Training Camp

They died in each other's arms, but their secrets did not die with them. Shocking truths about their past are uncovered through the Wednesday letters.

Life After You

Not all magicians go to schools of magic. Adam Binder has the Sight. It's a power

that runs in his bloodline: the ability to see beyond this world and into another, a realm of magic populated by elves, gnomes, and spirits of every kind. But for much of Adam's life, that power has been a curse, hindering friendships, worrying his backwoods family, and fueling his abusive father's rage. Years after his brother, Bobby, had him committed to a psych ward, Adam is ready to come to grips with who he is, to live his life on his terms, to find love, and maybe even use his magic to do some good. Hoping to track down his missing father, Adam follows a trail of cursed artifacts to Denver, only to discover that an ancient and horrifying spirit has taken possession of Bobby's wife. It isn't long before Adam becomes the spirit's next target. To survive the confrontation, save his sister-in-law, and learn the truth about his father, Adam will have to risk bargaining with very dangerous beings including his first love.

Continuum

By ancient definition, the adamant was known as both a diamond and a mythical stone of indestructible wonder. In more modern terminology, it describes a posture of unshakeable resolve and determination. If there was ever a time for us to be adamant about love and truth it is now. God is Love. God is Truth. Both love and truth are timeless, transcending our current trends and opinions. Sometimes the most loving thing we will ever do is to speak the truth, but speaking truth begins with living it. Using the mediums of Scripture and story, New York Times

bestselling author Lisa Bevere takes readers on a journey into the Mountain of God, to the one place they can learn not only to abide in God's unshakeable truth and love, but become adamant--people who are unmovable, determined, and steadfast. With conviction and passion, Lisa unpacks the concept of the adamant for readers, linking together the grand story of Scripture and God's purpose in their lives. Readers will see that God's plan is revealed as we dwell in him, it is there that we are forged and shaped. As we abide in Christ our Cornerstone we are shaped into the image of the adamant.

Adamant

After her mother's death, Kate meets the father she did not know she had, joins his presidential campaign, and when what she truly believes flies in the face of the campaign's talking points, Kate must decide what is best.

After He Killed Me

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In GOD IS NOT MAD

AT YOU, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: * Perfectionism and Approval * The Pain of Rejection * Guilt and Shame * Developing Your Potential * Run to God, Not from Him * Getting Comfortable with God "It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

Just One Night

"I have learned to kiss the wave that throws me against the Rock of Ages." What does it mean to "kiss the wave?" These words, attributed to nineteenth-century British preacher Charles Spurgeon, speak to the Christian's only hope for perseverance in suffering. What if we can learn to experience the nearness of God in the midst of suffering? What if God intends to work through our trials rather than simply take them away? After living for more than a decade with a debilitating nerve condition in both arms, Dave Furman shows us that God, in his grace, always

designs trials for our good—not minimizing the pain, but infusing significance into our suffering. Furman demonstrates that, even when tossed to and fro by stormy waves, God is near . . . and that makes all the difference in the world.

The Honourable Maverick

Since Meggie's bookbinder father can "read" fictional characters to life one abducts them; Meggie "reads" herself into Inkworld as the original creator of the world tries to redirect the story; and the Book of Immortality starts to unravel.

Caring for One Another

Named a Best Romance of April by Goodreads, Popsugar, Bustle, and more! In this fresh and hilarious historical rom-com, an estranged husband and wife in Regency England feign accidents and illness in an attempt to gain attention—and maybe just win each other back in the process. Five years ago, Lady Violet Grey and Lord James Audley met, fell in love, and got married. Four years ago, they had a fight to end all fights, and have barely spoken since. Their once-passionate love match has been reduced to one of cold, detached politeness. But when Violet receives a letter that James has been thrown from his horse and rendered unconscious at their country estate, she races to be by his side—only to discover him alive and well at a

tavern, and completely unaware of her concern. She's outraged. He's confused. And the distance between them has never been more apparent. Wanting to teach her estranged husband a lesson, Violet decides to feign an illness of her own. James quickly sees through it, but he decides to play along in an ever-escalating game of manipulation, featuring actors masquerading as doctors, threats of Swiss sanitariums, faux mistresses—and a lot of flirtation between a husband and wife who might not hate each other as much as they thought. Will the two be able to overcome four years of hurt or will they continue to deny the spark between them? With charm, wit, and heart in spades, *To Have and to Hoax* is a fresh and eminently entertaining romantic comedy—perfect for fans of Jasmine Guillory and Julia Quinn.

To Have and to Hoax

After spending one life-changing day in Paris with laid-back Dutch actor Willem De Ruiter, sheltered American good girl Allyson “Lulu” Healey discovered her new lover had disappeared without a trace. *Just One Day* followed Allyson’s quest to reunite with Willem; *Just One Year* chronicled the pair’s year apart from Willem’s perspective. Now, back together at last, this delectable e-novella reveals the couple’s final chapter.

