to his ongoing ecumenical relevance.

The Christians of St. Thomas and Their Liturgies

Originally written to inspire sympathy for their Eastern Christian compatriots among the membership of the Church of England, Howard's study has become a touchstone for those seeking a sense of antique Christian liturgical practice. After providing a history of the "St. Thomas Christians," the Orthodox Christians of India, up until the mid-nineteenth century, Howard presents English translations of six different anaphorae in use in Christendom: namely, those of St. James, St. Peter, The Twelve Apostles, Mar Dionysius Barsalibi, Mar Xystus, and Mar Evannis.

Orthodoxy

Our Church

Provides an overview of the major characteristics and themes of the ecumenical movement, which has sought to bring unity to the various Christian churches.

The Rebirth of African Orthodoxy

The History of the Christian Church until the Great Schism of 1054 is a sincere and unbiased history of the Church, written by the Russian historian and theologian Mikhail Posnov. Posnov through this study of Church history discovered the importance of the teaching authority of the Bishop of Rome. The book has been called a most valuable tool for students of Christian Church history. The most important characteristic of the text is its original and profound use of primary historical sources. The book is neither polemical nor triumphalistic but scholarly in its pursuit of truth concerning the period of the undivided Church. It should be an impetus to reconciliation and understanding for Catholic and Orthodox Christians and a source of great insight into the early Church for Protestant Christians.

Eighteen Centuries of the Orthodox Church

Our Church Malankara St. Thomas Oriental Orthodox Church of India

From diverse international and multi-disciplinary perspectives, the contributors to this volume analyze the experiences, challenges and responses of Orthodox Churches to the foundational transformations associated with the dissolution of the USSR.

Thomas F. Torrance and the Church Fathers

The Orthodox Study Bible

Contributing Authors: Fr. John Behr Dr Spyridoula Athanasopoulou-Kypriou Dr. Dionysios Skliris Fr. Andrew Louth Dr Mary Cunningham Met Kallistos Ware Rev Dr Sarah Hinlicky Wilson Dr Kyriaki Karidoyanes FitzGerald Dr Carrie Frederick Frost Dr Paul Ladouceur Luis Josue Sales This book--a collaborative, international

initiative, involving academic theologians and practitioners--invites the reader into a conversation about the ordination of women in the Orthodox Church. It explores questions relating to the significance of being human, Eve's curse, sexed bodies, the place of Mary, the nature of priesthood, the role of the deacon, and the task of being a priest in the twenty-first century. The reflections move across three main areas of discussion: issues of theological anthropology, particular questions pertaining to the priesthood and the diaconate, and contemporary practices. In each area the implications for ordaining women in the Orthodox Church today are explored.

Cross and Kremlin

African orthodoxy today reveals the same powerful faith that was confessed by Athanasius and Augustine seventeen centuries ago. Classic African Christian teaching in the patristic period (100-750 AD) preceded modern colonialism by over a thousand years. Many young African women and men are now reexamining these lost roots. They are hungry for accurate information about their Christian ancestors. Thomas C. Oden asks readers to recapture the resonance of a consensual orthodoxy, the harmony of voices celebrating the apostolic testimony to God's saving work in Jesus Christ, witnessed to in scripture and understood best by African interpreters of the faith. In ten seminars, Oden invites discerning readers to reclaim and reaffirm Christian faith as it emerges from thoughtful conversations between contemporary and ancient African interpreters of orthodox faith. "This new book by Tom Oden is remarkable and historic. His words challenge the worldwide church to return to the true fountain of living water, Jesus Christ. He specifically encourages us Africans to continue to seek the treasures left to us by our early church fathers and mothers in order to reshape the Christian mind now as they did in the first millennium." -The Most Rev. Dr. Mouneer Hanna Anis, Archbishop of the Episcopal/Anglican Diocese of Egypt with North Africa and the Horn of Africa "A thought-provoking book with factual evidences emphasizing the continuity of global orthodoxy that emanated in Africa and has been nurtured by Africans from the time of Mark the evangelist to the present. People yearning to discover the intellectual and classical African Christian roots will find the book very helpful." -Thomas A. Oduro, President, Good News Theological College & Seminary, Accra, Ghana "While Tom Oden writes about Africans for Africans, *The Rebirth of African Orthodoxy: Return to Foundations* is also addressed to all Christians everywhere who ask, 'What is God doing in the world today?' The author proposes that the clue to what God is doing in the present is to be found in what God has done in the past, for 'the Holy Spirit has a history.' Tom directs us to look to Africa, where the ancient African Christian orthodoxy is being reborn in the African church today, making it a witness to the whole church everywhere." -Timothy W. Whitaker, retired bishop, Florida Conference of The United Methodist Church

The Way of St. Thomas

This is a thoughtful and lucid meditation on the main spiritual features of R. S. Thomas's religious poetry. Laced with striking passages from the poetry this is a very useful handbook to the work of one of the 20th century's greatest English language poets. This brief, intelligent study is written by the highly respected Archbishop of Wales - which adds substantially to the book's authority.

The Encyclopedia of Eastern Orthodox Christianity, 2 Volume Set

Chesterton's description of his intellectual and philosophical journey to Christianity.

Western Rites of Syriac-Malankara Orthodox Churches

Orthodox Christianity is the face of ancient Christianity to the modern world and embraces the second largest body of Christians in the world. In this first-of-its-kind study Bible, the Bible is presented with commentary from the ancient Christian perspective that speaks to those Christians who seek a deeper experience of the roots of their faith. --From publisher's description.
