Why We Sleep

Unlocking the Floodgates of Heaven

The Eating Enigma

Over the past decade, a small revolution has taken place at some of the world's leading universities, as they have started to provide free access to undergraduate course materials--including syllabi, assignments, and lectures--to anyone with an Internet connection. Yale offers high-quality audio and video recordings of a careful selection of popular lectures, MIT supplies digital materials for nearly all of its courses, Carnegie Mellon boasts a purpose-built interactive learning environment, and some of the most selective universities in India have created a vast body of online content in order to reach more of the country's exploding student population. Although they don't offer online credit or degrees, efforts like these are beginning to open up elite institutions--and may foreshadow significant changes in the way all universities approach teaching and learning. Unlocking the Gates is one of the first books to examine this important development. Drawing on a wide range of sources, including extensive interviews with university leaders, Taylor Walsh traces the evolution of these online courseware projects and considers the impact they may have, both inside elite universities and beyond. As economic constraints and concerns over access demand more efficient and creative teaching models, these early initiatives may lead to more substantial innovations in how education is

delivered and consumed--even at the best institutions. Unlocking the Gates tells an important story about this form of online learning--and what it might mean for the future of higher education.

The first book in a new paranormal romance series by New York Times bestselling author Lynn Viehl. In the Provincial Union of Victoriana, a steampunk America that lost the Revolutionary War, Charmian "Kit" Kittredge makes her living investigating crimes of magic. While Kit tries to avoid the nobs of high society, she follows mysteries wherever they lead. In the Provincial Union of Victoriana, a steampunk America that lost the Revolutionary War, Charmian "Kit" Kittredge makes her living investigating crimes of magic. While Kit tries to avoid the nobs of high society, she follows mysteries wherever they lead. Unlike most folks, Kit doesn't believe in magic, but she can't refuse to help Lady Diana Walsh, who claims a curse is viciously wounding her while she sleeps. As Kit investigates the Walsh family, she becomes convinced that the attacks are part of a more ominous plot—one that may involve the lady's obnoxious husband. Sleuthing in the city of Rumsen is difficult enough, but soon Kit must also skirt the unwanted attentions of a nefarious deathmage and the unwelcome scrutiny of the police chief inspector. Unwilling to surrender to either man's passion for her, Kit struggles to remain independent as she draws closer to the heart of the mystery. For the truth promises to ruin her life—and turn Rumsen into a supernatural battleground from which no one will escape alive.

Written by a practicing architect and gerontologist, *The Complete Guide to Alzheimer's-Proofing Your Home* shows you how to create a home environment that will help you cope with the many difficulties associated with Alzheimer's. This unique book is divided into two sections to provide the most thorough coverage available. Section One deals with interior and exterior spaces individually, providing key information on how to ensure that the Alzheimer's patient will be safe and secure. Section Two gives a detailed list of potential problems related to Alzheimer's and practical information on how to cope with those problems in the home setting.

Price's Carpet and Rug News

Unlocking the Gates of the Watch is a tool that will aid in helping believers understand what time they are at spiritually, and what strategies the Lord would have them to walk in. In order for us to be the overcomers He's looking for in this hour, we must take courage. Jesus states in John 16:33, These things I have spoken to you, so that in Me you may have peace. In the world you have tribulation, but take courage; I have overcome the world. Beloved, this book will empower you to unlock hidden mysteries concerning the many ways our enemy attempts to block and distort our destiny. In the spiritual realm, battles are occurring day and night. As long as there are evils to overcome and injustices to fight, spiritual warfare will continue to be our reality. Don't wait any longer for the clock is ticking

Disenchanted & Co.

