In New York Times bestselling author Jodi Thomas's small town of Harmony, Texas, "there's always something brewing" (Fallen Angel Reviews). Now, a generations-old feud is about to come to a head—and the stakes couldn't be higher with two hearts on the line... Cord McDowell gave up his freedom at eighteen when he went to jail for a crime he didn't commit. Now, ten years later, he's about to give it up again for a piece of land. Nevada Britain, his neighbor, has just made him an offer he can't refuse: If he'll marry her, she'll sign over a section of property that their families have been fighting over for a hundred years. Nevada refuses to explain why, but Cord knows the bargain is in his favor. He just has one condition—she has to sleep in his bed every night for as long as their doomed marriage lasts. Nevada only wants to maintain her family's legacy—and redeem herself for a wrong she did Cord years ago. But as she spends more time with her husband of necessity, she discovers something unexpected—a love so deep it takes her breath away.

"If you want to know why Harriet Lerner is one of my great heroes, *Why Won't You Apologize?* is the answer. This book is a game changer." —Brené Brown, PhD, LMSW, author of the #1 New York Times bestseller *Rising Strong* "Harriet Lerner is one hell of a wise woman. She draws you in with deft and engaging prose, and then changes your life with her rigorous intelligence and her deeply human advice. I promise that you will never see 'the apology' in quite the same way." —Esther Perel, MA, LMFT author of *Mating in Captivity* Renowned psychologist and bestselling author of *The Dance of Anger* sheds new light on the two most important words in the English language—I'm sorry—and offers a unique perspective on the challenge of healing broken connections and restoring trust. Dr. Harriet Lerner has been studying apologies—and why some people won't give them—for more than two decades. Now she offers compelling stories and solid theory that bring home how much the simple apology matters and what is required for healing when the hurt we've inflicted (or received) is far from simple. Readers will learn how to craft a deeply meaningful "I'm sorry" and avoid apologies that only deepen the original injury. *Why Won't You Apologize?* also addresses the compelling needs of the injured party—the one who has been hurt by someone who won't apologize, tell the truth, or feel remorse. Lerner explains what drives both the non-apologizer and the over-apologizer, as well as why the people who do the worst things are the least able to own up. She helps the injured person resist

pressure to forgive too easily and challenges the popular notion that forgiveness is the only path to peace of mind. With her trademark humor and wit, Lerner offers a joyful and sanity-saving guide to setting things right.

## **Beatrix Potter's Gardening Life**

Sean McDowell and Jonathan Morrow have penned an accessible yet rigorous look at the arguments of the New Atheists. Writing from a distinctively Christian perspective, McDowell and Morrow lay out the facts so that the emerging generation can make up their own mind after considering all the evidence.

## **Billboard**

McDowell An admired and lauded surgeon climbs to the top of his profession, but his callous and questionably moral determination angers colleagues and friends who vow to destroy him. He becomes a member of the presidents cabinet when a personal family tragedy presents him with a dilemma that leads to a felonious crime. When his world of wealth and privilege collapses, only time can reveal if he rebuilds his life.

Revival is not a thing of the past. It's happening now! Since May of 2016 Deeper Fellowship Church in Orlando, Florida, has experienced a move of God with numerous healings and supernatural encounters. This outpouring of the Spirit bears many hallmarks of historic revivals that have taken place in the past four hundred years. Pastor William McDowell challenges you to believe that if revival is happening anywhere, it can happen everywhere. Physical, emotional, and spiritual healings are taking place today. The people of God are passionately pursuing Him, and He is responding. Interwoven with stories of God working in miraculous ways, It's Happening captures biblical truths about experiencing revival and God's

presence. Position yourself to join in the move of God that is already happening, and be a catalyst in spreading it. Stop waiting for revival and start seizing it.

“An enchanting and original account of Beatrix Potter's life and her love of plants and gardening.” —Judy Taylor, vice president of the Beatrix Potter Society There aren't many books more beloved than *The Tale of Peter Rabbit* and even fewer authors as iconic as Beatrix Potter. More than 150 million copies of her books have sold worldwide and interest in her work and life remains high. And her characters—Peter Rabbit, Jemima Puddle Duck, and all the rest—exist in a charmed world filled with flowers and gardens. *Beatrix Potter's Gardening Life* is the first book to explore the origins of Beatrix Potter's love of gardening and plants and show how this passion came to be reflected in her work. The book begins with a gardener's biography, highlighting the key moments and places throughout her life that helped define her, including her home Hill Top Farm in England's Lake District. Next, the reader follows Beatrix Potter through a year in her garden, with a season-by-season overview of what is blooming that truly brings her gardens alive. The book culminates in a traveler's guide, with information on how and where to visit Potter's gardens today.