Runaway

In a rich fantasy world where Songs literally move heaven and earth, one sister must use magic and the other must rely on strength to reunite when pirates, greed, and war tear them away from each other. Miren has never allowed jealousy of her sister's magic keep her from taking care of Kesia, and Kesia has always depended on her big sister. When Kesia is kidnapped, Miren will do anything to get her back—even team up with her sister's aristocratic and seemingly ineffectual boyfriend. Neither sister had ever left their small fishing village before, and now they are plunged into the wider world, minor players in a war between nations. Each sister faces external and internal perils, and each finds surprising allies and unexpected strengths. How will the two find each other again? And what will become of them if they don't succeed?

Love Life

TASTE LIFE TWICE is Marsha J. Perlman's stunning evolution from a reticent and acquiescent girl growing up in New York City, to an independent and assertive world traveling educator and author, with a sense of self and empowerment. She had courage and perseverance to delve into incidents stored in her memory, to relive joy and heartaches and to examine unanswerable questions. The author

journeyed through family dynamics, emerging social and political issues, love, loss and eventual triumph. This inspiring book is an excellent read for women of all ages, backgrounds and experiences.

Past Perfect Life

St. Piran's: The Fireman and Nurse Loveday

An exciting new direction for acclaimed author Elizabeth Eulberg, *Past Perfect Life* is a tense and tender read about secrets and lies, reality and identity, and the ways we put ourselves back together when everything is broken. Small-town Wisconsin high school senior Allison Smith loves her life the way it is—spending quality time with her widowed father and her tight-knit circle of friends, including best friend Marian and maybe-more-than-friends Neil. Sure she is stressed out about college applications . . . who wouldn't be? In a few short months,

everything's going to change, big time. But when Ally files her applications, they send up a red flag . . . because she's not Allison Smith. And Ally's--make that Amanda's--ordinary life is suddenly blown apart. Was everything before a lie? Who will she be after? And what will she do as now comes crashing down around her? Perfect for fans of *Far From the Tree*, this is the story of one teen's search for herself amid the confusion of a shattered past and a future far from all she planned.

Angels & Demons/ Deception Point

From the fantastic author of *The Lonely Hearts Club* and *Prom & Prejudice* comes a story of all the drama and comedy of four friends who grow into themselves at a performing arts high school. Emme, Sophie, Ethan, and Carter are seniors at a performing arts school, getting ready for their Senior Showcase recital, where the pressure is on to appeal to colleges, dance academies, and professionals in show business. For Sophie, a singer, it's been great to be friends with Emme, who composes songs for her, and to date Carter, soap opera heartthrob who gets plenty of press coverage. Emme and Ethan have been in a band together through all four years of school, but wonder if they could be more than just friends and bandmates. Carter has been acting since he was a baby, and isn't sure how to admit that he'd rather paint than perform. The Senior Showcase is going to make or break each of the four, in a funny, touching, spectacular finale that only Elizabeth Eulberg could perform.

The Ghost and the Goth

Angel in The Rain

'He crashed on to the pillow next to me, heavy as a felled oak. I slapped His face and told Him to wake up. Our daughter, B, appeared in the doorway, woken up by the screaming – I must have been screaming but I don't remember – and she was crying and peering in. I told her the ultimate adult lie; that everything was all right.' Sudden death is rude. It just wanders in and takes your husband without any warning; it doesn't even have the decency to knock. At the impossibly young age of 37, as they were making love one night, Lucie Brownlee's beloved husband Mark dropped dead. As Lucie tried to make sense of her new life – the one she never thought she would be living – she turned to writing to express her grief. Life After You is the stunning, irreverent and heartbreakingly honest result.

The Chocolate Touch

Dan and Carmen have it all, it seems: They are young, rich, good-looking, satisfied in their work and love life, and are the parents of a beautiful three-year-old daughter. When Carmen is diagnosed with breast cancer, Dan is unable to cope

with her illness and the changes this brings to their happy, yuppie family life. While the beautiful and optimistic Carmen submits to chemotherapy and eventually a mastectomy, hedonistic Dan tries to find solace with his buddies and in several flings before he finally stops running away and succeeds in supporting Carmen in her decision to end her life with dignity. Love Life is an account of a terminal illness that is devoid of glitz or fake sentiment. Distressing hospital situations and spot-on characterizations of doctors and therapists alternate with the many heart-wrenching moments through the course of Carmen's illness, as both she and Dan come to terms with what commitment really means. Love Life is completely unapologetic, extremely controversial, but ultimately uplifting and life-affirming.

Why I Love the Apostle Paul

“Besides Jesus, no one has kept me from despair, or taken me deeper into the mysteries of the gospel, than the apostle Paul.” —John Piper No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person who lives with the unceasing anguish of empathy be always rejoicing? Can a man’s description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If we know this man—if we see what Piper sees—we too will love

him. Paul's testimony is a matter of life and death. Piper invites you into his relationship with Paul in the hope that you will know life, forever.

Imagine . . . an interconnected group of people who entrust themselves to each other. You can speak of your pain, and someone responds with compassion and prayer. You can speak of your joys, and someone rejoices with you. You can ask for help with sinful struggles, and someone prays with you. The goal of this book is that these meaningful relationships will become a natural part of daily life in your church. With short chapters and discussion questions meant to be read in a group setting, Ed Welch guides small groups through eight lessons that show what it looks like when ordinary, needy people care for other ordinary, needy people in everyday life.