A horrible terrorist strike referred to as Operation Deadly Rain by the al-Qaeda is about to be launched against the United States during the holiday season, with perhaps hundreds of thousands of lives at stake. An artificial intelligence program is nearly completed that might predict in advance when, where, and how this attack might occur. When the CIA receives fragmentary warnings of the upcoming attack, the university researchers secretly developing this program called StarSight are abruptly plucked from their comfortable academic posts and thrust into the frontline of the war on terrorism. The stage is set for savage conflict: Professor Tony Shane, his beautiful research associate, Sarah, and a handful of university co-workers are condemned by their academic colleagues for conducting a secret project for the CIA. At the same time, they are exposed to deadly attempts by terrorist agents to sabotage their work. Unknown to the CIA and Senator Moorhouse, who is coordinating the StarSight project, the person responsible for Deadly Rain and ruthlessly attempting to terminate StarSight is himself a wealthy and respected American citizen and close friend of the Senator and his wife. With political intrigue permeating university and government circles alike, this adventure takes the reader from the comfort of the halls of ivy to the exotic settings of San Francisco, Zurich, Washington, and the Italian Riviera. Despite the personal trials of the researchers, politicians, and terrorists that unfold during this pre-holiday period, the purposeful efforts of the StarSight team to prevent the terrorist attack build to a heart-stopping climax.

Landmark Text Now Revised and Updated for a New Generation Practical, personal, biblical, and motivational, this bestselling book has been a go-to, definitive guide to intercessory prayer for years. Fully revised and updated, with an in-depth study guide, the fourth edition of this classic text offers new and vital insights on prayer and spiritual warfare. With compassion, strategic thinking, encouragement, and time-tested advice, international prayer leader Cindy Jacobs equips you to be an effective prayer warrior, covering essential topics and answering questions such as: · What is the purpose of intercession? · How do you know someone needs your prayers? · How do you pray? · Do your prayers really battle the enemy and thwart his plans? · What are the "gates" of the enemy? · And more! Whether you are a beginner or an expert intercessor, this training manual has everything you need to pray effectively--and possess the gates of the enemy.

Unlocking the Financial Gate

New York Times Bestseller In the most ambitious one-volume American history in decades, award-winning historian and New Yorker writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history. Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to

facts, proof, and evidence—at the center of the nation’s history. The American experiment rests on three ideas—“these truths,” Jefferson called them—political equality, natural rights, and the sovereignty of the people. And it rests, too, on a fearless dedication to inquiry, Lepore argues, because self-government depends on it. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation’s truths, or belied them. To answer that question, Lepore traces the intertwined histories of American politics, law, journalism, and technology, from the colonial town meeting to the nineteenth-century party machine, from talk radio to twenty-first-century Internet polls, from Magna Carta to the Patriot Act, from the printing press to Facebook News. Along the way, Lepore’s sovereign chronicle is filled with arresting sketches of both well-known and lesser-known Americans, from a parade of presidents and a rogues’ gallery of political mischief makers to the intrepid leaders of protest movements, including Frederick Douglass, the famed abolitionist orator; William Jennings Bryan, the three-time presidential candidate and ultimately tragic populist; Pauli Murray, the visionary civil rights strategist; and Phyllis Schlafly, the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. “A nation born in contradiction will fight forever over the meaning of its history,” Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. “The past is an inheritance, a gift and a burden,” *These Truths* observes. “It can’t be shirked. There’s nothing for it but to get to know it.”

English Patents of Inventions, Specifications

Co-published with the Association for Bahá’í Studies In 1844 a charismatic young Persian merchant from Shiraz, known as the Báb, electrified the Shí’ih world by claiming to be the return of the Hidden Twelfth Imam of Islamic prophecy. But contrary to traditional expectations of apocalyptic holy war, the Báb maintained that the spiritual path was not one of force and coercion but love and compassion. The movement he founded was the precursor of the Bahá’í Faith, but until now the Báb’s own voluminous writings have been seldom studied and often misunderstood. *Gate of the Heart* offers the first in-depth introduction to the writings of the Báb. Taking an interdisciplinary approach, the author examines the Báb’s major works in multifaceted context, explaining the unique theological

system, mystical world view, and interpretive principles they embody as well as the rhetorical and symbolic uses of language through which the Báb radically transforms traditional concepts. Arguing that the Bábí movement went far beyond an attempt at an Islamic Reformation, the author explores controversial issues and offers conclusions that will compel a re-evaluation of some prevalent assumptions about the Báb's station, claims, and laws. Nader Saiedi's meticulous and insightful analysis identifies the key themes, terms, and concepts that characterize each stage of the Báb's writings, unlocking the code of the Báb's mystical lexicon. Gate of the Heart is a subtle and profound textual study and an essential resource for anyone wishing to understand the theological foundations of the Bahá'í religion and the Báb's significance in religious history.

