Honors & AP Courses - Preparing Students for College

Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school

communities where children are respected, valued and welcome participants.

Teaching Tolerance | Diversity, Equity And Justice

When schools opened this fall, Education Week noted a key “demographic milestone” — for the first time, children of color would outnumber non-Hispanic whites in the nation’s public classrooms. With the Pew Research Center projecting that, by 2050, more than one-third of the nation’s schoolchildren “younger than 17 will either be immigrants themselves or the children of at least one

History. Learn more about the subject of history, which is broadly defined as the study of past events. Due to the broad nature of the concept, most historians narrow their scope by focusing on a particular time period, a particular country or region, a particular person, group, or individual person, a particular theme, or any combination of those categories.

Subject Matter | Educational Content Exploration

Understanding the advantages Studies have shown that the rigor of a student's high school curriculum is the single best predictor of success in college. In his seminal study, *The Tool Box Revisited: Paths to Degree Completion from High School Through College* (Washington, D.C.: U.S. Department of Education, 2006), Clifford Adelman demonstrated that the academic intensity of a high school

Topics, Main Ideas, and Support

Centro Legal’s immigration practice is focused on serving the needs of our most vulnerable community members, including families living in poverty, long residing undocumented immigrants and families, youth, victims of violent crimes, asylum seekers, and detained individuals in removal proceedings.
