My First Dot Art Coloring Book

A wonderful paperback picture book about the joys of family and food, from Newbery Award winning author Linda Sue Park. Bee-bim bop ("mix-mix rice") is a traditional Korean dish. In bouncy rhyming text, a hungry child tells of helping her mother make bee-bim bop: shopping, preparing ingredients, setting the table, and sitting down to enjoy a favorite meal. The enthusiasm of the narrator is conveyed in the whimsical illustrations, which bring details from the artist's childhood in Korea to his depiction of a modern Korean-American family. The book includes Linda Sue's own bee-bim bop recipe!

VEGAN Coloring Book

Fruits and Vegetables are good for Kids. Let's color them! There are big dots INSIDE each artwork to guide kids to dot on. The DOTS are BIG and perfectly fit the dot markers. Read-and-Find-Out picture book shows how little seeds become the plants and trees that surround us. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It's a fun way to learn to read and as a supplement for activity books for children. Now rebranded with a new cover look, this book includes a find out more activity section with a simple experiment encouraging kids to discover what a seed needs to grow. Both text and artwork were expert-reviewed for accuracy. This is a Level 1 Let's-Read-and-Find-Out, which means the book explores introductory concepts perfect for children in the primary grades and supports the Common Core Learning Standards and Next Generation Science Standards. Let's-Read-and-Find-Out is the winner of the American Association for the Advancement of Science/Subaru Science Books & Films Prize for Outstanding Science Series.