Quiet Determination

Gate of the Heart

Civil Theology and an Opening of Heaven; and unlocking of the Book of Revelation and of other dark figures by the nature and figurative use of the seven spirits of God, etc

During her lifetime, Myra Bradwell (1831-1894) - America's first woman lawyer as well as publisher and editor-in-chief of a prestigious legal newspaper - did more to establish and aid the rights of women and other legally handicapped people than any other woman of her day. Her female contemporaries - Susan B. Anthony, Elizabeth Cady Stanton, Lucy Stone - are known to all. Now it is time for Myra Bradwell to assume her rightful place among women's rights leaders of the nineteenth century. With author Jane Friedman's discovery of previously unpublished letters and valuable documents, Bradwell's fascinating story can at last be told. In a 1982 opinion, Justice Sandra Day O'Connor cited Myra Bradwell's hard-fought, successful campaign (culminating in 1869) to practice law, but few who read that opinion recognized Bradwell's name. In this work, Friedman reintroduces Bradwell, a feminist and long-term editor/publisher of the weekly Chicago Legal News. Friedman's accounts of Bradwell's fight to secure Mary Todd Lincoln's release from an asylum and her efforts on behalf of women's equality in various occupations are thoroughly absorbing, as are discussions of Bradwell's controversies concerning Elizabeth Cady Stanton and Susan B. Anthony. This book restores an important figure to her rightful place in American history and indicates that even an imperfect human being can be a splendid role model. Highly recommended. -Library Journal [This] biography of Myra Bradwell contributes to a new and growing interest in the history of women in the legal profession . . . Although she lost in the Supreme Court in 1873, the agitation her case provoked led to important reforms, and several states, including Illinois, passed legislation allowing women to practice law . . . Friedman has uncovered some interesting letters from Susan B. Anthony to Bradwell that help to place Bradwell at the center of the nineteenth-century women's rights movement and that reveal the strained relationship between these two influential women. -American History Review Excellent reading for those who wish to learn more about a woman who

struggled to open up the legal profession to women. -Women & Criminal Justice

Osho International Ashram: The ashram founded by the controversial guru, Bhagwan Shree Rajneesh, now known as Osho. Although he's been dead for more than twenty years, what influence does Osho still have on the happenings at the ashram? Can one classify the group of Osho followers as a cult? Is the ashram still a haven of sexuality? Learn the real story about what goes on inside the Osho International Ashram. Read about the rules, the practices, and the mandatory attendance at a video showing of the dead guru. Meet the people who populate the ashram: their beliefs, their attitudes, and their blind devotion to Osho's teachings. Sprinkled with local color and Indian customs, WHAT WOULD OSHO SAY/NOT MY GURU tells the engrossing story of how one woman fared during her three months of living and working alongside dedicated Osho-ites. And how the solace and

friendship of the local Indians helped to ease her way. Fair warning: Osho-Sannyasins will not like this book.

Gregor Jack has it all: young, wealthy, and charming, he's a highly respected member of Parliament, with a beautiful wife--and a closet bursting with skeletons. When he's caught in a police raid on an Edinburgh brothel, his house of cards begins to topple. Enter Detective John Rebus: he smells a set-up. When Jack's flamboyant wife Elizabeth disappears, Rebus uncovers a full-house of orgies, drunken parties, an incestuous "Pack" of deceitful chums and ultimately Elizabeth's badly beaten body. Now Rebus is on a new quest--to find a killer who holds all the cards. Strip Jack is a stellar entry in Ian Rankin's Inspector Rebus series, which The New York Times calls "A superior series."

Behind the Gates

In my earlier work, The Necronomicom Matrix, I did a lot of research on numerology of the gods of the Necronomicon. The key is there, the matrix has been opened. but with more research I have discovered the key to unlocking ADAR "the gate of the gods." Hidden within the Necronomicon glyph is a twelve point system, a map if you will of the zodiac, the azonei called igigi. I have unlocked the gate of ADAR and traveled to the heavens, in visions, astral, and dreams. The gate is real enough and opens the sea of spheres, the land of the igigi. This book will guide you through walking the gate system. This is a twelve year journey of traveling with a magickal star map. To the sea of spheres the land of the igigi.

Necronomicon The Gate of The Gods

The truths you will find in this book have been tested and proven for several years. I have practiced them and they are working for me. It is your turn to be a partaker. You cannot bind ignorance and prevail against it. You need knowledge, especially working knowledge, of financial prosperity. There are many people advocating so many things in the name of success. When you look clearly through the spiritual lenses, it does not work for them. Do not take that step of walking in that dimension where knowledge does not produce. The evidence of knowledge is proof. People can not deny results they see with their eyes. That is why this book is a must for you if you need financial liberation. You will experience a new day in your finances. Read this eye opener and be financially blessed.

State of New York Supreme Court Appellate Division Fourth Department

In this groundbreaking book, holistic nutritionist and behaviour specialist Maria Ayne reveals how to overcome the biggest obstacle on the road to wellness--the food cravings! For anyone who struggles with an unhealthy relationship with food--from food addiction, binge eating, compulsive eating, overeating, to intake restriction, The Eating Enigma will forever transform your unhealthy relationship with food while guiding you to create new, healthy habits. Maria's approach is not

about counting calories; it's not about food deprivation, following complex diet plans, or any other practices that ultimately lead to increased anxiety around mealtime. Rather, the aim is to re-establish the innate connection among mind, body, and food that we are all naturally born with but have been trained to reject. You will learn how to: Make the right nutritional choices for your own body Overcome cravings, and work to reduce or eliminate the onset of cravings Eliminate destructive lifestyle habits while instilling new, empowering habits Reprogram the subconscious mind to end self-sabotage Balance emotions and maintain a more peaceful, relaxed state Based on the latest scientific research and filled with powerful insights, *The Eating Enigma* provides easy-to-follow advice on obtaining holistic health. Using her own personal story and citing copious amounts of scientific research, Maria has written an immensely moving and inspiring book that will drastically alter your perception of your mind, body, and food.

The Complete Guide to Alzheimer's-proofing Your Home

A Novel of Berlin, Prophecy, and Unfinished Portraits In the Author's Note to his internationally bestselling novel, *The Last Kabbalist of Lisbon*, Richard Zimler described how he discovered a long-lost 16th-century manuscript in an Istanbul cellar written by a Portuguese kabbalist named Berekiah Zarco. More than 400 years later, Isaac Zarco becomes convinced by the pact between Hitler and Stalin - and other 'signs' - that an apocalyptic prophecy made by his ancestor is about to come terribly true. Is he mad to believe that by decoding these ancient kabbalistic texts he might be the one to save the world? Set in 1930s Berlin, during the Nazis' rise to power, *The Seventh Gate* brings together Sophie Riedesel, an intelligent, artistic, and sexually adventurous fourteen-year-old with Isaac Zarco and his friends, most of whom are Jews, ex-circus performers and underground activists. When a series of forced sterilizations, brutal murders and 'disappearings' to concentration camps decimates the group, Sophie must fight with all her ingenuity and guile to save all that she loves about Germany - at any cost. In its beautifully shaped portraits and in its chilling but sensuous evocation of Berlin in the 1930s, *The Seventh Gate* is at one and the same time a love story and tragedy - and a tale of ferocious heroism.
